- Official floor video (House of Delegates archive, YouTube): https://www.youtube.com/watch?v=r3PNbT3NK7Q
- LIS House minutes: https://lis.virginia.gov/session-details/20261/minutes-list/H

> Machine transcript (speech-to-text) produced by Coraggio Consulting. Not an official county record. Names and numbers may be misspelled; check the video at the timestamp before quoting.

Speech-to-text: whisper.cpp, model large-v3-turbo. Produced 2026-10-16. Each paragraph starts with its time [HH:MM:SS] in the meeting video.

[00:16:14] House will come to order. Members, please take your seats. Sergeant-at-Arms. The House is now in session. All persons not entitled to the privileges of the floor, please retire to the gallery.

[00:16:31] The members will rise and be led in prayer by the Honorable Eric J. Phillips, the delegate from Henry County, and remain standing for the Pledge of Allegiance to the Flag of the United States of America, led by the delegate from Alexandria, Delegate Herring. House will come to order. Let us pray. Most gracious Heavenly Father, we come before you today with grateful hearts, recognizing that every good and perfect gift comes from you.

[00:16:52] You're the author of life, the source of wisdom, and the giver of the many blessings that we too often take for granted. Our families, our freedoms, our commonwealth, and the opportunity to serve the people who have entrusted us with this responsibility. As we gather once again in this chamber, let us pause to remember those among us who have suffered loss since we last convened.

[00:17:09] We lift up our colleagues and their families who have walked through seasons of grief and heartache. Grant them comfort and sorrow, strength for each day, and the peace that only you can provide. Lord, give us wisdom beyond our own understanding and help us to listen with humility, debate with civility, and lead with courage.

[00:17:26] Remind us that while we may differ in our views, we should be united in our duty to serve the people of Virginia faithfully and honorably. May our words be measured, our motives be pure, our decisions reflect justice, mercy, and a sincere desire to leave this commonwealth better than we found it.

[00:17:43] Bless this house, bless the commonwealth of Virginia, and bless these United States of America. In Christ's holy name I pray, amen. Amen. Thank you to the flag of the United States of America and to the republic for which it stands, one nation, under God, in the biblical, with liberty and justice for all.

[00:18:11] The members will answer the roll call by indicating their presence on the electronic voting board. Clerk will close the roll.

[00:18:36] Mr. Speaker, a quorum is present. Pursuant to House Rule 3, I have examined and approved the Journal of House of Delegates for Thursday, April 23rd, 2026. Motions of resolutions under Rule 39 pursuant to the provisions of Rule 40 are now in order. The clerk shall announce the first morning hour order of business, including any clerk's announcements and communications.

[00:18:54] No communications are announced, Mr. Speaker. Therefore, this first portion of the morning hour, speaker requests to use your request to speak button. Surred the House Rule 40 for the agenda items listed for reference up on the voting board. The delegate from Albemarle, Delegate Lauffer. Thank you, Mr. Speaker.

[00:19:11] I rise for a motion. Doug has the floor. Mr. Speaker, I move that the House take up out of order H.R. 2047 of today's calendar. Clerk will report a resolution. 2074.

[00:19:27] 2047? Memorial. I'm sorry, 2074. Ms. Speaker, commending memorials laid on the speaker's table, page seven, House Resolution 2074. Commending Colonel James T. O'Kelly, United States Marine Corps Reserve, retired.

[00:19:44] Delgado Lauffer. Mr. Speaker, I move the adoption of the resolution and request to speak to the motion. Delgado has the floor. Thank you, Mr. Speaker. House Resolution 2074 commemorates a local hero who embodies service above self, Colonel Jim O'Kelly.

[00:20:01] Today in the gallery, we have Colonel O'Kelly, his family, and fellow veterans, and I ask that they all please stand. Colonel O'Kelly honorably served our country for 36 years as a member of the United States Marine Corps Reserve, including tours of duty in Vietnam and Korea, serving in many leadership roles, ranging from 2nd Lieutenant Platoon Commander to Lieutenant Executive Officer and Captain throughout his time there.

[00:20:34] For his service and valor, Colonel O'Kelly has received numerous decorations, including the Legion of Merit Bronze Star Medal with the device, the Purple Heart, the Air Medal, and the Combat Action Ribbon.

[00:20:53] But Colonel O'Kelly's commitment did not end when he took off the uniform of a Marine. He continued his public service with the U.S. Geological Survey, capping 40 years of federal service. After retirement, he went on to serve the Admiral community for more than 11 years as a part-time deputy sheriff as well as a reserve deputy sheriff in Greene County.

[00:21:15] Perhaps most personally, though, Colonel O'Kelly and his wife have spent the last 15 years ensuring that the names of those who did not come home are never forgotten. They have worked tirelessly

to research and memorialize local heroes with the Dogwood Vietnam Memorial Foundation in Charlottesville.

[00:21:36] I'd like to also say that he has inspired me many times with his speeches and his selfless service to others. Throughout his entire life, he has been a hero, a patriot that has selflessly served not just our community, but the nation as a whole. So on behalf of Delegate Coulson and I, I ask that we approve H.R. 2074.

[00:21:57] The doctor from Abermore, Delegate Lawford, moves that the House Resolution 2074 commending Colonel James T.O. Kelly, United States Marine Corps, Reserve, retire. All those in favor of adopting the resolution shall say aye. Aye. All those opposed, no. The resolution is agreed to.

[00:22:13] Congratulations, sir, and thank you. Thank you for your service.

[00:22:30] Delegate from Dinwiddie, Delegate Pope Adams.

[00:22:47] Thank you, Mr. Speaker. I rise for two motions. The delegate has the floor. Thank you, Mr. Speaker. First, I move that the House take up out of order, H.R. 2100, located on page two of today's calendar.

[00:23:05] Clerk, report a resolution. Tomorrow, resolutions laid on the speaker's table. House resolution 2100 on page two, celebrating the life of Taron Mehta. Delegate from Dinwiddie, Delegate Pope Adams. Thank you, Mr. Speaker. I move adoption of the resolution and request to speak to the motion.

[00:23:21] The delegate has the floor. Thank you. Mr. Speaker, moments in our lives remind us that behind every public servant, every title, and every accomplishment is a family whose love, sacrifice, and support often go unseen.

[00:23:42] Today is one of those moments. For months, we have had the privilege of serving alongside our colleague, Delegate Mehta. We have witnessed her strength, her intellect, and her unwavering commitment to the people she serves. What we may not have always seen was the person standing beside her, encouraging her, supporting her, and taking pride in her life of service.

[00:24:10] Ted Unmeta was that person. He was a devoted husband, a loving father, and a man who centered his life around the people he loved most. While he enjoyed a distinguished legal career and earned the respect of colleagues across the country, those who knew him best will remember something even more meaningful, his kindness, his generosity of spirit, and the deep love he had for his family.

[00:24:40] Today, we honor a life well-lived and a man whose legacy will continue through the lives he touched and the family he cherished. And our hearts are especially with Delegate Mehta and her daughter as they navigate this profound loss.

[00:24:59] Mr. Speaker, we cannot take away their grief, but we can and we will stand beside them through it. Because the 30th Psalm tells us, weeping may endure for a night, but joy, joy comes in the morning.

[00:25:27] So, Mr. Speaker, I move adoption of the resolution, and I further move that when the House adjourns today, it adjourns in the honor and memory of Terran Mehta. Delegate from Dinwiddie, Delegate Pope Adams, moves that the House adopts House Resolution 2100, celebrating the life of Ted and Mehta, and that when the House adjourns today, it do so in the honor and memory of Ted and Mehta.

[00:25:54] All those in favor of the motion shall please rise. The motion is agreed to.

[00:26:06] Delegate from Albemarle, Delegate Carlson.

[00:26:50] Thank you, Mr. Speaker. I rise for a motion. The Delegate has the floor. I move that the House take up out of order, House Resolution 2142 on today's calendar. I'm speaking to that motion.

[00:27:07] Clerk will report a resolution. Mr. Speaker, commending resolutions laid on the Speaker's table on page 13, House Resolution 2142, commending Child's Family Orchards.

[00:27:24] Delegate from Albemarle, Delegate Carlson. Thank you. This is a tough act to follow, and I tried to press my button so fast because I did not want to follow something so serious and meaningful delegate meta with something that is not quite that. But I am going to keep this short and sweet, in fact, very sweet, but I'm not going to make it small because the resolution that we're about to adopt is to honor the world's largest peach that was grown right here in Virginia in Albemarle County.

[00:27:51] I have been asked quite a bit how big the peach was, and I'm afraid to say for all the road doll fans out there that it is not big enough to crawl in and fly away on. But it's still a marvelous thing nonetheless, and it reminds us of the care that our farmers pour into their crops.

[00:28:14] It is also a wonderful reminder of the amazing things that can be produced in our wonderful state, especially mine and Delegate Law First County. There's no competition, but I'm just saying it was the world's largest. And if it was a competition, I would also say that Georgia has nothing on us.

[00:28:33] And lastly, it's a reminder of the joy that a connection to nature can bring to all of us. Child's has been growing fruit and doing pick-your-own fruit for over a century. It's an experience that my family has enjoyed, and I wanted to bring it into session today, so we went and picked fruit this morning, and it is available in the break room if you want to grab a peach to bring home with you.

[00:28:55] And with that, on behalf of Delegate Lauffer and myself, I would move adoption of the resolution for our giant peach. Delegate from Albemarle, Delegate Carson moves that the House adopt.

[00:29:16] House Resolution 2142, committing child's family orchards. Are those in favor of adoption of the resolution say aye. Those opposed, no. The resolution is agreed to. Congratulations. Delegate from Virginia Beach, Delegate, ask you.

[00:29:38] Thank you, Mr. Speaker. Ms. Speaker, I rise today for two motions. Delegate has the floor. Thank you, Mr. Speaker. Mr. Speaker, our request is to take out an order of H.R. 2172, found on page 5 of the today's calendar. Clerk, report a resolution. Memorial resolution is laid on the speaker's table, page 5, House Resolution 2172, celebrating the life of DeJuan Anthony Stiegel, Jr.

[00:30:01] A delegate from Virginia Beach, a delegate to ask you. Thank you, Mr. Speaker. Mr. Speaker, I move the adoption of H.R. 2172. I'd like to speak to that motion. The delegate has the floor. Thank you, Mr. Speaker. Ms. Speaker, today I rise with a heavy heart to honor life and memory of DeJuan, my chief of staff, my brother, and my friend.

[00:30:18] There are no easy words for a loss like this. DeJuan was far more than his title. He was a steadying presence, a trusted advisor, and someone whose judgment I rely on in moments that require clarity, strength, and commitment. He stood beside me through demands of his work and carried that responsibility with both excellence and care.

[00:30:36] When I first met DeJuan, he was an ODU intern here on the Hill with Delegate Hayes. we connected over pickup basketball he was I believe 21 and I was in my mid-30s running up and down the court you know he was a lot faster and I was worried about pulling a hamstring but we connected over the game nonetheless it was clear he had a rare spark that drew people to him he went on to serve in several roles for me joining me lastly here in the general assembly as my chief of staff he brought him with him the same commitment he did on the court DeJuan understood how to lead and how to serve he brought intention to the work

[00:31:13] and humanity to every interaction he's ever had hit away making people feel seen value and supported and that is legacy that will endure far beyond his time here with us on earth when i would call him i would ask him how his day was going or how he was doing they always say you know living the dream you know that was that was the one right always moving forward always believing and what was possible always working with a purpose he carried that strength strength and fire and everything he did including his fight against cancer and his work protect protect other families through HB 392, which he passed this year.

[00:31:51] Even while walking through his own storm, he chose to use his own story to help protect other families here in the Commonwealth. DeJuan brought light in every room he ever entered. He had a smile that brought up any room he ever walked into. He knew how to laugh, how to lift others, and how to remind us to hold on to joy, even in the middle of a heavy storm.

[00:32:11] His loss was profound, but so was my gratitude. Gratitude for his counsel, his strength, his loyalty, and the many ways he showed up when it mattered most. Gratitude for the impact he made, the example he set, and the lasting mark he leaves on my office, this body, and the Commonwealth.

[00:32:29] DeJuan's legacy will live on in the people he lifted, the work he strengthened, an example he set for all of us to lead with purpose, compassion, and heart. His spirit will continue to live on in my office and the work we carry forward in his honor. Mr. Speaker, in honor of DeJuan's life, his service, and his lasting impact, I respectfully move that when the House adjourns today, it adjourns in honor and memory of Mr. DeJuan Stiegel, Jr.

[00:32:55] Delegate from Virginia Beach, Delegate, ask your muse that the House adopt House Resolution 2172 celebrating the life of DeJuan Anthony Stiegel, Jr. And that when the House adjourned today, it do so in the honoring memory of DeJuan Anthony Stiegel, Jr. All those in favor shall please rise.

[00:33:12] The motion is agreed to.

[00:33:40] Delegate from Lynchburg, Delegate Walker. Thank you. Thank you, Mr. Speaker. I'll rise for a motion. The delegate has the floor. Mr. Speaker, I move that the House take out of order House Resolution 2072 on page 7 of today's calendar.

[00:34:02] Clerk will report a resolution. Commending resolutions laid on the Speaker's table, page 7, House Resolution 2072. Commending Noreen Turn. Delegate from Lynchburg, Delegate Walker. So, Mr. Speaker, I move the adoption of the resolution, and I'd like to speak to that motion, please.

[00:34:23] Delegate from Lynchburg, Delegate Walker. Okay. Mr. Speaker, before I move to this resolution, I'd like to remind the delegate from Albemarle, while you have a box of peaches, the best peaches come from Georgia, which is the peach state. Now, for many of us in Central Virginia, WSET Evening News broadcast has been part of our daily routine for decades. And for 36 years, Noreen Torrin,

who has been one of the most trusted, recognizable voices delivering the news to our homes. Noreen arrived in Lynchburg in

[00:35:00] 1990 and has quickly become more than just a reporter or an anchor. She became a fixture in our community. Through the historic events, breaking news, difficult moments, she helped to keep the public informed with fairness and commitment to truth. Her work has earned her great recognitions, and these awards are not only just part of her story. Noreen's legacy in Central Virginia is the confidence that she has inspired in viewers and countless journalists that she has mentored along the way. At the end of July, Noreen will conclude an extraordinary

[00:35:40] career at WSET. While viewers will miss seeing her behind the anchor desk, her impact on journalism and the Lynchburg community will endure for years to come. Mr. Speaker, I hope that people will join me in thanking Noreen Turin for her remarkable service to Central Virginia and the Commonwealth of Virginia.

[00:36:02] We wish her a happy and a well-deserved retirement. Thank you, Mr. Speaker. Delegate from Lynchburg, Delegate Walker, moves that the House adopt House Resolution 2072 commending Noreen Turin. All those in favor of the motion shall say aye. Those opposed, no.

[00:36:17] The motion is agreed to. Congratulations. The Delegate from Richmond City, Delegate Carr. Thank you, Mr. Speaker.

[00:36:35] I rise for a motion. The Delegate has the floor. Thank you. I move that the House take up out of order House Resolution No. 2173 on page 5 of the printed calendar, and I'd like to speak to that motion.

[00:36:51] Clerk will report a resolution. Memorial Resolutions laid on the speaker's table, page 5, House Resolution 2173, celebrating the life of Bernard L. Henderson, Jr. Thank you. Thank you, Mr. Speaker.

[00:37:08] Bernie dedicated his life to public service to Richmond and our Commonwealth. He worked for several delegates and a state senator in addition to working on Capitol Hill. He worked under several governors in roles spanning appointments to regulatory boards as an interim secretary of the Commonwealth and in the office of the governor, to name just a few.

[00:37:28] Beyond Bernie's work in public service, he served on boards of several nonprofit boards and was an active member of Richmond's faith community and an anchor in its business community. He was CEO of Woody and Nelson Funeral Homes. To quote Jim Jernigan, president of Richmond First, Bernie was the very epitome of an engaged citizen.

[00:37:50] Mr. Speaker, on behalf of Delegate Barr and myself, I move the adoption of the resolution and at the appropriate time move that the House adjourned today when it does so in honor of Bernie Henderson. The delegate from Richmond City, the delegate of Carr, moves at the House to adopt House Resolution 2173, celebrating the life of Bernard L. Henderson, Jr., and that when the House adjourned the day, it do so in the honor and memory of Bernard L. Henderson, Jr.

[00:38:18] All those in favor of the motion shall rise. The motion is agreed to. Delegate from Falkir, Delegate McAuliffe. Thank you, Mr. Speaker.

[00:38:33] Raise your purposes of a motion. Delegate has the floor. I rise today to take the following memorial resolutions out of order. H.R. 2114, 2116, 2136, and 2137, all on page 3 of the calendar. Without objection, those resolutions are taken up out of order.

[00:38:55] Do you have a following motion? And move adoption of those resolutions. Delegate from Fauquier County, do you need to report them first, Mr. Clerk? 2114, 2116, 2136, 2137.

[00:39:13] Thank you, Mr. Speaker. More resolutions. The four of them that are pulled up, page 3, House Resolution 2114, House Resolution 2116, 2136, and 2137 are now before the body.

[00:39:29] All those in favor of adopting those memorial resolutions as read by the clerk shall please rise. The resolutions are agreed to. So at the House Rule 30, the journal shall reflect that the following members are away on pressing personal business.

[00:39:53] I'm going to grant a lead from today's session, Delegates Ballard, Clark, Delaney, Fowler, Garrett, and McLaughlin. Clerk will announce the next order. Ms. Speaker, the second portion of the morning hour is not applicable given today's calendar. House of Bede's.

[00:40:18] That order of business is legislation to move from uncontested to the contested calendar. I'm not aware of any such requests. Dr. Lennonson, next order.

[00:40:33] And the fourth and final portion of the morning hour is for member requests for points of personal privilege. Kindly use your request speak button to get into the queue. Call the calendar. Calendar for today, Monday, June 22nd, for this gathering of the 2026 special session.

[00:40:49] One, page one, first category, memorial resolutions laid on the speaker's table. Memorial resolutions to be adopted in block are listed on pages one through five, with the exception of the following that are pulled out of the block. House Resolution 2100, 2114, 2116, 2136, 2137, as well as House Resolution 2172 and 2173.

[00:41:13] Those are all out of the block. The remaining in-block memorial resolutions are before you, in addition to two that came in after the deadline, House Resolution 2190, celebrating the life of Stephanie Danielle Myers, and 2191, celebrating the life of Lynn Kathleen McKay.

[00:41:30] Does any member desire to remove a resolution from the block? Hearing none, all those in favor have adopted in-block the memorial resolutions laid on the speaker's table as listed on pages 1 through 5, with the exception of those excluded as announced by the clerk. Pages 1 through 5 of the calendar shall please rise.

[00:41:55] The resolutions are agreed to. Continuing with the calendar, page 5, printed version, following that way. Next category, commending resolutions laid on the speaker's table. Commending resolutions be adopted and blocked, listed on pages 5 through 16, with the exceptions of House Resolution 2072, 2074, and 2142.

[00:42:18] And like before, we also have four additional commending resolutions, 2189, 2192, 2193, and 2194. So all of those that have not been listed are in the block in addition to these four that are now before the body.

[00:42:35] Does any member desire to remove a resolution from the block? Hearing none, all those in favor of adopting in block the commending resolutions laid on the speaker's table, with the exception of those that were removed and with the exception of those that were added, As listed on pages 5 through 16 of the calendar, we'll say aye. Those opposed, no.

[00:42:51] The resolution is agreed to. Ms. Speaker, continuing with the calendar, page 17 of today's printed calendar category of House Bills in Conference. Conference report has been received from House

Bill 30, which relates legislation for all appropriations of the budget and to provide a portion of the revenues for the two years ending respectively on the 30th day of June 27 and the 30th day of June 2028, as well as legislation to amend and reenact various portions of the Code of Virginia and repeal several enactments of the Acts of Assembly of 2022 effective for the tax year beginning on and after January 1, 2027.

[00:43:26] The conference report is available to the public for over 48 hours, is available to the members for beyond 48 hours, and therefore the conference report for House Bill 30, the new biennial state budget, is before the body. Senator Prince William, Delegate Tory. Thank you, Mr. Speaker. Mr. Speaker, speaking to House Bill 30 in the conference report.

[00:43:43] The delegate has the floor. Thank you, Mr. Speaker. Mr. Speaker, earlier today, staff and I had an opportunity to share the conference report with both caucuses to give them an overview of the conference report and to receive any questions. With that said, Mr. Speaker, I move adoption of the conference report.

[00:44:02] Shall the conference report be adopted? Mr. Speaker. I'm sorry, the delegate. Y'all better hit your buttons faster than that. When he stands up, y'all need to hit y'all button because we're moving. The delegate from Roanoke, Delegate McNamara. Thank you, Mr. Speaker. speaking to the conference report. The delegate has the floor. Thank you, Mr. Speaker. So I was hoping I'd hear about the Democrat spending plan that we're about to vote on today in a few minutes and the fact, Mr. Speaker, that there aren't tax increases as they are so defined. But Mr. Speaker, when I look at the budget for fiscal year 2027, which is the coming year we're going into,

[00:44:38] it is $34.7 billion. $34.7 billion. A lot of money. Last year on the Yunkin budget, fiscal year 2026, our spending plan was $31.4 billion. Again, a lot of money. So what has changed from last year running the Commonwealth to this year running the Commonwealth? $3.3 billion. $3.3 billion is a 10.5% increase, Mr. Speaker, year over year. Now, you and I both know that revenues are where revenues come from for the Commonwealth, and they come from our citizens,

[00:45:16] and their taxes and fees and all the things that we like to say we're trying to cut to make things more affordable. Well, what does $3.3 billion mean to the Commonwealth of Virginia citizens? Mr. Speaker, it means $9 million a day, every single day of the year, Christmas, New Year's, Thanksgiving, every Monday, every Tuesday, every Wednesday, every Thursday, every Friday, every Saturday, every Sunday. $9 million more we are spending to run the Commonwealth this coming year than we spent the year that we are currently in. Now we can talk about some, you know, the

[00:45:55] increase in the standard deduction, which I've carried the bills in the past, and it's very good. And to the highest earning tax payer, it will equate to $63 a year. $63 a year, which will quickly be eclipsed by a 1% potential and likely sales tax add-on across the Commonwealth. It will be eclipsed by merely $120 worth of spending per week by this family on taxable goods. Now when we do, I call it a Democrat spending plan because a budget, when you put together a budget, you align

[00:46:31] your revenues and you align your expenses with your revenues. In the Democratic spending plan, And we didn't have enough revenues to spend, so we adjust our revenues. Just a few weeks ago, the governor came out with some enhancements to our revenues of better than a billion dollars.

[00:46:49] Just in, I guess, the last few days, $600 million in fees has been impacted on a particular industry within the Commonwealth. $600 million. So out of that $3.3 billion or this $600 million that just showed up or the million and a half dollars that just showed up on a governor re-forecast, somewhere could we have found just $300 million to eliminate the grocery tax that impacts our everyday working citizens?

[00:47:25] No, there was no room for tax relief in the Democrat spending plan, just room to grow government by 10.5%. Thank you, Mr. Speaker. Delegate from Scott County, Delegate Kilgore.

[00:47:43] Thank you, Mr. Speaker. Speak to the bill. Delegate has the floor. Mr. Speaker, let me just first applaud our staff and our conferees for the hard work that they've done on this budget. I know it's been a long ordeal, and I appreciate the chairman and everyone that worked so hard on this budget.

[00:48:03] And there's a lot of good in the budget as it relates to pay raises for teachers, pay raises for our state employees, some much-needed investments in our infrastructures and things of that nature, as well as raising the standard deduction, and I appreciate that.

[00:48:21] But all through the session, we did have a consistent issue on this side, and that's Reggie. And I applaud the folks for adding that back in to give some money back to our rate payers.

[00:48:37] But we also need, and maybe the governor can do this, we need to also add the co-ops to this rebate as it comes back. You know, Virginians now are going to pay about $260 million per year, so the bills are going to go up.

[00:48:58] We'll get some of that back, but the co-ops and our businesses will not. So hopefully, as we go through the process, someone will add the co-ops and the businesses, our businesses to create jobs to this program.

[00:49:13] I do want to applaud the chairman and Mr. Speaker for fighting the fight on the data centers and making sure that that tax credit stayed in there because we're about our word here in the Commonwealth of Virginia. That's what it's all about.

[00:49:29] That's all we have is our word when we're getting folks to locate here in the Commonwealth and make those investments here in our Commonwealth, and we need to keep that word or it's not going to be good for us in the future. So I appreciate the stance that the House made on that particular issue.

[00:49:48] So, Mr. Speaker, thank you, and thank you for getting the budget to us today. We got a few days here before we would have shut down, so I appreciate getting the budget here where we are today. Thank you, Mr. Speaker. Shall the conference report be adopted?

[00:50:06] Mr. Speaker. Shall the conference report be adopted? Clerk will close the roll.

[00:50:22] Ayes 71, noes 22. Ayes 71, noes 22. The conference report is adopted.

[00:50:46] Mr. Speaker, that completes today's calendar. Per House Rule 51, Google is not out yet. Per House Rule 51, the House will be turned to the morning hour. Does the clerk have any additional announcements or communications? No, simply remind the body that on your desk, in addition to the budget-related information, there is a survey for your constituent relationship management software.

[00:51:10] This is sort of the time to either continue on it or step away or sign up. But if you could look at that and give us your feedback by tomorrow, we'd be grateful. Other than that, no announcements at this

time. Delicator from Alexander. Delica Heron. Mr. Speaker, I move that the House stand in recess pursuant to the provisions of H.R.

[00:51:29] 2069. Delicator from Alexander. Delica Heron moves that the House recess pursuant to the provisions of House Resolution 2069. As many in favor, the motion will say aye. Those opposed, no. The motion is agreed to. The House stands in recess pursuant to the provisions of House Resolution 2069.
