- 3. Enriched Division: LCPS must be aligned around our core educational mission for students and strengthen trust, listen humbly, value differences, and remain steadfast in ensuring every student is prepared to make meaningful contributions to the world.

- 4. Engaged Community: Parents, families, and our community must be a support, guide, ally, and partner; there is no one more deeply invested in the success of students than their families.

- D. Core Value Definitions

- 1. Holistic Support: Every student should have the support to feel safe, happy, and cared for in school.

- 2. Equity and Opportunity: All students and staff should have access to resources, programs, and support that enable a successful future.

- 3. Trust Through Listening: All students, staff, and community members should have regular opportunities to be heard in two-way conversations across the division.

- 4. Rigorous Teaching and Learning: All students should be challenged to reach their full potential in the classroom as part of a system that aspires to become the best-performing district in the nation.

STRATEGIC FRAMEWORK

5. Individualized Success: All unique strengths, skills, and passions should be celebrated, encouraging diverse pathways that support readiness after graduation.
