

BUDGET IN BRIEF

Fiscal Year 2027

WELCOME TO LOUDOUN

A MESSAGE FROM THE COUNTY ADMINISTRATOR

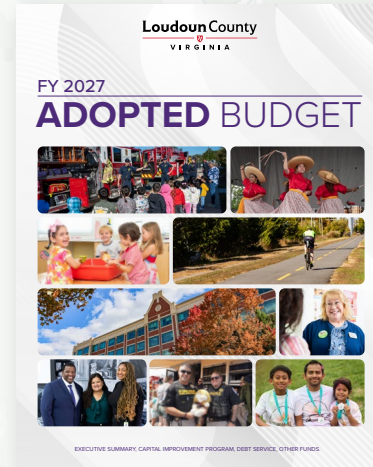

I am pleased to share with you, the residents of Loudoun County, the Fiscal Year 2027 (FY 2027) Budget in Brief, which illustrates how our \$5.4 billion budget impacts you and how new programs and resources will serve you in the coming year.

The FY 2027 budget adds 188 positions in 18 county departments to open new facilities, supports the county's Capital Improvement Program (CIP), meets the needs of departments and positions the organization to pursue the Board of Supervisors' strategic priorities.

The adopted budget also includes the FY 2027 - FY 2032 CIP, which totals approximately \$4.3 billion for the six-year planning period and includes general county government and school projects.

The FY 2027 budget marks the beginning of the Board of Supervisors' strategic decision to constrain the growth of the county budget in preparation for a slowdown in revenue growth anticipated in the early 2030s.

The Budget in Brief provides a detailed breakdown of the funds that make up the FY 2027 budget, comprehensive demographic information and highlights of projects, programs and services funded by the budget that will benefit our community.

The full FY 2027 Adopted Budget can be found online at loudoun.gov/budget

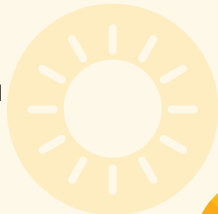

Tim Hemstreet
County Administrator

BUDGET CYCLE

1 | SUMMER

- Fiscal year begins July 1
- Departments evaluate needs and plan for the future

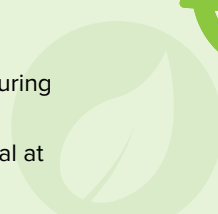

2 | FALL

- Preliminary revenue forecasts
- Departments refine base budget needs
- Additional funding requests for staff, programs and capital facilities analyzed and prioritized

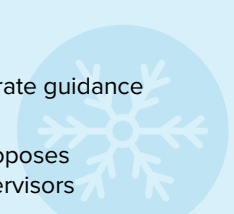

4 | SPRING

- Public invited to provide input during public hearings
- Board discusses budget proposal at work sessions
- Board adopts the budget and tax rates

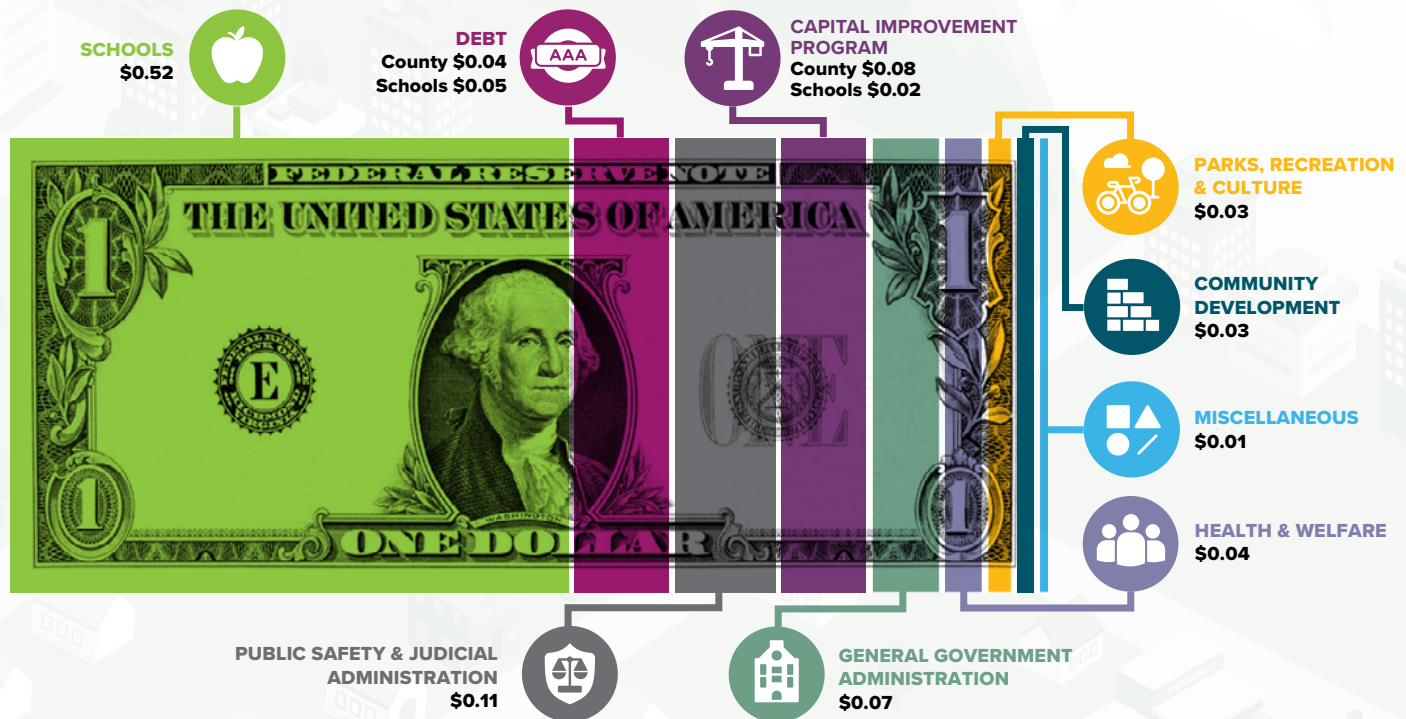

3 | WINTER

- Board provides final tax rate guidance for budget preparation
- County Administrator proposes budget to Board of Supervisors
- Board and public review of proposed budget

YOUR TAX DOLLARS AT WORK

COUNTY AT A GLANCE

Founded in 1757, Loudoun County is a growing, dynamic county of over 450,000 people. The county is known for its beautiful scenery, rich history, healthy diversity of expanding business opportunities, comfortable neighborhoods, and high-quality public services. The following demographics shape the county's services and budget.

POPULATION

Loudoun County is the 4th most populated county in Virginia, with an annual population increase exceeding 20% since 2015, including more than 8% each year between 2020 and 2025.

FY 2027 Population Projection: 465,884

HOUSEHOLD INCOME

The community has a strong concentration of higher-income households earning \$100,000 or more.

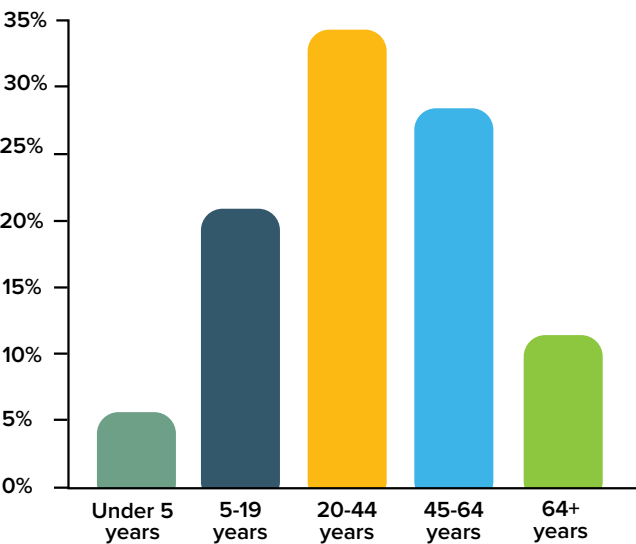

- Less than \$24,999
- \$25,000 to \$34,999
- \$35,000 to \$49,999
- \$50,000 to \$74,999
- \$75,000 to \$99,999
- \$100,000 to \$149,999
- \$150,000 to \$199,999
- \$200,000+

Loudoun County

FY 2027 BUDGET HIGHLIGHTS

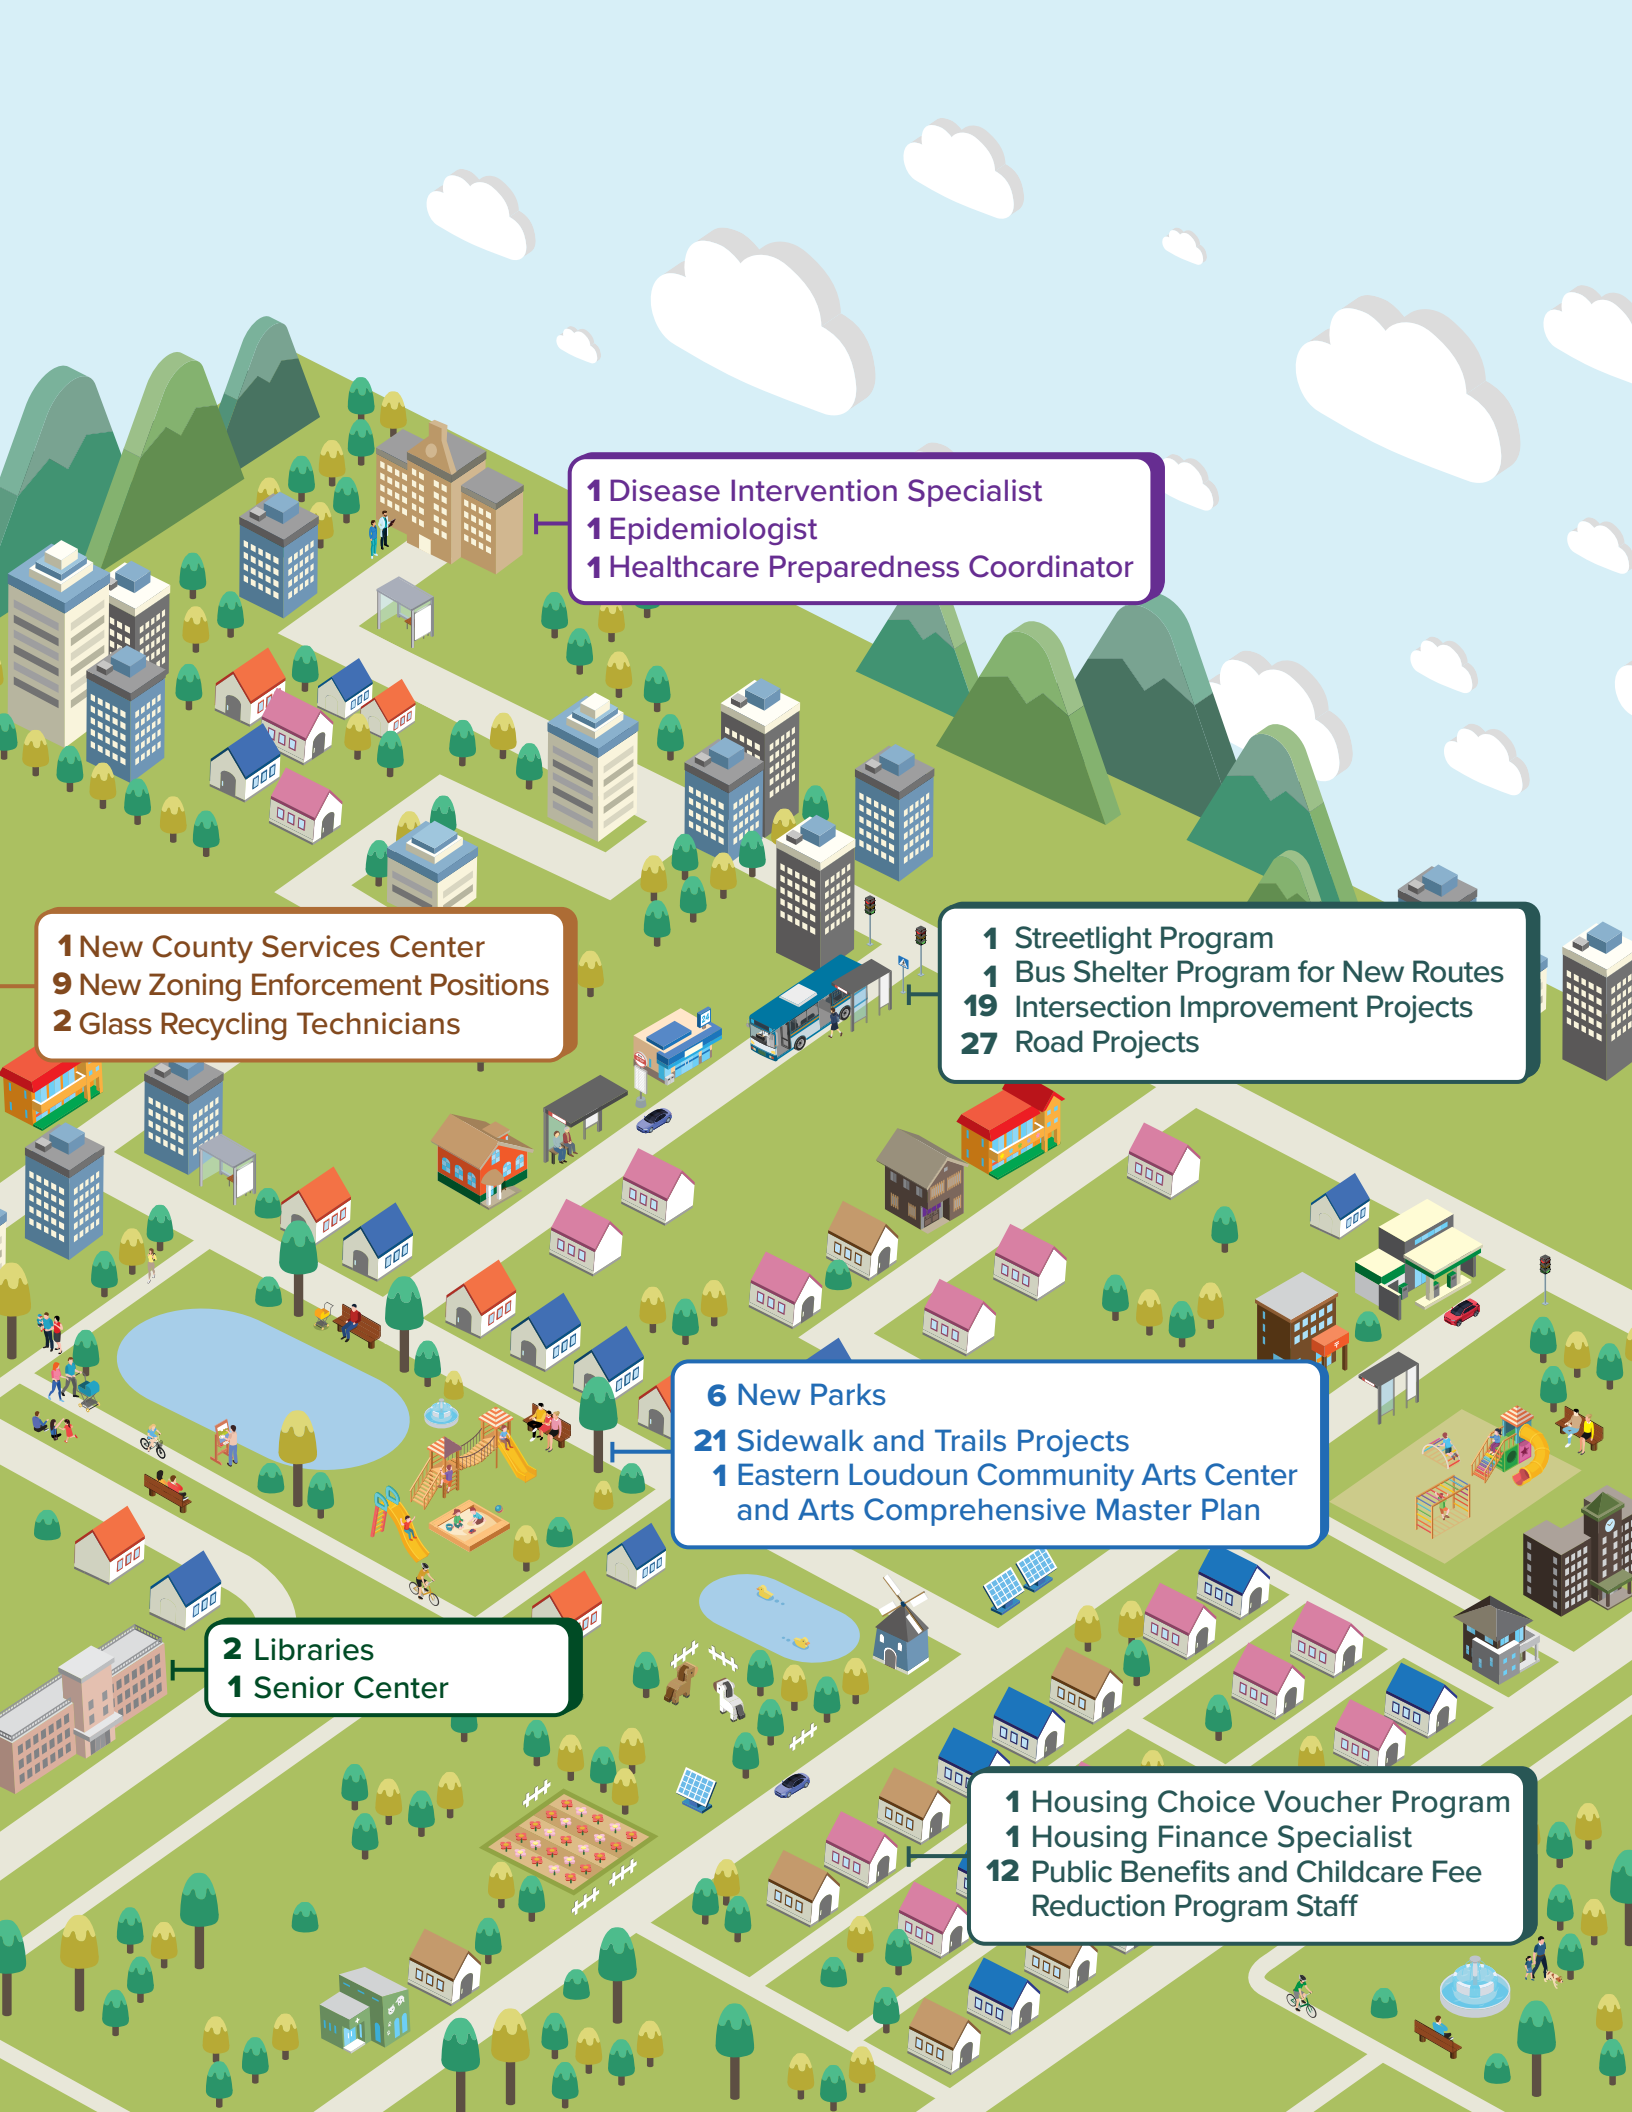

The FY 2027 budget provides funding for maintaining and expanding existing county services, operating new programs, opening new facilities and improving the local transportation network. These budget highlights are a sample of what was approved in the FY 2027 operating budget and the FY 2027 - FY 2032 CIP. They showcase Loudoun County's commitment to providing high-quality services to our residents and businesses. Investments like these, in new or expanded programs, new or updated facilities, and additional staffing ensure that Loudoun remains a great place to live, work, learn and play.

12 Public Benefits and Childcare Fee Reduction Program Staff

GENERAL FUND

The General Fund is one of multiple funds that exist within the county's accounting and budgeting systems. It is the largest fund in terms of dollars; and it is the primary financing source for annual appropriations related to county government operations.

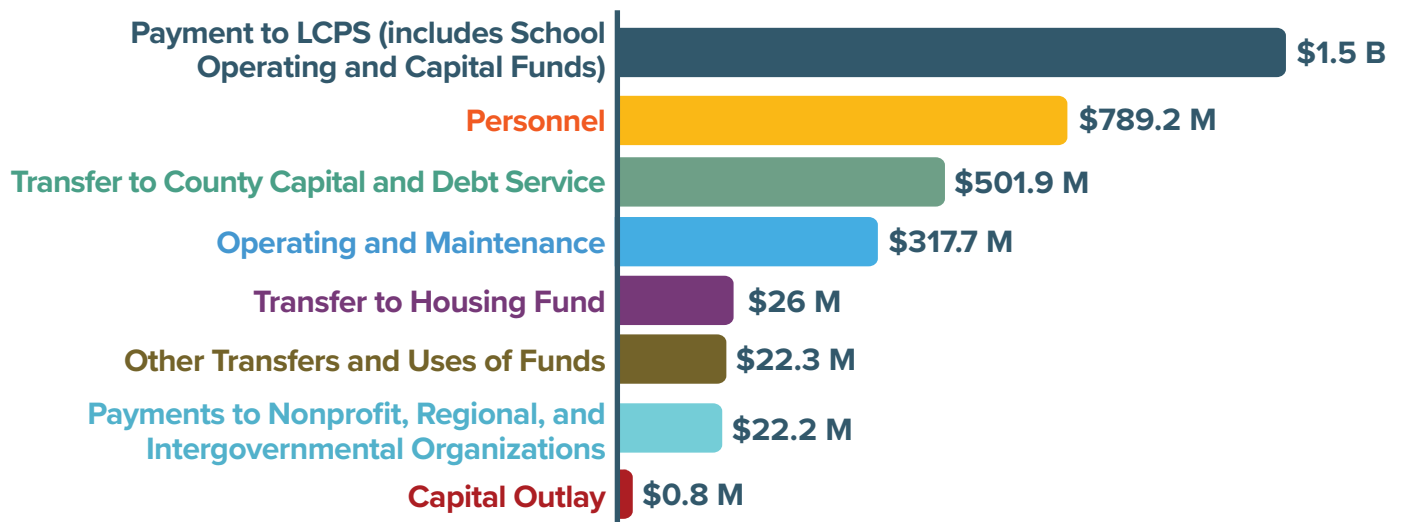

GENERAL FUND REVENUE

TOTAL: \$3.2 B

The sum of these numbers may not equal the actual totals due to rounding.

GENERAL FUND EXPENDITURES

TOTAL: \$3.2 B

The sum of these numbers may not equal the actual totals due to rounding.

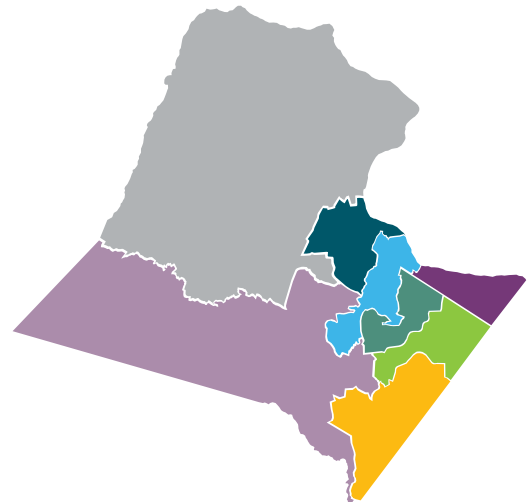

CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program (CIP) is a budgeting tool that the county uses to strategically plan for community growth. The FY 2027 - FY 2032 CIP provides a six-year forecast of land, facility and equipment needs for the general county government and school division with a financing plan for each project.

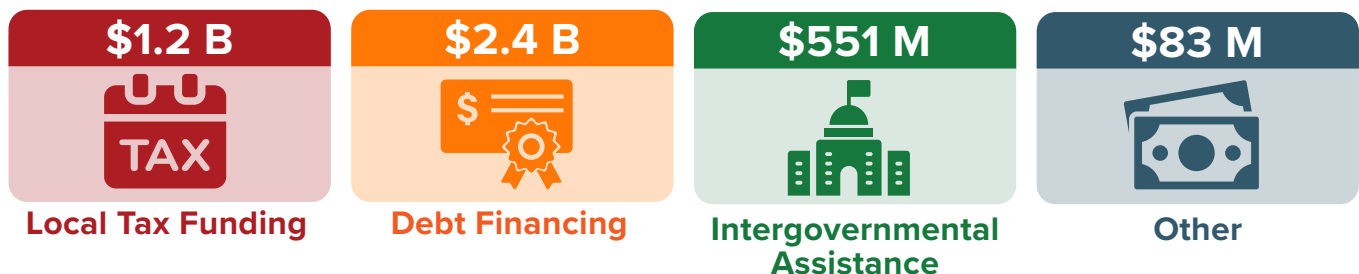

COUNTY CIP PROJECTS BY ELECTION DISTRICT

The CIP projects list demonstrates the spread of both county capital projects and county-supported or managed transportation projects funded in the current six-year funding plan across the county's Election Districts. Excluded from this list are projects that either do not have a location by their nature, such as those in the administrative and information technology functional areas; those that fund the procurement of large assets, such as the fire apparatus and transit bus projects; or school projects.

Roads.....	\$1.3 B
Schools.....	\$1.2 B
Sidewalks and Trails.....	\$302 M
Towns.....	\$31 M
Transit.....	\$82 M

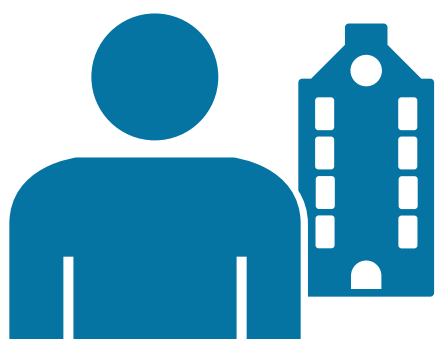

BUDGET SNAPSHOT

APPROPRIATED FUNDS

The FY 2027 Adopted budget appropriates revenue and expenditure authority in many different types of funds. Revenues and expenditures fall into three appropriations categories: operating, debt, and capital appropriations. Operating appropriations are those that support regular county and school division operations and include general and some special revenue funds. Debt appropriations are those that support debt service payments and tax district funds. Capital appropriations are those that support capital-related funds and capital facility construction, renovation, and the repair and purchase of major capital equipment. Other appropriated funds, called special revenue funds, serve more specific purposes and collect revenue independent from other funds. These funds provide an extra level of accountability and transparency to taxpayers.

FUND	APPROPRIATIONS	FUND	APPROPRIATIONS
General Fund	\$3,218,218,368	Tall Oaks Water and Sewer Fund	\$60,572
School Operating Fund.....	\$2,066,954,668	Children's Services Act Fund	\$10,331,436

PATHWAY TO STABILIZATION

Loudoun County has been a high-growth locality for decades, but projections show a transition to a stable-growth locality over the next two decades.

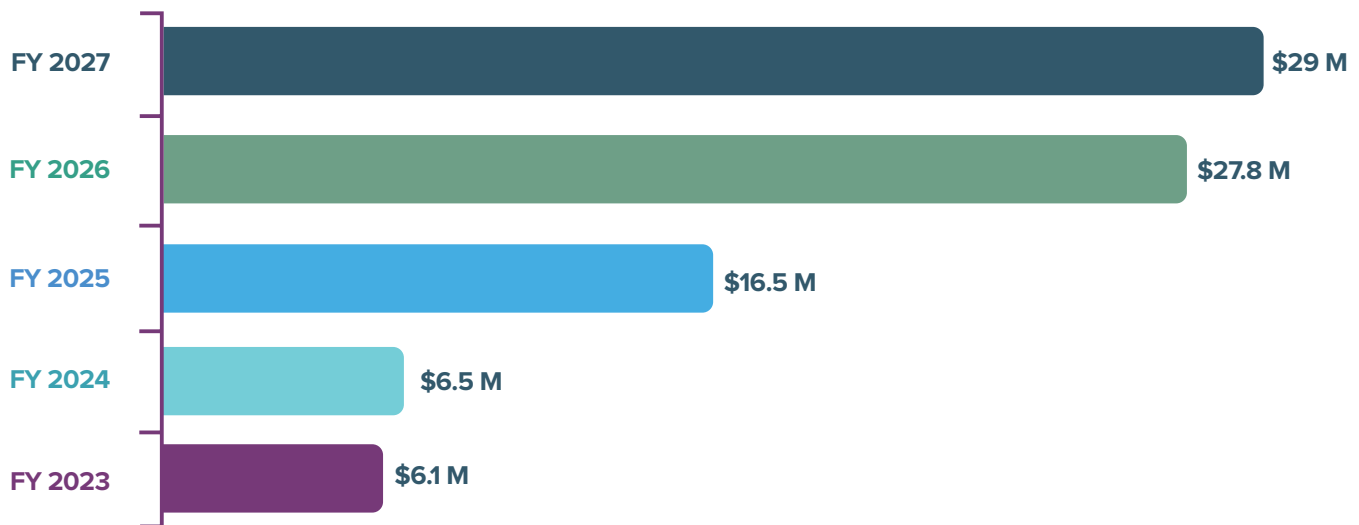

Recognizing the need for a proactive response to these shifts in population, demographics, land use and revenues, the county introduced the concept of the Pathway to Stabilization to ensure that its services and programs remain effective and responsive to residents' needs.

HOUSING FUND

CONTRIBUTIONS TO HOUSING FUND SINCE 2023

Loudoun County leads the Commonwealth in addressing housing needs through the use of local tax dollars and collaboration with developers. The county's budget over the past few years has included funding equivalent to one-half cent of the real property tax rate, and one cent beginning in FY 2026. The Board of Supervisors has dedicated all cigarette tax revenue for a housing program that provides assistance for down payments and closing costs for eligible residents beginning in FY 2027.

The FY 2027 contribution to the Housing Fund includes a \$26 million transfer from the General Fund and dedication of cigarette tax revenue equivalent to \$3 million.

ATTAINABLE HOUSING LOAN PROGRAM

Funding has allowed the Attainable Housing Loan Program to fund a total of **10 developments** with more than **1,100 units**. In addition, this funding will support four developments and over **600 units** that are currently under review.
