

SCHOOL DIVISION LEGAL STATUS

The Constitution of the Commonwealth provides that the General Assembly establish a system of free public elementary and secondary schools for all children of school age throughout the state, and seek to ensure that an educational program of high quality is established and continually maintained. The Board of Education divides the Commonwealth into school divisions of such geographical area and school-age population as will promote the realization of the Standards of Quality. The supervision of schools in each school division is vested in a school board selected in accordance with the applicable provisions of the Code of Virginia. The Loudoun County School Board is the official policy-making body of the Loudoun County Public Schools. It operates under the laws adopted by the General Assembly of Virginia and consistent with regulations adopted by the Virginia Board of Education.
