

Loudoun County Public Schools FY27 Superintendent's Estimate of Needs

**January 15, 2026
21000 Education Court
Ashburn, VA 20148**

Loudoun County Public Schools Superintendent's Estimate of Needs Fiscal Year 2026-2027 How To Use This Document

This budget is divided into four major sections: Executive Summary, Organizational, Financial, and Informational. Two additional sections are also provided: Department and Appendix. Throughout the document, Loudoun County Public Schools is referenced by the abbreviation LCPS. Full Time Equivalent is referenced by the abbreviation FTE and Fiscal Year is referenced by the abbreviation FY. Also, operating Fund is synonymous with General Fund.

The **Executive Summary** section presents a comprehensive executive summary of LCPS' budget for FY27 and can be presented separately from the entire budget book. The revenue and expenditure budgets are also presented.

The **Organizational** section presents information about LCPS' structure, mission and goals, policies and budget process.

The **Financial** section presents budget data districtwide and by funds. Three years of historical financial data, the current year's budget, and next year's proposed budget.

Within the **Financial** section, the **Fund/Department** portion presents a summary of expenditures and positions by department sorted by fund. The Operating fund is presented first, including Charter Schools, followed by Special Revenue Funds and Internal Service Funds. Each department provides an overview of operations, prior year results and accomplishments, projected results and accomplishments and a discussion of changes in the budget. Prior year actuals have been restated to exclude encumbrance amounts to better reflect the Annual Comprehensive Financial Reports. Numbers in the graphs may not add due to rounding.

The **Informational** section presents enrollment analysis and projection methodology and the resulting impact on the number of positions LCPS needs.

The **Appendix** section presents supplementary exhibits, e.g., salary schedules, other compensation rates, benefit costs, staffing standards, an acronym index and glossary.

LOUDOUN COUNTY PUBLIC SCHOOLS

21000 Education Court
Ashburn, VA 20148

Dear Members of the Board and Loudoun County Public Schools Community,

The Superintendent's Estimate of Needs (SEON) begins the School Board's annual budget development process and reflects months of collaboration among the budget team, division leadership and staff, the School Board, and our community. This proposed budget represents a shared effort to thoughtfully plan for the needs of our students and schools. Over the coming weeks, the Board will review and discuss the SEON as we work toward submitting a final budget for the 2026-27 school year to the Board of Supervisors for consideration.

Virginia Code §22.1-92 charges each division superintendent, with the approval of the School Board, to prepare and submit an estimate of the funding required to support public education in the next fiscal year. The SEON fulfills this responsibility and serves as the foundation for meaningful public discussion about priorities and investments.

The development of the SEON is a careful, multi-step process. Each department's base budget is reviewed using historical data and cost trends to ensure the continuity of essential services. School Board priorities and the specific needs of our schools and educational community are then considered and balanced against projected revenues for the coming year.

The FY27 SEON is centered on investing both today and in the future, aligning with the One LCPS 2027 Strategic Plan for Excellence. The proposed FY27 School Operating Fund totals \$2,066,954,668 and supports 13,564.1 full-time positions. This reflects an increase of \$104,809,886, or 5.3 percent, including a projected \$105,000,000 increase in local funding from Loudoun County offset by a marginal net decrease in other funding streams.

State funding is projected to decline by \$3,342,774 based on the Governor's proposed 2026-2028 Biennium Budget. It is important to note that the Governor's proposals must still be considered and adopted by the Virginia General Assembly, who may make changes during their deliberations through the Spring of 2026. Changes in state revenue projections will be brought to the School Board for consideration.

EXECUTIVE SUMMARY

A summary of all budget funds is provided below:

	FY26 Adopted Budget		FY26 Revised	FY27 Adopted Budget		FY27 to FY26 Adopted Diff
	Budget	FTE	FTE	Budget	FTE	
Operating Fund	1,962,144,782	13,470.5	13,465.9	2,066,954,668	13,564.1	5.3%
Grant Fund	32,844,591	224.2	227.6	34,495,682	192.6	5.0%
School Nutrition Fund	53,382,342	419.0	419.0	53,095,421	420.0	-0.5%
Lease Purchase Fund	10,002,000	-	-	10,002,000	-	0.0%
Self-Insurance Fund	321,968,989	10.5	10.5	393,105,509	11.5	22.1%
Capital Improvement Projects Fund	81,760,000	20.0	20.0	71,170,000	20.0	-13.0%
Capital Asset Preservation Program Fund	48,000,000	-	-	53,130,000	-	10.7%
	2,510,102,705	14,144.2	14,143.0	2,681,953,280	14,208.2	

The FY27 SEON reflects changes across several key funds. The Grant Fund is projected to increase by \$1.7 million, primarily due to anticipated growth in federal grant funding for the division. The School Nutrition Fund is expected to decrease by \$0.3 million, driven by cost-reduction measures, the elimination of credit card fees, and inflationary pressures on food, materials, and salaries and benefits. The Self Insurance Fund is projected to grow by \$71.1 million, largely due to higher utilization and rapidly rising medical costs, particularly for prescription drugs.

Additional details for these funds can be found in the Financial Section and the Fund/Department Section of this book. The Capital Improvement Projects (CIP) Fund and the Capital Asset Preservation Program (CAPP) Fund are described in greater detail in the School Board's adopted FY27–32 CIP and CAPP budgets.

As I have often noted, Loudoun County benefits from the shared commitment of the School Board, the Board of Supervisors and our community to sustain a strong public education system. Our school community holds high expectations for educational excellence across a wide range of learning pathways, supported by comprehensive services designed to meet the needs of every student.

The estimated local tax transfer reflects a year-over-year increase of \$105 million, consistent with the County's budget guidance and mindful of the more limited fiscal conditions under which the County is operating. This proposed SEON is both fiscally aligned and intentionally focused on the theme of continuing to invest today and in the future, while fulfilling the requirements of the Code of Virginia to estimate the funding necessary to support our public schools.

As noted earlier, the Governor's proposed budget results in a projected decline in state funding. While it does include additional funding from basic aid and state sales taxes for the first year of the biennium, these increases are more than offset by reductions due to lower enrollment, the shift from a 3% pay increase this year to 2% next year, and other rebenchmarking adjustments, such as changes to the local composite index that shift a larger share of funding responsibility from the state to the county.

As the general assembly now works on the budget, we will continue to monitor the state budget and its impact on LCPS.

EXECUTIVE SUMMARY

Virginia has a constitutional responsibility to fund public education. However, a 2023 Joint Legislative Audit and Review Commission (JLARC) report highlights that the state's per-student funding for K–12 education remains below the national average, the regional average, and the funding levels of three of Virginia's five neighboring states. While investments in education continue to grow, these gaps mean that LCPS receives significantly less per student compared with many other states, resulting in substantial lost funding each year.

We appreciate the General Assembly's ongoing attention to the JLARC findings and have outlined the continuation of the JLARC study on education funding as a priority in our legislative program. Despite gaps in state funding, LCPS remains focused on its key priorities: supporting employee compensation and expanding opportunities for students. These investments align with the ONE LCPS Strategic Plan and reflect the School Board's discussions during budget workshops about what matters most to the division and the communities we serve.

Enrollment is a critical factor in budget planning, and LCPS is entering a period of declining enrollment. For FY27, enrollment is projected at 316 students fewer than this year's actual count, and CIP projections indicate continued declines each year through FY32. This trend underscores the importance of careful planning to ensure resources are aligned with student needs.

I am often asked why the school budget continues to increase when student enrollment has slowed. As a reminder, about 90% of the increase in expenditures for FY27 are in personnel costs. As an example, for LCPS, providing a basic annual step increase alone costs roughly \$29 million. If employees then receive cost of living adjustments, our operating budget *will* increase, even with no new positions. In addition, there are typically increases in benefits costs as healthcare becomes more expensive, and there are other fixed costs that grow despite level or declining enrollment – things like fuel and utility costs that we do not control. This concept is important to understand as it directly relates to LCPS for FY27.

With this context in mind, the proposed SEON for the 2026–2027 school year reflects thoughtful investments that strengthen our schools today while preparing for the future.

Investing in our Empowered Students

The needs of our students continue to evolve, and while division wide enrollment is declining, the number of students requiring more resources continues to increase. For example, our English Learner population is projected to increase by 1.0% and our special education population by 3.4%. As a result, 44.6 additional teachers, teacher assistants, and other positions providing these specialized supports for students and specialized programs are included.

Of the total 13,564.1 positions in the school operating fund, 94.2% are working in the schools or directly with staff and students. These FTEs may be school-based or school-facing. School-facing positions are the employees who may not be assigned to a school, but routinely work in our schools. This SEON keeps additional staffing resources focused on students.

EXECUTIVE SUMMARY

Expanded Academic Offerings and Access

The FY27 SEON prioritizes providing students with expanded academic opportunities and robust support to help them thrive. Expanded academic offerings and access include additional teachers and instructional coaches across grade levels, as well as continued support for Board approved specialized programs such as the Elementary Dual-Language Immersion program, the Academy of Global and Linguistic Studies, and enhanced resources for the R.I.S.E. Academy. Students also benefit from proposed new athletic programs, a potential new JROTC program, and more equitable access to fine arts and CTE courses through course fee eliminations.

Additional Student Supports

Student support is strengthened through targeted investments in mental and behavioral health services, threat assessment coordination, and specialized support within the R.I.S.E. Academy. These investments ensure LCPS continues to provide all students with the opportunities and resources they need to succeed.

Investing in our Exemplary Staff

The One LCPS 2027 Strategic Plan for Excellence identifies teachers, administrators, and staff as the most important contributors to student success in our schools, second only to families. This SEON reflects that priority by proposing meaningful investments in employee salaries and benefits, consistent with LCPS's first collective bargaining agreement.

The proposed operating budget provides the resources necessary to support the day-to-day operations of the school division while offering competitive salary and benefits packages for employees. Maintaining competitive compensation is essential to recruiting, retaining, and supporting a highly qualified and dedicated workforce. The collective bargaining agreement includes provisions for an annual step increase and top-of-scale payment, as well as a cost-of-living adjustment ranging from 4 to 5 percent, depending on the employee group.

As health care costs continue to increase, the FY27 SEON also includes measures to strengthen the financial stability of the health self-insurance fund. These efforts combine cost-containment strategies with revenue enhancements, including a 20 percent increase in health insurance premiums shared by both employees and the employer.

Investing in our Enriched School System

The FY27 SEON includes focused investments to support the safe, efficient, and effective operation of our schools. These investments address divisionwide needs while accounting for inflationary cost pressures. Key priorities include enhancements to security staffing and technology, continued implementation of the new ERP system, and operational staffing needed to maintain continuity of services across schools and support departments. Together, these investments reinforce LCPS's commitment to safe, well-supported learning environments for students and staff.

EXECUTIVE SUMMARY

Investing in our Engaged Community

The FY27 SEON includes investments that enhance communication, outreach, and engagement with families and the community. These resources support expanded language access, additional family liaison services, and tools to better connect with families. By strengthening partnerships between schools and the families they serve, these investments help ensure all students have the support they need while reinforcing LCPS's commitment to responsive community engagement.

Delayed Investments

The FY27 SEON was developed to balance critical needs with projected resources, rather than as a full needs-based budget. As a result, some important priorities from Board members, staff, and other stakeholders cannot be fully funded this year. These items, which I previously referred to as “unmet needs,” can also be thought of as delayed investments – important initiatives that will be considered in future budgets.

Examples of delayed investments include:

- Slower expansion of programs and initiatives
- Additional positions and staffing enhancements across departments to support students and staff
- Employee tuition assistance programs
- Delayed start of new programs
- Phased-in approach to remodeling stipends across the division

Despite the funding obstacles I outlined earlier, LCPS continues to thrive.

Here are just a few of many LCPS accomplishments over the last year:

- The LCPS Class of 2025 graduated 6,932 seniors, with nearly 75% receiving an advanced diploma, almost 24% a standard diploma, and just over 1% an applied studies diploma. Almost 70% of graduates reported they will attend a four-year college, while over 17% will attend a two-year school, and 2% will enter military service. LCPS has a 97.2% on-time graduation rate.
- National Merit Scholarship winners included 18 LCPS students for the 2024-2025 school year. Five students won college-sponsored scholarships, eleven were named National Merit \$2,500 Scholarship winners, and two received corporate-sponsored National Merit Scholarships.
- Niche's Virginia rankings placed LCPS as the 4th Best School District and the 2nd Best School District for Athletes. Seven high schools are listed in the top 20 in the state, with Independence High School ranked as the #2 high school in Virginia.
- In collaboration with George Mason University and NOVA, LCPS launched the ACCESS Academy at Potomac Falls High School to provide dual-enrollment credits, IT certifications and real-world learning for students pursuing high-demand tech careers.
- LCPS expanded programming options that care for students' well-being and academic needs. For example, LCPS will support students in early recovery from substance use disorders with a recovery academy offering academic and therapeutic support.
- The division continues its focus on workforce development and future-ready education, focusing on key industries like cybersecurity, health innovation, and aerospace. LCPS also hosted a Workforce Summit, bringing together more than 250 community and business leaders.

EXECUTIVE SUMMARY

- In partnership with the Loudoun Education Foundation and Amazon, LCPS launched four new Think Big Corners at elementary schools, bringing hands-on STEM learning directly to students.
- The Family and Community Engagement Office launched the LCPS Family Academy - a series of free virtual workshops to help families support academic success, understand school communications, and avoid the “summer melt.”
- The division also hosted its first series of Student Success Talks in each district across the county, connecting families with LCPS leadership and providing tools for academic, social, and emotional student success.
- Watson Mountain Middle School opened its doors, becoming LCPS’ 100th school, and honored its historical roots with a dedication ceremony that celebrated the legacy of the land and the community’s future.
- To further open communication, the division developed a monthly video series called Think Fast, and launched the LCPS podcast. Both highlight stories and voices from across the division on education trends, programs, and student success.
- The ONE LCPS Celebration Day had schools and staff across the division celebrating community, culture, and collaboration with a day of fun-filled events and friendly competitions to honor the LCPS spirit.

Thank you for your consideration in reviewing the FY26–27 Superintendent’s Estimate of Needs. We believe this proposal reflects our shared dedication to delivering an exceptional educational experience for every student. We sincerely appreciate the continued support of the School Board, Board of Supervisors, and the staff, families, and residents of Loudoun County as we invest together in our students, staff, and schools.

Sincerely,

Aaron Spence, Ed.D.

Loudoun County Public Schools Organization

Loudoun County Public Schools (LCPS) is organized to focus on empowering all 80,201 students to make meaningful contributions to the world, while managing 98 schools, five non-comprehensive schools and 15 support buildings. It is a rapidly growing, dynamic, well managed and efficient organization.

Nine elected School Board members govern LCPS. The members are elected to four-year terms. One member represents each of the County's eight magisterial districts and there is one at-large member. The School Board is charged by Virginia law and the regulations of the Virginia Board of Education to establish policies, guidelines, and rules that will ensure the proper administration of the County's school programs.

The Superintendent works closely with twelve members of Cabinet to oversee the day-to-day operations of the schools and support services.

Loudoun County Public School Budget Awards

ASSOCIATION OF
SCHOOL BUSINESS OFFICIALS
INTERNATIONAL

This Meritorious Budget Award is presented to:

LOUDOUN COUNTY
PUBLIC SCHOOLS

for excellence in the preparation and issuance of its budget
for the Fiscal Year 2025–2026.

The budget adheres to the principles and standards
of ASBO International's Meritorious Budget Award criteria.

Ryan S. Stechschulte
President

James M. Rowan, CAE, SFO
CEO/Executive Director

The Association of School Business Officials International Meritorious Budget Award program is designed to enable school business administration to achieve excellence in budget presentation. LCPS received the above award for the FY26 budget. LCPS has received the Meritorious Budget Award for excellence in the preparation and issuance of its budget for twenty-six consecutive years.

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished Budget
Presentation Award*

PRESENTED TO

**Loudoun County Public Schools
Virginia**

For the Fiscal Year Beginning

July 01, 2025

Christopher P. Morrell

Executive Director

The Government Finance Officers Association (GFOA) established the Distinguished Budget Presentation Awards Program (Budget Awards Program) in 1984 to encourage and assist state and local governments to prepare budget documents of the very highest quality that reflect both the guidelines established by the National Advisory Council on State and Local Budgeting and the GFOA's best practices on budgeting and then to recognize individual governments that succeed in achieving that goal.

To receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

EXECUTIVE SUMMARY

The strategic framework displayed below is set forth in School Board Policy 1020.

LCPS Strategic Plan 2022 – 2027 | At A Glance

Core Values

 HOLISTIC SUPPORT Every student should have the support to feel safe, happy, and cared for in school.	RIGOROUS TEACHING AND LEARNING All students should be challenged to reach their full potential in the classroom as part of a system that aspires to become the best performing district in the nation. 
 EQUITY AND OPPORTUNITY All students and staff should have access to resources, programs, and support that enable a successful future.	INDIVIDUALIZED SUCCESS All unique strengths, skills, and passions should be celebrated, encouraging diverse pathways that support readiness after graduation. 
 TRUST THROUGH LISTENING All students, staff, and community members should have regular opportunities to be heard in two-way conversations across the division.	CONTINUOUS IMPROVEMENT A culture of continuous improvement should drive the fulfillment of our mission. 

Overview and LCPS Accomplishments

Loudoun County Public Schools (LCPS) is led by Superintendent Dr. Aaron Spence, who conducted the first-ever LCPS Student Success talks, connecting families with LCPS leadership, providing tools for academic, social and emotional student success, and belonging.

In the 2024-2025 school year, more than 80,000 students were enrolled across 98 schools and 5 non-comprehensive schools in LCPS, and the division employed over 13,000 staff. The division's workplace excellence is recognized by Forbes' list of America's Best-in-State Employers, 2024.

The Washington Post 2025 area awards went to Principal of the Year, Jeff Joseph of Dominion Trail Elementary and Teacher of the Year, Kimberly Poole, at J. Lupton Simpson Middle School.

Students Are Front and Center

The LCPS Class of 2025 graduated 6,932 seniors, with nearly 75% receiving an advanced diploma, almost 24% a standard diploma, and just over 1% an applied studies diploma. Almost 70% of graduates reported they will attend a four-year college, while over 17% will attend a two-year school, and 2% will enter military service. LCPS has a 97.2% on-time graduation rate.

National Merit Scholarship winners included 18 LCPS students for the 2024-2025 school year. Five students won college-sponsored scholarships, eleven were named National Merit \$2,500 Scholarship winners, and two received corporate-sponsored National Merit Scholarships.

Niche's Virginia rankings placed LCPS as the 4th Best School District and the 2nd Best School District for Athletes. Seven high schools are listed in the top 20 in the state, with Independence High School ranked as the #2 best high school in Virginia.

In August, the Virginia Department of Education (VDOE) released the 2025 Standards of Learning (SOL) test results, which showed that for LCPS, SOL proficiency rates have increased or stayed the same in all subject areas. LCPS significantly outpaced Virginia in all five subject areas: English Reading; English Writing; History and Social Sciences; Mathematics and Science.

School and Community Programming

In collaboration with George Mason University and NOVA, LCPS launched the ACCESS Academy at Potomac Falls High School to provide dual-enrollment credits, IT certifications and real-world learning for students pursuing high-demand tech careers.

LCPS expanded programming options that care for students' well-being and academic needs. LCPS will support students in early recovery from substance use disorders with a recovery academy offering academic and therapeutic support. Planning is also underway for the Academy of Global and Linguistic Studies, a future-forward program with pathways in Global Leadership and Global Business featuring immersive Arabic and Mandarin instruction.

The division continues its focus on workforce development and future-ready education, focusing on key industries like cybersecurity, health innovation, and aerospace, by hosting the first LCPS Workforce Summit, bringing together more than 250 community and business leaders.

EXECUTIVE SUMMARY

In partnership with the Loudoun Education Foundation and Amazon, LCPS launched four new Think Big Corners at elementary schools, bringing hands-on STEM learning directly to students.

Now in its third year, the LCPS Dual Language Immersion program for elementary students starts students off early on a successful path through daily, immersive instruction in English and Spanish. Elementary students build foundational literacy, numeracy and collaboration skills in two languages while embracing the rich diversity of their classrooms.

Engaging with Families

The Division of Family and Community Engagement launched the LCPS Family Academy – a series of free virtual workshops to help families support their students' academic success and navigate and access school division resources empowering families to be partners in their child's education.

The results from the Annual Family Survey, 2025, reveal what happens when LCPS leads with listening, engagement and belonging:

- More families reported feeling empowered to be partners in their child's education.
- Families said LCPS is doing a better job of communicating - especially around clubs, activities and teacher expectations.
- High school parents reported increased confidence that we're preparing their children for life after graduation.
- And most importantly, LCPS saw an increase in families who said their schools feel welcoming, inclusive and respectful of diversity.

Operational Excellence

The FY26 budget focused on three priorities: placing students at the center of our work, recruiting and retaining the best and the brightest, and supporting new and ongoing initiatives. Fully 94.2% of the FTEs in the FY26 budget are school-based and school-facing employees. LCPS has an average cost per pupil of \$23,825.

For the past five years, LCPS has provided educators with funds to set up their classrooms, with first-year teachers eligible for a classroom supply allotment of \$250 and returning teachers eligible to receive a \$100 allotment for supplies.

LCPS has more than 750 buses covering over 500 routes to and from the division's 100 school buildings, logging approximately eight million miles annually to transport students.

LCPS has implemented its first Sustainability Framework, formalizing the division's commitment to environmental responsibility by integrating sustainability into instruction, operations, leadership and long-term planning.

“As superintendent, I want for LCPS students the same thing I want for my own children – for them to feel like they belong, are connected to caring support, and challenged to learn in ways that prepare them for the future. Offering programs that align with their interests and address their needs is paramount to creating classrooms where everyone experiences opportunity and feels like they belong.”

*Aaron Spence, Ed.D.
Superintendent*

FY27 Budget Preparation Process

The Code of Virginia requires that the Division Superintendent submit to the governing body, with the approval of the School Board, an estimate of the funds needed during the next fiscal year for support of the public schools. In Virginia, School Divisions are fiscally dependent on the local governing body, which for Loudoun, is the County Board of Supervisors.

The following calendar of events more fully explains the activities that contributed to the budget development and approval process this year:

May – June

- LCPS staff request funding for programs, maintaining facilities and major building improvements.
- Budget Priorities work session with the School Board.

August – September

- Budget instructions are distributed by the Budget and Financial Analytics Division to the Departments to provide guidance for the development of future year budget requests.
- Preliminary staffing standard reviews are held with departments.
- Host budget exercises to solicit input for FY27 investments and priorities.

October – December

- Revised revenue update provided to the School Board.
- Budget requests are received by Budget and Financial Analytics for review and analysis.
- The staffing as of September 30 is analyzed and current year costs for salaries and benefits are used for estimating the future year compensation costs. Salary and benefits represent approximately 90% of the operating budget.
- Staffing standard meetings with departments to finalize staffing for the upcoming year.
- Estimated federal, state and local revenue is developed.
- The Superintendent meets with department and division budget holders to review and modify budget requests.
- Conduct a second budget work session with the School Board to identify priorities and receive early budget guidance.
- The results of these meetings are analyzed and compiled by the Budget and Financial Analytics Division and a draft budget document is prepared for review by the Superintendent and Cabinet.
- Preliminary budget forecast prepared and presented to the School Board.
- The Virginia Governor releases the proposed 2026-2028 Biennium Budget.
- Based on the Superintendent and Cabinet review, the Budget and Financial Analytics Division prepares the SEON, which is the Superintendent's Estimate of Needs to the School Board, for the future budget year.

January

- The Superintendent presents the recommended budgets to the School Board at a public meeting.
- The School Board holds numerous work sessions to review the Superintendent's Estimate of Needs budget.

EXECUTIVE SUMMARY

- Two public hearings are held to receive citizens' input.

February – April

- The School Board deliberates, modifies or approves the Superintendent's recommended budgets by majority vote and adopts its budget.
- The Budget and Financial Analytics Division makes the School Board's revisions to the recommended budget and prepares the School Board's adopted budget.
- The School Board's adopted budget is forwarded to the county staff for inclusion in the County Administrator's advertised fiscal plan.
- The School Board presents its adopted budget to the County Board of Supervisors.
- The state approves the 2026-2028 Biennium Budget, providing direct aid to school divisions.
- The County Board of Supervisors reviews the School Board adopted budget as a part of the County Budget review, holds a public hearing to receive citizens' input, sets the tax rate, and appropriates the budgets for the school system and the County.

May – July

- The School Board reconciles their adopted budget based on the level of funding provided to Loudoun County Public Schools in the appropriations resolution approved by the Board of Supervisors.

FY27 Budget Overview

Loudoun County Public Schools budgets its operations in three categories of funds: general, special revenue and internal service funds. Capital Budget are Governmental Funds adopted separately by the School Board. Funds are established following Governmental Accounting Standards Board rules to separately record and report its financial transactions. Each fund is a self-balancing set of accounts used to track financial activity of a specific revenue or series of revenues.

The chart to the right identifies the relationship between funds and departments.

Departments and certain programs are listed on the left with funds along the top. This cross-reference identifies which funds Departments expend from. A department may have financial activity in multiple funds.

Revenues are primarily categorized as either originating from other governmental sources, such as state, federal, local, and charges and/or fees.

Department	General Fund	Special Revenue Funds			Internal Service Funds	Capital Budgets

Expenditures are grouped into four main categories throughout the budget book—Personnel, Operations and Maintenance, Capital Outlay and Transfers Out. Further subcategories and definitions are provided below.

PERSONNEL:

Personnel & Fringe Costs: Salaries (both full-time equivalent employees and part-time such as substitutes), social security, retirement, group life insurance and health insurance are the major expenditures in this portion of the budget.

For FY27, the Virginia Retirement System (VRS) rates changed as part of the state budget. The rates included in the FY27 Adopted Budget reflect the employer contributions as provided by VDOE and cover all Plan 1, Plan 2, and Hybrid employees.

For plan year 2027, all employee, employer, and retiree premiums for Health, Dental and Vision Insurance will increase by 20%.

OPERATIONS AND MAINTENANCE:

Contractual Services: The contractual services budget is used to pay outside contractors and other public entities or other school systems for services provided to LCPS. An example is the tuition paid to Fairfax County Public Schools for LCPS students to attend Thomas Jefferson High School for Science and Technology.

EXECUTIVE SUMMARY

Internal Services: The Self-Insurance Fund accounts for transactions associated with the comprehensive health benefits program, workers' compensation insurance program, and the disability programs.

Utilities & Communication: The utility and communication budget provides for the heating fuel, electricity, water, sewer and telephone services for 100 school buildings, 15 support buildings.

Insurance: Insurance expenditures are for the property, casualty, liability, and fleet insurance carried by the school system.

Materials, Supplies & Equipment: Expenditures include instructional supply allotments to each school, textbooks and minor instructional equipment such as computers, calculators, globes, maps, etc.

Mileage Reimbursement: Mileage for itinerant teachers and other staff who travel on behalf of LCPS.

Training & Continuing Education: Expenditures for training, workshops and conferences.

Leases & Rentals: Lease or rental of heavy equipment needed for maintenance repairs.

CAPITAL OUTLAY:

Capital Outlay: Major equipment purchases that cost in excess of \$5,000; leases for buildings and land, and certain subscription-based information technology assets.

TRANSFERS OUT:

Transfers out: Transfers from the LCPS funds to the Loudoun County government funds.

EXECUTIVE SUMMARY

FY27 Budget

A summary of the FY27 budget by fund is provided below. Revenues are categorized by source and expenditures by department.

Budget Summary

FY27	General Fund	Special Revenue Funds			Internal Service Fund	Capital Budgets		TOTAL
	Operating	Grant	School Nutrition	Lease Purchase	Self-Insurance	CIP	CAPP

EXECUTIVE SUMMARY

Operating Fund

The Operating Fund is set to increase by \$104.8 million, or 5.3% above the FY26 Adopted Budget. These changes are categorized as follows and are represented in millions of dollars:

Investing in Our Empowered Students	\$18.1	Significant investments have been made to support our students and staffing adjustments have been made to align with enrollment based on approved staffing standards. Investments include athletic programs, additional math resource teachers, additional funding for CTE course fees, dual language immersion, expanded English Learner support, Mandt trainer, expansion of JROTC, performing arts course fee elimination, R.I.S.E. Academy and school-based leadership.
Investing in Our Exemplary Staff	\$79.7	Investments in our staff are being made through salary and benefits adjustments. Certified Bargaining Unit positions will receive a 4% cost-of-living adjustment, Non-Certified Bargaining Unit and Non-Bargaining Unit positions will receive a 5% cost-of-living adjustment. All eligible employees will receive a step adjustment or one-time top-of-scale bonus. Additionally, the budget accounts for health, dental and vision insurance premiums that will increase by 20%. Recognizing the importance of supporting employees during times of personal loss, bereavement leave is also included in this budget. Additionally, funding for a review of stipends and reclassification of positions is included.
Investing in Our Enriched School System	\$6.5	Division investments support additional lead head custodians, camera analytics-AI utilization software, removal of credit card fees, enhancing custodial staffing standard resulting for division-wide savings, and providing an additional middle school security officer.
Investing in Our Engaged Community	\$0.5	Additional family liaison and community outreach support.
Total	\$104.8	

EXECUTIVE SUMMARY

Grant Fund

The Grant Fund increases result from a combination of expected increases in local, state and federal grant awards.

School Nutrition Fund

School Nutrition Services is a special revenue fund and should retain no more than 3 months of expenditures in reserve. A price increase of \$0.20 is proposed for all student meals; the breakfast price for all students will increase from \$2.50 to \$2.70; the elementary student lunch price will increase from \$3.45 to \$3.65; and the secondary student lunch price will increase from \$3.55 to \$3.75.

Lease Purchase Fund

The Lease Purchase Fund remains at a flat \$10 million per year funding for capital technology and fleet purchases. For FY27, \$7.2 million is designated for technology and \$2.8 million for fleet vehicles and equipment.

Self-Insurance Fund

The FY27 budget is predominantly comprised of claim expenditures that are projected to increase. Revenues from health insurance premiums will increase due to a 20% rate increase for calendar year 2027 and improving rebate programs.

Capital Improvement Projects (CIP) Fund

The Capital Improvement Projects Fund has funding for VIEW Transition Academy, Visual & Performing Arts Improvements for Middle and High Schools, Fleet Replacement, Technical Security Improvements, CTAE Renovations for Middle and High Schools, Unified Communication System, Replacement of Non-Inclusive Playgrounds and Tennis Court Lighting, High School, and other capital renewals and alterations.

Capital Asset Preservation Program (CAPP) Fund

The Capital Asset Preservation Program Fund will increase by \$5.1m for capital maintenance repairs and replacements.

Note: Loudoun County Public Schools are not permitted to incur long-term debt which includes debt incurred for School Division purposes. The County Government is responsible for the issuance and maintenance of debt for the School Division.

EXECUTIVE SUMMARY

FY27 Enrollment Growth

Loudoun County Public Schools ranks as the third largest of Virginia's 133 school divisions. Between the FY26 Adopted Budget and the FY27 SEON, student membership is projected to decline by 1,428 students. However, compared to FY26 actual enrollment, this represents a decrease of 316 students, or a 0.4% decline. In FY27, the average cost per student for personnel, employee benefits, and materials to provide school-level instructional and support services is anticipated to be \$25,490.

Student Membership

	FY26 Adopted	FY26 Actual	FY27 SEON	FY26 Actual to FY27		FY26 Budget to FY27	
				Change	Percent	Change	Percent
Pre-School	958	932	934	2	0.2%	(24)	-2.5%
Elementary School	33,767	33,165	32,803	(362)	-1.1%	(964)	-2.9%
Middle School	19,129	19,049	18,956	(93)	-0.5%	(173)	-0.9%
High School	27,775	27,371	27,508	137	0.5%	(267)	-1.0%
Total	81,629	80,517	80,201	(316)	-0.4%	(1,428)	-1.7%

EXECUTIVE SUMMARY

Historical student enrollment is displayed in the following table.

The following table captures LCPS schools and non-comprehensive programs. The addition of new schools and non-comprehensive programs is one driver of cost per pupil increases.

EXECUTIVE SUMMARY

Staffing (Operating and Grant Funds)

All LCPS positions fulfill roles that are necessary to the delivery and support of the school division's educational mission. LCPS uses the Washington Area Boards of Education (WABE) Guide to determine positions as either school-based or non-school based. A benchmark comparison of participating WABE Guide school divisions is in the table below. LCPS maintains one of the highest percentages of school-based staffing in the region.

**LCPS FY27 SEON
staffing is 94.2%
School Based and
School Facing**

FY26 Surrounding School Division Comparison*		
School Division	Percentage School Based Employees	Percentage Non-School Based Employees
Fairfax	92.5%	7.5%
Loudoun	91.7%	8.3%
Arlington	91.7%	8.3%
Prince William	90.3%	9.7%
Alexandria	90.2%	9.8%

Source: FY2026 Washington Area Boards of Education (WABE) Guide

*WABE Guide excludes bus drivers and bus attendants for calculation of the school based/non-school based percentages and may not match prior year.

And while the vast majority of LCPS FTE are school-based, LCPS further identifies some non-school based positions (per the WABE Guide) as school-facing. School-facing roles are those that do not have a formal assignment at a specific school or schools but still spend most of their time at schools working directly with instructional staff and students. Examples include instructional facilitators, instructional coaches, and regional school security officers. The following table shows the SEON staffing and the prior two years' staffing for Operating Fund and Grant Fund positions with the school-facing designation included.

Position	FY25	FY26	FY27
School-Based and School-Facing			
Total School-Based FTEs	12,105.3	12,455.7	12,494.2
Total School-Facing FTEs	398.0	448.0	459.5
Non-School Based			
Total Non-School-Facing FTEs	777.5	791.0	803.0
Total FTEs	13,280.8	13,694.7	13,756.7
Total Student Enrollment	83,038	81,629	80,201

Cost Per Pupil

The per pupil expenditure is calculated annually using the total General fund and Grant fund budget, less adult education, self-funded summer school, and health services. The total amount is divided by the student enrollment as of September 30 to determine an average per pupil cost for the current fiscal year and adopted enrollment for the next fiscal year.

The calculated per pupil cost for FY27 is shown below.

<i>FY27 Budgeted Cost Per Pupil</i>	
State Category	Amount
Instruction	\$19,890
Operation & Maintenance	2,202
Pupil Transportation	1,201
Administration, Attendance, & Health	1,199
Technology	903
Facilities	95
FY27 Cost Per Pupil	<u>\$25,490</u>

The table below shows the previous two years per pupil expenditures for Northern Virginia school divisions.

<i>FY25 & FY26 Per Pupil Expenditure Comparison</i>		
	FY25	FY26
Arlington	\$25,175	\$25,406
Alexandria	\$21,769	\$22,242
Fairfax	\$20,940	\$21,986
Loudoun	\$21,793	\$23,825
Prince William	\$18,069	\$20,223

Source: FY 2026 Washington Area Boards of Education (WABE) Guide

The chart below shows the change in cost per pupil since FY23. For FY27, the cost per pupil increases 6.9% to \$25,490.

School Board Members

The Loudoun County Public School Board is comprised of nine elected members and is the governing body of the division. One member is elected from each of the eight election districts and one member is elected At-Large representing the entire County. The School Board elects a chair and vice-chair to serve for one year at their first meeting in January.

April Chandler, Chair	Algonkian District
Deana Griffiths	Ashburn District
Anne Donohue, Vice-Chair	At-Large Member
Ross Svenson	Broad Run District
Kari LaBell	Catoctin District
Jon Pepper	Dulles District
Lauren Shernoff	Leesburg District
Dr. Sumera Rashid	Little River District
Amy Riccardi	Sterling District

Strategic Planning Process Overview

This is the final year of the One LCPS: 2027 Strategic Plan for Excellence. The plan was first developed in 2021 when the LCPS School Board partnered with RTI International to develop a five-year strategic plan. RTI, a nonprofit institute with expertise in inclusive, data-driven planning, began by gathering information through data analysis and stakeholder engagement activities. Emerging themes included equity, literacy instruction, teacher support, and specialized programming.

In 2022, community feedback was collected via a questionnaire completed by over 13,000 stakeholders, identifying priorities such as ensuring student well-being, maintaining education quality, and enhancing early education in reading and math. This feedback shaped strategic goals—Empowered Students, Exemplary Staff, Enriched Division, and Engaged Community—presented at town hall meetings for additional input.

Revisions based on community feedback were reviewed by LCPS leaders to refine strategic goals and measures. The plan is designed to be adaptable and will include specific targets. Progress updates are shared regularly during School Board meetings, with annual performance presentations each August.

On September 9, 2025, the LCPS School Board held a work session to begin development of the Strategic Plan 2032. The school division proposed a four-phased plan that would include

- Phase 1: Input
 - Community focus groups
 - Survey/Thought Exchange to entire community
 - Strategic Planning Team meetings
 - Meeting with LCPS staff
- Phase 2: Development
 - Strategic Planning Team develops goals based on stakeholder input and data
 - Thought Exchange on themes/goals
- Phase 3: Feedback
 - Stakeholders and the Board provide feedback on draft
 - Senior staff develops strategies and metrics
- Phase 4: Board Approval

LCPS Mission, Strategic Goals, and Core Values

ONE LCPS

2027 Strategic Plan for Excellence

*We believe that together, as **One LCPS**, our families, staff, division, and community can ensure that all students are able to pursue and achieve their full potential.*

OUR VISION: Every student will reach their full potential and achieve their dreams.

OUR MISSION: Empowering all students to make meaningful contributions to the world.

STRATEGIC GOALS

Empowered Students: Students will be at the center of our work – valuing all students' hopes and dreams and preparing them to make meaningful contributions to the world.

Exemplary Staff: LCPS teachers, administrators, and staff are the most important factor in helping our students after their parents; seeing that staff are esteemed, exemplary, supported, and accountable is vital to student success.

Enriched Division: LCPS must be aligned around our core educational mission for students and strengthen trust, listen humbly, value differences, and remain steadfast in ensuring every student is prepared to make meaningful contributions to the world.

Engaged Community: Parents, families, and our community must be a support, guide, ally, and partner; there is no one more deeply invested in the success of students than their families.

CORE VALUES

HOLISTIC SUPPORT

Every student should have the support to feel safe, happy, and cared for in school.

EQUITY AND OPPORTUNITY

All students and staff should have access to resources, programs, and support that enable a successful future.

TRUST THROUGH LISTENING

All students, staff, and community members should have regular opportunities to be heard in two-way conversations across the division.

RIGOROUS TEACHING & LEARNING

All students should be challenged to reach their full potential in the classroom as part of a system that aspires to become the best performing division in the nation.

INDIVIDUALIZED SUCCESS

All unique strengths, skills, and passions should be celebrated, encouraging diverse pathways that support readiness after graduation.

CONTINUOUS IMPROVEMENT

A culture of continuous improvement should drive the fulfillment of our mission.

Loudoun County Public School Goals Adopted by the LCPS Board June 28, 2022

GOAL 1 - EMPOWERED STUDENTS: *Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.*

- (1.1) Enable **Core Academic Excellence** by providing rigorous instruction for all students.
- (1.2) Expand opportunities for **Multiple, Accessible Pathways to Success** through diverse programming.
- (1.3) Prioritize **Care for Students** by ensuring a safe and affirming learning environment for all.
- (1.4) Create regular opportunities to amplify **Student Voice** through both listening and action.

GOAL 2 - EXEMPLARY STAFF: *Cultivate high-performing teams of professionals committed to realizing our mission and goals.*

- (2.1) Offer high-quality, **Ongoing Growth and Development** available to all staff.
- (2.2) Develop dedicated resources to improve **Professional Collaboration** across schools and the division.
- (2.3) Serve as an **Employer of Choice** committed to recruiting, developing, and supporting top diverse talent.

GOAL 3 - ENRICHED DIVISION: *Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.*

- (3.1) Define and promote an **Aligned Culture** across the division where all students feel they belong.
- (3.2) Standardize **Straightforward Communication** practices to improve data sharing and strengthen trust.
- (3.3) Create **Safe, Productive Learning Environments** designed to support high-quality instruction for all.

GOAL 4 - ENGAGED COMMUNITY: *Enhance educational excellence through building meaningful relationships with families and the community.*

- (4.1) Deepen **Family Engagement** by offering inclusive opportunities for conversation across the division.
- (4.2) Strengthen existing and create new **Business and Community Partnerships**.
- (4.3) Expand opportunities for **Trust-building Dialogue and Data** sharing to inform division-wide decisions.

NOTE: Progress toward all strategic goals and aligned actions listed above will be reviewed, assessed, and reported to both the School Board and the public via regular updates, with an annual goals presentation each fall.

Loudoun County Public School Goals For the FY22-FY27 Strategic Plan

GOAL 1 – EMPOWERED STUDENTS: *Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.*

ACTION 1.1 – Core Academic Excellence

*Enable **student academic excellence** by providing rigorous and culturally-responsive instruction to develop all students as knowledgeable critical thinkers, creators, communicators, collaborators, and contributors.*

STRATEGIES:

- Use the **LCPS Profile of a Graduate** (content knowledge and 5 Cs, above) to drive instructional and curricular decision-making
- Provide **rigorous** and **culturally responsive instruction** to ensure deeper learning
- Implement **evidence-based literacy instruction** across the division
- Develop a **balanced assessment system** to provide timely, meaningful data to improve the quality of a student's education

ACTION 1.2 – Multiple, Accessible Pathways to Success

*Expand **student access** to participate in specialized educational opportunities*

STRATEGIES:

- Develop **accessible specialized programming** (e.g., Academies of Loudoun, International Baccalaureate, career and technical programs, language immersion programs, fine arts programs)
- Develop **targeted supports to prepare students to access specialized programming** (e.g., goal-setting, academic counseling, acceleration support)
- Revise the **program of studies** to expand electives and new course offerings based on student interests and workforce demands
- Develop college and workforce readiness through **enhanced transition programming** for students with disabilities

(C) 2022 LCPS. All rights reserved.

GOAL 1 – EMPOWERED STUDENTS: *Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.*

ACTION 1.3 – Care for Students

Ensure a **safe and affirming** learning environment for all students by implementing a system of supports to address their academic, behavioral, and social-emotional needs.

STRATEGIES:

- Implement a **multi-tiered system of supports (MTSS)** to both ensure all students receive high-quality core instruction and, as necessary, differentiate based on individual needs
- Implement a **Culturally Responsive Framework** that guides school climate, instruction, and ensures high expectations for all
- Provide **social and emotional learning and mental health, nutrition, and wellness services** for all students
- Cultivate an inclusive environment by providing **high-quality, specially-designed instructional opportunities** to meet unique needs (e.g., students with disabilities, economically disadvantaged students, English learners, gifted learners)

ACTION 1.4 – Student Voice

Create **regular opportunities to hear and act** on student interests, experiences, and dreams.

STRATEGIES:

- Conduct **review of co-curricular and extracurricular activities** for emphasis on access and inclusiveness for all (K – 12)
- Develop balanced **listening structures** (sessions, advisories, programs) with students to inform the design of their educational experiences in LCPS
- Administer **annual student survey** and use data to inform decision-making in schools and across the division
- Establish and implement **consolidated annual report capturing student feedback** to inform system-wide priorities

(C) 2022 LCPS. All rights reserved.

GOAL 2 - EXEMPLARY STAFF: *Cultivate high-performing teams of professionals committed to realizing our mission and goals.*

ACTION 2.1 - Ongoing Growth and Development

*Offer **high-quality professional learning, coaching, mentorship, and leadership development**; including emphasis on core academic excellence, special education and English language learners.*

STRATEGIES:

- Provide high-quality, strategically-aligned **professional learning and coaching** for all staff
- Develop **leadership capacity** through professional development and learning experiences at all levels across the division
- Build a **growth-based mindset** related to special education and English language learners for all staff
- Provide structured, job-embedded **mentoring and onboarding** for all staff
- Develop and refine **career-advancement pathways and growth opportunities** as a means of valuing and retaining staff

ACTION 2.2 - Professional Collaboration

*Develop dedicated resources to **connect and align staff across the division** to ensure schools offer equitable opportunities for all students.*

STRATEGIES:

- Support a culture of collaboration through highly effective **collaborative learning teams** for instructional staff
- Develop **standard operating procedures** for internal processes and collaboration (e.g., email communication, knowledge management/sharing)
- Develop dedicated resources and supports to **connect and align school leaders** (e.g., best practice sharing, collaborative planning) to strengthen quality instruction across LCPS

(C) 2022 LCPS. All rights reserved.

GOAL 2 - EXEMPLARY STAFF: *Cultivate high-performing teams of professionals committed to realizing our mission and goals.*

ACTION 2.3 - Employer of Choice

*Serve as an employer of choice committed to **recruiting, developing, supporting, and retaining** top diverse talent while also offering competitive salaries and benefits for all staff.*

STRATEGIES:

- Ensure **competitive salaries** and **benefits**
- **Recruit, develop, and retain** top diverse talent
- Implement intentional **logistical and operational onboarding** to ensure all new staff are setup for success
- **Elevate and value staff** through employee recognition opportunities, programs, and events

(C) 2022 LCPS. All rights reserved.

GOAL 3 – ENRICHED DIVISION: *Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.*

ACTION 3.1 - Aligned Culture

Define and promote a **clear and consistent division culture** where all students and families feel they belong, embodying accountability and striving for continuous improvement.

STRATEGIES:

- Regularly **provide updates to the public** on progress toward Strategic Plan goals
- **Sustain existing and build new advisory groups** to strengthen collaboration and communication (e.g., MSAAC, SEAC)
- Develop and communicate **common language** to improve shared understanding across the division
- Build a culture of **continuous improvement**

ACTION 3.2 - Straightforward Communication

Standardize and coordinate **division-wide communication practices**, to improve data sharing and decision-making and to strengthen relationships and trust at all levels of division leadership.

STRATEGIES:

- **Standardize and coordinate** division communication practices (e.g., website, newsletter, social media)
- Develop and communicate **standard reporting expectations** coming out of all listening sessions (e.g., student, staff, community)
- **Optimize productive Board and Staff** relations
- **Audit external and internal** communication processes

(C) 2022 LCPS. All rights reserved.

GOAL 3 - ENRICHED DIVISION: *Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.*

ACTION 3.3 - Safe, Productive Learning Environments

Ensure **schools and classrooms** across the county support high-quality instruction and the safety of every person.

STRATEGIES:

- Develop and implement **facilities lifecycle planning** for all schools
 - Create or ensure **physical learning spaces that meet the instructional needs** of our students
 - **Modernize facilities to improve safety and security** through strategic renovation and new technology
 - **Improve energy efficiency** across the division
-

(C) 2022 LCPS. All rights reserved.

GOAL 4 - ENGAGED COMMUNITY: *Enhance educational excellence through building meaningful relationships with families and the community.*

ACTION 4.1 - Family Engagement

*Deepen **relationships** with LCPS families by offering inclusive opportunities for community conversation across the division, especially around topics and practices where perspectives differ.*

STRATEGIES:

- Develop balanced **listening structures** (sessions, advisories, programs) with families and community members to inform the educational experiences of all LCPS students
- Create a working group across schools dedicated to developing **system-wide family engagement best practices**
- Plan for inclusive family and community dialogue with **English language learner families**
- Update and streamline resource/information-sharing practices to improve communication with **new families in LCPS**

ACTION 4.2 - Business and Community Partnerships

*Strengthen existing and create new **business and community partnerships**.*

STRATEGIES:

- Expand, recognize, and promote **business and community partnerships**
- Strengthen partnerships with **school support organizations** to expand available resources for students and increase community investment in schools
- Recruit business partners to provide **real-world experiences for students** to advance the LCPS Profile of Graduate

(C) 2022 LCPS. All rights reserved.

GOAL 4 - ENGAGED COMMUNITY: *Enhance educational excellence through building meaningful relationships with families and the community.*

ACTION 4.3 - Trust-building Dialogue and Data

Expand **opportunities to involve community stakeholders** in making key decisions for LCPS; improve access to information via enhanced transparency in budget and policy as well as increased investment in language services.

STRATEGIES:

- Involve **community stakeholders in key decisions** and proactively share information in the early stages of policy-making
- **Enhance community access to information** including intentional investment in language services
- **Adopt a regular cadence to review key outcomes metrics** as reported to the School Board

(C) 2022 LCPS. All rights reserved.

Loudoun County At A Glance

Loudoun County covers 520 square miles and is located 25 miles west of Washington D.C., with the Blue Ridge Mountains to the west, the Potomac River to the north, Virginia's horse country to the south, and Dulles International Airport on its eastern boundary. Loudoun County Public Schools is one of Virginia's largest school divisions, projected to serve 80,201 students in 98 schools and 5 non-comprehensive programs in FY27. LCPS' comprehensive instructional program begins in the 62 community-oriented elementary schools for children in grades K-5. Students' progress through the 18 middle schools, grades 6-8, and the 17 high schools, grades 9-12. Programs offered at five non-comprehensive schools complement the instructional program.

	Grades	Number of Schools and Non-Comprehensive Programs	Enrollment
Preschool		*	934
Elementary Schools	K - 5	62	32,803
Middle Schools	6 - 8	18	18,956
High Schools	9 - 12	17	27,508
Academies of Loudoun	9 - 12	1	
The North Star School	9 - 12	1	
Alternative Education Program	6 - 12	1	
Virtual Loudoun	1 - 12	1	
William O. Robey HS	9 - 12	1	
R.I.S.E. Academy	9 - 12	1	
Total		103	80,201

*Preschool students are located at 57 of the 103 schools and non-comprehensive programs.

The schools are responsible for elementary and secondary education within the County's jurisdiction. Members of the school's governing board (the School Board) are elected to serve a four-year term. The School Board follow a staggered election cycle, with Algonkian, Broad Run, Dulles, Leesburg, and Sterling districts going through re-election in November 2025. Ashburn, Catoctin, Little River districts and the At-Large Member will be up for re-election in November 2027. The schools are fiscally dependent upon the County because the County's Board of Supervisors appropriates the school's budget, levies taxes and issues bonds for school capital projects and improvements.

A listing and map of the schools and administration building is provided on the following pages.

ORGANIZATIONAL SECTION

Budget Development

The budget process represents an important step in fulfilling the school system goals and objectives. Budget preparation affords the opportunity to assess current programs to determine their effectiveness in meeting the defined needs of students, to identify needed program enhancements or improvements, and to add new programs and supports.

A number of statutory requirements drive the budget process and the coordination needed between Loudoun County Public Schools and Loudoun County. The chart to the right outlines the various actions and deadlines.

The budget preparation is approached with a view toward working from a “zero base.” In other words, it is built based on actual needs without particular regard to previous funding. In addition, the largest portion of the LCPS operating budget funds (90.1% in FY27) is dedicated to employee compensation. Staffing levels are recalculated each year based on enrollment projections for each school. Detailed information must be available about all budget expenditure items in order to explain and justify budget requests.

Each budget holder is responsible for submitting requests to the Budget and Financial Analytics Division using an on-line budget preparation system. Program descriptions, accomplishments, goals, and requests with detailed descriptions are entered in this system.

Revenue estimates are developed based on historical trends, analysis of proposed legislation, forecasts from the County of Loudoun regarding local tax funding, and assessments of fund balances and are equal to the expenditures for each fund. All fund revenue and expenditure budgets are balanced. By definition, a balanced budget is one in which there is neither a budget deficit nor a budget surplus and total revenues equal total expenditures.

Department and/or Division Budget Development

Department and/or division budgets are those prepared and submitted by individual schools and central support programs. Department and/or division budget requests are aligned with the One LCPS Strategic Plan for Excellence and are driven by the needs of our students, staff, school system, and community.

Action Required	Virginia Code	Process Date
First day of FY26 Fiscal Year		July 1, 2025
Superintendent's Recommended FY27-FY32 Capital Budget presented to the School Board		October 28, 2025
Capital Budget Public Hearing		November 10, 2025
School Board FY27 Preliminary Fiscal Forecast		December 16, 2025
School Board Capital Budget to Board of Supervisors	April 1	December 16, 2025
Publish Public Hearing Notice	At least 7 days in advance of public hearing	January 9, 2026
Superintendent's Estimate of Needs Operating Budget presented to the School Board		January 15, 2026
Operating Budget Public Hearing	Once before submission to Board of Supervisors	January 22 and 29, 2026
School Board Adoption of FY27 Budget		February 3, 2026
School Board Operating Budget to Board of Supervisors	April 1	February 3, 2026
Board of Supervisors Adoption of FY27 Appropriations Resolution and Tax Rates	May 15 or within 30 days of receipt of State funding for schools and July 1 for tax rate	TBD
School Board's Final Alignment of FY27 Adopted Budget		TBD

ORGANIZATIONAL SECTION

Budget Approval

When department/division budgets are submitted, they are reviewed by the Superintendent and Cabinet. These budgets will comprise the expenditures component of the Superintendent's Estimate of Needs. The revenue component of the budget is completed through joint efforts of the Budget and Financial Analytics Division and those managers of programs, which receive revenue during the fiscal year, estimates of state revenue based on Virginia Governor/General Assembly actions, and availability of local tax funding.

The Superintendent's Estimate of Needs is submitted to the School Board in January. The School Board holds budget work sessions and public hearings on the budget during the month of January and into the month of February. The School Board may alter the budget prior to submission to the governing body, the Loudoun County Board of Supervisors. Upon approval by the School Board, the budget is submitted to the Loudoun County Board of Supervisors.

The Board of Supervisors holds budget work sessions and public hearings throughout February and March and appropriates a budget for the school division at the first meeting in April. The School Board holds budget work and public input sessions in reconciling the budget.

A final School Board Adopted Budget document for the fiscal year is then published and distributed.

Capital needs are determined through the development of the Capital Budget, which includes the Capital Improvement Program (CIP) and Capital Asset Preservation Program (CAPP), which is annually updated to maintain multiple year projections of the school division's capital needs based upon student population growth, the geographic locations of highest growth, and the need for renovation and additions to existing facilities to maintain parity. Those projects determined to be required or necessary to maintain or to improve instruction are included in the Superintendent's Estimate of Needs Budget. The CIP/CAPP is reviewed and approved by the School Board on an annual basis and appropriated by the Board of Supervisors.

Budget Management

The annual adopted budgets are integrated into the automated accounting system at the beginning of each year. Each division head is responsible for operating his/her division within the limits of the annual adopted budget. Expenditures, encumbrances and budget amounts are controlled by object of expenditure within the division by the automated accounting system.

Initiating a budget transfer is the responsibility of each division administrator/designee. The budget transfer must be issued for approval as soon as the administrator becomes aware of a situation that will change the annual total of the approved appropriation.

Deficit budgets are not permitted. In addition, strict requirements necessitate timely budget transfers to permit account expenditures monitoring. It is the function of the Budget and Financial Analytics Director to assist each administrator in processing budget transfers through the appropriate administrative channels.

ORGANIZATIONAL SECTION

All financial commitments must have approved budgets prior to the issuance of purchase orders, contracts, etc. If an item requires a budget transfer, the budget transfer must be approved before the financial commitment can be issued. All budget transfers must be approved by the Account Manager and Budget and Financial Analytics staff prior to posting in the general ledger. Written justification and supporting documentation must be complete before a budget transfer is approved.

Operating budget transfers between departments in excess of \$100,000 that deviate from the purpose designated by the School Board in the appropriated Operating Budget shall be submitted for consideration to the Finance & Operations Committee and for final approval by the School Board.

Operating budget transfers within a department in excess of \$250,000 that deviate from the purpose designated by the School Board in the appropriated Operating Budget shall be submitted for consideration to the Finance & Operations Committee and for final approval by the School Board.

Procedures Recap by Responsibility

Initiator:

- Determine need for budget appropriation adjustment.
- Prepare transfer using the on-line accounting system.
- Provide written justification/explanation and supporting documentation for adjustment.

Account Manager:

- Review transfer request.
- If approval is recommended, forward electronic form to Budget and Financial Analytics.

Budget and Financial Analytics:

- Reviews for compliance with procedures and verifies accuracy of data. If approved, forwards to Accounting Specialist for entry in the general ledger system.

Supplemental Appropriations

If funding becomes available after budget adoption that has not been appropriated by the Loudoun County Board of Supervisors (BOS), LCPS must bring an agenda item identifying the source of funding, amount, and explanation for the change to the School Board for approval. After school board approval, the BOS must approve the request and appropriate the supplemental funds to the school division before the budget can be increased.

Basis of Presentation

The accounting system of Loudoun County Public Schools is organized and operated on the basis of self-balancing accounts which comprise its assets, liabilities and fund balances, revenues and expenditures as appropriate. School division resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. The various funds are as follows:

Governmental Funds

The General Fund, also referred to as the Operating Fund, is utilized to account for the revenues and expenditures necessary for the day-to-day operation of the School Division. Revenues are received from federal, state, County Government sources transfers, and local sources. Local sources include tuition, fees, rebates, donations from outside sources and miscellaneous revenue. Local sources revenue represents 0.6% of the operating budget. Amounts for each type of revenue are presented in the Financial Section. Expenditures are tracked by Department, Division, Program, and object code (description of the expense).

The Debt Service Fund is used to account for the accumulation of resources for and the payment of general long- term debt principal and interest and related costs. Debt service is primarily funded from transfers of local tax funds from the County Government.

The CIP is utilized to account for the financial resources to be used for the acquisition or construction of major capital facilities. This fund receives revenue primarily from bonds approved by the citizens and issued by the County of Loudoun. The proceeds of the issues are transferred to the School CIP fund for proper administration.

The CAPP accounts for major repairs and maintenance of school division facilities. Projects are tracked by type and facility. The CAPP is primarily funded from transfers of local tax funds from the County Government.

Special Revenue Funds

The Grant Fund accounts for all grant awards received by Loudoun County Public Schools from state, federal, and local sources. Management of grants is handled through the Projects and Grants module of the accounting system.

The School Nutrition Fund is utilized to account for all revenues and expenditures relative to the operation of cafeteria services at schools. This fund is financed and operated in a manner similar to a private business enterprise in that its costs are financed through user charges. Some federal and state revenues are received in addition to cash from the sale of meals to students.

The Lease Purchase Fund provides funding for capital technology and school bus/fleet vehicles. The Department of Digital Innovation and the Department of Support Services manage these funds. Lease funds are capped at \$10 million each year.

ORGANIZATIONAL SECTION

Proprietary/Internal Service Funds

The Self Insurance Fund accounts for the activities of employee and retiree health claims, workers compensation and disability programs. Employee premiums and employer contributions cover the cost of these programs.

Classification of Revenues and Expenditures Expenses, Personnel, Operations & Maintenance, Capital Outlay Revenues: State, Local, Federal, and Other.

The categories within the chart of accounts can be viewed as a pyramid. The fund is at the top of the pyramid with the object being the lowest level of detail.

Revenues are classified within a fund by category. The categories, with examples of major revenue sources are:

- State Sources Basic Aid, Sales Tax, Special Education Aid, State Funded Projects
- Local Transfer County Government from local tax sources
- Federal Sources Federal Special Education Aid and other federally funded grants
- Local Student fees, community use of building fees, tuition, sale of surplus equipment, cell tower leases, and other miscellaneous charges

ORGANIZATIONAL SECTION

Expenditures are classified within a fund by department, division, category and object. Object types and their relationship to category is shown in the following table.

Category	Object
Personnel	Full time salaries Non-FTE salaries Benefits
Operations and Maintenance	Contractual Services Materials and Supplies Computers and Software Training and Continuing Education
Capital Outlay	Buildings and Land Certain Subscription Based IT Assets Computers and Software Furniture and Equipment Vehicles

Within the Financial Section, the expenditures are presented by fund and category. Within the Fund/Departments Section, the expenditures are presented by division and also by category and object. Expenditures presented in the Fund/Departments Section represent actual expenditures plus encumbrances, whereas only actual expenditures are included in the Financial Section. Therefore, expenditures presented in the two sections may differ.

Significant Budget and Financial Policies

LCPS policies are reviewed every five years per the Code of Virginia § 22.1-253.13:7. During this process, the School Board seeks input from stakeholder groups and the community at large. The Finance and Operations Committee develops and reviews the financial policies for submission and approval of the full School Board. Policies under review are posted on the LCPS website.

An annual operating budget is submitted to the School Board by the Superintendent in accordance with the following Virginia Code:

§22.1-92. Estimate of moneys needed for public schools – It shall be the duty of each division superintendent to prepare with the approval of the school board, and submit to the governing body or bodies appropriating funds for the school division, by the date specified in §15.2-2503 [on or before the first day of April of each year], the estimate of the amount of money deemed to be needed during the next fiscal year for the support of the public schools of the school division. The estimate shall set up the amount of money deemed to be needed for each major classification prescribed by the Board of Education and such other headings or items as may be necessary.

Basis of Budgeting

The fiscal year for the school system begins on July 1 of each year and ends on June 30 of the following year. Annual budgets are adopted for all funds except the capital project fund. The capital projects fund is budgeted on a project-by-project basis. LCPS uses the modified accrual basis in budgeting for governmental funds. The budgets are on a basis consistent with Generally Accepted Accounting Principles (GAAP). The budget period is the same as the accounting reporting period. The budget and the accounting reports both follow GAAP. The budget document contains the same financial entities and funds as the financial report. The School Board is required to adopt annually a budget for the operation of the School Division. The budgets must identify the source of anticipated revenue including local taxes necessary to meet the financial requirements of the budgets adopted.

The Division's budget is prepared utilizing the zero-based budgeting philosophy and must be a balanced budget; meaning there is neither a budget deficit nor a budget surplus. Total revenues equal total expenditures. All school staffing is recalculated based on the enrollment projections for each school by applying staffing standards. The need for all other line items is justified in detail (not simply a percentage increase applied to previous years). Additionally, the Division seeks the involvement of school principals, staff, and community members in the budget development process. The School Board expects Cabinet to work closely with the principals with regard to their respective areas in studying the needs of the schools and compile a budget to meet those needs. The principals are expected to confer with teachers and other staff in obtaining budgetary requests and information on requirements.

Based upon school enrollments and staffing levels, schools are provided an allocation of funds for a variety of programs and uses.

Following is a chart listing the various allotments by school level and their amounts for the year.

ORGANIZATIONAL SECTION

FY27 Allotments³

	Elementary	Middle	High
Instructional (per pupil)	\$35.91	\$42.25	\$42.25
Health & PE			
Per School			
0 - 1,399 enrollment	\$-	\$500.00	\$-

Per Economically Disadvantaged Student ²	\$16.50	\$14.75	\$49.75

¹Includes Teacher, Special Education; Teacher, Hearing or Visual Impairment; Transition Teacher; Speech Language Pathologist.

²Total enrollment will be used for schools participating in the Community Eligibility Provision (CEP).

³Items in red have new allotment rate for FY27.

Note: Additional allotments may be distributed at the Department's discretion.

ORGANIZATIONAL SECTION

The Superintendent and administration shall submit a preliminary budget to the School Board for its consideration each year. The School Board is required by law to conduct at least one public hearing to receive input from its citizenry regarding the budget. The hearing must be advertised in the local newspapers at least seven (7) days prior to the hearing (VA Code §22.1-92).

The School Board expects its administrative staff to operate the school system within the budget established for the particular department or school. The budget complies with the relevant financial policies.

Capital Projects Budget Policies

- The School Division will develop and administer a multi-year plan for capital improvements and update it annually.
- The School Division will budget for major capital projects in accordance with the priorities of the School Board.
- The School Division will coordinate development of the capital improvement budget with the development of the operating budget. Future operating costs associated with new capital improvement will be projected and included in operating budgets.
- The School Division will identify the estimated costs for each capital project proposal before it is submitted to the School Board for approval.
- The School Division will monitor monthly the financial activity of the capital projects comparing the budgeted funds to actual expenditures to ensure that the actual cost of the project does not exceed the appropriated funds.

Debt Management Policies

- The School Division is not permitted to incur long term debt which includes debt incurred for School Division purposes. The County Government is responsible for the issuance and maintenance of debt for the School Division. The County Board of Supervisors Fiscal Policy includes the following Debt Management Policies:
- The County's debt capacity is maintained within the following primary goals:
 - Net debt as a percentage of estimated market value of taxable property should not exceed 3.0%.
 - Net debt per capita as a percentage of income per capita should not exceed 8.0%.
 - Debt service expenditures as a percentage of governmental fund expenditures should not exceed 10%.
 - Ten-year debt payout should be above 60%.
- An annual debt issuance guideline will be used to approximate the annual amount of debt issuance that will ensure the County remains compliant with the debt ratio thresholds described above for the six-year CIP. The annual debt issuance guideline will be adopted from time to time through the Appropriations Resolution.

Revenue Estimation Policy

- Annual revenues will be estimated by an objective analytical process. Revenue will not be included in the budget that cannot be verified with documentation as to its source and amount.

ORGANIZATIONAL SECTION

Fund Balance and Reserve Policy

In accordance with Virginia Code **§22.1-100 – Unexpended school and educational funds** – All sums of money derived from the Commonwealth which are unexpended in any year in any school division shall revert to the fund of the Commonwealth from which derived unless the Board of Education directs otherwise. All sums derived from local funds unexpended in any year shall remain a part of the funds of the governing body appropriating the funds for use the next year, but no local funds shall be subject to redivision outside of the locality in which they were raised (Code 1950 §22-138; 1956, Ex. Sess., c. 67; 1980, c. 559).

LCPS recognizes that to maintain a responsible financial management system, it is aligned with the Governmental Accounting Standards. Policy/Regulation 4175 establishes defined accounting protocols for reporting fund balance in alignment with Governmental Accounting Standards.

In accordance with the Code of Federal Regulations **§210.14 – Resource Management – Net cash resources**. The school food authority shall limit its net cash resources to an amount that does not exceed 3 months average expenditures for its nonprofit school food service or such other amount as may be approved by the State agency in accordance with §210.19(a) (Title 7 CFR Ch. II).

Encumbrances

The division maintains an encumbrance accounting system as one element of accomplishing budgetary control. Encumbered amounts at year-end lapse and are re-appropriated in the subsequent year.

Expenditures Controls

School Board Policy 4120 and its associated regulation establish controls and processes to maintain fiscal responsibility. As implemented, expenditure controls include:

- Funds to cover purchase orders should be in the budget under the appropriate category before encumbering the order. If funds are inadequate, a budget transfer must be prepared to transfer funds into the account. Upon posting of the transfer, the purchase order will be authorized for encumbering. The on-line purchasing system automates these controls.
- Purchase orders are to be reviewed by the Accounting Division for verification of account code.
- Purchase orders are to be reviewed by the Procurement and Risk Management Division for compliance with the Virginia Procurement Code and division purchasing regulations.
- Individual divisions are responsible for not exceeding the amount appropriated within their division during the fiscal year.
- The Budget and Financial Analytics Division is responsible for monitoring expenditures. In the event a division appears to be experiencing an expenditure problem (exceeds the appropriate allocation limit), the Budget and Financial Analytics Division will work with the division to develop a solution. If errors are detected in account codes an expenditure transfer can be made to correct the error.

ORGANIZATIONAL SECTION

Accounting, Auditing, and Financial Reporting Policies:

The accounting system will report financial information on a basis consistent with GAAP as established by the Governmental Accounting Standards Board (GASB).

The Budget and Financial Analytics Division will prepare monthly financial reports comparing actual revenues and expenditures to budgeted amounts. The Budget and Financial Analytics Division will prepare quarterly financial reports for the School Board Members.

An independent certified public accounting firm will be selected by the County Government and will perform an annual audit of both the schools and the County Government and will publicly issue their opinion on the County's financial statement and the LCPS component unit Annual Comprehensive Financial Report.

The County will seek to obtain and maintain a Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA). The School Division will also seek and maintain both the GFOA Certificate of Achievement for Excellence in Financial Reporting and the Association of School Business Officials (ASBO) International Certificate of Excellence.

Basis of Accounting

Basis of accounting refers to the timing of recognition of revenues and expenditures or expenses in the accounts and in the financial statements, regardless of the measurement focus. The basis of budgeting and the basis of accounting are the same.

The basis of accounting used in preparation of the audited Annual Comprehensive Financial Report (ACFR) is in accordance with GAAP as promulgated by the GASB and the Auditor of Public Accounts (APA) of the Commonwealth of Virginia.

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds and expendable fiduciary funds are accounted for using a current financial resources measurement focus; that is, only current assets and current liabilities are generally included on the balance sheets. Operating statements of these funds present increases (revenues and other financial sources) and decreases (expenditures and other financing uses) in net current assets.

The proprietary fund is accounted for on a flow of economic resources measurement focus. With the measurement focus, all assets and all liabilities associated with the operations of this fund are included on the balance sheet.

Proprietary fund type operating statements present increases (revenues) and decreases (expenses) in fund equity (net total assets).

ORGANIZATIONAL SECTION

Modified Accrual Basis of Accounting

The modified accrual basis of accounting is followed for all governmental type funds of the school division. Revenues are recognized in the accounting period in which they become susceptible to accrual that is both measurable (the amount of the transaction can be determined) and available (the amount is collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period). Expenditures, other than long-term debt and the long-term portion of accumulated sick and vacation pay, are recorded when the fund liability is incurred.

Accrual Basis of Accounting

The accrual basis of accounting is utilized by the Proprietary/Internal Services Fund type and the Fiduciary Fund type. Revenues are recognized when earned, and expenses are recognized when incurred.

FINANCIAL SECTION

Pursuant to § 22.1-92 of the Code of Virginia, “it shall be the duty of each division superintendent to prepare, with the approval of the school board, and submit to the governing body or bodies appropriating funds for the school division the estimate of the amount of money deemed to be needed during the next fiscal year for the support of the public schools of the school division”. The financial section of the FY27 Estimate of Needs document presents the fiscal plan at summary and detail levels. It should be noted that Loudoun County Public Schools is fiscally dependent upon the governing body of the County in accordance with **Virginia State Code 22.1-94 and 22.1-95**. The county, city, or town governing body is authorized, directed and required to raise money by a tax on all property and to appropriate a budget to provide an educational program which meets the state Standards of Quality. The School Division's budget is appropriated by the governing body, the Loudoun County Board of Supervisors, at the fund level. The budget is also presented to the Board of Supervisors by state category as required by state law.

The FY27 Estimate of Needs is presented within this section by fund. Fund budgets permit the School Division to accurately account for the revenues and expenditures at a summary level. School Division resources are allocated to and accounted for in these individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled. Department and division budgets are those prepared and submitted by schools and central support offices and can be found in the Department section of this book.

Description of Financial Structure

The Loudoun County Public Schools Division budget is maintained by fund, department, division, category, and object code levels. The financial structure permits accurate and appropriate tracking of expenditures and revenues for the requirements of the School Division and required state reporting. Further, State Board of Education categories are required for budget approval and state reporting. The school budgets include seven separate funds, which are utilized to record assets and liabilities for specific purposes:

- Operating Fund
- Grant Fund
- School Nutrition Fund
- Lease Purchase Fund
- Capital Improvement Program Fund
- Capital Asset Preservation Program Fund
- Self-Insurance Fund

The fund budgets are comprised of individual department budgets that detail the line-item expenditures (object codes). Each department and division provide the structure for appropriately tracking School Division expenditures.

FINANCIAL SECTION

State Mandated Categories

Virginia Code section 22.1-115 states:

The State Board, in conjunction with the Auditor of Public Accounts, shall establish and require of each school division a modern system of accounting for all school funds, state and local, and the treasurer or other fiscal agent of each school division shall render each month to the school board a statement of the funds in his hands available for school purposes. The Board shall prescribe the following major classifications for expenditures of school funds:

- (i) instruction
- (ii) administration, attendance and health
- (iii) pupil transportation
- (iv) operation and maintenance
- (v) school food services and other non-instructional operations
- (vi) facilities
- (vii) debt and fund transfers
- (viii) technology
- (ix) contingency reserves

The following are the definitions of the required state categories:

Instruction

Instruction includes activities that deal directly with the interaction between teachers and students. Instruction may be provided for students in a school classroom, in another location such as a home or hospital, or in other learning situations such as those involving co-curricular activities. Instruction may also be provided through another approved medium such as television, internet, radio, telephone, or correspondence. The activities of aides or classroom assistants of any type (clerks, graders, etc.) that assist in the instructional process are included in this category.

Administration, Attendance and Health

Activities concerned with establishing and administering policy for operating the local education agency and activities whose primary purpose is the promotion and improvement of children's attendance at school. This consists of various activities in the field of physical and mental health, such as medicine, dentistry, psychology, psychiatry, and nursing services, as well as activities in student attendance services.

Pupil Transportation

Activities concerned with transporting students to and from school, as provided by state and federal law. This includes trips between home and school and trips to and from school activities.

Operation and Maintenance

Activities concerned with keeping the physical plant open, comfortable, and safe for use, and keeping the grounds, buildings, and equipment in effective working condition. This includes the activities of maintaining safety in buildings, on the grounds, and in the vicinity of schools.

FINANCIAL SECTION

School Food Services and Other Non-instructional Operations

Activities concerned with providing non-instructional services to students, staff, or the community.

Facilities

Activities concerned with acquiring land and buildings, remodeling buildings, constructing buildings and additions to buildings, installing or extending service systems and other built-in equipment, and improving sites.

Technology

Technology-related expenditures as required by the General Assembly. All technology-related expenditures should be reported under this state category. Any services (i.e., distance learning) involving the use of technology for instructional, public information, or any other use should be recorded exclusively in this state category and not reported in other state categories.

Debt and Fund Transfers

Activities concerned with managing outlays of governmental funds for debt service payments, lease payments and fund transfers.

Contingency Reserves

All contingency reserve expenditures should be reported under this state category and further categorized by the classifications defined above.

FINANCIAL SECTION

Reconciliation of School Funds to State Mandated Categories

State Mandated Category	Loudoun County Public Schools Fund and Department
Instruction	Operating and Grant Funds - Department of School Leadership, Student Services, Teaching and Learning
Administration, Attendance and Health	Operating, Grant and Lease Funds – Department of Superintendent, Communications and Community Engagement, Human Resources and Talent Development, Business and Financial Services, School Leadership, Support Services, Student Services, Teaching and Learning, Department of Academics
Pupil Transportation	Operating and Grant Funds – Department of Support Services, Department of Superintendent
Operations and Maintenance	Operating and Grant Funds – Department of Support Services, Department of Superintendent
Food Services	School Nutrition Services Fund
Facilities	Operating and Grant Funds – Department of Support Services, Capital Improvement Program Fund, Capital Asset Preservation Program Fund
Technology	Operating, Grant and Lease Funds – Department of Digital Innovation
Debt Service and Fund Transfers	Debt Service Fund
Contingency Reserve	LCPS does not budget a contingency reserve

Other Postemployment Benefits LCPS OPEB Trust

The LCPS' OPEB Trust Fund is a single employer defined benefit healthcare plan (Plan). The Plan provides healthcare insurance for eligible retirees and their spouses through LCPS' group health insurance plan, which covers both active and retired members. Actives hired prior to July 1, 2013, are eligible for retiree coverage provided certain eligibility requirements are met.

The contribution requirements of plan members of LCPS are established and may be amended by the School Board. The contributions are based on projected pay-as-you-go financing requirements, with an additional amount to prefund benefits. Contributions from Loudoun County Public Schools towards OPEB benefits over the most recent five-year period were approximately \$31,981,466 per year. During fiscal year 2025, LCPS contributed \$36,784,003 to the OPEB Trust Fund, which included \$24,784,003 for current costs and an additional \$12,000,000 to prefund benefits.

LCPS' Net OPEB Liability (NOL) calculation consists of the Total OPEB Liability (TOL) less the Plan Fiduciary Net Position. The NOL as of June 30, 2025, is \$213,530,659, a decrease of (\$39,253,821), from the prior valuation NOL of \$252,784,480 as of June 30, 2024.

FY27 contributions towards prefunded benefits are proposed to continue at a level of \$12,000,000.

FINANCIAL SECTION

OPERATING FUND

The Operating Fund, also known as the General Fund, accounts for the day-to-day operations and maintenance of the schools. It is funded primarily from Loudoun County property tax revenue by local transfer and State revenues. Other revenues include programs such as e-rate and e-recycling, rebates, fees for use of school facilities by outside groups, fees as governed by School Board Policy 4020-Student Fees and Charges, and other miscellaneous charges.

Revenues

County

The Operating Fund is primarily supported by Loudoun County local taxes via transfer and State Revenues. Loudoun County funds the schools based on the current estimated local tax funding split with the County Government.

State

State revenues include two primary forms of funding: state aid and sales tax. State aid includes funding for basic aid to support the Standards of Quality (SOQ) and categorical aid for special programs and initiatives. Sales tax is a portion of the State's sales tax that is distributed to school divisions based on school-age population. In January 2023, the state eliminated the state portion of the sales tax on groceries that is dedicated to education (one percent) reducing the amount of sales tax revenue available to school divisions. The state has, so far, included supplemental state aid in lieu of the foregone sales tax, essentially holding school divisions harmless. The state operates under a biennial budget and state aid is projected fixed for a two-year period with adjustments typically limited to student and program enrollment changes during the second year. FY27 is the first year of the 2026-2028 biennium.

The state funding formula is designed to distribute aid to education equitably by recognizing that some localities are more able to fund education than others. This approach, known as equalization, is achieved by applying a factor to adjust a locality's state aid reimbursement to reflect the locality's ability to pay for education. The factor, called the Local Composite Index (LCI), combines three separate measures of local fiscal capacity (assessed value of real property, adjusted gross income, and taxable retail sales) into a single index. Those school divisions with a low LCI receive the greatest amount of state aid per pupil while those with a high index receive less state support. The state minimum LCI is 0.2000 and the maximum is 0.8000. The LCI was adjusted for FY27 and FY28, increasing from .5518 to .5728. This means that local revenues must cover at least 57.28 percent of the minimum educational program cost set by the state Standards of Quality.

Since the current state funding methodology significantly underfunds the true cost of the mandated minimum instructional program, each school division in the state uses a greater share of its local revenues to cover the costs of education.

Cost-of-Competing

The state funding formula recognizes that the prevailing costs of doing business are much greater in northern Virginia, by including an additional cost-of-competing factor for instructional and support salaries for school divisions in Planning District 8, which includes LCPS. For FY27, the projected instructional cost-of-competing factor is 9.83 percent and the factor for support staff is 18.0 percent.

Federal

Federal aid is typically derived from various entitled federal programs, and grants. Federal revenues are generally categorized and must be expended for specific purposes according to established statutes and regulations. Federal funds are provided to supplement the cost of providing instructional services for students in vocational, adult, special education, and programs for educationally and/or economically disadvantaged students.

Other

Other revenue includes e-rate and e-recycling revenue, rebates, fees for use of school facilities by outside groups, driver education, tuition for adult education classes, summer school, Advanced Placement exam fees and revenue from small donations and awards.

Fund Balance Carryover

Funding set aside in FY26 to be carried forward to FY27 as a budgeted beginning balance. This amount is determined annually depending on budgetary needs.

Focus on Instruction...

Expenditures by State Category

FINANCIAL SECTION

Expenditures Highlights

The budget increase is \$104.8 million or 5.3% compared to the FY26 Adopted Budget. Enrollment is expected to decline by 1,428 students or 1.7% compared to the same. A significant portion of the budget is related to employee compensation. Included in the FY27 SEON are step increases for eligible full-time employees, one-time payments for employees on the top step of their salary scale, cost of living adjustments, a 20% health insurance premium increase, and the introduction of bereavement leave. Investments in support of students include additional athletic programs, additional funding for CTE course fees, additional math resource teachers, expanded English Learner support, a Mandt trainer, expansion of JROTC, performing arts course fee elimination and expanding dual language immersion to 3rd grade among other investments.

	Amount	FTEs
Investing in our Empowered Students	\$18.1	70.2
Investing in our Exemplary Staff	\$79.7	3.0
Investing in our Enriched School System	\$6.5	20.0
Investing in our Engaged Community	\$0.5	5.0
Total Expenditure Changes	<u>\$104.8</u>	<u>98.2</u>

Note: May not total due to rounding

FINANCIAL SECTION

The following pages detail the revenue and expenditure changes included in the FY27 SEON. Below shows the revenue changes by funding source. The page that follows summarizes expenditure changes by investment focus area.

<u>Revenue Changes (in millions)</u>	<u>Budget</u>
<i>State Revenue</i>	
State revenue reflects a decrease of 4.4% compared to the FY26 Adopted Budget. The decrease is due primarily to rebenchmarking updates that include a significant increase of the LCPS local composite index and smaller increases to statewide prevailing wages.	(\$3.3)
<i>Federal Revenue</i>	
Federal revenue is expected to increase 44% compared to FY26. The increase is due to the expected increase in Medicaid funding	\$1.3
<i>Local Tuition & Fees</i>	
Local tuition and fees are projected to increase 17% compared to FY26.	\$1.8
<i>Local Transfer</i>	
The County transfer of local tax funds to the operating budget will increase by 7.6% over the FY26 Adopted Budget.	\$105.0
<i>Carryover Funds</i>	
Carryover funding will remain flat.	\$0.0
Total Revenue Changes	<u>\$104.8</u>

GRANT FUND

A variety of federal, state, and local grants are recorded in this fund. Federal Title grants make up the majority of funding. Federal revenue represents 75.1% of the grant fund, state revenue represents 21.6% and local grant revenue represents 3.2%. A detailed revenue description follows. There is no change in the projected fund balance. All grant funds are restricted to the purposes for which the grants were authorized. Grants are administered primarily by the Department of Student Services, Department of School Leadership and Department of Teaching and Learning.

LEASE PURCHASE FUND

The Lease Purchase fund provides \$10 million in funds annually for use by the Department of Digital Innovation and the Department of Support Services. For FY27, the Department of Digital Innovation has \$7.2 million for the purchase of computer equipment and the Department of Support Services has \$2.8 million for the purchase of fleet vehicles and equipment. Revenue is received through an appropriation from the County of Loudoun. There is no change in the projected fund balance.

FINANCIAL SECTION

SCHOOL NUTRITION FUND

The School Nutrition fund provides for all school cafeteria operating and administrative costs. Operations are managed by the Department of Business and Financial Services. Cafeteria sales represents 56.4% of revenue, federal revenue represents 41.6% and state revenue represents 2.0% of the School Nutrition Fund. The fund balance is projected to decrease by 38.2% from the FY26 Adopted Budget as the fund continues to operate a spend down plan for excess fund balances built up from pandemic-era savings that accrued from temporary federal stimulus funding. Operational costs are sufficient to bring the fund balance back within the required range over the coming fiscal years.

School Nutrition Services is a nonprofit fund and may retain no more than 3 months' expenditures in reserve. An increase of \$0.20 for all student meal prices is included; breakfast prices for all students will increase from \$2.50 to \$2.70; elementary student lunch prices will increase from \$3.45 to \$3.65; and secondary student lunch prices will increase from \$3.55 to \$3.75.

FINANCIAL SECTION

CAPITAL IMPROVEMENT PROJECTS FUND

The Capital Improvement Projects (CIP) fund accounts for expenditures related to the construction of new and renovation of older school facilities. Yearly expenditure variances occur because renovations are generally less costly than new construction. After a series of public meetings and presentations, the CIP plan and budget is adopted separately by the School Board and Loudoun County Board of Supervisors. The CIP program is managed by the Department of Support Services.

FINANCIAL SECTION

Capital Improvement Program Fund Forecast

The six-year CIP is approved by the Loudoun County Board of Supervisors in their annual appropriations resolution. The total expenditures, funding sources, and the anticipated fiscal year that the project will be funded are included in the resolution.

The funding sources for the CIP projects are determined by the Loudoun County Board of Supervisors. There are three sources of revenue for the CIP:

Bond Financing: General Obligation (GO) Bonds require voter approval and Virginia Public School Authority Bonds.

Other Debt Financing: Includes other financing sources such as Virginia Resources Authority and Lease Revenue funding which would be appropriation based rather than bonding.

Local Tax Funding: Emphasis is placed on continued reliance on a viable level of "pay-as-you-go" capital construction. The Loudoun County Board of Supervisors attempts to fund ten percent of the CIP (in excess of proffers) from current financial resources. The Loudoun County Board of Supervisors decides how much of the County's revenue will be transferred to the LCPS CIP.

Major projects for FY27:

VIEW Transition Academy	Technical Security Improvements
Fleet Replacement	Visual & Performing Arts Improvements - MS, HS
Unified Communication System	CTAE Renovations - MS, HS
Replacement of Non-Inclusive Playgrounds	Tennis Court Lighting - HS

Impact of FY27-FY32 Capital Improvement Program on Operating Budget

The opening of new schools impact the operating budget. The costs attributed to opening a new facility are staffing specific to a school opening and not that which is necessary to address enrollment growth, insurance and utilities, and machinery, supplies, and equipment. Therefore, teachers assigned to that school are not included in the operating impacts since they are a result of enrollment growth. The teaching staff is needed for the additional students whether they are located in temporary classrooms such as trailers or in classrooms in a new building. In addition, Loudoun County Public Schools builds all new facilities as “turnkey, meaning that all furniture and equipment is included in the cost of the new facility. The following is a summary of the estimated costs for opening schools at each of the educational levels:

Elementary Schools:

- *Personnel* – salaries and fringe benefits for staffing required by a new elementary school:

Principal	Counselor
Assistant Principal	Health Clinic Specialist or School Nurse
Dean	Facilitator, Instructional Technology
Front Office Staff	School Based Instructional Coach
Librarian	Digital Experience Specialist
Library Assistant	Custodians

- *Utilities* – estimated utility costs
- *Supplies* – custodial uniforms and supplies

Middle Schools:

- *Personnel* – salaries and fringe benefits for staffing required by a new middle school:

Principal	School Nurse
Assistant Principals	Counselor
Deans	Social Worker
Front Office Staff	Facilitator, Instructional Technology
Librarian	School Based Instructional Coach
Library Assistant	Digital Experience Specialist
	Custodians

- *Utilities* – estimated utility costs
- *Supplies* – custodial uniforms and supplies

FINANCIAL SECTION

High Schools:

- *Personnel* – salaries and fringe benefits for staffing required by a new high school:

Principal	Library Assistant
Assistant Principals	School Nurse
Front Office Staff	Counselor
Assistant Athletic Director	Social Worker
Athletic Trainer	Facilitator, Instructional Technology
Director, School Counseling	School Based Instructional Coach
Career Center Assistant	Digital Experience Specialist
Teacher Assistants	School Security Officer
Test Coordinator	School Plant Engineer
Librarian	Custodians

- *Utilities* – estimated utility costs
- *Supplies* – custodial uniforms and supplies

The chart on the next page shows the projected costs for each of the expense categories and the educational levels as well as the number of schools opening at each level. It also provides the total projected impact on the operating budget for each year and the total number of schools opening.

FINANCIAL SECTION

CAPITAL ASSET PRESERVATION PROGRAM FUND

The Capital Asset Preservation Program (CAPP) fund accounts for expenditures related to major maintenance and system replacement projects that do not qualify for the CIP. Funding for these projects is on a yearly basis, projects must have a minimum estimated value of \$10,000 and the replaced systems must have an expected life span of ten or more years. Revenue for this fund is received through a transfer from Loudoun County. This fund's budget also is adopted separately by the School Board and Loudoun County Board of Supervisors. The CAPP program is managed by the Department of Support Services. There is no change in the projected fund balance.

FINANCIAL SECTION

SELF-INSURANCE FUND

The Self-Insurance fund accounts for employee health benefits, workers' compensation and disability programs. Employee premiums, employer contributions and rebates are the primary source of revenues for these programs. Increases in expenditures are partially due to the rising costs of workers' compensation and disability claims and more significantly driven by escalating health care costs.

FY27 Budget
\$393,105,509
11.5 FTEs

The increase in health care costs is a factor of price increases for specialty prescription drugs, higher utilization among plan participants, and administrative costs. The FY27 SEON estimates that health care costs will continue to increase annually at approximately 10% for medical and 15% for pharmacy.

Expenditures are expected to exceed revenues again in FY27 as proposed premium increases will only be effective for the second half of the fiscal year and the school division continues to take steps to rebalance the Fund. In addition to premium increases, the school division began a set of fund balance transfers from the School Operating Fund in FY24, continued that practice in FY25, and has communicated to the School Board its intent to do the same in FY26, as authorized in the appropriation resolution from the County of Loudoun. While it is not the intent of the school division to continue the balance transfers as a long-term revenue source for the Self Insurance Fund, these temporary measures are enabling phased increases to health care premiums that may negatively affect employee take-home pay.

The FY27 SEON proposes a 20% increase for employer and employee (Active and Retiree) premiums, effective January 1, 2027, for all medical, dental, and vision plans.

DEPARTMENT OF ACADEMICS

DEPARTMENT SUMMARY

The Department of Academics works to design, support, and monitor the educational vision and mission of LCPS as articulated in the One LCPS: 2027 Strategic Plan for Excellence. The Department of Academics is comprised of the Departments of Teaching and Learning and Student Services and the Divisions of Research, Assessment, and School Improvement (RASI) and Strategic Planning and Continuous Improvement. Within these departments and divisions, curriculum, assessments, and instructional strategies are designed and developed for the 80,000+ students of LCPS.

The Chief Academic Officer supervises and manages all academic service areas, research and strategic planning for LCPS.

- **Strategic Planning and Continuous Improvement:** Oversees the school division's strategic planning process, including monitoring and reporting out on the current strategic plan. The office also provides support to division leadership in the design, implementation, and coordination of the strategic plan, ensuring that programs are aligned with the division's overall strategy. The office also supports division initiatives to help drive continuous improvement and foster a culture that supports highly effective organizational change management.
- **Research Office:** Promotes best practices for the use of data throughout the school division, collects and analyzes data to support equitable policies and practices, and communicates the meaning and implications of data using a variety of methods. The office also conducts evaluations of key programs and practices in collaboration with division leadership and supports all departments across LCPS with drafting, distributing, analyzing, and reporting all division-wide surveys, and reporting on results.
- **Office of Assessment Services (OAS):** Administers and reports on the division's implementation of the Virginia Assessment Program as well as locally administered standardized tests, ensures compliance with federal, state, and local assessment mandates for test administration and reporting. The office also promotes best practices for test administration and student assessment support, collaborating with other offices on implementing test accommodations, scheduling test windows, data validation and reporting, as well as assessment-related communication, and managing assessment reports and data inclusion in the Student Information System.
- **School Improvement Office:** Conducts comprehensive needs assessments, implements and monitors cycles of improvement aligned to School Improvement Plans, and collaborates with division offices to support site-based leadership teams to implement the core principles of improvement science. The office also manages and monitors Federal Programs and oversees state and federal accountability.

Together, these divisions direct the strategic planning process, conduct data analysis and program evaluations to inform policy, administer all state and local assessments while ensuring compliance, and support schools in the implementation of improvement cycles and federal accountability requirements. Together, their work ensures resources and programs are aligned with the objectives of the One LCPS: 2027 Strategic Plan for Excellence, driving evidence-based decisions that improve student outcomes.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

DEPARTMENT OF ACADEMICS

FY27 CHANGES

Ongoing Investments and New Investments

No changes to new or ongoing investments are proposed for the Department of Academics in FY27. Budget changes in this area are instead prioritized to focus on Continuity of Operations.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures.

Personnel:

Personnel is comprised of salaries and benefits for the full-time positions listed in the staffing table below. The FY27 budget increase includes the FY26 Step and Cost of Living Adjustment and a Project Manager and Supervisor, Strategic Planning and Continuous Improvement, that were realigned from Chief of Staff in FY26.

Non-FTE salaries include part time funding to support Preliminary Scholastic Assessment Tests (PSAT), Scholastic Assessment Tests (SAT), Advanced Placement (AP) tests, and Standards of Learning (SOL) testing. Part time funds provide compensation for assistance with SOL and AP testing in Elementary, Middle and High Schools. Part time funds also continue to support Elementary, Middle and High Schools with SOL remediation. A realignment of Non-FTE salaries to Operations and Maintenance (O&M) will fund contracted vendors for tutoring support for LCPS students.

Operations and Maintenance:

Operations and Maintenance expenditures are essential for providing the materials, supplies, and equipment necessary to support the Department's daily operations and staff professional development. With a growing number of students taking Advanced Placement (AP) exams, the associated costs, coupled with inflation, have increased the PSAT and AP testing expenses. A realignment of O&M funds from Chief of Staff to Academics reflects the cost of management software and subscription licenses for the Supervisor, Strategic Planning and Continuous Improvement. Additionally, O&M funds cover professional development, travel and training expenses mandated by the Virginia Department of Education (VDOE), dues, association memberships, and software for RASl offices.

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Collaborated with multiple offices to align resources and professional development supporting the needs identified in school improvement plans, and
- Supported the division in understanding new changes to the state and federal accountability systems and their impact on assessment administration and school improvement.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continued emphasis on the LCPS instructional framework to streamline, focus, and set our instructional priorities,
- Provided support to schools for the updated Continuous School Improvement Plan that aligns with the One LCPS: 2027 Strategic Plan for Excellence and the Virginia Continuous School Improvement Process, and
- Expanded professional delivery modules to include non-Testing Coordinator staff to ensure uniformity and consistency of understanding and delivery. Additionally, some frequently requested resources were converted into training modules that can be shared among team members.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Implemented new Policy 3310, Evaluation of New and Established Programs, which includes evaluating the programs on the first year of the Program Evaluation Schedule, developing resources and materials to increase participation of programs in the program evaluation process, and begin assessing the evaluability of programs on the next year of the Program Evaluation Schedule,
- Strengthened the School Improvement process and collaboration between all the offices within the Department of Academics and schools, and
- Supported the development and reporting of the metrics for One LCPS: 2027 Strategic Plan for Excellence. The Research Office also developed and received board approval for Policy 3310: Evaluation of New and Established Programs.

Please also see the Department of Student Services and Department of Teaching and Learning for additional Prior Results and Accomplishments.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Provide a robust after-school program at one to three schools that currently do not host such programs at no- or low-cost for families, which includes transportation,
- Expand tutoring services as part of the regular school day for students who may not need tiered interventions but rather an added layer of support. Tutoring will be provided by qualified tutors who know students by name and need, and

DEPARTMENT OF ACADEMICS

- Support the development of enhanced transcript review, update an out-of-state assessment reference for transfer high school students, and support the expansion of Armed Services Vocational Aptitude Battery (ASVAB) test administration.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue emphasis on the LCPS instructional framework to streamline, focus, and set our instructional priorities, and
- Provide schools support for the 2025-2026 school improvement plan that aligns with our division strategic plan and the Virginia Continuous School Improvement Process.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Strengthen the School Improvement process and collaboration between all the offices within the Department of Academics and schools, and
- Provide need-based support to schools, including flexible staffing based on need.

Please also see the Department of Student Services and Department of Teaching and Learning for additional Projected Results and Accomplishments.

DEPARTMENT OF BUSINESS AND FINANCIAL SERVICES

DEPARTMENT SUMMARY

The LCPS Business and Financial Services (BFS) divisions provide leadership, direction, and centralized support to other school system departments, the Superintendent, and the School Board in the areas of compliance, accounting, budget and financial analytics, payroll, procurement, and school nutrition.

BFS comprises six divisions. The Financial Services Division provides oversight of the Accounting Division, Procurement and Risk Management Division, the Payroll Division and internal compliance functions. Collectively, these divisions are responsible for accounting for and evaluating all financial transactions, payroll services, financial reporting, School Activity Fund accounting, financial training, acquisition of goods and services, risk management activities, and management of the LCPS Property and Liability Insurance Program. The Financial Services Division also develops and implements internal controls to protect and safeguard LCPS' financial assets through continual review of compliance with policies and procedures.

The Budget and Financial Analytics Division provides primary support to the Chief Financial Officer in the development, analysis, and review of LCPS' appropriated budgets. The division is responsible for the preparation of financial reports to the Virginia Department of Education as well as responses to financial and statistical surveys. The division also monitors and analyzes revenue, disbursements, and staffing trends throughout the fiscal year to ensure the solvency of the school system. All financial matters are handled with fiscal responsibility, aligning with the School Board's budget and objectives.

The office of School Nutrition Services, reported separately in the School Nutrition Services Fund, supports student learning and wellness with healthy meals and promoting lifelong nutritious habits.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

FY27 CHANGES

Ongoing Investments and New Investments

Goal 3 – Investing in Our Enriched Division

Credit Card Fees ((\$730,500) // 0.0 FTE): Removal of credit card fees from the Operating Budget.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures.

Personnel

Personnel include salaries and benefits for the full-time positions listed in the staffing table below. The FY27 budget increase reflects the FY26 Step and Cost of Living Adjustment (COLA).

Non-FTE Salaries include overtime for non-exempt employees to assist during peak workload periods.

Operations and Maintenance

Operations and Maintenance expenditures are essential for providing the materials, supplies, and equipment necessary to support the Department's daily operations and staff professional development. Of the funding to support daily operations, BFS' largest expenditure includes the software used to collect school fees. BFS also budgets for external consultants and auditing services which lend expertise to ensure BFS maintains excellence in financial stewardship and reporting. The FY27 budget includes funds for inflationary increases related to Software and Software Licenses and Professional Accounting and Auditing Services.

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Reviewed 1,789 contracts to enhance the students' learning opportunities,
- Awarded 66 solicitations to purchase materials and supplies to support students' educational opportunities,
- Issued 4,413 purchase orders to purchase materials, supplies, and services necessary for student success, and
- Introduced an Activity Allotment for all schools, providing dedicated funding to increase student access and participation in school-sponsored activities.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Achieved a clean audit of school activity funds conducted by an independent auditing firm,
- Earned prestigious awards for excellence in financial reporting for the Annual Comprehensive Financial Report (ACFR) from the Government Finance Officers Association (GFOA) and the Association of School Business Officials International (ASBO),
- Implemented enhanced training and strengthened internal review processes to promote best practices and ensure a successful audit outcome,
- Implemented key payroll system enhancements, including PowerSchool routing for payroll forms and updates to earning and leave types, such as Collective Bargaining leave, improving workflow efficiency and reporting accuracy,
- Executed several major time-sensitive payroll cycles, including new-hire teacher checks, sign-on bonus payments, all-staff bonuses and 19,102 W-2s, ensuring timely and accurate processing during peak demand periods, and
- Maintained position control for over 14,145 FTE positions in alignment with School Board policies and regulations.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Expanded monthly budget reviews with account managers across all Departments to include additional stakeholders,
- Piloted the use of new Enterprise Resource Planning (ERP) reporting tools to provide automated financial reports to senior staff and account managers across the school division,
- Earned GFOA and ASBO awards for developing a comprehensive and transparent budget book for the School Board's FY26 Adopted Budget,
- Earned GFOA and ASBO Certificate of Excellence in Financial Reporting for the Annual Comprehensive Financial Report for the fifteenth year. Participation in the Certificate of Excellence validates LCPS' commitment to fiscal and financial integrity and enhances the credibility of LCPS' operations with the School Board and the community, and
- Provided support to the Superintendent's Listening Sessions and development of the Post-Entry Plan.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Provided opportunities for community engagement in the FY26 budget development process, including earlier work sessions with the School Board, participation in the Loudoun Education Alliance of Families, two public hearings, multiple public presentations, and facilitated budget questions and answers with the Loudoun County School Board and the Loudoun County Board of Supervisors.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Direct and outcome-based budget process that prioritizes school-based and school-facing positions.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Increase training opportunities and certifications amongst staff,
- Provide timely and accurate payment of wages, tax liabilities, and payroll liabilities to staff and vendors,
- Coordinate internal reviews and external audits to ensure funds are accounted for within the policies of the School Board, working with schools and departments to mitigate potential findings and recommendations,
- Create additional financial forecasting, management, and reporting capabilities in support of the Self Insurance program as a benefit to all employees,
- Increase utilization of school-based allotments, and
- Earn the GFOA and ASBO awards for developing a comprehensive and transparent budget book for the School Board's FY28 Adopted Budget.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Guide and fine-tune the LCPS budget process in accordance with the Superintendent's Post-Entry Plan to ensure resources are properly budgeted, managed, and allocated based on student need against a backdrop of position control, equitable staffing, transparency, and financial constraints, and
- Collaborate across LCPS Departments and with selected vendors to implement the new ERP system and conduct a comprehensive communications and training plan in order to enhance operational efficiency and provide improved functionality.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Increase participation of Small, Women-owned, and Minority-owned businesses (SWaM) in the informal solicitation process,
- Work collaboratively with Family and Community Engagement to increase the number of school-business partnerships and build working relationships with School Support Organizations (i.e. PTAs, PTOs, Booster Clubs),
- Promote opportunities for the School Board, employees and the public to provide input to the FY28 budget development process, and
- Conform with Virginia Department of Education (VDOE) and LCPS reporting requirements and publish budget-related materials to LCPS website.

CHARTER SCHOOLS

SUMMARY

The Loudoun County School Board is authorized under state statute to establish charter schools within the school division. The School Board may establish charter schools in Loudoun County to better meet the needs of a diverse and growing school system and thereby enhance the ability of LCPS to achieve its educational mission of providing students with an excellent education. All charter schools shall be subject to federal and Virginia state laws, regulations, and constitutional provisions, as well as contractual agreements with the School Board.

Charter schools may be established to achieve one or more of, but not limited to, the following objectives:

- Stimulate the development of innovative programs and administrative practices within public education,
- Provide opportunities for innovative instruction and assessment,
- Provide parents and students with more options within their school divisions,
- Provide teachers with a vehicle for establishing schools with alternative innovative instruction and school scheduling, management, and structure,
- Encourage the use of performance-based educational programs,
- Establish high standards for both teachers and administrators, and
- Develop models for replication in other public schools.

With the exception of applications initiated by the School Board, applications to establish charter schools must be vetted by the State Board of Education, prior to being submitted to and considered for approval by the Loudoun County School Board. Formal consideration or initiation of a charter school application by the School Board is estimated to take up to six months and should be submitted at least 18 months prior to the proposed opening of the charter school. The formal review process for non-school board-initiated applications involves a formal presentation of the application to the School Board by the charter applicant, evaluation of the application by the LCPS Administration, discussions and contract negotiations with a select committee of the School Board, and final review and consideration of the negotiated contract by the School Board as a whole.

In May of 2014, the Loudoun County School Board (LCSB) approved the opening of Middleburg Community Charter School (MCCS) for the Fall of 2014. Funding for the MCCS is outlined in the contract agreement approved by the LCSB. The funding outlined represents the intent to fund MCCS based on the conditions of the contract. MCCS is a public school providing the children of Loudoun County a Standards of Learning based, academically rigorous, art and music enhanced, integrated curriculum. Children are attaining knowledge and critical thinking skills that will allow them to achieve advanced academic skills and strong personal values. Through a theme based, interdisciplinary curriculum, including rigorous literacy and math instruction, MCCS is preparing students for middle and high school and beyond with a knowledge of core disciplines, understanding of scientific principles and an appreciation of the arts.

Hillsboro Charter Academy (HCA) was established in 2016 as a Loudoun County Public Charter School. HCA is an autonomous school, run by educators who make decisions at the school level. The school currently serves students in grades Kindergarten through Grade 5. The mission of HCA is to incorporate an innovative curriculum focused on Science, Technology, Engineering, Arts, and Mathematics (STEAM) education and project/problem-based learning through our E3: Explore! Engage! Engineer! program that helps each child to develop and grow. HCA's approach is designed to promote critical thinking, communication, collaboration and creativity with direct impact on the community and culture— the skills that are essential to achieving the very best 21st Century education through elementary school and beyond into college and career.

CHARTER SCHOOLS

Charter School funding is calculated based on each school's projected enrollment multiplied by the FY27 estimated cost per pupil amount from the FY27 Superintendent's Estimate of Needs budget. The Personnel budget is the result of each Charter School's projected staffing for the upcoming year. The Operations and Maintenance budget is calculated by subtracting the personnel cost from the total funding.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

CHARTER SCHOOLS

HILLSBORO CHARTER ACADEMY

FY27 CHANGES

Ongoing Investments and New Investments

No changes due to new or ongoing investments are proposed for HCA in FY27. Budget changes in this area are instead prioritized to focus on Continuity of Operations.

Continuity of Operations

All funding contractually agreed upon between HCA and the Loudoun County School Board has been added. HCA funding is based primarily on student enrollment, and enrollment changes will affect funding.

Personnel

Personnel is comprised of salaries and benefits for the full-time positions listed in the staffing table below.

All funding contractually agreed upon between HCA and the Loudoun County School Board has been added. HCA funding is based primarily on student enrollment. Enrollment changes will affect funding. Changes in personnel cost are a natural result of changes in staffing and reflect cost changes based on negotiated salary and benefits for these employees.

Operations and Maintenance

The Operations and Maintenance expenditure provides for the LCPS per pupil payment to HCA. Beginning in FY27, it also includes budget authority for applicable service contracts between the charter school and LCPS.

Staffing	Adopted FY26 FTE	Revised FY26 FTE	FY27 FTE
Hillsboro Charter Academy	9.3	9.4	9.4

Teacher, Grades 1-5	5.0	5.0	5.0
Teacher, Kindergarten	1.0	1.0	1.0
Teacher, Librarian	0.5	0.5	0.5
Teacher, Music	0.6	0.6	0.6
Teacher, Physical Education	0.6	0.6	0.6
Teacher, Reading	0.5	0.5	0.5
Grand Total	9.3	9.4	9.4

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Engaged and immersed scholars in hands-on activities that provide self-reflection of collaboration skills,
- *E3: Explore! Engage! Engineer!* - Co-taught with specialists to incorporate Science, Technology, Engineering, Arts and Mathematics (STEAM), Inquiry Based Lessons, Passion Projects and Guest Speakers, which all facilitate Project/Problem Based Learning, and
- Built on the highly successful student engagement programs for 21st Century Learning, as augmented by additional focus on basic skills in reading and math.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Recognized by the International Technology and Engineering Educators Association (ITEEA) as an international Science Technology Engineering and Mathematics School of Excellence and recognized by Project Lead the Way (PLTW) as a Distinguished Launch School.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Began each day at HCA with a Morning Meeting. The Morning Meeting is an assembly of the entire student body and the faculty and staff, and
- All of our 144 scholars successfully completed the PLTW Launch Program (K-5). The program tailors courses to each grade, emphasizing careers in Science, Technology, Engineering, Math (STEM) as relevant activities arise. It is required, and part of the reason we are a public charter school, for our scholars to engage in STEAM activities and exposure to STEM/STEAM careers weekly and also during daily E3 (Explore! Engage! Engineer!) time where we explore real world problems and projects and solve them using the Engineering Design Process. By participating in the PLTW program and E3 program, all our scholars explore elementary-level STEM career pathways, gaining insight into various STEM/STEAM careers. Additionally, K-2 scholars take part in extra PLTW STEM/STEAM classes, enriching their science curriculum with an engineering perspective.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- The Active Operating Committee, which serves as HCA's parent and teacher organization, planned events and opportunities that brought the community together on at least a monthly basis.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Begin each day with a Morning Meeting. The Morning Meeting is an assembly of the entire student body and the faculty and staff sharing "Good News" and social-emotional learning,
- Engage and immerse scholars in hands-on activities that provide self-reflection of collaboration skills,

CHARTER SCHOOLS

HILLSBORO CHARTER ACADEMY

- *E3: Explore! Engage! Engineer!* - Co-teach with specialists to incorporate STEAM, Inquiry Based Lessons, Passion Projects and Guest Speakers, which all facilitate Project/Problem Based Learning, and
- Build on the highly successful student engagement programs for 21st Century Learning, as augmented by additional focus on basic skills in reading and math.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Work to document and codify our processes and procedures in such a way as to make them more sustainable. We will continue to refine our Standard Operating Procedures in all sectors, and
- Hold weekly grade level teachers Collaborative Learning Team meetings, twice monthly faculty and committee meetings, twice monthly Leadership Team meetings, and monthly OC meetings.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Continue earning the Gold Star Award for School Counseling (HCA has earned this distinction for five consecutive years),
- Host Exhibition of Learning in the Fall/Winter 2026 and Spring 2027,
- Provide Active Students Performing Intellectual Reasoning Endeavors (ASPIRE) Enrichment Push-In Opportunities for All Scholars (K-5), and
- Offer after-school clubs, including but not limited to, Girls in GEAR (Guiding Engineering, Aerospace and Robotics), Lego Club, HCA Songbirds (Chorus), Odyssey of the Mind, Chess Club, and Running Club.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Engage families in the school's programs so they can participate in supporting school-wide events, classroom activities, and volunteer opportunities (including HCA Operating Committee participation),
- HCA Faculty and the HCA Operating Committee, will collaborate to design and coordinate events that impact the school climate and family engagement positively,
- Coordinate community activities with the Town of Hillsboro, and
- Expand to include modular spaces for Music, Art, and a E3 (Explore! Engage! Engineer!) Learning lab.

CHARTER SCHOOLS

MIDDLEBURG COMMUNITY CHARTER SCHOOL

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- MCCS offered 2-3 intersession weeks per year to our school community that are enriching, community based and collaborative,
- Provided a unique experience of learning across all areas of our curriculum for gifted and talented students where they are completing projects for local businesses and organizations,
- With our school-wide house system, our student leaders for each house solicited support from local businesses and organizations, and
- Maintained our strings and ukulele program at 50 minutes per week.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Implemented a master schedule that allows all teachers to collaborate every Friday afternoon with our arts integration staff (Art, PE, Music, Library) and hold Collaborative Learning Team's (CLT) with our administration team and outside instructional support staff from LCPS, and
- All classroom teachers have gone through the Harvard Institute for Project Zero to help with instructional rigor and high performing staff.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Maintained a school-wide house system based on our instructional framework and mindset. Our house systems are designed to support our school-wide character Positive Behavioral Interventions and Supports structure of our three R's: Respect Self, Respect Others, Respect Property,
- Continued with our partnership with the Goldie Hawn Foundation and the mind-up curriculum to help strengthen our learning environment through mindfulness, and positive school climate, and
- Continued to set clearly defined and measurable high expectations for academic achievement and conduct in order to create and reinforce a culture of achievement and support.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Hosted the Middleburg Farmer's Market which included over 30 vendors on average each Saturday from April-October,
- Secured over 25 Middleburg businesses and organizations to support and sponsor our four houses through our school-wide house system. These businesses and organizations support multiple school-wide events led by our house leaders and student ambassadors, and
- Participated in multiple community-based events such as arts integration programs, Mille Miglia, Christmas in Middelburg, Arbor Day celebration, and so much more.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Create more opportunities for scholars to compete or share their academic excellence within the local academic community, and
- Create a culture in the classroom where scholars are instructional leaders.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Becoming Changing Education Through the Arts certified school to help enhance our Arts Integration program, and
- Getting 30-50% of our classroom teachers gifted certified to increase classroom rigor.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Celebrating monthly scholars of character through our social media platform, and
- Identify additional professional learning opportunities for staff to attend and strengthen our instructional framework and develop teacher leaders.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Extending our House System to local businesses and organizations to include additional service-learning opportunities for scholars, and
- Increase the number of Middleburg events that MCCS is participating in and sharing our school story and program.

DEPARTMENT OF COMMUNICATIONS & COMMUNITY ENGAGEMENT

DEPARTMENT SUMMARY

The Department of Communications and Community Engagement (DCE) serves as the voice of LCPS. Led by the Chief Communications Officer (CCO), DCE includes the Division of Strategic Communications (DSC), the Public Information Office (PIO) and the Division of Family and Community Engagement (FACE).

DCE provides timely and accurate information to the public and LCPS stakeholders with two-way communications to build trust and foster a welcoming, affirming and inclusive environment for students and staff. The department works across the division to ensure communications needs are met, consulting with internal stakeholders to tell their good news stories, share critical information, and support division and school initiatives that elevate student voice and belonging, help drive staff recruitment and retention, and coordinate the legislative work of the school division in alignment with division priorities.

DSC aligns all communications with the One LCPS: 2027 Strategic Plan for Excellence and the Superintendent's goals, working to increase understanding of LCPS initiatives and achievements by leveraging data-driven storytelling, visuals, and all owned media, and measuring the results to foster continuous improvement. Core functions include strategic communications planning and execution, including division-wide messaging; content creation and storytelling; timely and accurate messaging across all platforms; implementation and management of two-way communications systems including measurement and analysis; social media campaigns and outreach to include employee recruitment; LCPS branding consistency, videography, photography and graphic design; and, management of the LCPS website and intranet, social media channels and LCPS-TV. DSC supports parental involvement through oversight of the Loudoun Education Alliance of Families (LEAF) and has helped align and improve division-wide messaging and constituent experience through enterprise-wide adoption of Let's Talk, the Apptegy Alert System and the Apptegy website platform.

The PIO plays a central role in keeping the community informed and engaged. The office manages public and media relations efforts, coordinates clear and timely communication during crises and critical incidents, oversees the response and processing of all Freedom of Information Act (FOIA) requests to ensure transparency, and actively monitors and corrects misinformation and disinformation across our communication channels.

FACE plays a vital role in advancing the goals of the One LCPS: 2027 Strategic Plan for Excellence and the Superintendent's Post-Entry Plan by strengthening partnerships with families, schools, community organizations, businesses, and faith-based partners to support student success. Through initiatives that expand access to resources, enhance family-school collaboration, and build strong community connections, FACE directly empowers students, supports staff, enriches school environments, and engages the broader community. With a focus on access and meaningful participation, FACE is committed to ensuring that every student and family has the tools, resources, relationships, and opportunities needed to thrive in LCPS.

FACE's efforts strengthen relationships, build trust, and position LCPS as a vital partner within the community. Through its multilingual outreach, division-wide Family Liaison network, Community Schools initiatives, Communities in Schools partnership, Family Academy, FACE Teacher Cohort, faith-based partnerships, business and industry collaborations, and high-impact family engagement events, FACE ensures that families and the community have clear, accessible pathways to engage with schools.

Embedded in the Superintendent's goals and the division's strategic plan, DCE's functions are mission-critical to delivering community outreach and community building consistently across diverse audiences. Two-way communication drives parent/guardian and community member support for student success and the success of all initiatives and programs across the division.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

FY27 CHANGES

Ongoing Investments and New Investments

Goal 1 – Investing in Our Empowered Students

Reallocation from Community School Grant to Operating Fund (\$155,464 // 1.0 FTE): Reallocation of 1.0 FTE Coordinator, Community Schools from VDOE Community Schools Grant to Operating Fund.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures. All proposed FTE changes are based on the School Board's adopted staffing standards.

Personnel

Personnel is comprised of salaries and benefits for the full-time positions listed in the staffing table, which includes investment changes and an increase of 5.0 FTE from staffing standard calculations. The FY27 budget increase includes the FY26 Step and Cost of Living Adjustment (COLA).

Non-FTE Salaries include part-time, overtime, classified substitute as well as family liaison hours and interpreter salaries to support communication with families who speak languages other than English. Non-FTE Salaries also support overtime funds for School Board and committee meetings.

Operations and Maintenance

Operations and Maintenance expenditures are essential for providing the materials, supplies, and equipment necessary to support the daily operations of the Department as well as contract vendor service fees for translation, marketing and media service fees, publications, branding, and campaign cost. The increase in Contractual Services is for Communities in Schools funding to support Site Coordinator positions and materials. The increase in Computers and Software is for Translation Portal supporting language translation for written and electronic documents across LCPS and FOIA software due to inflation. The increase in Training and Continuing Education is for additional professional development opportunities for staff.

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Celebrated the Annual One LCPS Celebration Day, successfully engaging students and staff across the division, generating enthusiastic participation and a strong sense of school and division spirit. More than 600 photos were submitted for the contest, capturing creative and high-energy moments that reflected LCPS pride and served as a bank of positive, creative photos widely used throughout this school year. More than half of the schools participated, proudly wearing school colors and spirit wear,
- Developed and implemented targeted communications campaigns for special programs supporting website visibility and registration timelines, resulting in full enrollment for Dual Language Immersion (DLI), preschool, International Baccalaureate, and other programs, with preschool reaching full capacity for the first time in LCPS history,
- Recommended schools use Schoology for clubs, activities, and news announcements to enhance communication to students whose Chromebooks could no longer support social media and who could not access phones in instructional time, promoting equitable access to information across all schools,
- Implemented and operationalized a dedicated community calendar and community events newsletter to support English Learner (EL), FACE, Special Education (SPED), and other division-wide events, including student events like the Historically Black Colleges and Universities Fair or Dream Big College Fair to drive attendance,
- Designed and implemented automated Attendance Messaging to support student attendance and on-time arrival across all schools to align with policy requirements, resulting in on-time messaging to all school communities regarding students' daily attendance,
- Transitioned the Student Rights & Responsibilities Handbook interface to a web-based presentation to lower transition costs and increase ready access across mobile devices and in all languages,
- Produced 102 videos, with 61 student-focused videos that included a "Student Spotlight" series for the 2024 Workforce Summit, as well as a DLI series featuring staff and students at our DLI elementary schools,
- Updated and distributed fentanyl awareness flyers to all middle and high schools to inform students of the dangers of fentanyl and supported two fentanyl awareness events featuring student and parent components, providing parents with the language necessary to talk about the dangers of fentanyl and other drugs with their students,
- Produced LCPS podcast with once-a-month dedicated student episodes, resulting in 5,681 downloads since its inception,
- Conducted 45 school visits to provide tailored guidance on FACE strategies, focusing on empowering students through family and community partnerships,
- Collaborated with schools to improve the integration of FACE strategies into instructional and extracurricular programming,
- Coordinated with the Department of Social Science, a Memorial Day service-learning event involving more than 3,100 first-grade students from 36 schools. Students built wooden flags alongside parents, peers, teachers, active-duty military personnel, and veterans, honoring those who sacrificed while deepening their understanding of civic duty and community remembrance,
- Hosted with Health and Physical Education and the National Ambassador for Fitness, its inaugural Week of Play to promote inclusive daily wellness and movement challenges across the division during the month of May, and
- Led a community-focused initiative with Mercy Chefs and the Washington Commanders Center, Tyler Biadasz. LCPS distributed 500 food-filled backpacks prepared by students to support families experiencing food insecurity as part of the Summer Huddle program.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Created and implemented a recruiting and retention campaign, with both paid and organic placements, as a complement to traditional recruiting efforts, doubling recruiting and HRTD posts to 180 for the year. While traditional outreach remained the same, with the addition of dedicated, strategically placed and managed advertising, LCPS reported a 99% fill rate for instructional positions at the start of the school year,
- Distributed 22 editions of The LCPS Letter, reaching an average of nearly 114,000 LCPS family and staff email addresses, achieving a 66% open rate, or 1.65 million content views. The Superintendent's "Think Fast" videos, distributed monthly in the newsletter, led to increased engagement, as did student calendars and information about academic program offerings,
- Distributed 17 editions of the One LCPS staff newsletter, reaching an average of 11,500 staff email addresses for 195,000 in reach, with a 78% open rate or 146,000 opens. Information about policy reviews and updates, as well as the annual LCPS budget, led engagement,
- Ran the successful Federal Worker Recruitment Campaign in response to mass federal government layoffs, targeted displaced federal workers by encouraging them to continue their journey of public service by applying to work for LCPS. Took a social and digital approach, first promoting HRTD's Career Switcher event with a paid campaign on LinkedIn targeting employees of multiple federal government agencies. In addition, placed a 300x300 ad on the local news website, The Burn. In total, this campaign generated 213,368 paid impressions and 853 paid click-throughs,
- Developed dedicated training guides for Apptegy Alerts and Apptegy Website functions, and provided ongoing training for school and central office personnel,
- Hosted a Job-for-a-Day intern, who returned to spend her capstone communication project in the Department of Communications and Community Engagement,
- Built out the HRTD knowledgebase in Let's Talk, resulting in a more robust Chatbot, resulting in a customer experience score of 8.8,
- Onboarded 21 new FACE Family Liaisons to strengthen connections between schools and families, conducted online training plus individual orientation meetings with each,
- Hired and onboarded 19 new interpreters to facilitate meaningful communication between LCPS and multilingual families,
- Held four professional development staff meetings for Family Liaisons to enhance their professional knowledge and skills,
- Created a shared Google Drive to house all interpretation and translation options and resources available for LCPS staff,
- Provided targeted FACE professional development on family engagement strategies at the Leadership Institute, and
- Delivered Business Partner Engagement Training from FACE for staff and school leadership to build capacity in leveraging community resources.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Continued expansion of Let's Talk across the division, including designing custom feedback opportunities for Assessment and Grading Policy feedback from students, the public and staff,
- Migrated the intranet and began the process of working with departments to assess information and needs to finalize redesign in 2027 to further streamline employee communications as directed by the National School Public Relations Association (NSPRA) Audit,

- Increased staff satisfaction based on the 2025 Annual School Staff Stakeholder Survey, where school-based staff gave the division a Net Promoter Score (NPS) average of 30, a 12-point increase from 2024 and a 38-point increase over 2023,
- Analyzed Google organic search, which was the top source of new users of the website (5.3 million), followed by direct traffic and Smore referrals – showing a strong Search Engine Optimization (SEO) baseline and effective outbound communication efforts,
- Reviewed campaign-specific engagement metrics, for example, the Black History Month Social Media Campaign, which shared staff stories, insights and personal reflections from school staff to celebrate Black History Month across the division. These stories highlighted the importance of Black history, featuring inspiring quotes and photos on social media channels, including Facebook, Instagram, and LinkedIn, reaching 165,000 people and generating 294,000 views and 4,000 interactions,
- Sent 71 media releases in 2024/2025, driving approximately 4,005 mentions in the media, with positive or neutral sentiment at 82.8%,
- Implemented a digital management asset system to enhance the ability to find and refine the use of assets to drive further A/B testing, and improve social and photo asset performance, resulting in easily searchable photos and dedicated, safe links that can be provided for contests or the community,
- Published “how to communicate” with LCPS distributed in the First Day information, printed in the Guide and Directory published annually, and at division Success Talks to support parental understanding and use of division communications platforms like ParentVue, Schoology, SchoolLinks, StopFinder and LINQ,
- Strengthened multilingual resources and expanded translation and interpreting services through FACE to ensure equity in communication,
- Redesigned the FACE website to improve access by organizing and streamlining resources and services for families across LCPS, and
- Created the LCPS Family and Community Engagement Framework to establish a clear mission, vision, and direction for family engagement across the division.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Developed and distributed a campaign to further engage parents about the 2027 Strategic Plan for Excellence and the Superintendent's Entry Plan,
- Maintained and enhanced engagement levels across social media platforms and the LCPS Letter (family newsletter) while expanding support for successful community engagement events and campaigns,
- Worked with a new Content Management System (CMS) vendor to address translation needs,
- Completed the visual rebranding process with a rollout of a new logo and branding style guide widely adopted by departments across the division,
- Facilitated ThoughtExchanges to gather feedback and engagement from the full LCPS community, with 12 exchanges/surveys in the first year, over 6,000 participants, 3,000 thoughts and 61,000 ratings of thoughts shared,
- Held meetings with local and national media outlets over the course of the year to improve receptivity to covering LCPS accurately in order to improve trust and reputation in the community,
- Ensured that FOIA's filed, 395 total in line with last year's 405, received timely, accurate responses from PIO,
- Conducted 40 FACE school visits to provide training and gather feedback on FACE initiatives and strengthened relationships with community organizations with outreach events supporting family engagement,
- Processed 2,090 written translation requests through FACE, ensuring equitable access to written and electronic documents for multilingual families,

DEPARTMENT OF COMMUNICATIONS & COMMUNITY ENGAGEMENT

- Processed 3,995 spoken interpretation requests through FACE, ensuring equitable access to meetings, events, and family engagement opportunities for multilingual families,
- Supported 333 on-demand virtual remote interpretation calls at 5,307 minutes total to support multilingual families, and
- Launched an LCPS podcast to increase information sharing with the community.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Produce and distribute strategic “News Minute” DSC videos monthly to complement the monthly superintendent videos, for use in schools and on owned media channels, driving trust in leadership and awareness of the Division of Strategic Communications’ work and resources,
- Create a “did you know” campaign to highlight student information, including calls-to-action, where possible, to help measure engagement,
- Audit LCPS Podcast length, content and format to tailor the product, now in year two, to reach even more of the LCPS community,
- Continue to amplify student stories and voice with an emphasis on testimonials to demonstrate student choice of academic programs, pathways and supports to demonstrate LCPS’s focus on enrollment, enlistment, and employment,
- Implement Apptegy Rooms product following a spring 2026 test-and-learn pilot program, further streamlining communications for students, parents and teachers,
- Refine the transition to the Student’s Rights & Responsibilities handbook to web-based access based on data from the initial year to increase accessibility for all users, with only on-demand printing,
- Develop a campaign to actively enroll families, students and staff in the LCPS App to ensure push notifications reach the widest audience, providing timely news and updates,
- Elevate student voice through the FACE-led School Spirit podcast, featuring students and highlighting innovation, leadership, volunteerism, and academic planning,
- Expand FACE Family Academy workshops to help families support academic achievement and student advocacy,
- Integrate FACE programming into school improvement plans to address family-student partnerships,
- Create additional FACE opportunities for families to engage in school-based programs that promote academic success and well-being,
- Expand access to hands-on learning through the division wide Memorial Day service-learning project, engaging more than 3,100 first-grade students in building wooden flags with families, educators, and military partners to deepen civic understanding,
- Continue to support student and family needs through family liaisons and community-based collaboration, and
- Deepen school-based wraparound services through the Communities in Schools partnership, coordinating integrated student supports, mentoring, resource connections, and case management that help students overcome barriers and stay engaged in school.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Create and roll out a new Employee Value Proposition (EVP) and tagline campaign to enhance recognizability and recruitment, in addition to building a culture that fosters retention and employee satisfaction,

- Further expand the use of ThoughtExchange to garner timely staff feedback, and then close that feedback loop so staff see the value of their feedback,
- Create a “Welcome Staff” video from Dr. Spence and Chief of HRTD Lisa Boland, highlighting LCPS employee benefits and EVP,
- Further, update and socialize media protocols and on-campus instructions for media, elected officials or visiting dignitaries.
- Redesign and finalize the employee intranet to include customized content streams by department and enhance searchability, further minimizing the use of newsletters, which spam employee inboxes,
- Organize and execute the 3rd Annual One LCPS Celebration Day for more than 100 schools and programs, achieving 90% participation across schools and offices, incentivizing positivity through participation and prizes,
- Provide training and support to staff and the School Board on identifying communications needs and anticipating stakeholder concerns,
- Explore options for more accessible and functional translation management platforms to streamline written language services,
- Continue offering regular professional development opportunities for Family Liaisons to increase their knowledge and capacity for working with families to support basic needs and connection to the school and greater community,
- Deliver ongoing Business Partner Engagement Training through FACE for staff and school leaders to strengthen connections with community resources,
- Continue with Year two of the FACE Teacher Cohort, strengthening professional learning by building on the success of the inaugural year. Year two deepens educator capacity through advanced strategies for family engagement, expanded cross-school collaboration, and enhanced coaching for Capstone Projects, and
- Implement FACE Model School and Welcoming Schools Certification initiatives.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Produce an interactive division-wide impact report and fact sheet highlighting the best of LCPS students and staff, ensuring wide readership through a dedicated communications and marketing campaign,
- Support the development and communication of a public and clear timeline and planning process for the adoption of the next Strategic Plan,
- Consult with Senior Leadership regularly on communications needs, resulting in early alignment of news and information across the school community about important issues,
- Continue reorganizing the website user interface, working with all departments to ensure information is posted in the most accessible manner,
- Automate nutrition debt notifications and further streamline School Nutrition Services communications to reduce meal debt,
- Develop communications protocols to ensure stakeholders understand the investigation process, expected timelines and any constraints beyond administrative control,
- Engage our legislative delegation and business leaders to provide clear, concise updates on division priorities, student achievement data, budget needs, workforce development initiatives, and challenges facing public education in Loudoun County,
- Attend crisis and issues-based training and expand community relationships with first responders,
- Pilot a School-Based Family Engagement Toolkit to guide schools in implementing FACE strategies effectively to support student achievement and parent/guardian engagement, and

- Strengthen cross-department collaboration by working closely with EL FACE, McKinney-Vento, School Counseling, Student Mental Health Services, and other division teams to align supports, share resources, coordinate outreach, and ensure families receive cohesive, accessible services across LCPS.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continue to optimize and streamline content presentation as data shows that Mobile users slightly surpassed desktop visitors to the website (1.4 million vs. 1.3 million), underscoring the importance of continued mobile-optimized content and design,
- Continue to advance the use of Let's Talk, which already includes expansion into a ChatBot offering (saving 602 interactions in the first year) and expanding the knowledge base in that search,
- Establish DSC programming with communications champions in schools to increase attention on clear, updated website information and other school communications to the learning community,
- Expand available crisis communications templates for principals and integrate them into Alerts for ease of use,
- Develop a concise, proactive legislative agenda that outlines LCPS's top policy and funding priorities. This agenda will be informed by input from division leadership, the School Board, and key community partners, and aligned with the broader needs of Virginia's public education system,
- Increase participation in Family Academy workshops by 20% through targeted recruitment and marketing strategies,
- Host the FACE School Business Partnership Awards Breakfast to celebrate impactful collaborations,
- Expand FACE military-connected family workshops and resources to better support transitions and engagement,
- Increase participation in Family Academy workshops hosted by FACE by 20% through targeted recruitment and marketing strategies,
- Conduct 50 school visits by FACE to provide ongoing training and collect feedback on Family and Community Engagement strategies,
- Strengthen interfaith collaboration by leading the annual LCPS Interfaith Luncheon, convening faith leaders for guided roundtable conversations that build shared understanding and mobilize support for schools, families, and Family Liaisons across the division,
- Establish a Family Engagement Lead needs-based by school to drive family engagement and education, feedback and advocacy, workshops and training, events and volunteer involvement,
- Continue to participate in National Night Out to deepen community connections and increase FACE visibility across LCPS neighborhoods,
- Advance whole-child support by guiding the work of the division's Community School Coordinator, who serves two school sites and connects families to critical resources, expands after-school programming, strengthens community partnerships, and addresses academic, social, and wellness needs within each Community School community, and
- Evaluate the mis- and dis-information page and reach, as well as other owned-media channels.

DEPARTMENT SUMMARY

The Department of Digital Innovation (DDI) supports the LCPS instructional and operational mission by coordinating the development, implementation, and support of strategic technology initiatives. DDI aligns these technology innovations with the district's goals, using measurable key performance indicators to ensure the effective, equitable and economical delivery of the technology essential for quality education.

DDI is committed to fostering a transparent and open organizational environment. Our goal is to provide students, teachers, parents, administrators, and the community with highly functional technology that is reliable, cost-effective, and easy to use.

Division of Enterprise Solutions

The Division of Enterprise Solutions at LCPS is responsible for managing the full data pipeline and data governance of operational data, collecting and integrating data throughout the organization to support informed decision-making and effective operations. The division comprises of four teams:

- **Enterprise Support & Analytics:** This team supports the Student Information System and other family-facing solutions, manages student data collection and reporting, and supports various enterprise systems. They also generate critical state and federal reports.
- **Data Science:** This team oversees the LCPS data pipeline, enterprise databases, and business intelligence tools. They design, implement, and maintain the data warehouse and analytical portals, ensuring that data privacy and data governance frameworks are adhered to.
- **Digital Solutions:** This team develops and maintains custom business solutions, both internal and external, to improve workflows and data management. Student Opportunities is a modern, low-code data platform. Other solutions include .NET, SQL-based solutions, and integrated workflow operations.
- **Enterprise Records Management:** This team ensures the proper collection, storage, and disposition of all LCPS records (operational departments and student records), provides records management training, and fulfills records requests. This team works closely with the Office of Division Counsel and Student Services.

Division of Infrastructure and Engineering

The Infrastructure and Engineering team is structured to ensure the success of all LCPS technology initiatives by engineering, delivering, supporting, and maintaining the district's core technology infrastructure and systems. The infrastructure is an essential foundation for using technology across the district as it enables communication, collaboration, simplified access, data and system security, and ubiquitous access to applications. The division consists of four engineering teams responsible for enterprise infrastructure projects that each support the goal of ensuring all appropriate technologies are available to staff and students.

- **Communications Engineering:** The Communications Engineering team ensures all voice and data networks are engineered, managed, and delivered appropriately to support LCPS instructional and business initiatives. The technologies supported by this team include all network switching, routing, wireless connectivity, data connectivity, internet, voice, telephony, and content filtering.
- **Data Center Operations:** The Data Center Operations team is responsible for on and off-premises data centers, physical and virtual server environments, data storage, enterprise directory systems, enterprise email and collaboration platforms, and cloud services.

- **Endpoint Management:** The Endpoint Management team ensures every LCPS staff or student device is configured appropriately to support the many different use cases across the district. The team engineers all device configurations, including Windows, iOS, Mac, and Chromebooks, and maintains devices by supporting OS and application patching, software testing, and application deployment.
- **Technology Support Center:** The Technology Support Center provides technology support to staff through a service desk solution (email, phone, web-based ticketing, and chat). This team manages all IT service, problem, and knowledge management processes and communicates with stakeholders when services are disrupted and restored.

Division of Digital Experience

The Division of Digital Experience is designed to provide immediate, on-site, technical support to resolve or anticipate digital challenges; serve as a communication conduit to advocate and collaborate between the central office and school sites; and facilitate the effortless purchase of technology items for schools, departments, and the LCPS community. Our division provides enterprise-level technology support professionals who facilitate the resolution of complex digital challenges, allowing district staff to focus on delivering the finest technology-enabled educational experience possible. This Division consists of two distinct teams aligned to support the goal of providing an exceptional digital experience for all stakeholders by reducing the number of technology failures and minimizing instructional downtime due to technology failures.

- **Digital Experience:** The Digital Experience team is responsible for providing exceptional client experiences and effective technology solutions to minimize downtime due to technology failure and serves as a site-based technical advocate for maintaining a consistent and reliable digital learning environment by prioritizing and resolving digital challenges in a timely and effective manner and maintaining an accurate inventory of all assigned digital assets; communicates with stakeholders regarding system changes, ongoing issues, and upcoming technology project needs; collaborates with stakeholders to test and implement emerging technologies.
- **Technology Acquisition:** The Technology Acquisition team is responsible for the efficient processing of all departmental purchases while ensuring all financial best practices and procurement processes are followed; provides detailed financial Key Performance Indicator (KPI) and trend reporting, which enables DDI leadership to manage their respective budgets accurately; creates and maintains the process and documentation necessary to develop a complex multi-million-dollar technology budget; and understands LCPS technology needs to ensure technology assets are stocked, available for deployment, and ultimately disposed of appropriately.

Division of Enterprise Resource Planning (ERP)

The Division of Enterprise Resource Planning is responsible for effectively operating the budget, finance, and human resources data systems. It also supports integration with other key systems, such as Smartfind and Titan. These systems, currently an Oracle environment, encompass everything from staff demographics to benefits to finance operations, and involve both the management of the systems, including upgrades and system improvements, as well as the output of data, from State and Federal reports to key reports requested by various stakeholders.

The department coordinates the work across departments to ensure the successful and reliable operation of core LCPS systems and to create more consistent and cohesive reports across all departments. The team is also responsible for transferring the data systems to and from the Loudoun County Government's Department of Information Technology to LCPS' eventual full ownership of and responsibility for operation, maintenance, and improvements.

DEPARTMENT OF DIGITAL INNOVATION

The team consisted of two disparate groups from the Finance and Human Resources Talent Development (HRTD) offices , which were combined into a single group that services both offices more consistently. This was achieved by developing a cross-functional team that addresses both the functional and technical needs of the system.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

DEPARTMENT OF DIGITAL INNOVATION

FY27 CHANGES

Ongoing Investments and New Investments

Goal 3 – Investing in Our Enriched Division

Staffing Standard Enhancement – Digital Experience Specialist (\$546,697 // 5.0 FTE): Restate Digital Experience Specialist staffing standard to better align the calculation with staffing needs and utilization. Maintains current staffing level.

Staffing Standard Enhancement – Digital Experience Lead (\$121,401 // 1.0 FTE): Restate Digital Experience Lead staffing standard to better align the calculation with staffing needs and utilization. Maintains current staffing level.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures. All proposed FTE changes are based on either the School Board's adopted staffing standards, proposed enhancements to staffing standards, or as proposed ongoing and new investments in our empowered students, exemplary staff, or engaged division.

Personnel

Personnel is comprised of salaries and benefits for the full-time positions listed in the staffing table below, which includes investment FTE changes and a net decrease of (4.0) FTE from staffing standard calculations. The FY27 budget increase reflects the FY26 Step and Cost of Living Adjustment (COLA).

Non-FTE Salaries include part-time and overtime for assistance during peak workload periods and to provide coverage for technical support during special activities and events. The increase in FY27 provides additional part-time funds for peak workload periods.

Operations and Maintenance

Operations and Maintenance (O&M) expenditures are essential for providing the material, supplies and equipment necessary to support the daily operation of the Department as well as the entire lifecycle of essential technology and services. This includes the purchase, implementation, licensing, maintenance, and support of infrastructure, desktops, laptops, printers, audio-visual devices, intercoms, interactive whiteboards, scanners, servers, and software. Additionally, these expenditures fund contractual services that benefit students, teachers, parents, and staff of Loudoun County Public Schools. This also includes, but is not limited to, the Microsoft Server and Office 365 cloud-based environment, instructional software, Phoenix student information system, student records archival services, e-mail, data privacy and security, system management tools, and contracted vendor support costs for application hosting and maintenance. Maintenance contracts for all Xerox multi-function devices, duplicating equipment, and all circuit and telecommunications services are also included.

The increase in O&M is due to various software costs being re-categorized from Capital Outlay to O&M, and funds for inflationary increases related to software and professional and vendor service costs.

Capital Outlay

Capital Outlay funds provide major items of equipment that cost in excess of \$5,000. The decrease in Capital Outlay reflects the re-categorization of various software costs to O&M.

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Developed Student Opportunities to empower student choice in applying for programs and pathways,
- Finalized Policy 8655 to establish consistent school practices for student personal device use, minimizing classroom distractions,
- Supported the integration of career, academic, and work-based learning platforms,
- Participated in supporting several LCPS high school students' capstone projects providing opportunities for job shadowing DDI teams (network, data center, endpoint, information security) to allow them to better understand these jobs and assist with career exploration, and expand their learning opportunities,
- Facilitated a paid internship opportunity for one of our high school students, and
- Participated in the LCPS' Job for a Day program, providing students with career exploration opportunities alongside DDI teams.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Maintained a nearly 0% vacancy rate by improving recruitment and retention,
- Invested in staff development and certifications,
- Led a data analytics community of practice to strengthen data governance. Outcomes included a new Loudoun At Promise Indicator, clear ownership of data and processes, and the establishment of standard operating procedures,
- Created a custom, integrated English Learners Plan, resulting in improved and standardized data collection and monitoring,
- Implemented a Generative Artificial Intelligence (AI) Policy (5430) and expanded Generative AI tools and guidelines to support staff professional learning opportunities,
- Migrated and modernized legacy application processes, including the Academies of Loudoun and Janelia Science Internship applications. The department also enhanced CAMPUS, Health and Medical Sciences, Naval Junior Reserve Officers Training Corps, Language Assessment Reporting System, and Dual Language Immersion applications,
- Replaced 3,000 end-of-life staff devices with modern laptops, and
- Published a new Student Health Data Reporting Dashboard Qlik app, which reduced clinic staff time.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Conducted site visits to several schools to get direct feedback from principals on how technology is being leveraged and offer any assistance that may be needed,
- Completed network infrastructure upgrade for eight (8) schools, providing robust connectivity for students and staff,
- Co-facilitated an internal Generative AI workgroup across departments to align work for coherence,
- Implemented a classroom management system for teachers (Lightspeed Classroom), allowing for more granular filtering and control over the digital learning environment,
- Supported the integration of career and academic plan solutions and work-based learning platforms,
- Replaced approximately 1,000 end-of-life classroom displays with new, modern, and reliable devices,
- Replaced approximately 25,000 end-of-life student devices with new, modern, and reliable devices,
- Upgraded all (approximately 20,000) Windows computers to Windows 11 to meet the end-of-support requirements

from Microsoft and provide robust and efficient operating system to support learning and operations,

- Establishment of data governance business process data approval audits/standard operating procedures around data used in Qlik,
- Implemented security architecture and Data Governance architecture,
- Supported safety and security improvements and added integrations with DDI systems (Desktop notifications for incidents, Raptor/PA/UC integrations, AI threat detection, Vape detection, etc.), and
- Replaced 20 legacy Public Address (PA) systems with modern Unified Communication (UC) systems to better support bells, clocks, incident management, and sharing of information with students and staff.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continued to support and expand Lightspeed Parent Portal to give parents more insight into their children's Chromebook website activity and enable off-campus internet pausing,
- Participated in numerous parent and student events,
- Responded to 307 Let's Talk dialogues for technology questions from students, parents, staff, and community members,
- Updated ParentVUE experience to simplify the resources available to families,
- Introduced an online records request system at all Loudoun County Public Schools to streamline student record transfers for enrollment purposes,
- Developed a New Parent Teacher Conference Module, and
- Translated Multi-Tiered System of Supports (MTSS) plans, ParentVUE mobile app, and Online Verification into the top 6 languages.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable, critical thinkers, communicators, collaborators, creators, and contributors.

- Continue to participate in LCPS' Job for a Day program and senior capstone projects, providing career exploration and expanded learning opportunities with DDI teams, and
- Continue to expand the Student Opportunities portal and lottery systems for new and existing programs.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Implement a supervisor view function for new hires and the hiring status,
- Implement a reporting system for schools to view their substitute requests, including the details of each request,
- Replace approximately 3,000 outdated staff devices with new, modern, and dependable equipment, and
- Fully implement Qlik training initiatives, automate and enhance data governance and business processes, and Qlik AutoML model(s) to bolster LCPS business intelligence and operational efficiency.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Replace approximately 1,000 end-of-life classroom displays with new, modern, and reliable devices,
- Replace approximately 23,000 end-of-life student devices with new, modern, and reliable devices,
- Replace network infrastructure upgrade for approximately ten (10) schools, providing robust connectivity for

students and staff, and

- Replace approximately 20 legacy Public Address (PA) systems with modern Unified Communication (UC) systems to better support bells, clocks, incident management, and the sharing of information with students and staff.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Design and implement a new lottery tool to support the custom rules for each program,
- Decommission legacy applications to reduce sprawl, increase data integration, and enhance the security of student or staff data,
- Review workflow automation options with other Departments to improve the efficiency and security of data and processes,
- Implement English Learner Monitor form updates,
- Implement the Virginia Immunization Information System (VIIS) automated download of student immunization data from the state to Phoenix, and
- Explore implementing a new software review process (OnBoard) that will enable us to share more detailed information with parents and the community regarding the applications students use and the data they share, extending additional trust and understanding with students, parents, and the community.

DEPARTMENT OF HUMAN RESOURCES AND TALENT DEVELOPMENT

DEPARTMENT SUMMARY

The Department of Human Resources and Talent Development (HRTD) is committed to activities that cultivate a high-performing team of professionals by supporting a qualified and diverse workforce to accomplish the objectives of the division. The Department directs all phases of human resources practices through the planning, organization, and implementation of programs and services for Recruitment, Staffing, Workplace and Labor Relations, Talent Development, Mentoring & Coaching, Leadership Development, Employee Recognition, Classification & Compensation, Employee Benefits, Leave & Disability, and Title IX.

HRTD supports the division by recruiting and maintaining a highly qualified and diverse candidate pool to meet the division's staffing needs, to include processing employment applications, conducting pre-employment background checks, performing licensure review and verification, and facilitating new hire preboarding and orientation.

Workplace and Labor Relations conducts internal investigations and provides direct counsel to division leaders on employee misconduct, workplace conflict, and employee discipline in accordance with School Board policies and negotiated agreements. This team is also responsible for the implementation and administration of the division's collective bargaining agreements, including contract interpretation, compliance guidance, and fostering effective labor-management relations.

Talent Development comprises three focus areas: leadership development, performance management, and mentoring & coaching. These three teams support the department's efforts to empower all staff members to unlock their full potential and actively contribute to our division's objectives by offering talent development opportunities and coaching for staff across the division, providing leadership growth opportunities, and supporting performance management.

HRTD leads multiple employee recognition programs, including the peer-to-peer SHINE program, division-level annual recognition awards, and years of service recognition. This work supports the employee life cycle and serves as a resource for division leaders as they foster cultures of recognition, appreciation, and engagement. The Classification & Compensation team focuses on internal equity and external competitiveness by conducting cyclical and ongoing position reviews, updating and expanding job descriptions, and preparing salary scales and cyclical review estimates for the budget.

Employee Benefits oversees health and wellness programs that provide comprehensive benefits services for employees, dependents, and retirees. This team manages, promotes, and supports employee health, counsels employees about retirement options and benefits, and coordinates division-wide regulatory compliance. The Leave & Disability team oversees various leave programs, including the Family Medical Leave Act (FMLA), coordinating worker's compensation claims, and facilitating an interactive dialog with employees requesting workplace accommodations, while ensuring compliance with related laws and policies.

The Title IX team oversees and monitors compliance with the federal statutory and regulatory provisions of Title IX of the Education Amendments of 1972 by responding to and investigating Title IX sexual harassment allegations involving students and/or employees and overseeing the management of allegations of sex-based discrimination within the division's educational programs and activities. The team provides guidance and training to division leaders.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

FY27 CHANGES

Ongoing Investments and New Investments

Goal 2 – Investing in Our Exemplary Staff

Coordinator, HRTD Operations & Onboarding (\$207,611 // 1.0 FTE): The HRTD Coordinator for Operations & Onboarding will help implement a candidate care program to improve onboarding for new hires.

Expansion of Secondary Principal Leadership Coaching (\$143,969 // 0.0 FTE): Expansion of Leadership coaching for select secondary school principals.

New Teacher Workdays, Non-Novice (\$202,554 // 0.0 FTE): New Teacher Workdays expanded for non-novice licensed staff, increasing pre-contract days from 3 to 5. This enhancement enables one welcome event and additional training for all new hires.

Special Education Mentor Coach (\$136,360 // 1.0 FTE): The Special Education Mentor Coach will support the growing number of novice special education teachers entering through non-traditional pathways.

Specialist, Intake (\$197,021 // 1.0 FTE): The Intake Specialist will support a more streamlined and efficient approach to managing workplace reports, complaints and concerns within the Workplace Relations team.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures. All proposed FTE changes are based on proposed ongoing new investments in our empowered students, exemplary staff, or engaged division.

Personnel

Personnel is comprised of salaries and benefits for the full-time positions listed in the staffing table, which includes investment FTE changes. The FY27 budget increase includes the FY26 Step and Cost of Living Adjustment (COLA).

Non-FTE salaries include part-time, overtime, and extra-curricular expenses. Increases in Non-FTE salary include part-time funding for changes in banded rates.

DEPARTMENT OF HUMAN RESOURCES AND TALENT DEVELOPMENT

Operations and Maintenance

Operations and Maintenance expenditures are essential for providing the materials, supplies, and equipment necessary to support the Department's daily operations and staff professional development. O&M expenditures include recruiting events, Title IX case reviews, and pre-employment checks. The increases reflect increased costs for professional learning events, transcribing services, interpretation services, pre-employment checks, leadership development and new hire events. The increase also reflects an expansion of the My Leave System, Lead Loudoun, other annual service cost increases and funding to provide for a leadership development cohort. Professional Legal and Special Litigation Services funding was reallocated from the Superintendent's Division Counsel to HRTD.

Capital Outlay

Capital Outlay funds provide major items of equipment that cost in excess of \$5,000. There was no change in Capital Outlay.

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Hired and onboarded 4,042 licensed, auxiliary, leadership, non-licensed, part-time, co-curricular, and substitute employees; held 159 in-person new hire sessions; secured 121 licensed candidates with letters of intent; completed over 4,000 reference checks in support of hiring; held 8 one-stop shops and targeted recruitment events for school bus driver and school bus attendant positions within transportation, custodial and school nutrition staff; executed over 100 external and internal recruitment events, including college fairs, LCPS career fairs, community events, and customized events for LCPS student teachers; maintained a licensed fill rate of 98.31% and experienced a decrease in attrition for licensed staff to 6.04%,
- Verified that LCPS had 96.05% class sections taught by licensed and properly endorsed instructional personnel, which involved a review of teaching endorsements for teachers; processed approximately 1,325 licensure actions with the Virginia Department of Education (VDOE); and processed 1,800 employment/experience verification requests,
- Continued Grow Our Own initiatives by hosting the LCPS Educators Rising conference for high school students in March 2025 with over 200 students attending; Offered Letter of Intent to seniors in the Teacher Cadet program and had 134 students sign; communicated with previous Teacher Cadets through newsletters with 21 returning to work for LCPS in 2025-26 teaching roles; and held 1:1 conferences to prepare for Cadet Advisor Program; and focused on student-teacher groups for the 411 college students with 389 placed as interns as part of the Teachers in Training (TNT) program,
- Maintained a substitute workforce of 4,729 persons to serve LCPS schools; reviewed 3,464 applications (licensed and non-licensed); hired 1,683 new substitutes; and had 1,642 substitutes qualify for the substitute loyalty program who worked a minimum of 25 days,
- Expanded the tuition assistance initiative program, which supported 164 employees in the inaugural year, to serve additional employee groups in addition to the target areas of need in teaching, nursing, and technology certifications for select employee groups,
- Continued growing the SHINE peer recognition program through direct outreach in superintendent newsletters, principal updates, professional development sessions, and social media posts; expanded recognition efforts through the distribution of certificates to each of the 797 nominees, who represented 77 schools and all 9 central office departments; held 9 public award presentations with winners who represented all three school levels, support services, student services, family and community engagement, and school leadership; and with winners including teachers, a substitute, a custodian, a school nurse, a family liaison, an assistant principal, and a student activities and engagement coordinator,
- Expanded eligibility for division-level annual recognition awards by including all employees on the universal scale up through level 15, resulting in 715 nominations, and hosting the first-ever annual awards gala to honor the winners of 13 award categories; distributed 2,080 service pins for employees reaching milestone years of service with 230 employees receiving a special recognition for reaching 25+ years of service and four employees recognized at a school board meeting for achieving a milestone of 40 or 45 years of service, along with a lunch with the Superintendent for reaching the 40+ years of service milestone,
- Reviewed 17 job titles for incumbent step placement evaluation, resulting in approximately 670 placement adjustments during the cyclical review process; completed 21 off-cycle reviews,
- Inducted 318 first-year teachers through the Beginning Teacher Institute to enhance their professional knowledge; oriented 437 newly licensed educators through the Welcome O.N.E. event, fostering engagement

in professional learning experiences; coordinated five targeted professional learning days for 440 newly hired educators, promoting collaboration and alignment with division goals; provided 741 newly licensed hires with highly trained mentors and assigned 287 novice teachers to instructional coaches, providing job-embedded support to enhance instructional practice and professional growth; offered ongoing support by engaging 780 mentors and 104 lead mentors in targeted professional learning to enhance their ability to foster professional growth, enhance mentoring quality, and boosting teacher retention; supported 287 beginning teachers through monthly sessions, leveraging 29 teacher leaders to strengthen pedagogy and build resiliency; implemented a monthly cohort for international educators, empowering them with strategies for effective classroom management, engaging instruction, and fostering inclusivity; facilitated professional learning for 340 early-career teachers; delivered 18 specialized sessions on classroom management for 259 teachers,

- Provided professional development to nine first and second year principals through the Principal Induction Program and to 18 first year assistant principals through the Assistant Principal Academy with curriculum enhancements in the areas of problem solving, influencing change, responding to difficult conversations, and other topics based on the needs of principals; enhanced the Launching Your Leadership Conference to support over 300 current and aspiring instructional and operational leaders in the division; partnered with George Mason University (GMU) to develop a leadership development cohort and provide financial assistance for those enrolled in educational leadership program; planned and executed the premier leadership conference for over 800 leaders in LCPS,
- Designed and implemented the six-session, half-day Talent Development Leadership Academy, fostering leadership growth and development, while expanding this offering to include six non-instructional departments; developed 18 customized team workshops for non-instructional departments, serving over 300 LCPS leaders and frontline employees across multiple central office departments, focusing on general leadership principles, customer service, teamwork, collaboration, delegation, communication, and building team standards,
- Provided 21 professional development events and trainings to support evaluators with implementing the evaluation process with fidelity for all employees; provided six high quality professional development sessions to all principals and assistant principals in the use and documentation of performance standards and evaluation criteria based on student academic progress and skills for teachers through quality observation feedback and the identification and reduction of bias within feedback; developed and enhanced comprehensive teacher evaluation forms, grounded in both the VDOE Performance Standards for Teachers and the LCPS Instructional Framework, as one element of providing a structured, transparent, and growth-oriented performance management system for teachers and evaluators, currently implemented in the 2025-26 SY; increased the fidelity of compliance with internal evaluation timelines and expanded communication strategies with evaluators to positively impact evaluation compliance and effectiveness, resulting in evaluation completion rates of 98-100% by 6/18/2025,
- Processed 6,887 leave requests for 1,483 employees, including FMLA, SB Policy, Virginia Local Disability Program (VLDP), Military, Extended, and Leave without Pay; supported 172 new Americans with Disabilities Act (ADA) requests; and assisted 1,177 workers' compensation claims and support, and
- Processed 261 Virginia Retirement System (VRS) applications; provided retirement information to 4,413 active employees; maintained Employee Assistance Program (EAP) awareness; provided wellness offerings for all employees and retirees, including weight management and walking challenges, managed health plan eligibility, enrollment, payroll deductions, reporting, reconciliations, and claims issues for approximately 30,000 employees and dependents; managed retiree health insurance for 3,655 retirees and dependents.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue our Grow Our Own efforts, establish connections with clubs and initiatives supporting racially diverse LCPS student populations to diversify Teacher Cadet and Educators Rising programs,
- Continue to enhance the candidate experience between hire and start date to stay better connected with LCPS and allow for more interaction between prospective employees and staff,
- Continue to implement and expand the tuition initiative programs to support efforts to serve as an Employer of Choice committed to recruiting, developing, and supporting top diverse talent through alternative pathways to licensure and professional development opportunities,
- Expand partnerships with international staffing companies to recruit and hire licensed staff in hard-to-fill roles,
- Create and implement partnership with Vendor Management System, to fill challenging vacancies with contracted staffing employees,
- Continue to enhance the applicant experience for substitutes with increased recruitment and retention efforts, continuing to reduce time-to-hire, assisting schools with filling positions with qualified substitutes, and strengthening the substitute workforce through increased training opportunities and access to resources and support.
- Improve the quality and reliability of the substitute workforce by emphasizing enhanced training, clear communication, and stronger accountability, including expanding professional learning for substitutes and school-based staff, clarifying expectations around best practices and division policies, and strengthening accountability through targeted feedback,
- Continue to improve upon the already successful One Stop Shop program launched by HRTD that gives Transportation candidates, specifically School Bus Driver and School Bus Attendants, an enhanced onboarding experience by which they complete the required policy/regulation/state and or federal requirements needed to join LCPS,
- Continue to enhance current recognition programs by increasing the positions eligible for annual recognition awards; examine additional methods of employee recognition beyond annual awards; refine recognition programs for retirees and years of service awards to reflect a meaningful appreciation for the dedication of staff; and develop division-wide engagement opportunities that impact the retention of employees,
- Continue to enhance the recognition of employees through the hosting of the annual awards event; develop business partnerships that focus on appreciation to enrich the employee experience; and partner with at least ten schools and/or departments to identify needs and implement engagement opportunities that impact the retention of employees,
- Continue to analyze standard rates for part-time and hourly positions; analyze stipend positions/roles; and analyze a subset of positions regarding appropriate incumbent step placement, responsibilities, tasks, and title alignment; ensure management of the Segal classification and compensation review and implementation of select scale adjustment recommendations, pending budget approval,
- Expand the Upbeat program in support of schools and departments; provide high quality professional learning to all supervisors in delivering high quality feedback as the cornerstone of employee growth, performance improvement, and career progression,
- Transform the Welcome O.N.E. event into a dynamic orientation experience that aligns with LCPS's vision for professional growth and retention; continue to advance Beginning Teacher Institute to deliver a powerful

induction experience; elevate teacher success by enhancing the Beginning Teacher Cohort Program; offer tailored professional learning for teachers entering via alternative certification routes; design a strategic recruitment plan to attract mentors from non-instructional roles; expand differentiated support for early-career teachers; continue to strengthen the impact of mentors and lead mentors; enhance professional learning and leadership development for mentors of non-instructional staff,

- Develop and implement a comprehensive onboarding program for all new non-instructional administrative hires; continue to provide the Talent Development Leadership Academy in support of the leadership pipeline; develop and continue to facilitate the Next Chapter Leadership Series for experienced LCPS senior leaders; develop and facilitate a monthly Supervisor Summit; increase participation of non-instructional staff in the Launching Your Leadership Conference; establish a formal succession planning strategy to identify and cultivate internal talent for future non-instructional leadership roles;
- Develop and implement the LCPS Profile of a Leader by integrating the leadership standards and profile into a leadership development curriculum; continue partnership with a higher education institution to create an LCPS Admin Endorsement Cohort; continue to collaborate with the Department of School Leadership to create intentional programming to prepare Deans looking to apply for Assistant Principal positions; increase participation in the Launching Your Leadership Conference; expand leadership professional learning offerings by integrating enhanced human skills training into both pipeline curricula and induction programs; establish a formal succession planning strategy to identify and cultivate internal talent for future instructional leadership roles,
- Develop and enhance comprehensive universal non-exempt evaluation forms; increase the fidelity of compliance with internal evaluation timelines to 90% or greater; increase clarity and transparency in support plan processes for employees and evaluators,
- Update and maintain online benefits education program that allows current employees and those who are considering employment at LCPS to review benefit options, answer questions specific to their personal situations, and get a recommendation for health insurance coverage; as well as provide information on other benefit programs and an overview of the Virginia Retirement System,
- Transition to new medical and prescription plan for Medicare-eligible retirees; transition to new prescription plan provider for active employees; launch a new Hospital Care supplemental benefit; and analyze healthcare plans, premiums and expenses to produce and recommend viable long-term cost containment measures,
- Collaborate with the employee assistance provider to integrate support tools with a focus on employee mental health and wellbeing,
- Continue to collaborate with the Occupational Safety and Health Administration (OSHA) team to identify areas of opportunity to enhance safety and document procedures within the organization; develop plan to initiate a process for inter-departmental review of safety-related concerns and incidents, and
- Continue to develop, document and implement best practices in leave management, including online access for employees and supervisors to forms, information, and reporting.

NON-DEPARTMENTAL

DEPARTMENT SUMMARY

The Non-Departmental section of the budget captures necessary expenditures that are division-wide in nature. Examples include employer costs associated with retiree health care and contributions to the Other Post-Employment Benefits (OPEB) liability trust fund; contributions to the self-insured workers' compensation fund, premiums associated with disability insurance and property and liability insurance; the self-funded costs related to unemployment claims; supports for the Loudoun Education Foundation (LEF); budgeted amounts for Step and Cost of Living Adjustment (COLA) increases; sign-on and retention bonuses; and disbursements of athletic ticket sales back to schools. Payments to employees upon separation from service for unused leave and payments to retiring employees are also budgeted here.

This section also includes the unassigned FTEs related to Flexible staffing, pending allocation by the Department of Academics and the Department of School Leadership.

FY27 BUDGET BY OBJECT OF EXPENDITURE

■ Personnel ■ Operations and Maintenance ■ Capital Outlay

FY23 - FY27 Expenditures

NON-DEPARTMENTAL

FY27 CHANGES

Ongoing Investments and New Investments

Goal 2 – Investing in Our Exemplary Staff

Banded Rate Changes (\$298,828 // 0.0 FTE): FY27 changes to the Hourly Banded/Standardized rates.

Bereavement Leave (\$349,734 // 0.0 FTE): Collective Bargaining Agreement – Substitute costs for three days of Bereavement Leave.

FY27 COLA Salary and Benefits (\$63,097,940 // 0.0 FTE): 4% COLA - Certified Bargaining Unit; 5% COLA - Non-Certified Bargaining Unit and Non-Bargaining Unit.

Stipend and Reclassification Review (\$3,019,185 // 0.0 FTE): Estimated impact of a comprehensive review of all stipends and salary scales.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department of Business and Financial Services and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures.

Personnel

Personnel is comprised of salaries and benefits for the full-time positions listed on the staffing table below, which includes investment FTE changes and replenishment of 42.5 Flexible Staffing FTE that were distributed to other departments in FY26 at the discretion of the Chief Academic Officer and the Chief of Schools. Expenditures in this category include placeholders for division wide salary increases, insurance increases, leave payments for terminating and retiring employees, self-insured workers' compensation cost, and employer costs for retiree health care (including OPEB contributions). For FY27, there are savings from a reduction in state-mandated Virginia Retirement System (VRS) rates.

Non-FTE Salaries include retiree bonus, sick and annual leave payouts, projected changes in Classified and Licensed substitutes, retention bonuses, and the Teacher Sign-On Bonus for new teacher hires and current teachers who laterally transfer to a Title I school and/or from a general education to special education teaching position. Non-FTE salary decreases result from spreading substitute costs across programs and lower projected FY27 retention bonuses.

There is a placeholder funding that will be distributed to other line items which include the following:

FY27 Step and Top of Scale Adjustment (\$29,405,872): Step increase for eligible employees and a one-time payment to employees at the top step.

FY27 VRS Rate Change ((\$27,298,430)): Savings from reduction in state-mandated VRS rate.

NON-DEPARTMENTAL

Healthcare Premium Increase (\$24,314,898): The employer contribution associated with a 20% self-insurance rate increase.

Short- and Long-Term Disability and Workers Compensation (\$784,743): Increase for the employer contribution to employee self-insurance disability funds and workers compensation.

Operations and Maintenance

This category includes expenses related to system-wide property and liability insurance, the Teacher Classroom Supply Allotment, and support for LEF. The increase is due to projected system-wide property and liability insurance increases, additional funding for LEF to support grant development, and computer equipment for FTEs created through flexible staffing.

Staffing	Adopted FY26 FTE	Revised FY26 FTE	FY27 FTE
Non-Departmental Program	113.0	70.5	113.0
Flexible Staffing	81.0	38.5	81.0
Flexible Staffing - Special Education	32.0	32.0	32.0
Grand Total	113.0	70.5	113.0

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Supported the School Board's multi-year compensation plan,
- Provided financial support to the Loudoun Education Foundation,
- Successfully transitioned athletic ticket sales to a disbursement model, and
- Maintained critical insurance coverage for the school division.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Review the health care design plan offered to LCPS employees and retirees to minimize the impact of escalating health care costs associated with current and post-employment benefits, and
- Ongoing compensation actions to maintain the LCPS position as an employer of choice, including step increases, compensation reviews, and banded rate increases.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continue critical financial support to the Loudoun Education Foundation.

SCHOOL BOARD

DEPARTMENT SUMMARY

The School Board is responsible for the operation of the County's public schools in accordance with the regulations of the State Department of Education and for developing school policy as published which is available throughout the county in the School Board Policy manual. There are three goals:

- 1. Develop knowledgeable critical thinkers, communicators, collaborators, creators, and contributors,
- 2. Cultivate a high-performing team of professionals focused on our mission and goals, and
- 3. Deliver effective and efficient support for student success.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

SCHOOL BOARD

FY27 CHANGES

Ongoing Investments and New Investments

No changes to new or ongoing investments are proposed for the School Board Fund in FY27. Budget changes in this area are instead prioritized to focus on Continuity of Operations.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures.

Personnel

Personnel is comprised of salaries and benefits for full-time positions listed in the staffing table for use in accordance with Policy 2610. The increase is driven by the FY26 Step and Cost of Living Adjustment.

Non-FTE Salaries include staff overtime for required Board meetings. The increase is for additional staff overtime for required Board meetings.

Operations and Maintenance

Operations and Maintenance expenditures include supplies, subscriptions, software license, mileage reimbursement, travel-related expenditures for conferences and seminars and annual maintenance for "BoardDocs." The increase in Contractual Services is the consultant fee for the School Board. The increase in Materials, Supplies and Equipment is due to inflationary costs.

Staffing	Adopted FY26 FTE	Revised FY26 FTE	FY27 FTE
School Board	10.0	10.0	10.0
Administrative Assistant	9.0	9.0	9.0
Clerk to the Board	1.0	1.0	1.0
Grand Total	10.0	10.0	10.0

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Prepared students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Cultivated high-performing teams of professionals committed to realizing our mission and goals.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Maintained an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Enhanced educational excellence through building meaningful relationships with families and the community.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Address their goals and work with the County Board of Supervisors for the benefit of all students, and
- Assist the Superintendent and professional staff in maintaining and enhancing a quality educational program to achieve the mission and long-term goals adopted by the School Board.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Review information about schools and division,
- Consider school consolidation or redistricting, and
- Estimate the amount of money necessary during the fiscal year to support the public school system and provide high quality learning environments and facilities supportive of student growth.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Set, revise, and adopt policies to ensure laws are enforced and observed,
- Determine the length of school term and governance, and
- Direct the course of the school system through work on School Board committees:
 - Curriculum & Instruction
 - Finance & Operations
 - Joint Committee with the Board of Supervisors
 - Legislative, Audit & Policy

SCHOOL BOARD

- Student Behavior & Accountability
- Student Services
- Performance Monitoring

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Engage in public comment and public hearings.

DEPARTMENT OF SCHOOL LEADERSHIP

DEPARTMENT SUMMARY

The Department of School Leadership (DSL) provides leadership and support to all school principals and leads schools in a continuous school improvement process designed to accomplish the mission and strategic goals established by the school division. DSL communicates and collaborates with multiple departments across the division to do the following:

- Develop school-based leadership in instructional improvement,
- Promote high academic achievement in a learning environment that provides equal access to all students,
- Provide opportunities for students to participate in athletics and extracurricular activities that encompass a diverse range of sports, clubs, and events, and
- Build the capacity with school leaders by facilitating effective communication and supporting a positive learning environment for students, staff, parents, and community.

DSL provides leadership and support to the following divisions:

- **Chief of Schools**
The Chief of Schools manages all schools, academies, and programs from Pre-Kindergarten through 12th grade, as well as the Office of School Administration, and oversees Athletics and Extra-Curricular activities.
- **Athletics and Extra-Curricular**
Offers guidance and assistance to school principals and staff to ensure ongoing student participation and leadership in athletics and extra-curricular activities, which include a wide variety of sports, clubs, and events.
- **Elementary Education**
The Office of Elementary Education supports and supervises 62 principals in developing school improvement plans, monitoring school operations, and providing professional development. It also oversees regional and site-based summer school programs.
- **High School Education**
The Office of High School Education supports and supervises 23 principals. It also manages high school graduations and oversees the site-based operation of the Summer Credit Recovery Program at all high school locations.
- **Middle School Education**
The Office of Middle School Education provides support to 18 middle schools, including the implementation of site-based summer programs at each location, and intramural athletics.
- **School Administration**
The Office of School Administration (OSA) collaborates with various LCPS departments to offer guidance and procedures for writing and reviewing LCPS policies and regulations. This includes initiatives related to student discipline, safety, and campus climate across LCPS.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

FY27 CHANGES

Ongoing Investments and New Investments

Goal 1 – Investing in Our Empowered Students

Boys' Volleyball (\$205,921 // 0.0 FTE): This enhancement funds boys' volleyball as an athletic program at 17 high schools to support equity, rising student interest, and growing statewide popularity. It offers male athletes competitive opportunities and boosts school spirit and community engagement.

Dual Language Immersion (DLI) – School Priority ((\$71,735) // (1.0) FTE): This is a reassignment of a Teacher Assistant, Kindergarten in the division of School Leadership to a Language Ambassador in the division of Teaching and Learning.

Girls' Flag Football (\$108,658 // 0.0 FTE): This enhancement funds girls' flag football as an athletic program at 17 high schools to expand athletic involvement and promote gender equity within LCPS, aligning with national momentum and the sport's upcoming debut in the 2028 Olympics.

Girls' Wrestling (\$182,015 // 0.0 FTE): This enhancement funds girls' wrestling as an athletic program at 17 high schools to promote equity, meet rising demand, and support student growth through athletics, leadership, and community engagement.

Reclassification Dean Elementary to Assistant Principal, Elementary (\$303,240 // 0.0 FTE) – Reclassification of 6.0 FTE Dean, Elementary to Assistant Principal, Elementary.

R.I.S.E Academy (\$158,563 // 0.0 FTE): Included are additional funds for the reallocation of Salary and Benefits for a Teacher, Recovery School and additional O&M to support the school.

Staffing Standard Enhancement - Assistant Principal, Elementary School (\$2,708,300 // 13.0 FTE): In order to enhance academic supervision and support, a change in the staffing standard is being requested for Assistant Principal, Elementary by adjusting the standard from 1.0 FTE for 400-1000 students and 2.0 FTE for > 1000 students to 1.0 FTE for 350-800 students and 2.0 FTE for 801-1100 students and 3.0 FTE for > 1100 and 1.0 FTE per 55% Economically Disadvantaged (ED) students.

Staffing Standard Enhancement - Assistant Principal, High School (\$3,917,306 // 18.0 FTE): In order to enhance academic supervision and support, a change in the staffing standard is being requested for Assistant Principal, High by adjusting the standard from 3.0 FTE per school and 4.0 FTE for > 1800 students and 1.0 FTE per Title I School to 4.0 FTE for < 1800 students and 5.0 FTE for 1800-2500 students and 6.0 FTE for > 2500 students and 1.0 FTE per 65% ED students.

Staffing Standard Enhancement - Assistant Principal, Middle School (\$636,421 // 3.0 FTE): In order to enhance academic supervision and support, a change in the staffing standard is being requested for Assistant Principal, Middle by adjusting the standard from 2.0 FTE for < 1600 students and 3.0 FTE for ≥ 1600 students to 1.0 FTE for < 800 students and 2.0 FTE for 800-1300 students and 3.0 FTE for 1301-1600 students and 4.0 FTE for > 1600 students and 1.0 FTE per 65% ED students.

Staffing Standard Enhancement – Dean, Elementary School (\$1,362,306 // 10.0 FTE): In order to enhance academic supervision and support, a change in the staffing standard is being requested for Dean, Elementary by adjusting the standard from 1.0 FTE for ≥ 600 students to 1.0 FTE for ≥ 550 students.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures. All proposed FTE changes are based on either the School Board's adopted staffing standards, proposed enhancements to those staffing standards, or as proposed ongoing and new investments in our empowered students, exemplary staff, or engaged division.

Personnel

Personnel is comprised of salaries and benefits for the full-time positions listed in the staffing table, which includes investment changes and a reduction of (72.6) FTE from staffing standard calculations. The FY27 budget increase reflects the FY26 Step and Cost of Living Adjustment (COLA).

Non-FTE salaries include part-time, overtime, extra-curricular expenses, and compensation for substitute teachers. Non-FTE salaries include stipends for teachers, including those for National Board-Certified Teachers. Increases in Non-FTE salary include part-time funding for changes in banded rates and increases in substitute teaching costs.

Operations and Maintenance

Operations and Maintenance expenditures are essential for providing the materials, supplies, and equipment necessary to support the Department's daily operations and staff professional development. O&M expenditures support school administration, athletics and co-curricular programs, elementary school education including kindergarten programs, middle school education, high school education, summer school programs at all levels, and non-comprehensive programs. O&M supports allotments to schools across various areas, including instructional, athletics, extra-curricular activities, and differentiated funds for economically disadvantaged students. Increases to O&M include changes in contractual obligations for athletic officials and protective equipment recertification and the realignment of costs previously categorized as Capital Outlay.

Capital Outlay

Capital Outlay funds provide major items of equipment that cost in excess of \$5,000. Capital Outlay includes the cost of replacement of various athletic equipment. The decrease in Capital Outlay is due to a realignment of these costs to Operations and Maintenance.

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Supported the LCPS instructional framework and personalized learning for all students,
- Collaborated with the Multi-Tiered System of Supports (MTSS) office and Department of Academics to support leaders in the implementation of effective strategies and interventions for tiered supports in academics, behavior, patterns, and social-emotional learning,
- Assisted school staff in identifying and incorporating strategies to reduce the number of student discipline referrals,
- Promoted college and career readiness with access to accelerated courses and multiple pathways of learning, and
- Introduced multiple extracurricular activities, engaged students in leadership conferences, and set records with a variety of Virginia High School League (VHSL) athletic competitions.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Supported and assisted principals and academic deans in leading their schools with an equity lens as they support teachers in providing rigorous instruction that meets the needs of all learners,
- Supervised and collaborated with other departments to support principals through the School Improvement Plan (SIP) process to ensure achievement of goals,
- Provided professional development regarding the maintaining of effective Collaborative Learning Teams (CLT),
- Provided professional development for athletic administrators, coaches, student athletes, and parents,
- Provided professional development to administrators to ensure consistent and appropriate use of disciplinary measures, and
- Provided growth opportunities at professional conferences by leveraging educational exemplars for training and development.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Guided and managed the principal, assistant principal and academic dean selection process to ensure equitable opportunities are provided and expand leadership diversity,
- Supported principals in the analysis and use of student perception survey data to create inclusive, safe, caring, and rigorous learning environments for all students,
- Reviewed and streamlined policies to ensure compliance with state code,
- Supported two middle schools with the implementation of unique bell schedules to support instruction, and the adoption of flex blocks /intervention or extension time at all middle schools, and
- Provided high schools with an additional athletic trainer to ensure safety of students involved in athletics.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Supported principals in the use of parent perception survey data to design plans to enhance relationships with families and communities and increase family engagement,

- Continued to emphasize, model, and communicate the importance of transparency and relationships with families and community partners,
- Prioritized division wide emphasis on attendance,
- Partnered with the Department of Communication and Community Engagement (DCE) to share information about participation in athletics with LCPS parents and students, and
- Honored VHSL state team and individual champions during school board meetings and the superintendent's updates.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Implementation of targeted interventions for improving attendance across all school levels,
- Successful introduction of interscholastic intramurals for all 18 middle schools,
- Addition of three sports to provide high school students opportunities to engage in a variety of athletic opportunities,
- Implementation of school improvement plans that outline rigorous instructional strategies to support student achievement outcomes,
- Engage more than 400 high school student leaders across the division in attending and leading sessions at the We are Intentional about Leadership Development (WILD) Student Leadership Conference, and
- Maintain a high level of participation in student activities at the high school level.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Support of professional learning across all levels to align with the Virginia Literacy Act (VLA),
- Implementation of the Plan, Do, Study, Act (PDSA) cycles as a part of the revised State Implementation Plan (SIP) format,
- Ongoing collaboration with Leadership Development to prepare aspiring leaders for next steps,
- Support growth of CLT along the Professional Learning Community (PLC) continuum,
- Improve coaching retention and professional development opportunities for coaches by utilizing the A Better Way Athletics curriculum to create a successful plan with positive outcomes,
- Provide professional development to school-based leaders to support special education students,
- Partner with departments to support teacher retention, and
- Utilize the Program Evaluation process to identify needs, clarify roles, and provide targeted feedback to foster a culture of continuous improvement, and empower staff with program goals.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Successful collaboration with the Division of Diversity, Equity, Inclusion, and Accessibility (DEIA), Title IX, and student mental health services to provide staff development to all school-based administrators regarding how to recognize and respond to student and staff needs,
- Support teachers in providing effective instructional practices for Language Learners through professional learning opportunities and feedback,

- Implementation of discipline policies and codes to ensure consistency of practices and providing safe environments for students,
- Focus on creating a sense of belonging across all schools, and
- Increase access and reduce barriers to high quality after-school care that includes academic and enrichment opportunities.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Increase the number of positive responses submitted through the Let's Talk portal due to more communication and invitations to parents as partners with schools,
- Continued communication with families regarding discipline outcomes,
- Increase the parent and school partnerships in collaboration with the Family and Community Engagement office, and
- Empower parents to identify and utilize resources to support their family and children's academic and enrichment goals.

DEPARTMENT SUMMARY

The LCPS Department of Student Services is dedicated to fostering the academic, social, emotional, and physical well-being of every student in LCPS. Through a coordinated network of specialized offices, the department provides a comprehensive system of supports designed to promote safe, inclusive, and nurturing school environments. Working collaboratively, these teams ensure that students have access to the services, resources, and opportunities they need to be successful learners and engaged members of the school community. Together, they create a strong foundation that empowers all students to thrive both in and out of the classroom. Led by the Assistant Superintendent for Student Services, the department oversees five key offices, each with a distinct focus on student well-being and educational equity and access:

- **Office of Diagnostic and Prevention Services**

The Office of Diagnostic and Prevention Services delivers comprehensive support aimed at identifying and addressing students' learning, behavioral, and developmental needs. Through a robust Multi-Tiered System of Supports (MTSS), the office provides early intervention, ongoing progress monitoring, and prevention-focused initiatives to ensure students receive timely and targeted assistance. The team leads the division's behavioral threat assessment process, helping maintain safe learning environments by evaluating and addressing potential risks. In addition, the office coordinates special education and Section 504 eligibility services, ensuring that students receive appropriate assessments and that decisions are grounded in high-quality data and professional expertise.

- **Office of Student Services**

The Office of Student Services is focused on creating and sustaining school environments where all students feel safe, included, healthy, and prepared to learn. This office oversees Student Health Services, ensuring access to high-quality nursing care and health education that supports physical well-being. It also manages Registration Services, facilitating smooth enrollment processes and supporting families as they navigate school entry and transition. Additionally, the office leads McKinney-Vento Services, providing essential support to students and families experiencing housing instability and helping remove barriers to consistent school attendance and engagement.

- **Office of Special Education**

The Office of Special Education ensures that students with disabilities receive individualized instruction, supports, and services that allow them to access a free and appropriate public education (FAPE) in the least restrictive environment. This office collaborates closely with schools, families, and community partners to develop and implement high-quality Individualized Education Programs (IEPs), provide specialized instructional resources, and deliver the related services students need to reach their full potential. Through a commitment to equity, access, and continuous improvement, the office helps ensure that students with disabilities are fully included and supported in their educational journey.

- **Office of Student Mental Health Services**

The Office of Student Mental Health Services promotes student well-being by offering a comprehensive range of mental health supports designed to strengthen resilience, address challenges, and enhance overall functioning. The office provides counseling services for students in need of emotional or social support, as well as crisis intervention to ensure rapid assistance during urgent situations. It delivers substance use disorder services focused on prevention, education, and intervention. The division's school psychologists and school social workers—key contributors to assessment, counseling, and family support—also operate within this office, along with wellness programs that encourage positive mental health practices across schools.

- **Office of Procedural Support**

The Office of Procedural Support ensures division-wide consistency, transparency, and compliance in the implementation of special education and student services. This office develops, updates, and oversees policies and

DEPARTMENT OF STUDENT SERVICES

procedures related to the Individuals with Disabilities Education Act (IDEA), Section 504, Independent Educational Evaluations (IEEs), and broader student support processes. This office supports families and students served through the Children's Services Act for out of division placements for students eligible for special education services in private day and residential settings. The Office of Procedural Support facilitates division training in the approved crisis intervention strategies and techniques. By providing guidance, training, and technical assistance to schools, the office helps maintain fidelity to legal requirements and promotes high-quality practices that protect student rights and support effective service delivery.

Together, these offices collaborate to provide a comprehensive framework of supports, ensuring that every student in LCPS has the resources they need to thrive academically and personally.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

DEPARTMENT OF STUDENT SERVICES

FY27 CHANGES

Ongoing Investments and New Investments

Goal 1 – Investing in Our Empowered Students

Mandt Trainer (\$681,195 // 5.0 FTE): New 5.0 FTE Division-level Technical Mandt Trainer to improve fidelity and integrity of Crisis Response training in the schools, as well as reduce the burden and workload of school-based staff who are assigned as school-based instructors.

Mental and Behavioral Health and Wellness Platform (\$100,000 // 0.0 FTE): Mental and behavioral health and wellness platform to provide Tier 2 services to K-12 students moving from the Grant Fund to the Operating Fund.

R.I.S.E. Academy (\$616,882 // 3.5 FTE): Grant funding is ending. Reallocation of 1.0 FTE School Counselor and 1.0 FTE Clinical Program Coordinator positions from the grant fund to operating fund, increase of 0.50 FTE School Social Worker and enhancement of 1.0 FTE Student Assistance Specialist.

Social Emotional Learning Curriculum (Elementary) (\$155,496 // 0.0 FTE): License renewal: Elementary schools have been using the Social Emotional Learning curriculum since 2019 and students have demonstrated growth in the competencies of relationship skills, problem solving, conflict resolution, self-awareness, and social awareness.

Specialized Instructional Facilitators for Program Support (\$656,808 // 5.0 FTE): Additional Specialized Instructional Facilitators - Specialized Programs to support program teachers, especially novice or new to LCPS teachers.

Threat Assessment Coordinator (\$210,856 // 1.0 FTE): The Threat Assessment Coordinator is a new position that expands LCPS Threat Assessment capacity to meet Virginia Code (§ 22.1-79.4) by providing coaching, training, and consultation to LCPS' 100 school-based threat assessment teams. This role strengthens teams' ability to assess and respond to approximately 2,000 threats annually—including student and non-student cases—ensuring early identification, intervention, and prevention of violence.

Goal 2 – Investing in Our Exemplary Staff

Board Certified Behavior Analyst (BCBA) Tuition (\$45,000 // 0.0 FTE): Tuition for BCBA Certification Cohort 15 Participants.

Staff Mental Health Support (\$159,218 // 0.0 FTE): Resource for students, families, and staff to ensure that all have access to necessary mental health services and staff coaching.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures. All proposed FTE changes are based on either the School Board's adopted staffing standards, proposed enhancements to those staffing standards, or as proposed ongoing and new investments in our empowered students, exemplary staff, or engaged division.

Personnel

Personnel is comprised of salaries and benefits for the full-time positions listed in the staffing table, which includes investment changes and an increase of 10.0 FTE from staffing standard calculations. In addition, there is a reallocation of 30.0 FTE from the Grant Fund to Operating Fund to reflect the completion of COVID era spend down plan associated with IDEA funds. The FY27 budget increase reflects the FY26 Step and Cost of Living Adjustment (COLA).

Non-FTE Salaries include part-time, stipends, substitutes, and summer off-contract hours. The increase in Non-FTE salary includes part-time funding for changes in banded rates and increases in substitute teaching costs.

Operations and Maintenance

Operations and Maintenance expenditures are essential for providing the materials, supplies, and equipment necessary to support the daily operations of the Department. The expenditures also include allotments for Special Education Teachers, Hearing and Visual Impairment Teachers, Speech Language Pathologists, Occupational and Physical Therapists, school counselors, health clinics at schools, professional legal and special litigation service fees, contracted nurse service cost, specialized instruction curriculum materials, and educational supplies for new classroom set-up.

The increase in Materials, Supplies and Equipment is due to curriculum renewal, replacement of outdated AED packages, and additional radio communication devices for Special Education classrooms due to the increase in number of programs and replenishment/replacement of classroom supplies.

Capital Outlay

Capital Outlay funds provide major items of equipment that cost in excess of \$5,000. The decrease is due to fewer new staff requiring new office furnishings/setups.

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- 19,010 students received an MTSS intervention in the areas of literacy (8,607), math (5,676), behavior (1,386), and mental health (3,341),
- LCPS continues to demonstrate low rates of office discipline referrals and suspensions due to the implementation of proactive and preventative supports, such as Positive Behavioral Interventions and Supports (PBIS),
- Focus groups were conducted with six middle schools and 90 students to learn more about their advisory experience to support the development of student-centered Social-Emotional Learning (SEL) curriculum,
- Eligibility Services coordinated the special education eligibility process across all school sites and Early Childhood Identification Services, evaluating 1,855 students for initial eligibility due to suspicion of a disability requiring special education services,
- School-Based Behavioral Threat Assessment and Management (BTAM) teams conducted approximately 1,844 threat assessments. As a result of behavioral threat assessment management implementation, none of these threats were carried out,
- College Achievement and Multicultural Program for Unique Students (CAMPUS) - Enrollment in the CAMPUS program has increased by 304% as compared to the previous year (2023-2024 school year),
- SchoolLinks - 98% of 6-12 grade students logged into SchoolLinks, the College and Career Readiness platform, during the 2024-2025 school year,
- SchoolLinks - 97% of K-5 grade students logged into SchoolLinks, the College and Career Readiness platform, during the 2024-2025 school year,
- Attendance officers partnered with Northern Virginia Family Services (NVFS) to complete Individualized Plan of Employment (IPE) referrals and the Northern Virginia Gang Task Force to discuss cases, current trends, and community updates,
- Attendance officers received 142 attendance referrals, of which 55 of those referrals were brought to the attention of the Juvenile Court Services Unit,
- Attendance officers referred 33 parents to the Office of the Magistrate for failing to comply with the compulsory attendance laws as per the Code of Virginia,
- Student Assistance Specialists delivered Tier 1 Substance Use Prevention Presentations to 23,560 students in secondary schools,
- McKinney-Vento received 2,426 referrals for services, of which 1,494 students were found eligible for services,
- Provided 41 laptops to seniors receiving McKinney-Vento support who graduated on-time, and either were not chronically absent or showed improved attendance,
- Student Health Services (SHS) has hired, trained and currently supports 1:1 private duty nurse for nine students with complex medical conditions to ensure they can fully access their school curriculum, and
- During the 2024–2025 school year, the Homebound Office supported 371 students through homebound and home-based services. Among these students, 135 required special education services and one required EL services. Mental health-related referrals represented 59% of all cases.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Over 1,600 LCPS staff participated in professional learning opportunities, hosted by the PBIS division team, aimed at supporting student behavior and classroom practices,
- In preparation for the launch of the elementary behavior model, a Behavior Support Coordinator and 13 Behavior Resource Teachers were hired to support 26 elementary schools with school-wide systems, classroom practices, and student support,
- The MTSS division team provided 1,055 instances of support in the areas of Response to Intervention (RTI), PBIS, SEL, and intervention plans to all schools during the 2024-2025 school year,
- Delivered comprehensive threat assessment training to hundreds of new multidisciplinary school team members across the district, aligned with LCPS's mission to ensure safe and supportive learning environments for students and staff,
- Trained 90 LCPS staff as adult advisors for the Sources of Strength program,
- Student Assistance Services (SAS) hired six new Student Assistance Specialists and implemented a new group supervision model to enhance staff training. New staff meet biweekly to receive support, review best practices and receive guidance. A new Student Assistance Services Manual provided detailed protocols to increase consistency of service provision and documentation across the division,
- SAS sent eight staff to the Virginia Summer Institute on Addiction Studies where they learned about best practices in addiction prevention and intervention. Following the conference, these staff provided professional development to the rest of the SAS team to share key takeaways from the conference,
- R.I.S.E. Academy hired eight experienced teachers (EL, Special Education (SPED), dual licensed) and planned professional development to enhance their knowledge base in order to best support students in the inaugural school year,
- Continued with current, monthly Restorative Practices (RP) training including 2-day, teacher-only, counselor only offerings with 164 staff attending overall,
- Increased the number of full-time RP staff being LCPS funded (after 2-year grant implementation),
- Provided 14 position specific training courses providing strategies to support students experiencing homelessness to staff across the division. Staff receiving training included transportation staff, school registrars, school family liaisons, as well as United Mental Health Team (UMHT) staff. One of the training courses was in partnership with the State Coordinator for Homeless Education to provide information on the intersectionality of the McKinney-Vento Act and IDEA to staff serving in SPED roles,
- Hosted one regional meeting with Local Homeless Liaisons from Loudoun Education Foundation (LEA) and other foundations in Northern Virginia to discuss trends and solutions in identification and supporting the needs of students experiencing homelessness,
- Hired and trained two part-time summer McKinney-Vento assistants to assist in reviewing the high volume of referrals that require eligibility determination made prior to the start of school. For SY 2024-2025 the McKinney-Vento team received 1,357 referrals prior to the start of the school year and was able to determine eligibility status on 1,158 of those referrals during the allotted time frame of seven weeks prior to the start of school,
- Developed and implemented an LCPS McKinney-Vento onboarding manual and training curriculum for any new McKinney-Vento staff (both part-time and full-time),
- Provided annual professional development training to over 200 Registrars, School Counseling Administrative Assistants, and Attendance Administrative Assistants. Additionally, bi-monthly training was provided to maintain new initiatives,

- Two part-time Registrar mentors were added to provide initial hands-on training and ongoing support to new staff members (approximately 16 new staff members). This additional support increases capacity and understanding of their unique positions while improving employee satisfaction and longevity, and
- Several School Nurses attended Summer Institute for School Nursing sponsored by VDOE in July 2025. The mission of the institute is to foster evidence-based practice in the school setting and promote competency in school nursing.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- In response to a recommendation within the Superintendent's Post-Entry Plan, a collaborative workgroup was developed to identify best practices and align resources to support teachers, staff, and students with challenging behavior. This workgroup outlined foundational documents and visuals to support the introduction of the elementary behavior model,
- The SEL division team continued to partner with HRTD to offer the Staff Wellbeing Course to all LCPS employees focusing on skills such as self-management, relationship skills, self-awareness, responsible decision making, and social awareness,
- LCPS Threat Assessment's contracted psychologist collaborated with school teams and families to complete over 30 targeted violence risk evaluations, ensuring individualized threat management plans that prioritized student well-being and maintained a safe educational environment for all LCPS students and staff,
- Maintained improved attendance rate by 5% (19% to 14%) across the division through ongoing training, consultation, and consistent attendance practices and procedures,
- Attendance officers targeted more support to elementary schools addressing chronically absent students by collaborating with attendance teams,
- Developed R.I.S.E. Academy program to ensure a safe, supportive learning environment for students in recovery from a substance use disorder,
- The McKinney-Vento team collaborated with high school counselors to support the attendance and graduation of students experiencing homelessness and met directly with 38 high school students experiencing homelessness who were determined to either be unaccompanied or at-risk of not graduating on-time to provide additional supports and advocacy,
- The McKinney-Vento team maintained active collaboration with Head Start/STEP, providing parent/staff trainings, technical guidance, and quarterly Virginia Pre-School Initiative (VPI) Steering Committee participation, which contributed to identifying 65 pre-K students experiencing homelessness and referring 31 additional pre-K siblings for Head Start/STEP services during the 2024–2025 school year. This is a significant increase from previous school years,
- All employees became eligible to apply for special permission during the employee window, and the barrier was removed to allow an application to a designated cluster,
- 4,086 special permission applications were processed. There were only 86 Department of Student Services appeals and 21 school board appeals,
- SHS purchased iPads for remote glucose monitoring. When requested by families, health staff can view current data for students with diabetes remotely, enabling them to remain in class and/or receive faster responses to alarms,
- In partnership with DCE, Student Health communicated immunization requirements and deficiency information to families during the summer to decrease the number of students excluded from school due to missing immunizations (333 students were excluded on first day in August 2025),

- Resource nurses provided more than 500 hours of health training to staff caring for students with medical needs, and
- The Homebound Office hired two full-time special education teachers. This was the first time the office had much-needed full-time staff.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- LCPS continues to partner with A Place to Be, offering 20 in school assemblies of "Five Ways to Make a Friend" for grades PreK-2 and 26 field trip opportunities for students in grades 3 and 4 to experience their show called *A Place to Be Me*,
- Eligibility Services supported schools and families in navigating Section 504 processes for approximately 2,000 LCPS students. This included managing referrals, facilitating 806 initial eligibility meetings, and developing individualized Section 504 Plans, where required, that outline accommodation necessary to address each student's disability, ensuring equitable access to education,
- Early Childhood Identification Services (ECIS) held eight presentations with community preschools regarding screen time, parenting and managing challenging behavior and attended four local community events to share information about ECIS,
- Hosted a 7th annual Mental Health and Wellness Conference with over 500 attendees, 97 vendors, and 35 presenters at Watson Mountain Middle School,
- Established additional partnerships to assist students, families, and staff, specifically during development of the Recovery School including The Chris Atwood Foundation, George Mason University, and Sandstone Care,
- Partnered with Caron Foundation to implement Project Connect nicotine cessation program at Potomac Falls High School,
- Maintained existing partnerships with Care Solace (navigation of treatment services), ParentGuidance.org (webinars and coaching), Tree of Life LLC, Youth for Tomorrow, Serenity House LLC, Opportunity Scholars, Virginia Commonwealth University (VCU), and The Williams Center),
- The McKinney-Vento team participated in 11 school and community presentations and information tables across the division to share program services directly with families and community members,
- Partnered with Good Shepherd of Northern Virginia to provide 41 warm meals for Thanksgiving to students and families residing in hotels/motels on the night of November 25, 2024,
- SHS school nurses provide preceptorships to nursing students from Shenandoah University School of Nursing and George Washington University School of Nursing each semester. A total of 34 nursing students were provided with this opportunity,
- Partnered with Good Shepherd of Northern Virginia to host two Holiday shopping events and family parties for students experiencing homelessness for two Title 1 elementary schools as well as seven weekend shopping events for students experiencing homelessness across the division,
- Partnered with the Loudoun Education Foundation (LEF) and United Way to continue to provide afterschool and summer programming through Loudoun County Parks, Recreation & Community Services (PRCS) to students experiencing homelessness that was previously provided through American Rescue Plan, Homeless Children and Youth (APR-HCY) funds. During SY 2024-2025 48 students received this support. Advocacy efforts by the McKinney-Vento team and LEF led to the Loudoun County Board of Supervisors voting for PRCS to provide free after school and summer camp services to all students receiving Free and Reduced Meals (FARM) if space allows and the families apply for such discounts beginning July 1, 2025,
- Partnered with the Office of Outreach Programs and the Loudoun National Association for the Advancement of

Colored People (NAACP) Chapter to donate backpacks for students in need,

- Collaborated with families of students with diabetes to implement a policy and regulation to support their students with remote continuous glucose monitoring, and
- Expansion of mobile health clinic services to include all Title I elementary schools.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Continue to support the individualized and differentiated learning objective outlined within the Superintendent's Post Entry Plan through professional learning, support, and resources provided to schools to strengthen the implementation of Tier 1, Tier 2, and Tier 3 practices,
- Support 53,197 Pre-K - 8th grade students through the implementation of an SEL curriculum focused on core competencies needed for future career and workplace readiness,
- Behavior Resource Teachers support school-wide systems, classroom teachers, and students through the elementary behavior model,
- Establish consistency with research-based interventions; unified mental health team members will implement CharacterStrong at the Tier 2 level,
- CAMPUS - started the Multilingual Ambassador Program linking 11 multilingual CAMPUS students at Heritage High School with current VCU multilingual students to support a college going culture and peer to peer support,
- Amplify student voice to assist with program development at R.I.S.E. Academy,
- Increase voluntary (non-disciplinary) utilization of Student Assistance Services interventions by at least 10%,
- SHS has hired, trained and currently supports 1:1 private duty nurse for 10 of our students with complex medical conditions to ensure they can fully access their school curriculum. Three more students will benefit from 1:1 nurse. SHS is actively securing nurses to fill these positions, and
- The Homebound Instruction Office has supported 135 homebound students and 27 home-based students and their families since the start of the 2025-2026 school year. Our work includes collaborating with schools and families to develop Return-to-Learn plans for students transitioning off services who may need support acclimating back to the school environment.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Collaborate to support the expansion of the Virginia Literacy Act and administration of Virginia Language and Literacy Screening (VALLS) at the secondary level through continued Response to Intervention (RTI) support,
- Expand the elementary behavior model to include additional Behavior Resource Teachers to support school-wide systems, classroom teachers, and students with challenging behaviors,
- LCPS Threat Assessment will collaborate with the contracted Risk of Targeted Violence Evaluator/Psychologist to host virtual "Lunch and Learn" sessions for school-based Threat Assessment Teams and LCPS staff focusing on emerging trends and best practices in BTAM to strengthen team expertise and enhance student and staff safety,
- Support the goal of improving student behaviors at the elementary level, focused training on restorative practices Tier 1 and 2 will be provided to all elementary level teachers,
- Student Assistance Services will initiate an internship program to support enhanced services in elementary schools and expand recruitment opportunities,

- Expand staffing at R.I.S.E. Academy to support the academic, social emotional, mental health needs of up to 25 LCPS high school students who are navigating recovery from substance use disorders,
- Increase the number of staff attending training offered on the topic of supporting students experiencing homelessness by 10%,
- Provide annual and monthly professional development and bi-weekly drop-ins for all Registrars, School Counseling Administrative Assistants and Attendance Administrative Assistants which continue education for current and new staff,
- Continue providing Registrar Mentor part-time staff to effectively onboard new Registrars, Counseling and Attendance Administrative Assistants,
- Conduct specialized training with other Student Services Offices, including Special Education designees, School Counseling, and Welcome Center,
- The Homebound Office has hired six new part-time homebound teachers this school year, all of whom are actively providing daytime instruction to students. All part-time staff participated in training at the start of the school year, which has resulted in fewer paperwork errors and more timely submission of required documentation for homebound records and payroll,
- The Homebound Instruction office hired one additional full-time teacher, bringing our total to three full-time teachers. Our full-time staff are very busy traveling throughout the county to support home-based students, which can be some of our county's most fragile students,
- The Homebound Office created a new intranet site to provide on-demand information and guidance for all staff who support homebound students. Additionally, Homebound Approval emails now include quick-link information, allowing schools to access the resources they need quickly and easily, and
- Implement a structured communication plan to provide clear, timely updates to staff regarding Mandt 3.0 and Ukeru training opportunities, requirements, and resources.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- In collaboration with the high school office, explore the use of an SEL curriculum for all LCPS high schools,
- Promote the fidelity of PBIS implementation, particularly at the high school level,
- In addition to ensuring ongoing comprehensive educational evaluations, Office of Diagnostic and Prevention Services Educational Diagnosticians will advance division initiatives by supporting Virginia Language and Literacy Screening System (VALLSS) at middle schools, serving on collaborative learning teams, and facilitating follow-up needs related to the reevaluation workshops across all schools,
- Ongoing implementation of Raptor StudentSafe software district-wide to modernize threat assessment documentation and case management, leveraging technology to improve accuracy, streamline workflows, and strengthen proactive safety measures for all LCPS schools,
- Student Assistance Services will host a regional training course with Attendance Officers from other jurisdictions to discuss trends and solutions to chronic absenteeism and will establish regional case staffing meetings to identify trends and possible new developments in attendance monitoring,
- Expand alternative programs based on identified student needs, including a mental health transition and middle school program within R.I.S.E. Academy,
- Develop a McKinney-Vento Support Workgroup with staff from four high schools to update the existing support tiers and implement a coordinated initiative aimed at improving student attendance, reducing dropout rates, and increasing on-time graduation,
- Use of remote glucose monitoring for students with diabetes has increased by 50% this year.

- Floating and school-based School Nursing Assistants have been available to support the nurses with student care, data entry, and clerical tasks enabling the registered nurses to participate in care coordination including IEP, 504, and return to learn meetings,
- The Homebound Office ensures equitable access to instruction for the 162 students (135 homebound and 27 home-based) served so far this school year. We collaborate with school teams, families, and medical providers to maintain academic continuity and support each student's transition back to school,
- Homebound Office collaborated with DDI to create a new app using the Guardian platform, and
- Collaborate with school-based teams to integrate de-escalation and behavioral support practices into instructional settings, promoting positive learning environments for all students.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Extend PBIS supports to the Early Childhood Special Education (ECSE) program and explore community partnerships to address reducing challenging behavior,
- Provide PBIS information on all LCPS school websites to provide transparent information to families,
- Continue the partnership with A Place to Be and offer additional opportunities for 5th grade students to participate in an assembly about middle school, which was created with 5th and 6th grade student perspectives on the topics they find most important when transitioning from elementary to middle school,
- Provide updated resources to families, community members and local physicians around the Child Find process (Early Childhood Identification Services),
- Provide targeted training to parents and guardians in the newest aspect of our college and career readiness platform which facilitates course planning and academic planning,
- Ensure that at least one substance use education opportunity is presented to parents at 100% of secondary schools and at least 40% of elementary schools,
- Determine additional community partnerships to enhance services and resources for R.I.S.E. Academy students and families,
- Participate in 10% more community presentations and information tables to provide awareness and information on services provided to those students experiencing homelessness in LCPS,
- Collaborate and partner with high school Family and Consumer Science (FACS) teams to provide holiday meals to students experiencing homelessness and residing in hotels,
- Update the Special Permission application/process for simplification,
- SHS school nurses will provide preceptorships to nursing students from Shenandoah University School of Nursing and George Washington University School of Nursing each semester. Approximately 32 nursing students will be provided with this opportunity,
- The mobile health clinic (Certified Specialty Nurse Practitioner) is working on becoming a Vaccines for Children (VFC) provider to open immunization clinics to provide immunizations to rising 7th and 12th grade students,
- The Homebound Office provides responsive support by reviewing and responding to cases within 24 hours. We are fully accessible to schools for collaborative planning, and guidance that helps families navigate homebound services effectively, and
- The Homebound Office will participate in the Special Education Advisory Committee (SEAC) Resource Fair for the first time.

DEPARTMENT OF SUPERINTENDENT

DEPARTMENT SUMMARY

The Superintendent’s Office includes the following divisions:

- Superintendent,
- Chief of Staff,
- Safety and Security,
- Division Counsel,
- Auditor General (OAG),
- Ombuds, and
- Diversity, Equity, Inclusion and Accessibility (DEIA).

LCPS fulfills its mission of “empowering all students to make meaningful contributions to the world” through deeper learning experiences, demonstrating instructional leadership across the Commonwealth and nation. LCPS is recognized as a leader in the state as a Virginia Department of Education School Division of Innovation and serves as an active member of the Virginia is for Learners Innovation Network 5.0. Our school division ranks among the best school divisions in our Commonwealth and in the nation academically, while also leading the work to support mental health and wellness. Students are at the center of our work. We strive to ensure our work continues to reflect the diverse needs of our students, families, and community. As One LCPS, we are accountable to our families and community, proud of our staff and schools’ commitment to excellence and equitable opportunity for all. We seek to create learning communities that are places where students and teachers can devote their attention to learning and teaching in a safe, welcoming, affirming and academically rigorous learning environment.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

FY27 CHANGES

Ongoing Investments and New Investments

Goal 3 – Investing in Our Enriched Division

Camera Analytics – Artificial Intelligence (AI) Utilization (\$700,000 // 0.0 FTE): Implement software that utilizes AI to monitor security cameras and provide auto alerts to key stakeholders in all middle schools.

Staffing Standard Enhancement School Security Officer (SSO) (\$108,084 // 1.0 FTE): Provide an additional 1.0 FTE SSO as part of the long-term plan to add a second SSO to all middle schools.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures. All proposed FTE changes are based on proposed enhancement to those staffing standards.

Personnel

Personnel is comprised of salaries and benefits for full-time positions listed in the staffing table, which includes investment changes and an increase of 1.0 FTE from staffing standard calculations. The FY27 budget increase reflects the FY26 Step and Cost of Living Adjustment (COLA).

Non-FTE Salaries include part-time, overtime, and stipends for Equity Lead at schools. The decrease is due to part-time funds moving to the Department of Academics.

Operations and Maintenance

Operations and Maintenance expenditures are essential for providing materials, supplies, and equipment to support the daily operations of the Department as well as division wide services including safety and security, technology infrastructure and communication systems, family and community outreach, environmental health and safety, and professional legal services. Expenditures also include subscriptions, membership dues, mileage reimbursement, and professional development expenses. The increase in Training and Continuing Education is for professional development opportunities for staff and leadership training for DEIA, Division Counsel and Ombuds team members.

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Reported One LCPS metrics and five-year targets to support progress monitoring to achieve Strategic Plan goals,
- Expanded mental health and wellness services, resources, and support to students and families through coordinated Unified Mental Health Team efforts and community partnerships,
- Division Counsel advised the Superintendent, senior administrators, and other Division staff regarding legal issues related to the Constitution, Virginia law, students' rights, civil rights, and education,
- Provided opportunities for the Student Equity Ambassadors to lead and engage in conversations and learning, with the goal of students' voice informing the work; and encouraged and supported opportunities for students to collaborate with LCPS Division Leadership and provide insight on decisions that impact students,
- Created a platform for students and families to report concerns about potential fraud, waste, and abuse, ensuring confidentiality throughout the investigation process and maintaining a safe and supportive learning environment,
- Provided opportunities for students and families to share concerns and supported the navigation of options and pathways to support a safe and affirming learning environment through the Ombuds office,
- Presented See Something Say Something awards to students to encourage and reward positive contributions to safety,
- Facilitated and organized Student Advisory Committees, where the students collaborated regarding scheduling, mental health, communication and equity,
- Conducted audits that evaluated processes supporting safe and affirming learning environments for students, ensuring systems addressed academic, behavioral, and social-emotional needs,
- Assessed division practices related to professional learning and collaboration to promote equitable opportunities for all students, and
- Reviewed communication and data-sharing processes to strengthen decision-making and trust across division leadership.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Division Counsel advised the Superintendent, senior administrators, and other Division staff regarding legal issues related to local government law, relevant student privacy laws, property acquisition, procurement, contracts, tort law, and state and federal laws. Reviewed and revised School Board policies and regulations to ensure compliance with state and federal laws, and provide advisement on clarity and consistency across all policies and regulations,
- Collaborated with Human Resource and Talent Development to attract highly qualified candidates; and engaged in collaboration around affinity groups and how they may empower both new and prospective candidates,
- Continued to maintain high standards of conduct and ethics by supporting internal audit staff to meet and exceed mandatory continued professional education,
- Provided a confidential, informal and impartial space for 320 employee contacts to share their concerns and gain understanding of possible pathways for resolution,
- Provided safety and security training to all schools and School Resource Officers (SROs) including a large-scale active assailant and reunification exercise,
- Supported staff with training and project management to ensure division-level initiatives are carried out,

- Advanced the OAG's Quality Assurance and Improvement Program to maintain compliance with professional standards and enhance audit efficiency,
- Supported continuous staff development to ensure audit engagements were executed with rigor and independence, and
- Collaborated with division leadership to promote best practices in governance and internal controls.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Coordinated the review of School Board policies through a transparent and collaborative policy review process,
- Oversaw the annual audit of appropriated funds and school activity funds by an independent auditing firm,
- Worked toward increased attention to communication and collaboration with the Special Education Advisory Committee (SEAC), school-based special education designees, and families of students with disabilities,
- Continued to develop and challenge teams and task forces to address specific and global issues such as an advanced energy task force, Principals Safety Task Force, and Loudoun County General Services Team,
- Assisted in advising on the implementation of the Memorandum of Understanding executed between the School Division and local law-enforcement to ensure student safety and identified areas to be addressed in future iterations. Collaborated closely with the Office of Safety & Security and the Office of School Administration to ensure student safety and security,
- Collaborated with grade level teams, content specialists, and content teams on culturally responsive sustaining instruction and culturally responsive learning environments,
- Performed audits that enhance school safety and security measures and promote an environment where students can safely participate in school activities, while continuing to support LCPS staff in their efforts to deliver a free and appropriate education to all students within the division,
- Standardized the Office of the Ombuds practices under the International Ombuds Association Code of Ethics to provide a space for straightforward communication and building trust between LCPS and constituents, including 131 family and 5 student contacts,
- Created new school based See Something Say Something posters with a built in QR code for easy anonymous student reporting,
- Completed a pilot to determine the benefit of AI video analytics for our security cameras,
- Conducted a reunification exercise and security training for school administrators and SROs,
- Created a clear bag Standard Operating Procedure (SOP) for varsity football games,
- Supported staff with training and project management to ensure division-level initiatives are carried out,
- Enhanced transparency in budget and policy processes to build trust and accountability, and
- Provided recommendations to improve internal processes and resource alignment for greater operational efficiency.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Collaborated with local law enforcement to review and propose changes to the existing Memorandum of Understanding and to continue to improve communications and develop relationships that enhance partnerships critical to managing incidents at schools and the community,
- Developed standard reporting expectations and procedures for listening structures,
- Collaborated with the School Board and the Department of Communications and Community Engagement to further the interests of transparency and inform meaningful notifications, newsletters, and other communications to build relationships with families and the community,

- Co-facilitated with the division of family engagement, coordinated learning for leadership on the importance of family engagement, and further developed working relationships that previously existed; and collaborated with multiple external stakeholders bridging the lines of effort when addressing strategic initiatives,
- Continued to strengthen relationships with LCPS families through the 'My Concern Is' hotline, offering opportunities for community conversations across the division, especially on topics and practices where perspectives differ. Also provided support for community outreach programs,
- Promoted the Office of the Ombuds through internal and external outreach opportunities to expand the understanding of the informal resource within the broader LCPS community,
- Created age-appropriate video addressing lockdown best practices for elementary students and parents,
- Facilitated and served as a team member for Student Town Halls,
- Increased transparency by supporting initiatives that improve access to information for families and community stakeholders,
- Promoted trust-building through audit activities that informed decision-making and strengthened governance practices, and
- Supported efforts to expand stakeholder engagement in key division decisions.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Provide sound advice regarding issues related to students' rights, civil rights, and education,
- Design and provide guidance on culturally responsive instructional practices that support LCPS students, and facilitate the Student Equity Ambassadors program as an opportunity to obtain student voices and utilize student input and feedback to create equitable and culturally responsive schools,
- Provide audit engagements that support the One LCPS strategic goals by systematically evaluating and improving the effectiveness of risk management, control, and governance, while promoting best practices,
- Create more outreach efforts to student groups at the secondary level to spread awareness of the Office of the Ombuds as a resource for them directly and for their families,
- Promote the importance of See Something Say Something and how to report concerning information,
- Continue to support projects focused on student needs,
- Provide audit engagements that evaluate systems supporting student safety, equity, and access to high-quality learning environments,
- Promote improvements in processes that enhance collaboration among staff to ensure equitable opportunities for all students, and
- Support initiatives that strengthen communication and transparency across the division.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Visit all schools and county-wide facilities to promote relationships,
- Schedule formal and informal meetings with various stakeholders to listen and learn about the perceptions and challenges facing the division as well as its strengths and solutions for meeting the strategic objectives,
- Leverage collaboration across the various Departments across the Division to ensure consistent and compliant legal practices while executing upon LCPS' mission and goals. Continue to educate senior administrators and staff

on applicable laws and regulations, and provide guidance on the application of those laws and regulations, as well as on the implementation of School Board policies and regulations,

- Create and deliver continuous opportunities for professional learning through differentiated professional development and training; and coach, guide, and serve as a thought-partner to all employee groups with the goal of applying a lens of cultural responsiveness in all interactions,
- Enhance the continuous improvement of the OAG operations through its Quality Assurance and Improvement Program, focusing on compliance with standards, enhancing audit effectiveness and efficiency, developing staff, maintaining independence, and aligning audit activities with organizational goals,
- Develop and expand professional development and coaching opportunities for division leaders to support informal conflict resolution in the workplace,
- Provide security and emergency management training opportunities for staff,
- Serve on committees to strengthen teacher ownership and agency in professional learning,
- Enhance the OAG's Quality Assurance and Improvement Program to further improve audit effectiveness and efficiency,
- Deliver professional development opportunities to strengthen audit methodologies and maintain independence, and
- Collaborate with leadership to align audit activities with organizational goals and strategic priorities.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Review processes and procedures for student enrollment projections, building use and capacity and utilization as well as staffing standards to identify areas for improvement, efficiency and effectiveness,
- Analyze the budget development process and timeline, operating budgets and capital improvement program,
- Work collaboratively with the School Board to consider improvements to communication and governance practices, and with the county administrator to optimize the budget process and suggest revisions,
- Ensure applicable legal authority concerning the safety and security of students and staff is followed and executed across the Division. Assist with advising upon resources, through applicable agreements and policies, to maintain inclusive, safe, caring and rigorous learning environments, and provide legal guidance,
- Implement the LCPS Culturally Responsive Framework to foster welcoming, inclusive, and supportive learning environments. This includes deepening collaboration with the Department of Academics and the Office of School Improvement to enhance data-informed Professional Learning Communities for school leaders and staff, while also working closely with the Department of Student Services to provide targeted support through Unified Mental Health Teams in response to incidents of hate speech or racial slurs,
- Perform audits that enhance school safety and promote an environment where students can safely participate in school activities,
- Provide an Ombuds annual report to the superintendent and School Board to support a culture of continuous improvement,
- Conduct metal detector pilot to evaluate any potential benefits,
- Strategically onboard schools with AI security camera video analytics,
- Provide increased school security officer coverage for LCPS schools,
- Provide support to the Legislative, Audit and Policy Committee,
- Perform audits that reinforce safety and security measures across schools and facilities,
- Provide recommendations to improve operational processes and resource allocation for greater efficiency, and
- Support governance practices that promote accountability and continuous improvement.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Cultivate meaningful relationships with local officials (legislators, Board of Supervisors, etc.) and work to collaborate on shared interests,
- Work with local law enforcement and continue to collaborate on and monitor best practices for safety and security,
- Build and apply the fundamentals of equitable family engagement through professional learning; and facilitate opportunities for school leaders and Equity Leads to promote ongoing family engagement and connection opportunities through the hosting of school events and school community supports; and engage and serve as a resource and point of contact to the Equity Council and Minority Student Achievement Advisory Committee, and seek to engage with parents/families and /or encourage participation in other important stakeholder groups SEAC, and Loudoun Education Alliance of Parents as well,
- Participate in and support community outreach programs while strengthening relationships with families and the community across the division, offering opportunities for conversations on topics and practices,
- Elevate patterns and themes as they arise within the Office of the Ombuds data to support inclusiveness and understanding of differing perspectives; and increase outreach to community agency partners, multilingual families, and those offices that support multilingual families,
- Provide community resources to assist parents with student safety and security issues,
- Support all divisions, departments, and offices with implementing the Strategic Plan,
- Increase transparency through audit reporting that informs stakeholders and strengthens trust,
- Support initiatives that expand community engagement in decision-making processes, and
- Promote equitable access to information for families and community partners.

DEPARTMENT OF SUPPORT SERVICES

DEPARTMENT SUMMARY

The Department of Support Services includes the Divisions of Chief Operations Office, Construction Services, Facilities Operations, Environmental Health and Safety, Facilities Financial, Management and Coordination, Planning and Geographic Information Systems (GIS) Services, Sustainability, and Transportation Services. Support Services provides the physical environment in which all students learn and where LCPS administration, staff, and faculty deliver instruction. We design, build, maintain, serve, and support safe, comfortable, well-maintained educational facilities and grounds, and safe student transportation. As stewards of the public trust, the Department of Support Services prides itself on our sustainability and energy conservation efforts as part of our culture in LCPS.

The Office of the Chief Operations Officer within the Department of Support Services provides guidance and direction to all Support Services divisions. Significant successes and continued programs focus on collaboration, teamwork, and workplace climate. Specific inward-facing emphases include interdivisional collaboration, as well as cross-departmental projects and initiatives. Outward-facing initiatives include extensive collaboration with the County of Loudoun, the seven incorporated towns within Loudoun County, as well as state and federal agencies. Specific focus areas include facility design and renovation, as well as operational improvements, transportation efficiency, and sustainability, including communication with the broader Loudoun County community.

The Division of Construction Services manages the architectural, engineering, and construction processes for the design and implementation of the projects in the Capital Improvements Program (CIP) and provides system-wide technical guidance and assistance for renovation and conversion activities at existing facilities.

The Facilities Operations Division provides maintenance, energy management, custodial, and plant operation services at all of LCPS' 13.5 million square feet of schools and support facilities to include: routine and emergency facility maintenance, routine and emergency equipment repairs; built infrastructure preventive maintenance; energy conservation and utility management; grounds maintenance; maintenance services contract management; integrated pest management; turf management services; management and execution of the Capital Asset Preservation Program (CAPP); management of custodial services including training and assignments of custodians; ordering and delivery of custodial equipment and consumable supplies; collection of municipal solid waste for LCPS and County of Loudoun sites; collection of recyclable materials for LCPS and select County of Loudoun sites; snow removal operations and other weather related emergency services and various other services as required for the safe, efficient operation and maintenance of all LCPS facilities and grounds.

The Environmental Health and Safety (EHS) Division focuses on compliance with regulatory developments in the areas of environmental health and safety. This includes policies, regulations and processes set by Virginia Department of Occupational Safety and Health, Virginia Department of Environmental Quality, and Virginia Department of Health and other agencies. EHS provides oversight and support to all schools and LCPS support facilities and all LCPS employees.

The Facilities Financial Division is responsible for fiscal support of the divisions of Construction Services, Facilities Operations, and Environmental Health and Safety. The Facilities Finance team provides financial management of the CIP and CAPP budgets, as well as managing the Facilities Operations and Maintenance budget.

DEPARTMENT OF SUPPORT SERVICES

The Division of Management and Coordination provides project and program support to the Chief Operations Office, Divisions of Construction Services, Facilities Operations, Facilities Financial, Environmental Health and Safety, Planning and GIS Services and Transportation Services. The Division of Management and Coordination fosters collaboration between divisions and departments and sets clear processes for the entire department and LCPS. Key cross-divisional processes managed include budget development, policy analysis and review, the Property Improvement Review Team (PIRT), playground inspection and project oversight, and the management of the use of LCPS facilities district-wide. The Administration Building Operations Office, the Office of Facility Use Management, and the Distribution Center are also part of the Division of Management and Coordination

The Division of Planning and GIS Services is responsible for developing annual student enrollment projections, facilitating school attendance zone change processes, preparing the CIP and CAPP budget documents, coordinating school site acquisition, managing requisite LCPS land use applications, monitoring facility asset planning and providing demographic and geographic information relating to Loudoun's public-school population.

The Division of Transportation provides student-focused transportation efficiently and in a safe environment for all eligible LCPS students. Well-trained personnel consisting of bus drivers and attendants as well as support staff utilize a fleet of school buses that travel 8.4 million miles a year. In addition to home-to-school bus transportation, services are provided for field and athletic trips, special needs students, alternative education programs, and other such services required by LCPS students. Traffic and pedestrian safety responsibilities for the school district are included in this division. The division also provides maintenance for all LCPS vehicles including school buses, facilities operations vehicles, and other support vehicles.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

FY27 CHANGES

Ongoing Investments and New Investments

Goal 1 – Investing in Our Empowered Students

Boys' Volleyball (\$56,000 // 0.0 FTE): Transportation to competitions for boys' volleyball. Boys' volleyball as a funded sport supports equity, rising student interest, and growing statewide popularity. It offers male athletes' competitive opportunities and boosts school spirit and community engagement.

Girls' Flag Football (\$17,000 // 0.0 FTE): Transportation to competitions for girls' flag football. Girls' flag football offers an emerging opportunity to expand athletic involvement and promote gender equity within LCPS, aligning with national momentum and the sport's upcoming debut in the 2028 Olympics.

Girls' Wrestling (\$88,000 // 0.0 FTE): Transportation to competitions for girls' wrestling. Girls' wrestling promotes equity, meets rising demand, and supports student growth through athletics, leadership, and community engagement.

Goal 3 – Investing in Our Enriched Division

Additional Lead Head Custodians (\$335,689 // 3.0 FTE): Additional Lead Head Custodians to increase custodial program oversight, enhance quality and reduce discipline issues and overtime usage.

Staffing Standard Enhancement-Custodian ((\$1,225,604) // (17.0) FTE): Adjustment to the LCPS staffing ratio currently used for Custodians, changing from 19,708 square feet to 20,750 square feet of space cleaned per Custodian.

Support for Sustainability Goals (\$196,301 // 1.0 FTE): New Specialist to support promotion and implementation of LCPS's sustainability goals.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures. All proposed FTE changes are based on either the School Board's adopted staffing standards, proposed enhancements to those staffing standards, or as proposed ongoing and new investments in our empowered students, exemplary staff, or engaged division.

Personnel

Personnel is comprised of salaries and benefits for the full-time positions listed in the staffing table below, which includes investment FTE changes and an increase of 29.0 FTE from staffing standard calculations. The FY27 budget increase reflects the FY26 Step and Cost of Living Adjustment (COLA).

Non-FTE Salaries include part-time, overtime and classified substitutes for custodial and maintenance staff as well as for bus drivers, bus attendants and garage employees during periods of peak workloads and summer hours. This includes stipends for Green Team Leads.

DEPARTMENT OF SUPPORT SERVICES

Operations and Maintenance

Operations and Maintenance expenditures provide materials, supplies, and equipment to support the daily operations of the school division.

This category includes expenditures for professional membership fees, travel, materials and supplies for the Chief Operations Officer and staff. The Chief Operations Officer participates in professional development regarding industry trends and methods of operations and thus has memberships in various local and national organizations relative to support services operations.

The Facilities Operations and Maintenance expenditures provide cleaning services and supplies; built infrastructure equipment maintenance and repair, operating supplies and replacement parts and service support contracts for all LCPS schools and support facilities; environmental health and safety supplies, equipment and testing; and all utility services and energy conservation programs.

Management and Coordination use Operations and Maintenance expenditures for the continued development and operation of the Facility Use program, PIRT, and the ongoing operations of both the Distribution Center and the Administration Building, as well as project and program management support across the department, as needed. It provides for the continued oversight, training, and education associated with the automated facility use application and community use portal. Within the Administration Building, funding supports daily operations of all shared meeting space, including the school board and first floor rooms, as well as significant operations in both the mail room and copy center, which support all schools and administrative facilities across LCPS. Funding also supports all warehousing and internal ordering and delivery operations for furniture, paper, and other supplies.

The Division of Planning and GIS Services' Operation and Maintenance expenditures provide resources, data analytics and materials needed throughout the year to forecast student enrollment projections, facilitate school attendance zone adjustments, prepare the capital budgets, coordinate school sites acquisition, prepare land use and legislative applications for new and existing LCPS facilities, and develop geographic information, maps and content to provide student demographics, facility site analytics and asset planning for the school system.

Operations and Maintenance expenditures for Transportation supports the repair, maintenance, and fuel for all motor vehicles operated by LCPS, and repair and maintenance for all video, Global Positioning System (GPS), and other equipment. Funding also supports mandatory training and health screening for new and existing employees within the Division of Transportation. Requested funding also supports after-school activity buses, athletic and extracurricular trips, and special needs programs.

Capital Outlay

Capital Outlay funds provide major items of equipment that cost in excess of \$5,000, office furniture for new FTE as needed, subscription-based IT software, and also cover the cost of leases, including associated maintenance charges and real estate taxes. The increase for FY27 includes anticipated increases in the cost of equipment, leased communication towers, furniture replacement, and cafeteria replacements.

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable, critical thinkers, communicators, collaborators, creators and contributors.

- Completed the LCPS Green Teams Program Pilot, which explored the feasibility, potential impacts and challenges of establishing a division-wide program to support school-based sustainability efforts by LCPS students and educators. A total of 25 schools participated in the pilot. FY25 Green Teams directly engaged 2,600 students; Green Team projects benefited more than 14,000 students, and
- Expanded the LCPS Green Teams program from 25 to 60 schools in FY26, empowering *more* students and educators to collaboratively explore and address sustainability and environmental challenges in their schools and communities.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Partnered with the Science Office, Department of Teaching and Learning, to co-facilitate a year-long curriculum cohort that empowered LCPS educators to create Meaningful Watershed Educational Experiences (MWEEs) for grades K-3. Lessons are accompanied by kits of durable materials and supplies that support implementation. Professional development opportunities for LCPS classroom teachers, co-led by the division's own MWEE creators, are ongoing in FY26,
- Designed and facilitated regular gatherings for LCPS Green Team Leads, creating a cohort experience that promoted networking and knowledge sharing while also building educator skills, competencies and confidence in connecting student learning and sustainable practices, and
- Completed a collaborative reflection and visioning process that combined staff voices and perspectives from across the department to create a one-page shared vision for LCPS Support Services.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Completed construction and opened Watson Mountain MS and Henrietta Lacks ES,
- Began construction for HS-14, Banneker ES Addition and Renovation, and Park View HS replacement projects,
- Continued oversight of the Facility Use of School Buildings and Grounds program, including working directly with school administrators and over 900 community organizations on more than 214,000 events during FY25,
- Hosted two elections, in November 2024 and June 2025, at 82 LCPS schools and facilities in collaboration with the County Office of Elections,
- Assisted schools with review of more than 750 school improvement and modification project requests through the PIRT,
- Supported school operations through the shared district mail room and copy center services hosted at the LCPS Administration Building,
- Continued the expansion of inclusive playgrounds across the school division, including program oversight, and constructing 12 new playgrounds annually until all elementary school campuses are completed,
- Managed leased spaces across the school division,
- Served as building administrator and oversaw visitor management for the Administration Building and the Historic Douglass High School Education and Development Campus, including coordination with all divisions and programs resident in the building,

- Continued to generate revenue through the online auction of surplus equipment. The LCPS online auction has processed the sale of more than \$2.9 million in items, including FY25 sales of \$287,000 across 4,037 items,
- Operated the LCPS courier system making 117 stops per business day to deliver interoffice mail and items, for a total of more than 20,000 stops annually,
- Made more than 5,200 deliveries or pickups from LCPS schools and facilities, including keeping schools stocked with paper, delivering furniture, picking up red tag items, delivering instructional and technology items, exchanging student records, facilitating teacher moves, and more,
- Replaced or augmented furniture in 10 cafeterias through the furniture lifecycle management and project managed all furniture selection,
- Certified LCPS as an Environmental Protection Agency (EPA) Lead-Safe Certified Firm demonstrating that the school division has been authorized by the EPA to run a lead-based paint program that complies with environmental and safety standards for assessment, inspection, repair, renovation and remediation of lead paint,
- Launched public facing website to allow better transparency and more accessibility to information on water quality, potential hazardous materials in buildings (lead paint and asbestos), and indoor air quality process information (including radon management information),
- Expanded training efforts to school-based staff. Provided First Aid, CPR/AED refresher training to 42 school resource officers. Issued 53 OSHA-10 training cards to Career, Technical and Adult Education (CTAE) staff for successful completion of 10 hours of training meeting the OSHA's curriculum for general industry safety training,
- Forecasted division enrollment within 98 percent of September 30, 2024 (FY25) actual membership of 81,257 students,
- Secured legislative approval (Commission Permit) for an Eastern Loudoun Student Welcome Center,
- Secured legislative approval (Minor Special Exception) for the Banneker ES Addition and Renovation project,
- Identified a location, in coordination with the County of Loudoun and Board of Supervisors, for the Vocation Independence Employment and Work Readiness (VIEW) Transition Academy,
- Continued implementation of a federal Safe Routes to School (SRTS) grant project for Countryside ES in collaboration with the Virginia Department of Transportation,
- Published a series of Esri ArcGIS online maps and content to facilitate location analytics, student demographics and asset planning,
- Provided operational support, preventative maintenance, grounds maintenance, and corrective maintenance in support of instructional activities,
- Completed critical systems renewals of Algonkian ES and Cool Spring ES, replacing all mechanical, electrical, and plumbing systems along with installing light emitting diode (LED) lighting and adding fire suppression systems,
- Completed 189 projects throughout the division including roofing, Heating Ventilation and Air-Conditioning (HVAC) equipment, athletic turf field, security camera, fire alarm, carpet, and cabinetry replacements, parking lot repairs, LED lighting upgrades, and interior painting,
- Completed a project to install fencing around all elementary school play areas to promote inclusivity and prevent child elopement, and
- Initiated a pilot project, as part of a restroom security initiative, installing technology at seven schools to monitor vaping, smoking, over capacity, and emergency situations in student restrooms.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Facilitated the process to review and revise Dulles South area secondary school attendance zones, as well as one individual abbreviated elementary school attendance zone process, as outlined by School Board Policy and

Regulation 6530,

- Continued review of all school names, supporting the School Board's consideration and renaming of Frances Hazel Reid ES and Mercer MS,
- Nominated, in collaboration with the County of Loudoun, The Historic Douglass High School Education and Development Campus for inclusion in the African American Civil Rights Network (AACORN),
- Continued coordination with Loudoun County Parks, Recreation and Community Services in preparation for their land development applications for a Dulles South Community Park (adjacent to Lightridge HS/Hovatter ES property) and the redevelopment of Mickie Gordon Park (LCPS property leased by Loudoun County),
- Assessed and provided comment to Loudoun County and Town staff and elected officials on land development applications, outlining the operational and capital impacts of proposed residential projects on LCPS, and making the referral comments accessible by the greater Loudoun community through an in-house designed public-facing platform,
- Organized and co-hosted an Environmental Partners Roundtable that engaged more than 70 individuals from community organizations to share their insight and recommendations re: environmental literacy planning for LCPS, and
- Served as an organizing partner for the annual Student Environmental Action Showcase (SEAS), which celebrates student inquiry and action around environmental challenges in Loudoun County.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Expand dedicated support for Special Programs and extracurricular activities,
- Provide transportation services to the students of LCPS in a safe and efficient manner,
- Promote student inquiry and action around sustainability and the environment via the facilitation of the LCPS Green Teams Program,
- Elevate student leadership and voice around sustainability and the environment through the establishment of a Student Sustainability Council (and related activities), and
- Engage students as designers in participatory planning exercises aimed at improving outdoor learning spaces across LCPS campuses.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue expanding and improving driver recruitment and retention plan, including robust incentives and retention programs,
- Recognize and reward employees for achievement, exceptional work, positive attitudes, loyalty, and leadership abilities to increase productivity and contribute to a positive work environment through monthly focus groups and Town Halls,
- Provide training and professional development opportunities to all staff, and
- Provide mentorship and ladders of opportunity to all staff.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Begin construction for HS-14, Banneker ES Addition and Renovation, and Park View HS Replacement project,
- Implement a new Job Order Contracting (JOC) program for LCPS. This will allow the Division to better control construction pricing and scheduling for smaller projects,
- Complete Phase 2 of the Facility Condition Assessment (FCA) Project,
- Update design guidelines, educational specification, and technical specifications utilizing “lessons learned” and a “360 feedback” strategy on completed projects,
- Expand the Alternative-Fueled Bus Pilot Program with additional electric buses as well as propane buses,
- Review and evaluate bus routes and walk zones for safety and efficiency of resources,
- Further expand inclusive playgrounds across the school division through the CAPP and CIP counts as approved by the School Board, to include a minimum of 12 additional inclusive playgrounds during FY27,
- Continue providing elections space management, copy center, mail room, distribution and delivery operations, school-requested property improvement project review and leased space management for programs and schools across LCPS, as well as auction and building administration services,
- Expand assessment of existing furniture and life cycle replacement of classroom furniture to enhance student learning environments,
- Further expand the training and education efforts to school-based staff. Work to be included annually as part of professional development efforts for higher occupational safety risk groups (Science, Fine Arts, and CTAE),
- Continue to improve and expand water program initiatives. Work towards the implementation of guidelines under the Lead and Copper Rule Improvements that were passed in October 2024 and will go into effect in 2027 including getting information on compliance to the public website, working with local suppliers on plans for testing and communication efforts,
- Develop a new Intranet site with staff resources for Hazard Communication, Safety Procedures and Fire Code Resources,
- Secure legislative approvals (Commission Permit and Special Exception) for a Public Utility Service Center (Joint Use Service and Storage Facility) the VIEW Transition Academy, and Waterford ES Addition and Renovation projects,
- Initiate and facilitate legislative requirements for land acquisition and school construction (e.g., zoning changes, special exceptions, modifications, commission permits) for new and existing LCPS facilities, as identified in the School Board adopted capital budget,
- Facilitate and maintain data integration between Loudoun County’s Office of Mapping and Geographic Information, Loudoun’s land management system (LandMARC) and the LCPS student information system (Phoenix),
- Integrate Esri technology and LCPS GIS with the latest cloud-based technologies to allow for greater use of shared information from desktop software to browser, tablet and smartphone applications throughout various LCPS departments,
- Provide operational support, preventative maintenance, grounds maintenance, and corrective maintenance in support of instructional activities,
- Installation of geothermal well fields at Potowmack ES, Sanders Corner ES, and Farmwell Station MS in support of FY2027 CSR,
- Complete installation of technology to monitor vaping, smoking, over capacity, and emergency situations in student restrooms,

- Design, facilitate and/or re-energize cross-departmental, collaborative campaigns that integrate sustainability and sustainable practices into LCPS operations – e.g., recycling, energy conservation, school gardens, and food recovery, and
- Initiate a participatory planning process that explores improvements to outdoor learning spaces across LCPS campuses while also ensuring that access to those spaces is equitable across the division and inclusive of all LCPS learners.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Expand opportunities to engage with students, staff, and the community-at-large to ensure Support Services is providing the best service possible with the lowest impact on the community,
- Continue registering and assisting community organizations through the Facility Use of School Buildings and Grounds program, including the upkeep of program websites and documentation and assistance with questions,
- Support the School Board in the facilitation, review, and change of attendance zones as outlined by School Board Policy and Regulation 6530,
- Disseminate and communicate information regarding student enrollment projections, school attendance zones, the capital budgets, school site acquisition and other planning-related topics to the School Board, School and County/Town staff as well as members of the public,
- Develop further avenues of communication and cooperation between LCPS and local, state and federal regulatory agencies to identify issues that influence Loudoun's capital facility projects and/or land acquisition for future facility needs,
- Complete the review of all LCPS facility names, supporting the School Board's plan to combat systemic racism including the facilitation of any School Board-initiated facility renaming processes, and
- Monitor and provide comment to the Town of Leesburg Planning Commission and Council on the Leesburg Zoning Ordinance rewrite, specific to LCPS properties and capital projects.

DEPARTMENT SUMMARY

The role of the Department of Teaching and Learning (DTL) is to provide support to school and division staff in their work of implementing the LCPS mission of empowering all students to make meaningful contributions to the world. DTL provides resources, structures, and support to ensure students have diverse and accessible opportunities to develop as knowledgeable critical thinkers, collaborators, communicators, creators, and contributors.

DTL provides leadership and support in many areas, including:

- Identifying significant content and important competencies for students to know and be able to do,
- Supporting teachers in implementing the LCPS Instructional Framework,
- Engaging parents, business partners, and community members,
- Supporting and improving teaching and learning,
- Providing equitable educational experiences for all students,
- Providing ongoing high quality professional learning to all instructional staff, and
- Ensuring system answerability and internal accountability.

The major efforts for the upcoming year are:

- Work toward meeting the goals of the One LCPS: 2027 Strategic Plan for Excellence,
- Enhance the LCPS Instructional Framework, through the development and implementation of additional resources and professional learning for teachers and administrators,
- Support teachers by streamlining and reorganizing curriculum documents across all content areas to align with curriculum audit recommendations,
- Continue emphasis on building teacher capacity for providing high-quality learning experiences for all students through ongoing professional learning,
- Continue emphasis on leveraging technology and available resources to support instruction,
- Expand focus on literacy for all students through continued support for K-8 literacy materials,
- Support teachers in implementing the new K-12 Social Science and Global Studies resources,
- Focus on expanding learning opportunities for students in the form of special programs and academies, such as International Baccalaureate, Global and Linguistic Studies, Dual Language Immersion, and pipeline programs such as Bridge to Enter Advanced Mathematics (BEAM) and Propel and Level Up, dual enrollment opportunities, and core instruction,
- Focus on closing achievement and opportunity gaps for students with disabilities, English learners, and economically disadvantaged students,
- Continue to provide high-quality professional learning around instructional technology integration, including building capacity around Artificial Intelligence, and
- Increase opportunities for Career and Technical Education expansion and attainment of workforce preparation pathways (e.g. industry-recognized credentials and high-quality work-based learning).

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

FY27 CHANGES

Ongoing Investments and New Investments

Goal 1 – Investing in Our Empowered Students

Academy of Global and Linguistic Studies (\$424,470 // 3.0 FTE): 2.0 new World Language teacher positions in Arabic and Chinese and 1.0 Content Specialist for Global Education to launch AGLS in Fall 2026.

Additional Math Resource Teachers (\$1,363,596 // 10.0 FTE): The Math Resource Teacher position strengthens math instruction and accelerates student learning in schools with identified gaps.

CTE Student Fees (\$250,000 // 0.0 FTE): Increase funding for CTE student course fees based on FY25/26 enrollments and cost of ACL for Equipment and Supplies.

Dual Language Immersion – 3rd Grade Expansion (\$147,562 // 2.0 FTE): Continued expansion of Dual Language Immersion (DLI) into third grade with an additional 1.0 Language Ambassador at Sanders Corner Elementary as well as an additional 1.0 Language Ambassador at Potowmack Elementary as that program transitions away from a regional model to a school-priority model.

Dual Language Immersion (DLI) – School Priority (\$71,735 // 1.0 FTE): Expand Dual Language Immersion – School Priority, beginning in kindergarten. 1.0 FTE reassigned from Teacher Assistant, Kindergarten from the Department of School Leadership to Language Ambassador.

Expanding EL Support (\$545,439 // 4.0 FTE): Enhance support for English Learners across elementary and secondary schools and support professional learning by expanding staffing capacity and aligning roles to school needs and instructional priorities. Add an additional 1.0 FTE EL Elementary Instructional Facilitator, 2.0 FTE EL Secondary Instructional Facilitator, and 1.0 FTE EL Professional Learning Content Specialist.

FTE Reallocation to Support Staffing Standard Enhancement (\$17,383 // 0.0 FTE): Reallocation of 6.0 FTE from DLI Teacher to Elementary Librarian to move toward Aspirational Goal of 1.0 Elementary Librarian FTE per 22 classrooms district wide.

JROTC: Army National Defense Cadet Corp (NDCC) Expansion (\$300,000 // 0.0 FTE): Expansion of JROTC program through a National Defense Cadet Corps program.

Performing Arts Course Fee Elimination (\$338,670 // 0.0 FTE): Remove fees for Visual and Performing Arts classes to fully cover the cost of required materials that are sometimes passed on to families by increasing related allotments for the courses.

DEPARTMENT OF TEACHING AND LEARNING

Reallocation of FTE ((\$42,070) // 0.0 FTE): Reallocation of 1.0 FTE from Content Specialist, Aerospace (248-day contract) to Content Specialist, Science Outreach (217-day contract). The new position will expand real-world science learning by coordinating field experiences, leading environmental literacy initiatives, and strengthening the Regional Science and Engineering Fair. Will also serve as a primary liaison with the Northern Virginia Science Center.

Staffing Standard Enhancement - Division Instructional Coach (\$1,090,877 // 8.0 FTE): Additional Division Instructional Coaches toward an aspirational goal of one per school.

Staffing Standard Enhancement – Teacher, EL Elementary School (\$2,691,158 // 23.5 FTE): This enhancement impacts all elementary grades - Kindergarten through Grade 5 – and establishes 1.0 FTE per 28 students WIDA English Proficiency Levels 1-2 and 1.0 FTE per 33 students WIDA English Proficiency Levels 3-5. This enhancement is a step toward achieving the published aspirational goal.

Staffing Standard Enhancement – Teacher, EL Middle School (\$936,443 // 8.0 FTE): Adds 8.0 discretionary FTE to staffing standard for needed EL support in Middle Schools.

Goal 2 – Investing in Our Exemplary Staff

Contract Change ((\$407,768) // 0.0 FTE): Changes the number of contract days for Division Instructional Coaches, Mathematics Resource Teachers, and Science Resource Teachers from 217 days to 207 days.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures. All proposed FTE changes are based on either the School Board's adopted staffing standards, proposed enhancements to those staffing standards, or as proposed ongoing new investments in our empowered students, exemplary staff, or engaged division.

Personnel

Personnel is comprised of salaries and benefits for the full-time positions listed in the staffing table below, which includes investment changes and a decrease of (57.7) FTE from staffing standard calculations. The FY27 budget increase includes the FY26 Step and Cost of Living Adjustment.

Non-FTE salaries include part time, overtime, extra-curricular expenses, compensation for substitute teachers, and Teacher stipends.

Operations and Maintenance

Operations and Maintenance (O&M) expenditures are essential for providing the materials, supplies, and equipment necessary to support the Department's daily operations and staff professional development. O&M provides schools with a range of allotments, covering areas such as music, library services, art, performing arts, instructional resources, and professional learning. Additionally, expenditures for Career and Technical Education are included in O&M. This encompasses funds for the Health and Medical Sciences program, as well as the repair, replacement, and maintenance of various labs and classrooms. It also includes funds for high school industry credentials. The Performing Arts allotment is increasing to eliminate the student fees in Visual and Performing Arts courses.

DEPARTMENT OF TEACHING AND LEARNING

Capital Outlay

Capital Outlay funds provide major items of equipment that cost in excess of \$5,000. There are no changes to Capital Outlay proposed for Teaching and Learning in FY27.

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Developed professional learning, resources, and tools to support the LCPS Profile of a Graduate and the LCPS instructional framework in schools,
- Exceeded the 2024 Goal 1 targets for student proficiency on Standards of Learning assessments in writing (90%) and math (79%),
- Continued support for the LCPS BEAM program, with 91% participating seventh graders and 88% participating eighth graders enrolling in accelerated math classes after completing the program,
- Exceeded the Empowering Diversity in Gifted Education (EDGE) program's participation goal by increasing student participation from the target of 8% to 9%,
- Exceeded the Advanced Placement participation goal by increasing student participation from the target of 45% to 47%, and
- Achieved the 2024 Goal 1 target of 26% of students participating in Dual Enrollment coursework.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue to provide professional learning opportunities for EL and general education teachers, and administrators to include English Language Development (ELD) standards and Quality Teaching for English Learners (QTEL). Delivered 10 cohorts of ELD Standards and nine QTEL cohorts,
- Partnered with EducateVA through a cross-district initiative to help educators earn their EL certification by providing preparatory classes,
- Created a cohort for candidates seeking National Board Certification. Candidates connected with others seeking certification and receiving targeted support from LCPS National Board-Certified Teacher (NBCT) facilitators,
- 89% of Instructional Facilitators of Technology (IFT) completed the Virginia Society for Technology in Education (VSTE) Certified Coaching program,
- Launched a cohort with George Mason University for 12 LCPS teachers to earn a graduate certificate in English and Dual Enrollment teaching certification,
- Supported 88 teachers in earning certification to teach Advanced Placement courses in English, Mathematics, Science, Social Sciences, Global Studies, World Languages, Music, and Art, and

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Delivered QTEL Cohorts in the spring and fall for select elementary, middle, and high schools. Specifically, delivered three elementary building the base institutes, delivered four secondary building the base English Language Arts, and two secondary building the base math institute,
- Increased the percentage of staff members indicating that school administrators set high expectations of students from 82% to 85%, as measured on the LCPS Annual Stakeholder Survey,
- Increased the percentage of families who believe their child's classrooms have high expectations from 83% to 85% as measured by the LCPS Annual Stakeholder Survey, and
- Maintained consistent high expectations as 96% of elementary students and 95% of middle school students feel teachers and adults expect them to succeed as measured by the LCPS Annual Stakeholder Survey.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Deepened Family Engagement by offering inclusive opportunities for conversation across the division. Specifically, conducted 10 *The Family Room* virtual sessions, with a total of 1,949 participants, provided six in-person *Welcome to LCPS Family Workshops* and two virtual sessions, with a total of 433 attendees, held one in-person Family Resource Fair & Conference event, with a total of 180 participants, facilitated eight Family Feedback Circles, with 31 participants, organized four Student Feedback Circles, with 49 student participants, and conducted two Statewide Family Engagement Roundtables, with 50 attendees.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Continue to update core-content curriculum with ELD Standard exemplars to support the needs of differentiated instructional needs of English Learners,
- Increase high quality work-based learning and industry recognized credential attainment for Career and Technical Education (CTE) students,
- Increase grade 10/11 participation in work-based learning opportunities such as Job-for-a-Day,
- Host 50% of Grade 5 students at the Amazon Web Services (AWS) Think Big Space to engage in computer science and career-connected learning: Realistic, Investigative, Artistic, Social, Enterprising, Conventional (RIASEC),
- Develop a CTE Expansion Plan for new and revised pathways,
- Hold Annual LCPS Workforce Summit with 100 students participating in mock interviews,
- Explore opportunities to provide students' access to Generative Artificial Intelligence (AI) tools to support the learning process,
- Examine data gathered through the launch of Course Planner to identify trends in student course enrollment,
- Refine procedures to ensure changes to the Program of Studies are responsive to student needs and interests while remaining transparent, equitable, and sustainable across all schools,
- Continue to integrate Propel and Level Up programming into the school day to maximize student participation opportunities,
- Expand opportunities for participation in BEAM to 180 students,
- Expand access to World Languages through regional and central approaches to staffing, and
- Increase number of students enrolled in Dual Enrollment, Advanced Placement, and International Baccalaureate courses.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue to expand EL professional learning opportunities for educators of English learners, to include, but not limited to, the ELD Standards and QTEL, while continuing to provide follow-up and feedback to maintain professional growth,
- Refine PowerSchool Professional Learning so it is more user friendly for teachers and administrators,
- Develop a clear structure for organizing professional learning across departments,

- Continue to develop and align division resources, professional learning, and curriculum to the Instructional Framework to improve professional collaboration and build capacity across the division,
- Continue to support candidates seeking national board certification through a cohort. Candidates will connect with others seeking certification and receive targeted support from LCPS National Board Certification Teacher (NBCT) facilitators,
- Pilot and refine development of Teacher Career Pathways to support teachers with opportunities to grow and lead,
- Complete the Instructional Framework by adding descriptors and progressions to the key components and indicators,
- Revise curriculum documents to ensure alignment with the Instructional Framework, and
- Streamline and organize curriculum documents to align with recommendations from the curriculum audit.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Increase the capacity of six internal staff to deliver QTEL training that equips educators with the skills to design and implement rigorous, engaging and student-centered instructional practices designed for diverse groups of students through the QTEL Apprenticeship program,
- Continue collaborations with the Department of Digital Innovation (DDI) to identify opportunities to deepen data privacy practices with the use of online instructional software, and
- Develop and execute a plan for the implementation of the Instructional Framework that includes professional learning, observation and evaluation tools, and instructional resources aligned for school leaders and teachers.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Expand Welcome Center registration services to all LCPS schools with the opening of Welcome Center East,
- Continue to enhance division-wide opportunities for EL families via the EL Family and Community Engagement (FACE) Office programming by increasing participation by 10%, and
- Increase employer participation in School Links, LCPS Workforce Summit, and Job-for-a-Day.

GRANTS

DEPARTMENT SUMMARY

The Grants section of the budget consists of programs that are funded by federal, state, and local sources.

Federal grants include:

- Adult Basic Education
- Carl Perkins IV
- Head Start
- Title I Part A
- Title II Part A
- Title III A- English Learners (EL)
- Title Individuals with Disabilities Act (IDEA)
- Title IDEA (Pre-School Incentive)
- Title X Part C (McKinney-Vento Homeless Assistance Act)

Local grants include:

- Howard Hughes Medical Institute (HHMI)

State grants include:

- Adult Jail Education
- Career & Technical Education (CTE) (equipment, workplace readiness and student credentials)
- Individual Student Alt Ed Program (ISAEP)
- Juvenile Detention Center
- Mentor Teacher and Career Switcher Programs
- Performing and Visual Arts Northwest (PAVAN)
- Project Graduation
- Technology Grant
- Virginia Language and Literacy Screening
- Virginia Pre-School Initiative (VPI) STEP

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

GRANTS

FEDERAL GRANTS

FY27 CHANGES

Ongoing Investments and New Investments

Goal 1 – Investing in Our Empowered Students

Perkins Grant FTE Correction ((\$134,836) // (1.0) FTE): Removal of vacant grant-funded FTE that is no longer being utilized.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department grant managers and the Division of Budget. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and FY27 expected grant awards. All proposed FTE changes are based on either the School Board's adopted staffing standards, proposed enhancements to those staffing standards, or as proposed ongoing and new investments in our empowered students, exemplary staff, or engaged division.

Personnel

Personnel is comprised of salaries and benefits for full-time positions listed in the staffing table, which includes investment changes and the reallocation of 30.0 FTE from the Grant Fund to Operating Fund to reflect the completion of COVID era spend down plan associated with IDEA funds.

Non-FTE Salaries include funding for part-time in Title I Part A, Title II Part A, and Adult Basic Education grants.

Operations and Maintenance

Operations and Maintenance expenditures are essential for providing materials and supplies, staff development and textbooks. The decrease is due to removing Operations and Maintenance expenditures for Title IDEA.

Capital Outlay

Capital Outlay funds are used to focus on the academic achievement of career and technical education students, strengthen connections between secondary and postsecondary education, and improve state and local accountability.

GRANTS

FEDERAL GRANTS

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Adult Education

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- **Increased Student Achievement:** Adult learners needing to pass final subject test had the opportunity to complete their High School Equivalency through additional classes,
- **Language Proficiency:** English Learners (EL) students advanced at least one proficiency level which assisted with career advancement or pursued a High School Equivalency, and
- **Digital Literacy Growth:** EL and General Education Development (GED) students who chose to participate successfully completed digital literacy workshops, strengthening the technology skills they need to thrive in both academic settings and future career opportunities.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- **Professional Excellence:** 100% of instructors and staff participated in professional development focused on Science of Reading and Serving Individuals with Disabilities.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- **Program Expansion:** Added evening and hybrid class options to increase access for working adults.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- **Collaborative Partnerships:** Strengthened partnerships with local libraries and Loudoun Workforce Resource Center to expand student support services, and
- **Community Outreach:** Participated in LCPS and other agency events to promote adult education opportunities, resulting in increased awareness and enrollment.

Carl Perkins IV

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Demonstrated an increase in Job for a Day participation by students,
- Distributed Job for a Day participation more equitably across student groups and schools,
- Standardized business engagement processes and systems such as the LCPS Workforce Toolkit,
- Purchased supplies and equipment for program improvement, and
- Increased participation in Career and Technical Student Organization from previous years.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Planned and hosted an LCPS Workforce Summit with 300+ attendees.
- Continued to foster strong community partnerships through hosting Resource Fairs, participation in community stakeholder meetings to support the comprehensive needs of Head Start students and families, collaboration with a

GRANTS

FEDERAL GRANTS

family literacy program, and collaboration with a performing arts program. These family engagement opportunities met the federal Head Start requirements and provided valuable opportunities to children and families. Access to community resources was measured by parent reports during monthly family follow-up phone calls, and 97% of families reported receiving support from at least one community agency, and

- Restructured the Career and Technical Education Advisory Committee (CTEAC) to include all 17 career clusters.

Head Start

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Set School Readiness Goals for students (aligned with the Head Start Child Outcomes) to support students in their concept development and growth as they prepare for kindergarten. Areas measured include social/emotional, fine motor, language, literacy, math, and science. The desired outcome of growth across all areas measured was achieved.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Provided instructional staff with personalized coaching to support their professional growth regarding positive teacher-student interactions as measured by the Classroom Assessment Scoring System (CLASS) tool. All Head Start classes received a Meets or Exceeds Expectations CLASS quality rating.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Continued to support students' social emotional development with a focus on resilience using the Conscious Discipline curriculum along with the implementation of the LCPS adopted Second Step Early Learning curriculum. The desired outcome of overall growth in the social/emotional domain as measured by the Child Observation Record (COR) was achieved across 3- and 4-year-old students enrolled in the program.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continued to build parent capacity and provided support through monthly Parent Committee meetings, Conscious Discipline Parent Education workshops, and participation in Policy Council. Parents showed gains in Positive Parent Child Relationships on the Scaled Family Assessment Tool, which was the desired outcome, and
- Continued to foster strong community partnerships through hosting Resource Fairs, participation in community stakeholder meetings to support the comprehensive needs of Head Start students and families, collaboration with a family literacy program, and collaboration with a performing arts program. These family engagement opportunities met the federal Head Start requirements and provided valuable opportunities for children and families. Access to community resources was measured by parent reports during monthly family follow-up phone calls, and 91% of families reported receiving support from at least one community agency.

Title I Part A

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Provided supplemental and personalized instruction resulting in 349 students moving from Tier 3 to Tier 1 or 2 and 350 students moving from Tier 2 to Tier 1 based on Fall to Spring Measures of Academic Progress (MAP) reading data.

GRANTS

FEDERAL GRANTS

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Employed seven licensed and endorsed Title I staff, as well as one full-time McKinney-Vento Specialist.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- 100% of Title I schools held Title I annual meetings for families to share the purpose of Title I, rights of parents at Title I schools, and collect feedback on how Title I funds support family engagement.

Title II Part A

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Employed five coaches to support teachers' division-wide, and
- Provided differentiated professional development to 100% of all novice teachers through instructional coaching, as evidenced by instructional coaching logs held within the Mentoring and Coaching Office.

Title III – EL

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Continued to enhance EL student learning experience with differentiated scaffolds for language and content, as well as high rigor via Quality Teaching for English Learners (QTEL) lesson design to include 271 completed English Language Development (ELD) standards,
- All ELD Standards templates have been updated to the new Standards of Learning (SOL) and 370 SOLs have been broken down and have templates created for them, and
- Continued to provide Imagine Learning software licenses of beginning-level ELs and dual-identified ELs at the elementary, middle, and high school levels to support language and literacy growth.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Partnered with EducateVA through a cross-district initiative to help educators earn their EL certification by providing preparatory classes,
- Delivered English Language Development Professional Learning to 48 participants, followed by 86 initial and post-classroom visits to reinforce teacher learning and implementation.
- Continued to deliver professional learning for educators and administrators of Dually Identified students, and
- Continued providing ongoing EL professional learning to strengthen EL instruction for all educators who support English Learners, including—but not limited to—QTEL.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Completed four Family and four Student Feedback Circles, with 83 participants, to support an inclusive and caring learning environment.

GRANTS

FEDERAL GRANTS

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Deepened Family Engagement by offering inclusive opportunities for conversation across the division. Specifically, conducted ten The Family Room virtual sessions with a total of 1,949 participants, provided six in-person Welcome to LCPS Family Workshops and two virtual sessions with a total of 433 attendees, held one in-person EL Family Conference with a total of 180 participants, facilitated four Family Feedback Circles with 31 participants, four Student Feedback Circles with 49 students, and conducted two Statewide Family Engagement Roundtables with 50 attendees, and
- Continued to support the growth and enhancement of the Parents as Educational Partners (PEP) program through a revised curriculum, the addition of a PEP 2.0 curriculum with ten new units, ongoing consultation with PEP instructors, observations, informal evaluations, and family surveys.

Title IDEA

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- The Title VIB grant funded support for 130 special education teachers, enabling them to provide individualized and specially designed instruction to students with disabilities across the division, and
- Delivered instruction tailored to student needs and aligned with both standard and essentialized curriculum standards, ensuring equitable access to rigorous learning opportunities.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Provided two division-wide conference style professional development sessions to support special education teachers and related service providers across LCPS, and
- Engaged in intentional collaboration with departments across LCPS to increase the efficiency and efficacy of the staffing process.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Collaborated with staff and parents across the division to expand access to inclusive playgrounds, ensuring all students have opportunities for play and social interaction, and
- As a division, LCPS began the design phase of The Vocation, Independence, Employment, and Work Readiness (VIEW) Transition Academy, opening in the Fall of 2028.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Maintained strong collaboration with the Special Education Advisory Committee (SEAC) to ensure family and community voices guide decision-making.
- Partnered with local businesses to create unique, real-world learning experiences for students with disabilities across the division.

GRANTS

FEDERAL GRANTS

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Adult Education

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Expand GED Prep workshops to engage and motivate students to earn their High School Equivalency, and
- Broaden English-learner curriculum to increase job-readiness skills and explore career pathways.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Implement Science of Reading strategies for English-language and GED Prep courses.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Apply Trauma-Informed Teaching practices in Adult Education classrooms.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continue outreach work with LCPS departments and Loudoun County organizations.

Carl Perkins IV

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Increase Student attainment of industry recognized credentials across LCPS and among student groups,
- Increase Work-based learning (WBL) participation experiences (e.g. internships, apprenticeships, and job-shadowing), and
- Improve opportunities for career connected learning through Realistic, Investigative, Artistic, Social, Enterprising, and Conventional (RIASEC).

Head Start

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Continue to set School Readiness Goals for students (aligned with the Head Start Child Outcomes) to support students in their concept development and growth as they prepare for kindergarten. Outcomes will be measured three times annually using the corresponding areas of the COR. Expected results include overall growth in each domain leading to increased kindergarten readiness.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue to provide instructional staff with individualized coaching to support their professional growth regarding positive teacher-student interactions as measured by the CLASS tool. Expected results include all classes receiving a Meets or Exceeds CLASS quality rating, and

GRANTS

FEDERAL GRANTS

- Provide teachers with professional development to support the implementation of the Tools of the Mind (TOM) curriculum from a TOM Facilitator. The expected result is that all teachers will complete a year-long fellowship.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Continue to support students' social emotional development with a focus on resilience using the Conscious Discipline curriculum along with the implementation of the LCPS adopted Second Step Early Learning curriculum. The expected results include overall growth in the social/emotional domain as measured by the COR.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continue to build parent capacity and provide support through monthly Parent Committee meetings, Conscious Discipline Parent Education workshops, and participation in Policy Council. The expected results include parents showing gains in Positive Parent Child Relationships on the Scaled Family Assessment Tool, and
- Continue to foster strong community partnerships through hosting Resource Fairs, participation in community stakeholder meetings to support the comprehensive needs of Head Start students and families, and collaboration with a performing arts program. These family engagement opportunities will meet the federal Head Start requirements and provide valuable opportunities for children and families. Expected results include that over 80% of families will report receiving support from at least one community agency.

Title I Part A

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Provide supplemental and personalized instruction to meet the needs of all students as evidenced by increased student achievement proficiency.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Employ highly effective Title I staff to support the needs of the school as identified through the Comprehensive Needs Assessments and School-wide Plans.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Build family capacity to support the academic achievement of their child through conducting various parent involvement trainings, meetings, and experiences.

GRANTS

FEDERAL GRANTS

Title II

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Provide professional development opportunities addressing areas for growth based on comprehensive needs assessment.

Title III – EL

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Continue to enhance EL student learning experience with differentiated scaffolds for language and content, as well as high rigor via QTEL lesson design to include completed ELD standards, and
- Continue to provide Imagine Learning software licenses of beginning-level ELs at the elementary, middle, and high school levels to support language and literacy growth.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue to participate in EducateVA through a cross-district initiative to help educators earn their EL certification by providing preparatory classes to increase the number of EL-certified educators, and
- Continue to provide ongoing professional learning in support of EL instruction to all educators who support English Learners.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Continue to offer Family and Student Feedback Circles and expand opportunities for EL family voice and advocacy via Family Feedback Circles in English, Spanish, Arabic, and Farsi to support meaningful relationships.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continue to enhance division-wide opportunities for EL families through the EL Family and Community Engagement (FACE) Office programming by increasing participation by 15%,
- Continue to deliver English Learner Family Engagement and Immigrant Youth Professional Learning to school-based staff on the following topics: Strengthening relationships between school-based staff and EL families, and fostering welcoming environments,
- Continue to support the growth and enhancement of the PEP program through high quality professional learning for PEP instructors, ongoing consultation and support between EL FACE instructors and PEP instructors, conducting observations and informal evaluations, including families' input through surveys and feedback circles, and
- Collaborate with the Division of FACE by providing knowledge, tools, and resources through the FACE Teacher Cohort.

Title IDEA

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Continue to focus on specially designed instruction and instructional matches to evidence-based curriculum resources.

GRANTS

FEDERAL GRANTS

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue professional development opportunities for Special Education teachers and related services, and
- Increase professional development opportunities to include paraprofessionals/teaching assistants.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Expand opportunities for meaningful inclusion in all settings across LCPS, and
- Increase opportunities for expanded alternative educational opportunities to meet the unique needs of LCPS learners.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Collaborate with SEAC and community business partners to expand transition services for students with disabilities.

FY27 CHANGES

Ongoing Investments and New Investments

No changes to new or ongoing investments are proposed for Local Grant Funds in FY27. Budget changes in this area are instead prioritized to focus on Continuity of Operations.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department grant managers and the Division of Budget. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and FY27 expected grant awards. All proposed FTE changes are based on either the School Board's adopted staffing standards, proposed enhancements to those staffing standards, or as proposed ongoing and new investments in our empowered students, exemplary staff, or engaged division.

Personnel

Personnel is comprised of salaries and benefits for full-time positions listed in the staffing table, which includes investment changes.

The decrease in Non-FTE Salaries is due to part-time funding for teacher salaries in HHMI Science Academy grant is now coming from the operating budget.

Operations and Maintenance

Operations and Maintenance funds are used to support staff education development for scientific research. The increase in Training and Continuing Education is tuition for Geospatial Science course at James Madison University.

Staffing	Adopted FY26 FTE	Revised FY26 FTE	FY27 FTE
Local Grants	6.0	6.0	6.0
Content Specialist	4.5	3.5	3.5
Coordinator, ACCESS	0.5	0.5	0.5
Program Assistant	1.0	1.0	1.0
Resource Teacher	-	1.0	1.0
Grand Total	6.0	6.0	6.0

GRANTS

LOCAL GRANTS

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Maintained program implementation and expansion of Providing Rich Opportunities Plus Enrichment Learning (PROPEL) and Level Up at ten elementary and five middle schools as measured by steady student participation of 520. The PROPEL program supports students' authentic application of the 5C's (Creator, Critical Thinker, Communicator, Collaborator, and Contributor) as they engage in problem-based learning projects. The increase in student and school participation demonstrates progress toward the program's goals,
- Provided summer Science, Technology, Engineering, Math (STEM) experiences for 93 PROPEL students. The camp's success was measured by criteria for student-created projects and presentations. The summer STEM camp achieved its goal of engaging students in the 5C's,
- Provided STEM at the Academies of Loudoun (ACL) summer experiences for 180 Level Up students, with the support of ACL teachers that created and facilitated student experiences. Level Up STEM camp was measured by students' application of the 5C's to complete various STEM projects,
- Supported science research programs for secondary students through Independent Science Research (ISR) and Geospatial Science (GIS) courses. Program success was measured by a continued increase in student enrollment for both research programs: 329 to 387 for ISR and 914 to 927 for GIS. Both programs engage students in authentic research experiences that apply all 5C's through student-led projects and symposium presentations,
- Supported dual enrollment tuition costs for students enrolled in ISR and GIS courses at GMU and James Madison University (JMU). The Science office successfully reduced JMU student tuition from \$595 to \$495 dollars. This change has supported the large increase in student enrollment and tuition needs. The success of the GIS program is measured by both student performance on presentations of projects and three LCPS students won top categories at the national Esri GIS contest, and
- Supported the Hour of Code (HoC) event held at ACL with an increase from 388 to 419 elementary and middle school students participating in the event, which was measured by students' application of computer science skills and collaboration with peers to solve problem-based tasks. The HoC met all planned goals, which included increased rigor through computer science experiences.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Supported FTEs for PROPEL/Level Up (PLU): two PROPEL Level Up (PLU) Resource Teachers and PROPEL and one Level Up Program Assistant. The PLU teachers developed strong collaboration skills through weekly check-ins, professional learning opportunities and intentional goal setting. Both FTEs demonstrated strengths in curriculum development, collaborations with strategic partners and coaching program teachers at schools. The Program Assistant successfully monitored and supported all budget requirements and needs by adhering to fiscal deadlines and careful tracking of expenses. All transactions were performed as stated in LCPS policy,
- Supported teacher hourly rate for PROPEL and Level Up after school programs through a systematic hiring protocol and established expectations for weekly work time and reporting of attendance to school PLU leads,

GRANTS

LOCAL GRANTS

- Supported FTEs for science department: Science Outreach Content Specialist and Secondary Science Content Specialist, which both support science academic programming in a variety of capacities. The Science Outreach and Secondary Science Content Specialists successfully facilitated the implementation of ISR and GIS programs, respectively, through research and symposium experiences, mentoring and professional learning for program teachers. The Elementary Science specialist was moved out of the HHMI grant to local starting FY25, and
- Supported FTE for a Computer Science Resource Teacher that has collaborated with the Science office to develop experiential and machine learning for students through the lens of computer science skills.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Provided PROPEL and Level up families' informational sessions on advanced course selections, computer science pathways and the ACL admissions process during the Hour of Code event held at ACL. Additionally, regional parent sessions were provided to PROPEL and Level Up families of PLU school clusters, which supported the increased student participation in the program. All families are invited to PLU events and showcases that enable students to present their work from the program.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Maintain current enrollments in the PROPEL and Level up programs at schools. Program impact will be communicated to both existing schools and potential school administrators that demonstrate a pool of potential PLU students based on metrics from the Measurable Academic Progress (MAP) and Cognitive Abilities Test, and
- Develop a summer experience specifically for rising 6th graders that provides targeted science and STEM experiences that will prepare LCPS students for rigorous coursework at the middle school level. The proposed plan will incorporate curriculum-aligned sessions along with rigorous STEM/Computer Science (CS) sessions provided by Academies of Loudoun teachers.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue support of FTEs for PROPEL/Level Up Content Specialists and PROPEL and Level Up Program Assistant. The two PLU Content Specialists are responsible for curriculum development, collaborations with strategic partners and coaching program teachers at schools. Effectiveness will be measured through goals and metrics listed in Perform. The PROPEL and Level Up Program Assistant monitors and supports all budget requirements by adhering to fiscal deadlines and careful tracking of expenses. Collaborations with the Science Supervisor on planning for and executing fiscal tasks will be measured through goals and metrics listed in Perform,
- Continue support of FTEs for science department: Science Outreach Content Specialist and Secondary Science Content Specialist. Both programs engage students in authentic research experiences that apply all 5C's through student-led projects and symposium presentations. Goals for ISR are to increase professional learning for teachers on best practices for research and usage of DataClassrooms application, a data literacy tool. The GIS program goal is to monitor course enrollments to determine a sustainable plan for supporting gradual growth of the program, and
- Continue support of FTE for a new CS Resource Teacher. This position develops experiential and machine learning opportunities for students through the lens of CS skills. The goal of this position is to support teachers in unpacking

GRANTS

LOCAL GRANTS

and aligning CS experiences to the new CS standards through the development of realigned instructional resources.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continue PROPEL and Level up families' informational sessions on advanced course selections, computer science pathways and the ACL admissions process during the Hour of Code event held at ACL.

STATE GRANTS

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Adult Detention Center Education

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Provided increased services and coursework to adult learners, and
- Provided opportunities for connection to community resources, enriching opportunities for academic and social growth.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- The staff providing services to our adult learners demonstrated care to create a productive classroom environment in a non-traditional setting, fostering high-quality instruction, maximizing outcomes for learners.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Fostered a supportive and rigorous learning environment leading to measurable student growth through specially designed instruction, enabling earned credits toward graduation standard with high school diplomas.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Collaborated with local law enforcement to expand learning opportunities for eligible students, and
- Worked with community partners to showcase stories and talents of Adult Detention Center students in an art exhibition, *Our Stories Matter*.

Career & Technical Education

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Demonstrated an increase in A Day participation by students,
- Distributed Job for a Day participation more equitably across student groups and schools,
- Purchased supplies and equipment for program improvement, and
- Increased participation in the Career and Technical Student Organization from previous years.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Planned and hosted an LCPS Workforce Summit with 300+ attendees.

Juvenile Detention Center

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Provided access to instruction to incarcerated students who are eligible for special education services.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Provided training to special education staff who work directly with students at the Juvenile Detention Center (JDC).

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Collaborated with JDC staff to provide instruction to eligible students.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Collaborated with local community services to seek meaningful opportunities for students.

Mentor Teacher and Career Switcher

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Delivered professional learning opportunities to 780 mentors and 104 lead mentors focused on research-based theory for new teacher development, reflective conversation strategies, and unbiased feedback,
- Collaborated with an educational consultant to provide differentiated professional learning for 780 mentors, strengthening their ability to guide beginning teachers in applying evidence-based strategies that foster rigorous and inclusive learning environments,
- Led monthly tailored sessions for 23 English Learner and 63 special education teachers during their first year in the classroom to improve classroom engagement for diverse learners,
- Facilitated targeted professional learning for 79 early-career teachers on research-based co-teaching techniques,
- Empowered 287 beginning teachers through professional learning focused on creating rigorous, inclusive lessons for EL, gifted, and special education students,
- Engaged nearly 20 career-switchers in focus groups to identify additional areas for support and professional growth,
- Equipped 23 mentors to provide more effective support for career-switchers transitioning into the field,
- Elevated mentor effectiveness through professional learning for 112 mentors on facilitating reflective dialogue,
- Developed the capacity of 43 mentors of new special education teachers through strategies that build confidence, capacity, and long-term retention, and
- Provided a job-embedded coaching for 287 first-year teachers, including 184 general education, 84 special education, and 19 English Learner teachers.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Presented 18 workshops on classroom management to 259 teachers to promote safe, equitable, and affirming learning environments, and
- Facilitated roundtable discussions to empower 113 mentors with strategies to assist beginning teachers with strategies to support student behavior, emotional wellness, and create rigorous learning environments.

GRANTS

STATE GRANTS

Virginia Language and Literacy Screening

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Enhanced intervention methodologies and resources for students in kindergarten through grade 3 who scored in the high-risk band on the Virginia Language and Literacy Screening System (VALLSS), and
- For SY2024-2025, 3,486 students were identified High Risk on VALLSS in the Fall. In the spring, the number decreased to 3,272 students.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Provided support to teachers who implemented intensive, individualized instructional remediation to students who are at risk,
- Provided support to Literacy Tutors by offering training and resources to supplement their instruction, and
- Provided support to administrators and teachers on understanding the data from the VALLSS assessment.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Provided guidance on important communication with families on the VALLSS as well as required interventions. Each intervention plan included communication with families.

Virginia Pre-School Initiative (VPI) STEP

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Provided high-quality preschool education and services for at-risk four-year-old children in a newly adopted full-day model to support their concept development and growth as they prepare for kindergarten. Areas measured include social/emotional, language, literacy, and math. Students showed growth in the Skill Development Bands across all VDOE standardized screeners (Virginia Kindergarten Readiness Program, Virginia Language and Literacy Screener, and Child Behavior Rating Scale).

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Provided teachers with professional development to support the continued implementation of the Tools of the Mind (TOM) curriculum from a TOM Facilitator. All first- and second-year teachers completed a year-long fellowship. All other teachers received continuing education in TOM, and
- Provided instructional staff with personalized coaching to support their professional growth regarding positive teacher-student interactions as measured by the CLASS tool. All STEP classes received a Meets or Exceeds Expectations CLASS quality rating.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Partnered with Early Childhood Special Education (ECSE) to offer eight STEP Inclusion classrooms. All STEP and ECSE inclusion teachers participated in quarterly Collaborative Learning Team (CLT) meetings to enhance their skills and strengthen the partnership with ECSE, and

GRANTS

STATE GRANTS

- Supported students' social emotional development with a focus on resilience using the LCPS adopted Second Step Early Learning curriculum and the Slumberkins curriculum in collaboration with LCPS School Counseling Services.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continued to foster strong community partnerships by offering Resource Fairs, participation in community stakeholder meetings to support the comprehensive needs of STEP students and families, collaboration with a family literacy program, and collaboration with a performing arts program. These family engagement opportunities met the VPI requirements and provided valuable opportunities for children and families, and
- Strengthened partnerships within the VPI Steering Committee to actively involve community stakeholders in programmatic decisions. Membership in the VPI Steering Committee increased during SY 2024-2025.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Adult Detention Center Education

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Continue focusing on increased opportunities for course completion toward graduation for eligible adults residing at the adult detention center, and
- Expand instructional opportunities that embed opportunities across the curriculum to build opportunities for meaningful contribution to the community.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Increase ways to customize learning opportunities for staff supporting eligible students including trauma assumed practices as well as adult learning strategies.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Foster awareness for division-wide staff regarding services to incarcerated students.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continue collaborating with local law enforcement and Adult Detention Center staff to provide learning opportunities, and
- Increase awareness of community resources for students leaving the detention center.

Career & Technical Education

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Increase Student attainment of industry recognized credentials across LCPS and among student groups,
- Increase Work-based learning (WBL) participation experiences (e.g. internships, apprenticeships, and job-shadowing), and

GRANTS

STATE GRANTS

- Increase students with disabilities and English Language learners' participation in CTE.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Increase participation in employer participation in School Links registration, and
- Develop a 5-Year Plan that is available to community members for program availability and program expansion.

Juvenile Detention Center

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Increase opportunities for access to credits toward graduation, and
- Expand offerings and opportunities for post-graduation.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Increase opportunities for professional learning specific to evidence-based practices specific to students with disabilities.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Continue collaboration with JDC staff to provide regular and rigorous learning opportunities for eligible students.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Expand partnerships with community services to support eligible students, and
- Expand the students' knowledge of community resources for support after release.

Mentor Teacher and Career Switcher

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Elevate the quality of professional learning for mentors and lead mentors to expand their expertise in supporting novice teachers, facilitating reflective practice, fostering belonging, and promoting teacher wellness,
- Expand professional development that builds beginning teachers' capacity to implement proven instructional and management strategies for stronger classroom outcomes,
- Offer comprehensive professional learning for new teachers to strengthen their ability to design lessons that promote meaningful student engagement and address student needs,
- Ensure beginning career switchers, EL educators, and special education teachers receive differentiated professional learning to support their success and retention,
- Continue to advance mentor development by increasing roundtable sessions focused on modeling engaging instruction, maintaining high expectations, and embracing cultural diversity, and
- Equip mentors with the knowledge and strategies to support non-traditional pathway teachers, foster instructional growth, and resiliency.

GRANTS

STATE GRANTS

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Continue providing opportunities for teachers to develop classroom management techniques that create culturally inclusive and responsive learning environments, fostering both academic and emotional growth for all students.

Virginia Language and Literacy Screening

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Continue to enhance intervention methodologies and resources for students in kindergarten through grade 3 who scored high risk on VALLSS,
- Continue to monitor Student Reading Plans to ensure that students are making progress in literacy, and
- Decrease the number of students scoring high risk on VALLSS from fall to spring testing.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue to provide support to Literacy Tutors by offering training and resources,
- Continue to provide support to administrators and teachers on understanding the data from the new VALLSS assessment, and
- Continue to provide support to teachers who are implementing intensive, individualized instruction and remediation.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continue to provide guidance on important communication with families on the VALLSS assessment and required interventions.

Virginia Pre-School Initiative (VPI) STEP

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Continue to provide high-quality preschool education and services for at-risk four-year-old children in a full-day model to increase kindergarten readiness. Outcomes will be measured three times annually using the corresponding areas of the COR. Expected results include overall growth in each domain leading to increased kindergarten readiness.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue to provide teachers with professional development to support the continued implementation of the TOM curriculum from a TOM Facilitator. Any new teachers will complete a year-long fellowship. All other teachers will receive continuing education in TOM, and
- Continue to provide instructional staff with individualized coaching to support their professional growth regarding positive teacher-student interactions as measured by the CLASS tool. Expected results include all classes receiving a Meets or Exceeds CLASS quality rating.

GRANTS

STATE GRANTS

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Continue to support students' social emotional development with a focus on resilience using the LCPS adopted Second Step Early Learning curriculum and the Slumberkins curriculum in collaboration with LCPS School Counseling Services. The expected results include overall growth in the social/emotional Skill Development Band.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Continue to foster strong community partnerships by offering Resource Fairs, participation in community stakeholder meetings to support the comprehensive needs of STEP students and families, and collaboration with a performing arts program. These family engagement opportunities will meet the VPI requirements and provide valuable opportunities for children and families.

LEASE PURCHASE

DEPARTMENT SUMMARY

The Department of Digital Innovation (DDI) and the Department of Support Services budgets' are supported in part by the LCPS lease purchase program. Historically, these funds have been used for the purchase of buses and fleet vehicles, technology in the form of computers and servers, and security and network equipment in support of the schools.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

LEASE PURCHASE

FY27 CHANGES

Ongoing Investments and New Investments

No changes to new or ongoing investments are proposed for the Lease Purchase Fund in FY27. Budget changes in this area are instead prioritized to focus on Continuity of Operations.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures.

Operations and Maintenance

Operations and Maintenance expenditures provide materials, supplies, and equipment to support the daily operations of the Department. DDI has \$7.2 million to offset the cost of computer technology replacement cycles and replacement of network electronics.

Capital Outlay

Capital Outlay funds provide major items of equipment that cost in excess of \$5,000. The Department of Support Services has \$2.8 million to offset the cost of fleet vehicles.

LEASE PURCHASE

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- DDI offset the cost of the FY25 computer technology replacement cycle and the replacement of network electronics.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Department of Support Services replaced light fleet vehicles and capital equipment.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- DDI will offset the cost of the FY27 computer technology replacement cycle which provides a new, modern, touch-enabled, individual learning device to eligible students.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Department of Support Services will replace 34 fleet vehicles and purchase 5 new fleet vehicles for positions that require an assigned vehicle throughout LCPS.

SCHOOL NUTRITION SERVICES

DEPARTMENT SUMMARY

School Nutrition Services (SNS) plays a key role in promoting student health, academic success, and well-being through a comprehensive meal program that prioritizes nutrition, inclusivity, and sustainability. By providing high-quality, nutritious meals and fostering a supportive dining environment, SNS contributes to students' development while aligning with community values.

SNS provides daily breakfast, lunch, snack, and supper options designed to meet the diverse nutritional needs of our students. Since 2021, the program has expanded its offerings with a variety of culturally diverse menu items, enriching students' exposure to global cuisines. Seasonal taste tests and monthly promotions featuring local produce invite students to explore new flavors and become more engaged with the program. Guided by our in-house executive chef, SNS continually enhances meal quality through the development of both scratch and speed-scratch recipes.

To meet diverse cultural and religious dietary needs, SNS provides daily vegetarian options and restricts pork offerings. In FY27, the program will expand its inclusiveness by introducing halal protein rotations, kosher meals for Passover, and fish selections for Lent.

To improve efficiency and the dining experience, digital menu boards enhance allergy awareness and promote nutrition education. The department uses point-of-sale analytics to monitor student preferences and meal profitability, ensuring decisions align with student needs and financial goals. To increase allergy awareness, key staff members will complete the AllerTrain certification for K-12 schools. This program offers comprehensive allergy and gluten-free training to equip food service professionals with the skills needed to safely manage food allergies.

Nutrition education remains a foundational element of SNS's mission to foster lifelong healthy eating habits. The department further demonstrates its commitment to environmental sustainability through robust food recovery efforts, including a share table program currently operating in 45 schools, which effectively reduces waste and enhances food security across the district.

Beginning in FY27, SNS will implement a districtwide food recovery station program designed to standardize food recovery procedures in all schools – from elementary through high school. This initiative will provide a consistent framework that accompanies students throughout their educational journey, reinforcing responsible food recovery practices and modeling sustainable behaviors.

Equity and access are central to SNS's mission, with universal free meals offered at our schools that qualify for the Community Eligibility Provision (CEP). SNS will research expanding this offering for Provision II (universal free breakfast).

To address ongoing staffing challenges, SNS launched an Apprentice Program in January 2024 that provides comprehensive, hands-on training across all school levels to prepare participants for full-time employment within the department. Through these initiatives, SNS continues to uphold its commitment to delivering high-quality meals and cultivating a welcoming dining environment, thereby contributing meaningfully to student health, academic performance, and the overall school climate. To date, 114 apprentices have completed the program resulting in 58 full-time employees.

In FY27, there is a price increase of \$0.20 for all student meals; the breakfast price for all students is increasing from \$2.50 to \$2.70; the elementary student lunch price is increasing from \$3.45 to \$3.65; and the secondary student lunch price is increasing from \$3.55 to \$3.75.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

SCHOOL NUTRITION SERVICES

FY27 CHANGES

Ongoing Investments and New Investments

Goal 1 – Investing in Our Empowered Students

Credit Card Fees ((\$1,500,000 // 0.0 FTE): Removal of credit card fees.

FTE Reallocation to Support Staffing Standard Enhancement ((\$218,717) // (1.0) FTE): Removal of vacant coordinator position to repurpose dollars for School Nutrition Specialist staffing standard enhancement.

Staffing Standard Enhancement – School Nutrition Specialist (\$160,150 // 1.0 FTE): Enhance the staffing standard of School Nutrition Specialists from 1 per 13 schools to 1 per 12 schools.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures. All proposed FTE changes are based on either the School Board's adopted staffing standards, proposed enhancements to those staffing standards, or as proposed, ongoing and new investments in our empowered students, exemplary staff, or engaged division.

Personnel

Personnel is comprised of salaries and benefits for the full-time positions listed in the staffing table which includes an increase of 1.0 FTE from staffing standard calculations. The FY27 budget increase reflects the FY26 Step and Cost of Living Adjustment (COLA).

Non-FTE Salaries include classified substitutes and part time support needed during the school year and for summer programs. The increase is to align the budget with recent expense trends.

Operation and Maintenance

Operations and Maintenance expenditures relate to food, supplies, and certifications associated with supplying daily meals in all LCPS schools and summer feeding programs. The decrease aligns the budget with FY25 Actuals as well as recognizes significant savings from the removal of credit card fees. The decrease reflects adjustments based on recent expense trends as well as a focused effort to constrain operational costs.

Capital Outlay

Capital Outlay funds provide major items of equipment that cost in excess of \$5,000 as well as cover the cost of serving lines and dining area renovations at schools. The decrease in Capital Outlay is due to lower projected expenses in FY27 for machinery, equipment and improvements to buildings.

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Enhanced Student Engagement Through a Districtwide Food Show. Hosted the first annual Food Show with 200 attendees, featuring over 30 sample recipes for student and community feedback. Collected feedback resulting in 13 new recipes approved for inclusion in the SY 2025–2026 menu,
- Offered a total of 44 recipes and products for review, broadening exposure to diverse foods and promoting popular student choices,
- Engaged 13 community partners, including Loudoun County Public Library and Loudoun Hunger Relief, to strengthen community connections and promote nutrition awareness,
- Empowered Students Through Taste-Testing and Experiential Food Education. Expanded student taste preferences by integrating locally procured fruits and vegetables across all grade levels,
- Introduced chef-inspired, speed-scratch recipes, to elevate meal quality to support student wellbeing,
- Expanded Fear Factor Friday and Taste It Tuesday initiatives to encourage students to try new foods in a fun, inclusive, and supportive environment. Ensured all students could participate in taste-testing activities at no cost, increasing engagement and participation in the school meals program. Supported school-based efforts by equipping managers to provide samples of new menu items directly to students,
- Collaborated with Academies of Loudoun Graphic Design students to develop nutrition education posters, fostering student creativity while enhancing cafeteria learning environments,
- Continued best practices for inclusive school meals that accommodated diverse dietary needs and honored cultural practices, ensuring equitable access and fostering an inclusive learning environment. These ongoing efforts were able to increase participation rates among students with dietary restrictions,
- Continued student taste tests across the county to ensure student input shaped future meal offerings, supporting the One LCPS: 2027 goal of fostering student engagement and well-being. Performance data showed the integration of student-approved recipes into menus, achieving the desired outcome,
- Expanded free meals to students in CEP eligible communities and offered Universal Free Breakfast in schools. This initiative supported the *Empower Students* goal by addressing food insecurity, with success demonstrated through increased meal participation rates and positive family feedback, leading to improved academic readiness, and
- Continued Point of Service software system which provides a clear record of each student's menu selections, allowing parents to monitor their child's choices and creating greater transparency in the school meal program. This initiative supported the *Empower Students* goal by addressing food insecurity, with success reflected in increased meal participation rates, positive family feedback, and improved student access to nutritious meals and academic readiness.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Expanded the Apprentice Program to support consistent skill development, resulting in strong internal pipelines for Lead and Manager positions. Successfully reduced vacancy levels by implementing targeted hiring efforts and providing structured onboarding, achieving the lowest vacancy rate of the year. This initiative supported the *Exemplary Staff* goal, with success measured by apprentices completing the program and transitioning to full-time roles, strengthening the team and improving operational efficiency,
- Increased staff readiness through AllerTrain certification, positioning the team to meet projected growth and

SCHOOL NUTRITION SERVICES

maintain high safety standards,

- Provided comprehensive training support, enabling employees to progress from Apprentices to Leads and preparing future managers through specialized manager training programs. Trained and promoted a significant number of new Leads, strengthening site-level leadership and improving operational reliability,
- Supported operational flexibility by developing a team of Floating Managers and staff, contributing to a clear career ladder and enhancing opportunities for employee advancement,
- Increased the number of staff completing ServSafe certification, building a stronger food safety culture, and preparing employees for career advancement,
- Celebrated and recognized staff contributions through School Lunch Hero Day and additional appreciation initiatives, reinforcing a positive and supportive workplace culture,
- Strengthened our point of service monitoring system using ten key performance indicators (KPIs) to track meal counts, financial health, and inventory management across all operations. This initiative supported the Exemplary Staff goal, achieving improved operational efficiency, financial sustainability, and alignment with LCPS objectives through data-driven decision-making and accountability, and
- Developed and implemented a production-based Staffing Model to ensure equitable assignment of program FTEs and staff hours across the district. This initiative supported the *Exemplary Staff* goal, achieving improved operational efficiency and alignment with industry standards and LCPS objectives, as evidenced by data-driven decision-making and enhanced financial sustainability.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Conducted the annual assessment in accordance with Policy 6120 – Wellness Policy, contributing performance data for the Triennial Assessment to support continuous improvement in student wellness and academic success,
- Advanced the Breakfast Expansion Program, preparing for secondary school implementation in SY 2025,
- Expanded breakfast service in secondary schools by introducing alternative points of service and purchasing new equipment through the \$28,000 No Kid Hungry Breakfast Grant, improving access and participation,
- Implemented and supported the CAST (Community and School Together) Program, providing school-based meals at the Administration Building. Staff from Stone Bridge High School prepared meals and students from the CAST program gained hands-on experience in essential food service skills, including ServSafe, inventory control, cashiering, customer service, and proper food storage,
- Participated in division-wide enrichment programs such as Harvest of the Month, National School Lunch Week, and National School Breakfast Week, promoting nutrition awareness and celebrating healthy habits,
- Expanded the Special Diets Program to include religious accommodations, including Ramadan-specific meal options, ensuring inclusive and culturally responsive food service for all students,
- Strengthened emergency readiness through development and refinement of the Emergency Preparedness Plan, ensuring safe and uninterrupted meal service during unexpected events,
- Renovated the serving lines and dining areas at J.L. Simpson and Seneca Ridge Middle Schools to implement the open service model using open air coolers to enhance the dining experience and supporting the One LCPS: 2027 goal of improving operational excellence and student well-being. Updated the serving lines at Catoctin ES, Sugarland ES, Meadowland ES and Sterling ES to enhance the student dining experience.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Established and sustained effective community partnerships to enhance SNS' reputation and foster collaboration,

SCHOOL NUTRITION SERVICES

supporting the One LCPS: 2027 goal of building trust and engagement within the school community,

- Strengthened community engagement through high-visibility events such as the Annual Food Show and Wellness Workday: A Day in the Life of a Chef, showcasing the role of school nutrition professionals and increasing community understanding of the program,
- Partnered with the Communications Department to elevate school nutrition visibility by highlighting meals, student events, initiatives, and success stories across division wide communication platforms,
- Supported families through the Giant Food “Pay It Down” fundraiser, which contributed funds toward reducing student meal debt, reinforcing equitable access to nutritious meals and lessening financial burden on families,
- Collaborated with the Department of Economic Development to promote local agriculture through the Farmers Trading Card initiative, highlighting local farmers and connecting students with the sources of their food while strengthening community partnerships, and
- Continued effective social media marketing to enhance the program’s image, provide nutrition education, and sustain participation, supporting the One LCPS: 2027 goal of improving communication and community engagement. Performance data showed increased social media engagement and higher participation in school meal programs, achieving the desired outcome of enhanced visibility and program engagement.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Empower Students: Prepare students to be knowledgeable critical thinkers, communicators, collaborators, creators, and contributors.

- Host the Second Annual Food Show, expanding student, family, and community engagement,
- Collect student and community feedback to determine new recipes for inclusion in the SY 2026–2027 menu, ensuring student voice guides menu development,
- Offer numerous recipes and products for sampling to encourage students to explore new foods, expand their palates, and participate more actively in the school meals program,
- Strengthen partnerships with community organizations, including the Loudoun County Library, NEST4US, Virginia Cooperative Extension, Girls on the Run, and Wellness Loudoun, to support nutrition education and broaden program reach,
- Begin planning for the Third Annual Food Show, with goals to increase community attendance, vendor participation, and hands-on student engagement opportunities,
- Continue to host student focus groups throughout the year to gather feedback on meal offerings and dining experiences, supporting the One LCPS: 2027 goal of fostering student engagement and well-being. Success will be measured by the number of focus groups held and the integration of student feedback into menu decisions and renovations by the end of the school year,
- Continue to implement best practices for inclusive school meals that accommodate diverse dietary needs and honor cultural practices, supporting the One LCPS: 2027 goal of fostering an inclusive and equitable learning environment. Success will be measured by positive stakeholder feedback and increased participation rates among students with dietary restrictions by the end of the school year,
- Continue to provide free meals to students in CEP-eligible communities and offer Universal Free Breakfast in schools narrowly missing CEP qualification, supporting the One LCPS: 2027 goal of empowering students through equitable access to nutrition. Success will be measured by increased meal participation rates and positive family feedback, leading to improved academic readiness by the end of the school year,
- Expand primary grade breakfast in SY 2025–2026; simultaneously expanding the Child and Adult Care Food

Program (CACFP) Supper Program to increase equitable access to nutritious meals, and

- Beginning in SY2026/2027, SNS will implement a districtwide food recovery station program designed to standardize food recovery procedures in all schools—from elementary through high school. This initiative will provide a consistent framework that accompanies students throughout their educational journey, reinforcing responsible food recovery practices and modeling sustainable behaviors.

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Continue to deliver comprehensive training in food safety, nutrition, customer service, and operational best practices to strengthen staff skills and support the One LCPS: 2027 goal of operational excellence,
- Implement a health inspection recognition initiative to highlight and celebrate schools achieving 100% inspection scores, reinforcing strong food safety practices and staff accountability,
- Participate in the division wide Wellness Event at the Administration Building, featuring community resources and programs that support employee well-being, health, and engagement,
- Join in the School Community Event & Job Fair to support recruitment efforts, increase visibility of School Nutrition careers, and expand the applicant pipeline,
- Continue partnership with the Sterling Community Center and INOVA to promote heart health and wellness resources tailored to school nutrition professionals,
- Participate in the Annual Mental Health & Wellness Conference to strengthen staff awareness of mental well-being and reinforce a culture of support,
- Expand AllerTrain and allergy management training to ensure all staff members are allergy-aware and prepared to safely support students with food allergies. Establish consistent allergy stations at every school, supported by standardized systems and processes to ensure alignment and safety across all locations,
- Strengthen the Apprentice Program with enhanced emphasis on allergen identification, cross-contact prevention, and safe food-handling practices,
- Expand the structured career pathway from Apprentice to Manager, integrating allergen awareness, leadership competencies, and operational training at each stage to support long-term staff growth and retention,
- Work with Loudoun County School Culinary teams participating in regional recipe competitions providing guidance on scalability and adaptability of their recipe items,
- Continue to provide ongoing training in food safety, nutrition, and customer service to enhance staff skills and support the One LCPS: 2027 goal of ensuring operational excellence and professional development. Success will be measured by staff participation in training sessions and improvements in staff performance and program efficiency by the end of the school year,
- Continue to monitor program performance using ten KPIs to track meal counts, financial health, and inventory management, supporting the One LCPS: 2027 goal of ensuring operational excellence and staff development. Success will be measured by improved operational efficiency and financial sustainability, with data-driven decision-making and accountability by the end of the school year, and
- Continue to fine tune the SNS production-based Staffing Model to ensure equitable assignment of program FTEs and staff hours across the district, supporting the One LCPS: 2027 goal of fostering an exemplary staff and operational excellence. Success will be measured by improved operational efficiency and financial sustainability, with enhanced alignment to industry standards and LCPS objectives by the end of the school year.

Enriched Division: Maintain an inclusive, safe, caring, and rigorous learning environment as the foundation for student growth.

- Continue to promote positive interactions between staff and students by collaborating with educational staff to integrate nutrition education, supporting the One LCPS: 2027 goal of fostering an inclusive, safe, and caring learning environment. Success will be measured by increased student and staff engagement in nutrition programs and the demonstration of healthier eating habits by the end of the school year, and
- Continue to administer the annual assessment of student health in alignment with Policy 6120 - Wellness Policy, supporting the One LCPS: 2027 goal of fostering a healthy and supportive learning environment. Success will be measured by increased compliance with wellness initiatives and improved alignment with academic performance objectives by the end of the school year.

Engaged Community: Enhance educational excellence through building meaningful relationships with families and the community.

- Strengthening community programs and customer experience by continuing to expand the Community And School Together (CAST) program, projecting increased profitability and higher customer traffic through student-led operations and enhanced visibility,
- Implement a customized service model to elevate customer satisfaction, streamline operations, and create a consistent, welcoming experience for all CAST and community-facing meal sites,
- Provide Food safety, allergen awareness, and workforce readiness by continued advancement of allergy awareness training for Leads, Managers, and Specialists through AllerTrain Light, ensuring that all managers and specialists are certified and capable of supporting safe meal environments,
- Deliver a comprehensive food safety and AllerTrain training to all employees, reinforcing division wide consistency in allergy management and safe food-handling practices,
- Increase access, and equity, to meal programs by expanding the supper program (CACFP) to better meet student and community needs by increasing meal access, strengthening awareness, and promoting the academic and wellness benefits of after-school nutrition,
- Continue to foster meaningful relationships with families and the community. LCPS SNS will continue hosting a yearly food show to test and collect feedback on new recipe concepts. Social media accounts will also continue to showcase the behind-the-scenes efforts of School Nutrition Services, both in and outside the cafeteria,
- Continue to collaborate with Virginia Economic Development on the Farmer Trading Cards Promotion to strengthen community engagement and economic awareness, aligning with the One LCPS: 2027 goal of building stronger community connections. Success will be measured by increased student participation in the promotion and expanded community awareness of local agriculture by the end of the school year,
- Continue to expand Food Recovery Programs to all schools to reduce food waste and support families facing food insecurity, supporting the One LCPS: 2027 goal of promoting sustainability and community well-being. Success will be measured by increased program participation and the volume of food redistributed by the end of the school year, achieving the desired outcomes of reduced waste and enhanced community support,
- Continue to establish and sustain effective community partnerships to enhance SNS' reputation and foster collaboration, supporting the One LCPS: 2027 goal of building trust and engagement within the school community. Success will be measured by the increase in active partnerships and positive stakeholder feedback, leading to stronger relationships and enhanced program visibility by the end of the school year,
- Continue to implement effective social media marketing to enhance the program's image, provide nutrition education, and sustain participation, supporting the One LCPS: 2027 goal of improving communication and community engagement. Success will be measured by increased social media engagement and higher participation

SCHOOL NUTRITION SERVICES

rates in school meal programs, achieving the desired outcome by the end of the school year,

- Enhance Community partnerships and financial support by partnering with local businesses and organizations to address student meal debt, reducing financial barriers and ensuring equitable access to school nutrition programs,
- Strengthen community partnerships to support outreach and engagement around school meal programs, including Summer Extended Breakfast and Lunch (SEBT) and Supplemental Nutrition Assistance Program (SNAP) benefits,
- Continue family education and awareness by implementing initiatives to educate families about the Free and Reduced Meal Program, increasing participation and awareness of eligibility and benefits,
- Expand SEBT program awareness to families, ensuring that summer meal programs reach students in need,
- Promote SNAP benefits and provide education to families on how to utilize available resources, reducing food insecurity within the community,
- Outreach and community engagement by developing communication strategies and educational campaigns to increase family awareness of school meal services, highlighting nutrition, convenience, and wellness benefits, and
- Collaborate with community partners to host information sessions, workshops, and events that engage families and strengthen the connection between school nutrition services and community partners.

SELF-INSURANCE FUND

DEPARTMENT SUMMARY

The Self-Insurance Fund accounts for the transactions and claim expenditures associated with the comprehensive health and wellness benefits, Short Term Disability (STD) and Virginia Local Disability Program (VLDP), the paid leave programs and the Workers’ Compensation (WC) program. Employee premiums and employer contributions fund the cost of the health and wellness programs. WC, STD and VLDP and paid leave programs are funded through employer contributions.

FY27 BUDGET BY OBJECT OF EXPENDITURE

FY23 - FY27 Expenditures

SELF-INSURANCE FUND

FY27 CHANGES

Ongoing Investments and New Investments

Goal 2 – Investing in Our Exemplary Staff

Employee Assistance Program (EAP) Expansion – (\$623,287 // 1.0 FTE): Adding a dedicated supervisor to manage the EAP counselor program and expanding and further refining the program to support employee mental/emotional wellbeing.

Continuity of Operations

Each line item of this budget was reviewed in detail by the Department and the Division of Budget and Financial Analytics. The review of non-FTE salaries, operations and maintenance, and capital outlay included an assessment of operational needs for FY27 as well as trend analysis of prior year budgets and actual expenditures. All proposed FTE changes are based on proposed ongoing and new investments in our empowered students, exemplary staff, or engaged division.

Personnel

Personnel is comprised of salaries and benefits for the full-time positions listed in the staffing table below.

Non-FTE Salaries include part-time and overtime for peak workload periods.

Operations and Maintenance

Operations and Maintenance expenditures provide materials, supplies, and equipment to support the daily operations of the Department as well as supporting professional development for staff. The majority of the increase in Operations and Maintenance is due to rising utilization and claims costs, where year over year FY27 medical expenses are anticipated to increase by 10% and pharmacy costs are anticipated to increase by 15%. Additionally, contractual service costs include an increase of \$3.9 million related to the administration of the Medicare Advantage program.

SELF-INSURANCE FUND

PRIOR YEAR RESULTS AND ACCOMPLISHMENTS

Supported One LCPS: 2027 LCPS Strategic Plan for Excellence as evidenced through the following goals:

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Reviewed the employee health insurance plan and adjusted to ensure the plan remains competitive and financially stable,
- Reviewed and implemented retiree health insurance Medicare Advantage plan with a new insurer,
- Completed a review of the employee vision and pharmacy plans,
- Reviewed the workers' compensation program to strengthen service delivery and maintain financial responsibility,
- Division-wide roll out of updated leave tracking system, and
- On-site Mental Health Consultant provided immediate support to employees in crisis.

PROJECTED RESULTS AND ACCOMPLISHMENTS

Continue to support One LCPS: 2027 LCPS Strategic Plan for Excellence through the following goals:

Exemplary Staff: Cultivate high-performing teams of professionals committed to realizing our mission and goals.

- Review and update of employee health insurance plan,
- Review and update of retiree health insurance plan,
- Review and update the employee vision and pharmacy plans,
- Review and update of workers' compensation program,
- Review and update Employee Assistance program, and
- Develop and implement expanded employee mental health supports to improve employee well-being and overall organizational effectiveness.

Enrollment Analysis

Loudoun County Public Schools Division of Planning & GIS Services annually forecasts the division's student enrollment. The enrollment projections are utilized for a variety of planning and decision-making functions, including operational and capital budgeting needs.

This section includes an examination of the methodology that determines school enrollment projections. Individual school forecasts provide a snapshot of the anticipated changes Loudoun's public schools will encounter in the course of the planning period. While overall enrollment is projected to decline through FY32, LCPS anticipates concentrated enrollment growth in the Dulles South planning district as well as students receiving additional services, most notably Special Education.

ENROLLMENT PROJECTION METHODOLOGY

Projections are an informed and educated estimate of future student enrollment. Forecast accuracy generally diminishes as the geographic area becomes smaller and the planning horizon becomes more distant. Countywide forecasts have been, and will continue to be, more accurate than school-level forecasts because the population being projected is much larger. This phenomenon is common to all forecasting methodologies and is therefore expected.

Projection accuracy can be affected by a host of factors including but not limited to national and local economic vitality, area migration, building permit activity, household size, residential birth rates, grade retention, and student transfers from private to public school and vice-versa. LCPS does not have the resources to monitor all factors affecting student population change, nor do the budget and capital planning process timelines permit the application of the most current data on an ongoing basis. Nevertheless, research has found that the cohort survival method is an accurate and reliable forecasting tool for school district enrollment projections, and the technique produces significantly more accurate projections than other methodologies.

Historically, LCPS's desired margin of error for the following year's division wide projections has been within ± 0.7 percent of the actual September 30 enrollment. The school division rebaselined its enrollment projections following the COVID-19 pandemic, which impacted school divisions across the nation. Since that rebaselining in FY23, LCPS projections have been within an average of 1.4% of the actual September 30 enrollment.

FY	Actual September 30 Enrollment	Actual September 30 Enrollment as Percentage of the Projected September 30 Enrollment
2022	81,642	95.08%
2023	82,233	99.03%
2024	82,125	98.87%
2025	81,694	98.38%
2026	80,517	98.64%

INFORMATIONAL SECTION

LCPS projections are an educated estimate of future student enrollment. Projection considerations and data inputs include historic enrollment using a cohort model; assessments and projections of resident births; an evaluation of education options Loudoun County families have access to; housing development and a prediction of future students; and mobility and migration patterns.

The formula, in general terms, is as follows:

A ratio is computed for each grade by dividing the current enrollment in a given grade by the previous grade from the previous school year. A projection for the next school year of a particular grade is computed by multiplying the enrollment in the previous grade by the ratio of this school year's current enrollment at said grade and the previous school year's enrollment in the previous grade. For example, to project a grade five enrollment for September 2025 year (next year), the grade five enrollment for September 2024 (current year) would be divided by the grade four enrollment for September 2023 (prior year). The resulting ratio is then multiplied by the current September 2024 grade four students to project a September 2025 grade five enrollment. Birth data is used to help project kindergarten enrollment.

LOUDOUN COUNTY PUBLIC SCHOOLS SEPTEMBER 30 ENROLLMENT

On September 30, 2025, Loudoun County Public School division enrollment was 80,517 students – a decrease of 1 percent or 1,177 students from the 2024-25 (September 30, 2024) school year. Between September 2026 and September 2031, it is projected that there will be a decrease of 2,841 students, or -3.5%. By the 2031-32 school year, the final year of the CIP planning period, LCPS is projected to have an enrollment of 77,360 students, a change of -3.9% from September 2025.

FY 2027-32 CIP Planning Period

	9/30/2025 Actual	2026-2027 Projected	2027-2028 Projected	2028-2029 Projected	2029-2030 Projected	2030-2031 Projected	2031-2032 Projected
Loudoun County Public Schools Enrollment	80,517	80,201	79,896	79,140	78,708	77,914	77,360
Preschool Enrollment	932	934	949	965	982	998	1,016
Elementary School (Gr K-5) Enrollment	33,165	32,803	32,180	31,384	30,968	30,566	30,286
Middle School (Gr 6-8) Enrollment	19,049	18,956	19,255	19,062	18,865	18,344	18,008
High School (Gr 9-12) Enrollment	27,371	27,508	27,512	27,729	27,893	28,006	28,050

LCPS enrollment is expected to continue decreasing over the next 5 years. Loudoun's slowing enrollment momentum reflects a much larger national and Virginia state trend, both of which have seen a general decline in births. Indeed, the Kindergarten cohort has consistently been smaller than the graduating 12th grade cohort in LCPS since 2015. For school year 2025-2026, that difference is estimated at 2,434 students. Further, local economic factors such as affordable housing are putting downward pressure on net-migration trends so that Loudoun County is no longer experiencing as rapid of population growth.

INFORMATIONAL SECTION

Elementary school enrollment is expected to reflect a -7.7% decrease from a projected 32,803 enrolled students (Kindergarten-Grade 5) on September 30, 2026, to 30,286 projected students in September 2031. A total of 18,008 students are forecast to be in Loudoun's middle schools (Grades 6-8) in September 2031, a decrease of 948 students from September 2026. High school enrollment (Grades 9-12) is projected to increase by 542 students or 2% to 28,050 students between September 2026 and September 2031. Preschool membership, comprised of students under the age of five with special education needs as well as those qualifying for the Head Start and Starting Toward Excellence in Preschool (STEP) programs, is projected to increase from 934 students in Fall 2026 to 1,016 students by Fall 2031.

INFORMATIONAL SECTION

The table below displays the Operating Fund and Grant Fund positions. This breakout follows the classification guidance used by the Washington Area Boards of Education (WABE). It does not recognize the distinction of school facing employees who routinely work in schools. In FY27, investments in support of students include Title I supports, flexible staffing and Math Resource Teachers. Additionally, part of the increase is also derived from staffing standards and strategic staffing enhancements which are detailed in the Appendix section of this book.

Personnel Resource Allocation

Position	<u>Full-Time Equivalents</u>					
	FY22	FY23	FY24	FY25	FY26	FY27
<i>School Based</i>

FY27 SEON Middle School Stipends

STIPENDS

The Administrative and Support Staff; Staffing Requirements section of the Standards of Accreditation (SOA) states the following:

8VAC20-132-230.G. Middle or secondary school teachers shall teach no more than 150 students per week; however, physical education and music teachers may teach 200 students per week. If a middle or secondary school physical education or music teacher teaches more than 200 students per week, an appropriate contractual arrangement and compensation shall be provided.

In order to provide consistent compensation while maintaining the current program of studies in our middle schools, teachers who exceed the student load defined by the SOA but have not been assigned an additional instructional period shall be compensated as follows:

% of Full Stipend	Middle School Teachers (except Music and PE)	Middle School Music and PE Teachers	Stipend
25%	up to 7 students	up to 10 students	\$3,111
50%	up to 15 students	up to 20 students	\$6,221
75%	up to 23 students	up to 30 students	\$9,331
100%	up to 30 students	up to 40 students	\$12,441

FY27 SEON Hourly Rates

FY27 Daily Substitute Salary Rates

Position	Amount
Daily Substitute Rate	\$135.03 per day
Daily Substitute Loyalty Rate ¹	\$150.01 per day
Daily Substitute High Volume Days ²	\$169.12 per day
Site-Based Substitute Rate	\$154.00 per day
Long Term Substitute Rate ³	\$200.00 per day
High Volume Site-Based/Long Term Substitute Rate ^{2,3}	\$231.00 per day
School Counselor Substitute Rate - Vacancy	\$200.00 per day
School Counselor Substitute Rate - High Volume Days ²	\$231.00 per day
Registered Nurse (RN) Substitute Rate	\$232.88 per day
Registered Nurse (RN) High Volume Rate ²	\$247.50 per day
Health Clinic Specialist/School Nurse Assistant Substitute Rate	\$135.03 per day
Health Clinic Specialist/School Nurse Assistant Substitute Loyalty Rate ¹	\$150.01 per day
Health Clinic Specialist/School Nurse Assistant Substitute High Volume Rate ²	\$169.12 per day
Financial Technicians (Long Term only) ³	\$197.28 per day
Registrars (Long Term only) ³	\$176.00 per day
Admin. Assistant, Financial Tech., Registrar, Teaching Assistant, Study Hall Monitor	\$135.03 per day

¹Loyalty Rate: An enhanced pay rate that will be applied to those substitutes who work for more than 25 days in any teaching position. The enhanced rate will be applied on the 26th day and will be in effect for all remaining days worked during the school year. The loyalty rate does not include site-based or long-term substitutes.

²High Volume Days: Specific days identified by HRTD, based on historical data, with higher demand for substitutes. Any substitute that works on a high-volume day will earn an increased daily rate.

³Long Term: Substitute assignments that exceed more than ten (10) consecutive working days for the same employee and may include additional responsibilities. Available only to currently employed LCPS substitutes.

FY27 Other Teaching Activities at Course/Per Student Rates

Activity	Courses	Teacher Qualification	Amount
Virtual Loudoun (Online Courses)	Determined by Enrollment	Certificate	\$100 per enrolled student that does not successfully complete the course \$200 per enrolled student that successfully completes the course (Minimum payment of \$1,000)
Early Childhood Education I/II	Early Childhood Education I/II		\$1,000 per course

²The banded rate assignment for any position not listed must be requested from, and approved by, the Department of Human Resources and Talent Development.

³FY26 Revised Change.

⁴Items in red have new banded rate for FY27.

FY27 SEON Benefit Costs

Retirement

All eligible full-time employees are covered. The rates included in the SEON reflect lower employer contributions as proposed by the VRS Board of Trustees and provided by VDOE to cover all Plan 1, Plan 2, and Hybrid employees. Final rates are adopted by the Virginia General Assembly.

Virginia Local Disability Program

The school system will pay a percentage of the base salary for all full-time instructional/professional covered employees as adopted by the Virginia General Assembly.

Social Security and Medicare Taxes

The school system pays 1.45% of all taxable wages for the Medicare tax and 6.2% for the Social Security tax for an aggregate of 7.65%. Taxable wages for the Social Security tax is capped at a wage base limit that is annually communicated by the Internal Revenue Service.

Group Life Insurance

Each employee covered under the Virginia Retirement System receives life insurance protection equal to twice his or her annual salary with double indemnity provision. The school system will pay for all covered employees, which represents the employer and employee share.

Group Health Insurance

Two different Open Access Plus Plans or High Deductible Health Plan with Health Savings Account is available for all eligible full-time employees who elect medical/prescription coverage. Dental and Vision Plans are also offered as separate elections.

Tort Liability Insurance

Tort Liability Insurance protects all employees and School Board members against losses and expenses that occur when claims or suits are brought against them for a wrongful act based on an error or omission, negligence, breach of duty, misstatement, or misleading statement.

Workers' Compensation

All employees are provided workers' compensation benefits for bodily injury by accident or bodily injury by disease that are caused or aggravated by conditions of employment. Payments will be made to or on behalf of employees for medical expenses and for lost wages.

Annual, Sick, and Bereavement Leave

Each full-time employee is provided annual, sick and/or bereavement leave in accordance with the current personnel policies and collective bargaining agreements.

LCPS Staffing Standards

The goal of the Virginia General Assembly and the Board of Education is for public schools to teach the necessary skills that will enable students to reach their full potential and prepare them for their future. With this in mind, the Board of Education has set forth Standards of Quality (SOQ) that contain staffing requirements for instructional, administrative and support staff.

LCPS Staffing Standards provide a base level of equity, assist in transparent budgetary planning, and ensure compliance with state standards.

Loudoun County Public Schools adhere to these SOQ. The staffing standards on the following pages will show the LCPS staffing ratio as well as the requirement set forth by the Board of Education. In cases of support personnel, the Board of Education relies on the Loudoun County School Board to provide the necessary personnel to maintain the school system.

A “Hold Harmless” philosophy is applied to two types of standards that are enrollment-based. For standards that are based on tiered student enrollment, hold harmless involves looking beyond the budget year enrollment projection and reviewing the next three years enrollment projection to maintain staff stabilization. The hold harmless provision for standards that are based on division-wide enrollment considers factors that create operational needs for the school division that are not reflected solely by division-wide enrollment. Examples of these other factors include, but are not limited to, the opening of new LCPS facilities, creation of additional learning pathways, expanding student access to devices (e.g. 1:1 Chromebooks), and prioritization of immediate needs such as student mental health and growth in special education services. At no point will the hold harmless provision be used to create FTE that are not supported by the written staffing standard.

Unless otherwise noted, positions are calculated with natural rounding in whole FTEs and all enrollment-based staffing standards include Pre-K.

Part time Secretary ⁶		3 hours per day per school >800 students						

¹ Grade level maximum (GLM) for grades 1-5 is defined as all classes at a grade level within a school reaching the maximum class size without adding a Teacher Assistant. Maximum class size is specified in School Board Policy 5080 under the heading of "Class Size." Policy 5080: Grades 1-3: 30 students shall be the maximum class size; however, if the average daily membership in any class exceeds 25 students, a full-time teacher's aide shall be assigned to the class. Grades 4-5: 30 students shall be the maximum class size; however, if the average daily membership in any class exceeds 29 students, a full-time teacher's aide shall be assigned to the class. This is contingent on space availability at the school.

²Assigned to individual teachers only when the option of overflowing students to another school with space is impractical and the class is not expected to exceed the maximum allowed by School Board policy.

³Staffing standard excludes Pre-K.

⁴Economically Disadvantaged % is calculated as the number of students that either have a free and reduced meal waiver or are directly certified under the Community Eligibility Provision, divided by total enrollment, and multiplied by 1.6.

⁵Staffing standard uses a roundup formula.

⁶For schools that do not receive an FTE.

All Other Schools ⁵	1.0	per 12 students					1.0	per 10 students

¹Special education unduplicated count of students (pre-K - 12th grade) is projected and then is divided into two categories: program and non-program (Cross-Categorical). The number and location of Early Childhood Special Education (ECSE), Intensive, Self-contained, and other programs are determined by the Director of Special Education. Staffing for programs is calculated assuming 100% enrollment in each program. Staffing for Cross-Categorical is calculated by dividing the projected number of Cross-Categorical students per school by the published staffing ratio. The sum of program FTEs plus the sum of Cross-Categorical FTEs equals the number of FTEs required.

²Standard is for Operating Fund positions and Grant Fund positions.

³Position for Cross-Categorical calculates in 0.1 increments at the school level and position total is then rounded to the nearest 1.0.

⁴Includes 1.0 School within a School program Teacher per secondary school.

⁵Includes The Alternative Education Program, The North Star School, W. O. Robey High School, Virtual Distance Learning, and Virtual Distance Elementary.

¹ Distribution Center positions include Distribution Center Administrative Assistant II, Distribution Center Assistant, Distribution Center Technician, Distribution Center Inventory Control Specialist, Crew Chief, Project Manager and Operations Specialist.

² Maintenance Worker positions include Maintenance Manager, Building Automation Specialist, Carpenter Crew Chief, Carpenter, Commissioning Coordinator, Commissioning Specialist, Electrical Crew Chief, Electrician, General Maintenance Worker I & II, HVAC Controls Technician I & II, HVAC Crew Chief, HVAC Technician I & II, Maintenance Crew Chief, Mechanic II-Facilities Operations, Painter II, Parts Inventory Clerk, Parts Supervisor-Facilities, Plumber, Plumber Crew Chief, Preventive Maintenance Technician, Refrigeration Mechanic I & II, Refrigeration Crew Chief, School Plant Engineer, Waste Water Technician, Engineering Manager, Communications Technician I & II, Technical Security Specialist, Technical Security Crew Chief, Technical Security Engineer, and Technical Security Technician I and II, Project Manager, Senior Project Manager.

³ Bus Attendants may also be on regular routes.

⁴ Maintenance Repair Unit

⁵ WSC - Western Service Center, CG - Central Garage

⁶ Includes both Loudoun County and Loudoun County Public Schools buildings.

⁷ FY25 Revised Change.

ADDITIONAL STAFFING

Additional staffing is a category of staffing standards providing FTE in the School Operating Fund, that, within the parameters identified for each type, can be used by LCPS to provide needs-based support directly to schools. While all usage of the flexible staffing standard provision should be for additional FTE of positions that already exist within LCPS, the ultimate usage is at the discretion of the Superintendent.

Flexible Staffing

Purpose: Flexible staffing-provides discretionary support in recognition of the diverse needs experienced across the school division, which may include unanticipated enrollment patterns, individual school needs, or division-wide priorities.

Usage:

- Needs-Based: May be used for school-based FTE assigned to individual schools and must be for positions already used by LCPS. There is no restriction on whether the assignment must be for a staffing standard position and it may be used for school-based administrative positions. Departments are encouraged to identify the resources that best fit the needs of students and school communities.
- Numbers-Based: Maintain staffing standard ratios when actual enrollment exceeds projected enrollment. While the primary intent is to address class size and teacher-to-student ratios, it is not limited to Teacher positions and may be used for other Staffing Standard positions.
- Special Education Flexible Staffing is set-aside specifically for the provision of special education or related services and may not be used otherwise. The Division-Wide Flexible Staffing can be used for any school division need in accordance with the Usage and Position Control parameters described in this standard, including for the provision of special education or related services.

Position Control:

Flexible Staffing positions are discretionary positions managed by the Department of Academics and the Department of School Leadership. Cabinet members from both departments must approve their use.

- All needs-based assignments made to positions created under Flexible Staffing must be end-of-year assignments.
- All numbers-based assignments are generally assumed to carry forward into the next fiscal year as they were created in response to actual enrollment and would be generated through another staffing standard the following year.
- Surplus funding may exist in Flexible Staffing due to the creation of positions at different times during the year and because Flexible Staffing can be used for positions other than the default positions for which the budget is estimated. This additional funding can be converted to additional FTE, subject to Usage guidelines above and the cost of the position being created.

Position	LCPS Staffing Ratio		Revised/New		Aspirational	
	FTE	Criteria	FTE	Criteria	FTE	Criteria
Division-Wide Flexible Staffing	3.5	per Cluster and Educational Program ^{1,2}				
Special Education Flexible Staffing	32.0	at the discretion of the Office of Special Education				

¹Calculation rounds up to the nearest whole FTE.

²Educational Programs include the Academies of Loudoun, W. O. Robey High School, The North Star School, The Alternative Education Program, and the R.I.S.E. Academy.

Differentiated Staffing

Purpose: Differentiated Staffing provides additional supports for schools that have higher percentages of economically disadvantaged students. These are discretionary, school-level positions that Principals may use for unique and specific needs at their schools.

Usage: Differentiated may be used to create additional school-based FTE of non-administrative positions that already exist within LCPS and may not be used to create positions that have not been reviewed, approved and undergone a classification and compensation review by Human Resources and Talent Development. Use is not limited to staffing standard positions and Principals are encouraged to identify the resources that best fit the needs for their students and school community.

Position Control:

Differentiated positions are assigned on a school-by-school basis. Principals must submit their Differentiated Staffing Request to their level director for review and approval. All assignments made to positions created under Differentiated must be end-of-year assignments.

Position	LCPS Staffing Ratio		Revised/New		Aspirational	
	FTE	Criteria	FTE	Criteria	FTE	Criteria
Elementary School Differentiated Staffing¹ (Classroom teacher with very limited exception)		If Econ. Disadv. ³ is at least 25%, then (Econ. Disadv.%(projected Enrollment) (0.05) Additional staffing: Econ. Disadv.% is 50-70% = 0.5 Econ. Disadv.% is 70-90% = 1.0 Econ. Disadv.% is >90% = 1.5

English Learners (EL); Economically Disadvantaged (Econ. Disadv.)

¹Staffing standard excludes Pre-K.

²Secondary School includes all Middle Schools, High Schools, Academies of Loudoun, The North Star School and W. O. Robey High School.

³Economically Disadvantaged % is calculated as the number of students that either have a free and reduced meal waiver or are directly certified under the Community Eligibility Provision, divided by total enrollment, and multiplied by 1.6.

⁴FY27 Clarification: Middle and High Schools are calculated in 0.2 FTE increments.

Position Swaps

A final component of staffing standard flexibility is the ability to swap FTE assigned to a vacant, school-based position for another school-based position.

Usage: All position swaps must address demonstrated student needs at the school and all swaps must only be for positions that already exist within LCPS.

- The "gained" position(s) must be used at the same school from which the vacant FTE was exchanged,
- Position swaps for staffing standard positions within the same Department and that are intended to address capacity issues may occur at any point throughout the year so long as Position Control is maintained, and
- Position swaps between Departments or for positions that are not staffing standards may only occur once the division-wide Flexible Staffing FTE are exhausted.

Position Control:

Strict position control will be maintained when positions are swapped and approval is required by the Cabinet member of the requesting Department. Prior to any swap, the Department of Business and Financial Services and the Department of Human Resources must validate that the targeted vacancy exists and that the position is not otherwise encumbered by an in-process workflow, long-term substitute, etc. All positions hired under a swap must be end-of-year contracts and any positions that are given up (e.g., the Teacher position) are removed for the remainder of the FY and LCPS will not seek to fill the removed position for the remainder of the fiscal year. If necessary, Departments are responsible for identifying a funding source to ensure all swaps are afforded within the existing budget. Any saved budget dollars will be captured as Lapse and Turnover. Unlike contingency positions, saved dollars from several swaps cannot be pooled together to create another position.

FY27 Strategic Goals Detail

Investing in Our Empowered Students				
Department	Investment Name	Position/Description	FTE	Amount
ALL	Year over Year Change	Operating expense changes related to student and school supports, services and educational materials, and school-based supplies.	30.0	4,821,172
Communications & Community Engagement	Reallocation from Community School Grant to Operating Fund	Coordinator, Community Schools	1.0	155,464
Non-Departmental	Staffing Standard	Teacher, Flexible	42.5	5,371,218
School Leadership	Boys' Volleyball	Addition to High School Athletics Program	-	14,095
School Leadership	Boys' Volleyball	Addition to High School Athletics Program - New Stipend	-	191,826
School Leadership	Dual Language Immersion (DLI) - School Priority	Reassignment of Teacher Assistant, Kindergarten to Language Ambassador	(1.0)	(71,735)
School Leadership	Girls' Flag Football	Addition to High School Athletics Program	-	25,555
School Leadership	Girls' Flag Football	Addition to High School Athletics Program - New Stipend	-	83,103
School Leadership	Girls' Wrestling	Addition to High School Athletics Program	-	15,407
School Leadership	Girls' Wrestling	Addition to High School Athletics Program - New Stipend	-	166,608
School Leadership	R.I.S.E. Academy	Operating Expenses	-	53,000
School Leadership	R.I.S.E. Academy	Principal, R.I.S.E. Academy - Operating Fund portion of compensation	-	5,379
School Leadership	R.I.S.E. Academy	Teacher, Recovery School (Grant Ending, move to Operating)	-	100,184
School Leadership	Reclassification	6.0 Dean, Elementary to Assistant Principal, Elementary	-	303,240
School Leadership	Staffing Standard	Administrative Assistant II, Elementary	(2.0)	(163,846)
School Leadership	Staffing Standard	Assistant Principal, Middle	(3.0)	(546,406)
School Leadership	Staffing Standard	Attendance Administrative Assistant, High	(2.0)	(122,870)
School Leadership	Staffing Standard	Cafeteria Monitor Hours	-	(15,732)
School Leadership	Staffing Standard	Dean, Elementary	(7.0)	(1,137,029)
School Leadership	Staffing Standard	Dean, Middle	(1.0)	(117,782)
School Leadership	Staffing Standard	Part Time Administrative Assistant	-	(31,671)
School Leadership	Staffing Standard	Teacher Assistant, In School Restriction - North Star School	1.0	71,180
School Leadership	Staffing Standard	Teacher Assistant, Kindergarten - Full Day	(5.0)	(265,696)
School Leadership	Staffing Standard	Teacher Assistant, North Star School	(1.0)	(64,043)
School Leadership	Staffing Standard	Teacher, Alternative Education Differentiated	(0.5)	(62,420)
School Leadership	Staffing Standard	Teacher, Grades 1-5	(35.0)	(4,021,956)
School Leadership	Staffing Standard	Teacher, Grades 1-5 Differentiated	4.0	758,153
School Leadership	Staffing Standard	Teacher, Grades 6-8	(14.4)	(1,669,780)
School Leadership	Staffing Standard	Teacher, Grades 6-8 Differentiated	8.3	1,048,362
School Leadership	Staffing Standard	Teacher, Grades 9-12	(17.6)	(2,197,196)
School Leadership	Staffing Standard	Teacher, Grades 9-12 Differentiated	7.8	985,941
School Leadership	Staffing Standard	Teacher, Kindergarten - Full Day	(5.0)	(526,625)
School Leadership	Staffing Standard	Teacher, North Star Differentiated	(1.2)	(195,439)
School Leadership	Staffing Standard	Teacher, Science Academy	2.0	252,727
School Leadership	Staffing Standard	Teacher, Test Coordinator - Academies of Loudoun	(1.0)	(91,805)
School Leadership	Staffing Standard Enhancement - Assistant Principal, Elementary School	Assistant Principal	13.0	2,708,300

APPENDIX

Investing in Our Empowered Students				
Department	Investment Name	Position/Description	FTE	Amount
School Leadership	Staffing Standard Enhancement - Assistant Principal, High School	Assistant Principal	18.0	3,917,306
School Leadership	Staffing Standard Enhancement - Assistant Principal, Middle School	Assistant Principal	3.0	636,421
School Leadership	Staffing Standard Enhancement - Dean, Elementary School	Dean, Elementary	10.0	1,362,305

GLOSSARY OF TERMS

This glossary includes definitions of terms used in this budget document and other terms as seen necessary for an understanding of financial accounting procedures for Loudoun County Public Schools.

A/B Testing - Also known as split testing, a method of comparing two versions of something - like a webpage, email, or ad - to see which one performs better. A/B Testing involves splitting a live audience into two groups, with one group seeing version A (the control) and the other seeing version B (the variation) and then measuring the results to determine which version achieves a specific goal, such as higher conversion rates. This data-driven approach helps make decisions about which design or content to use permanently.

Accounts Payable - A short-term liability account reflecting amounts owed to private persons or organizations for goods and services received by a government.

Accounts Receivable - An asset account reflecting amounts due from private persons or organizations for goods and services furnished by a government (but not including amounts due from other funds or other governments).

Accrual Basis - The recording of the financial effects on a government of transactions, events, and circumstances that have cash consequences for the government in the periods in which those transactions, events, and circumstances occur; rather than only in the periods in which cash is received or paid by the government.

Advanced Placement (AP) Program - An intensive program of college-level curricula and examinations that provides high school students with an opportunity to earn advanced placement, college credit, or both, at universities and colleges across the country. The AP program bridges the transition from secondary school to college by offering students an opportunity to develop their academic strengths through rigorous curricula and challenging national examinations and by exposing them to academic experiences usually reserved for college students.

Allocation - The amount of funding appropriated to a school. Types of allocations include the per pupil allocation for instructional supplies, postage, library books, staff development, computer supplies, etc.

American with Disabilities Act (ADA) - Prohibits discrimination against individuals with disabilities and requires employers to provide reasonable accommodations to help those with disabilities in performing their jobs. An individual with a disability is defined by the ADA as a person with a serious physical or mental impairment that substantially limits a major life activity.

Amortization - (1) The portion of the cost of a limited-life or intangible asset charged as an expense during a particular period. (2) The reduction of debt by regular payments of principal and interest sufficient to retire the debt by maturity.

Appropriation - An authorization granted by a legislative body to make expenditures and to incur obligations for specific purposes. An appropriation is usually limited in amounts and as to the time when it may be expended.

Audit - An audit is a formal examination and verification of an individual's or organization's records and accounts, finances, or compliance with a set of standards.

Average Daily Membership (ADM) - The aggregate membership of a school division divided by the number of days school is in session. ADM is a factor in the state funding formula.

Balance Sheet - A summarized statement, as of a given date, of the financial position of an entity by fund type presenting assets, liabilities, reserves, and fund balance.

Balanced Budget - A balanced budget is when there is neither a budget deficit nor a budget surplus. Total revenues equal total expenditures.

Bargaining Unit – A group of Employees who share a community of interest and may reasonably be grouped together for purposes of Collective Bargaining.

Basis of Accounting - A term used to refer to when revenues, expenditures, expenses, and transfers—and the related assets and liabilities—are recognized in the accounts and reported in the financial statements. Specifically, it relates to the timing of the measurements made, regardless of the nature of the measurement, on either the cash or the accrual method.

Bond - A written promise to pay a specific amount of money (face value) and interest over a specific period of time. Bonds for school purposes are either General Obligation Bonds or Virginia Public School Authority Bonds.

Budget - A plan of financial operation embodying an estimate of proposed expenditures for a given period or purpose and the proposed financing sources.

Budgetary Control - The control or management of a government or enterprise in accordance with an approved budget to keep expenditures within the limitations of available appropriations and available revenues.

Capital Budget - A plan of proposed capital outlays and the means of financing them for the current fiscal period.

Capital Outlay and Capital Acquisition - All expenditures for equipment, equity leases, purchases of land which result in acquisition of, or additions to, fixed assets, except outlays for Capital Construction. Capital Outlay includes the purchase of assets, both replacement and/or additions that cost more than \$5,000, with a useful life of at least one year.

Capital Improvement Plan - The six-year plan for school division construction projects.

Capital Projects Funds - A fund created to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds).

Collective Bargaining Agreement – A contract between the School Board and an Exclusive Bargaining Representative representing the Employees in a Bargaining Unit authorized by the Resolution and resulting from Collective Bargaining.

Communication - All expenditures related to postal, messenger, and telecommunications services.

Community Eligibility Provision (CEP) - A provision within the National School Lunch Program and School Breakfast Program that allows approved high-poverty schools and school districts to serve free meals to all students without collecting individual household applications. This simplifies the meal service process and ensures all students have access to nutritious meals.

APPENDIX

Consumer Price Index (CPI) - Measure of the average change over time in the prices paid by urban consumers for a fixed market basket of consumer goods and services. The CPI provides a way for consumers to compare what the market basket of goods and services costs this month with what the same market basket cost a month or a year ago.

Contractual Services - All expenditures for services acquired or purchased from sources outside the school system (i.e., private vendors, public authorities, or other governmental entities). Purchase of the service must be on a fee basis or fixed time contract basis. Payments for leases and rentals, utilities, communications, and insurance are not included.

Debt Limit - The maximum amount of outstanding gross or net debt legally permitted.

Debt Ratios - Comparative statistics illustrating the relation between the issuer's outstanding debt and such factors as its tax base, income, or population. These ratios often are used as part of the process of determining the credit ratings of an issue, especially with general obligation bonds.

Debt Service (Lease Purchase) - All expenditures related to the repayment of debt, for example, vehicles purchased through lease agreements.

Debt Service Fund - A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest. Sometimes referred to as a Sinking Fund.

Deficit - A deficit occurs when expenses exceed revenues, imports exceed exports, or liabilities exceed assets. A deficit is synonymous with a shortfall or loss and is the opposite of a surplus.

English Learner (EL) - The EL program helps limited-English-proficient students learn literacy and content concepts in order to function successfully in the regular school program.

Every Student Succeeds Act (ESSA) - Federal legislation passed in December 2015 that replaced the No Child Left Behind Act (NCLB) and governs the United States K-12 public education policy.

Expenditures - Total charges incurred, whether paid or unpaid, for current costs.

Family Medical Leave Act (FMLA) - The FMLA of 1993 provides up to 12 weeks of unpaid leave to an employee who has worked for at least 750 hours and 12 months at a location where there is at least 50 employees employed by the employer within 75 miles. These 12 weeks of leave are provided for certain medical reasons such as pregnancy and birth of a child, caring for an immediate family member with a serious health condition or for an employee who has a serious health condition. Certain type of notice may need to be given to the employer for requesting such leave.

Fiduciary Funds - Funds used to account for resources that are held by LCPS for the benefit of others. Fiduciary funds are not reflected in the government-wide financial statements because the resources of these funds are not available to support LCPS' programs. LCPS' fiduciary fund has an OPEB Trust Fund. The OPEB Trust Fund is used to account for assets held in trust by LCPS for postemployment health benefits.

Fiscal Period - Any period of time at which the entity determines its financial position and the results of its operations. LCPS has a fiscal year of July 1 to June 30.

APPENDIX

Fiscal Year - A 12-month period to which the annual operating budget applies and at the end of which a government determines its financial position and the results of its operations.

Fixed Assets - Long-lived tangible assets obtained or controlled as a result of past transactions, events, or circumstances. Fixed assets include buildings, equipment, or improvements other than buildings and land. In the private sector, these assets are referred to most often as property, plant, and equipment.

Freedom of Information Act (FOIA) - The Freedom of Information Act establishes the right of the public to obtain information maintained by the federal or state government and their agencies. The FOIA creates a general mechanism designed to ensure that the process for getting that information will be simple, timely, and inexpensive.

Fringe Costs - All expenditures for job-related costs provided to employees as part of their total compensation. Fringe costs include the employer's portion of FICA, retirement, group insurance (health, dental, and life), unemployment, workers' compensation, and direct educational assistance.

Full-Time Equivalent (FTE) - Method of calculating hourly or part-time employees on a full-time position basis.

Fund - A fiscal and accounting entity with a self-balancing set of accounts recording assets and liabilities for specific activities of the school system.

Fund Balance - The excess of assets of a fund over its liabilities and reserves. Governmental Accounting Standards Board Statement No. 54 established five components: non-spendable, restricted, committed, assigned, and unassigned.

Fund Balance Carryover - Funding set aside from the prior fiscal year to be carried forward to the budget year as a budgeted beginning balance. This amount is determined annually depending on need.

Fund Statements - Financial statements that display receipts, expenditures, transfers in, transfers out, and changes in fund balance for each School Board fund.

General Ledger - A record containing the accounts needed to reflect the financial position and the results of operations of a government. In double-entry bookkeeping, the debits and credits in the general ledger are equal (i.e., the debit balances equal the credit balances).

Governmental Accounting Standards Board (GASB) - The independent private-sector organization that establishes accounting and financial reporting standards for U.S. state and local governments that follow Generally Accepted Accounting Principles (GAAP).

General Accepted Accounting Principles (GAAP) - Uniform minimum standards and guidelines for financial accounting and reporting. They govern the form and content of the financial statements of an entity. GAAP encompass the conventions, rules, and procedures necessary to define accepted accounting practice at a particular time. They include not only broad guidelines of general application, but also detailed practices and procedures. GAAP provide a standard by which to measure financial presentations. The primary authoritative body on the application of GAAP to state and local governments is the GASB.

APPENDIX

GASB 87 – Leases - the objective of Governmental Accounting Standards Board (GASB) 87 is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments.

GASB 96 – Subscription-Based Information Technology Arrangements (SBITA) - the objective of Governmental Accounting Standards Board (GASB) 96 provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users (governments).

Governmental Funds - These funds provide a detailed short-term view that helps the reader determine whether there are more or fewer financial resources that can be spent in the near future to finance LCPS' programs. LCPS Governmental Funds consist of Operating, Grants, School Nutrition, Lease Purchase, CIP and CAPP Funds.

Grants - Contributions or gifts of cash or other assets from another government to be used or expended for a specified purpose, activity or facility.

Identified Student Percentage (ISP) - The proportion of "identified students" (out of all enrolled students) who are directly certified for free School meals through means other than the school meal application. This percentage is the predominant factor determining a school's eligibility for the Community Eligibility Provision (CEP).

Individualized Education Program (IEP) - A written statement indicating the primary special education placement and related services a student with disabilities will receive. The IEP is developed mutually by the child's parents and by a team of individuals representing the school system.

Instruction - The activities dealing directly with the teaching of students or improving the quality of teaching.

Insurance - All expenditures for insurance except those which are related to personal services and which are reflected under Fringe Costs (i.e., group health, group life, accident and health, unemployment compensation, worker's compensation, etc.).

Leases and Rentals - All expenditures for payments of non-equity leases and rentals. Includes leases, which are capitalized and rental of land, structures, and equipment. Payments made under equity type lease/purchase agreements are not included here, but under Capital Leases.

Liabilities - Probable future sacrifices of economic benefits, arising from present obligations of a particular entity to transfer assets or provide services by other entities in the future as a result of past transactions or events.

Local Composite Index (LCI) - The relative wealth index used by the state to equalize state aid to localities.

Long Term Debt - In the context of the General Long Term Debt Account Group, any unmatured debt that is not a fund liability.

Materials, Supplies, Minor Equipment - All expenditures for instructional materials, office supplies, other operating supplies, and minor equipment (defined as less than \$5,000 in the Capitalization Policy) which are consumed or materially altered when used.

Miscellaneous - All expenditures for those payments not otherwise classified. For example: Dues and Association Memberships, Professional Certifications and Licenses, Notary Fees, Vital Statistics Certifications, Education-Staff Development Expenses, Scholarships and Stipends.

Modified Accrual Basis - The accrual basis of accounting adapted to the governmental fund-type measurement focus. Under it, revenues and other financial resource increments (e.g. bond issue proceeds) are recognized when they become susceptible to accrual; that is when they become both “measurable” and “available to finance expenditures of the current period.” “Available” means collectible in the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recognized when the fund liability is incurred except for (1) inventories of materials and supplies that may be considered expenditures either when purchased or when used, and (2) prepaid insurance and similar items that may be considered expenditures either when paid for or when consumed. All government funds, expendable trust funds, and agency funds are accounted for using the modified accrual basis of accounting.

Non-School Based Position - A position that serves in a support capacity for the school division, is assigned to a department and does not report to a school location. All Directors and above are considered Non-School Based.

Object Code - Line item that denotes purpose of expenditures.

Operating Budget - Plans of current expenditures and the proposed means of financing them. The annual operating budget (or, in the case of some state governments, the biennial operating budget) is the primary means by which most of the financing, acquisition, spending, and service delivery activities of a government are controlled. The use of annual operating budgets is usually required by law. Even when not required by law, annual operating budgets are essential to sound financial management and should be adopted by every government.

Per Pupil Allocation - An allocation to a school based on the type and number of students enrolled.

Personnel - All expenditures to compensate persons in the employment of the Loudoun County School System for direct labor including full-time and part-time employees.

Property Tax - An ad valorem tax that an owner is required to pay on the value of the property being taxed. The property tax rate is often given as a percentage. It may also be expressed as a permille (amount of tax per thousand currency units of property value), which is also known as a millage rate or mill levy. (A mill is also one-thousandth of a current unit.)

Proprietary Funds - These funds consist of LCPS' Internal Service Funds, which are used to account for operations that are financed and operated in a manner similar to private-sector businesses in which costs are recovered primarily through user charges.

Retainage Payable - A liability account reflecting amounts due on construction contracts not paid pending final inspection of the project or the lapse of a specified period, or both. The unpaid amount is usually a stated percentage of the contract price.

Revenue - The income of a government agency from taxation and other sources.

Risk Management - All the ways and means used to avoid accidental loss or to reduce its consequences if it does occur.

APPENDIX

School Based Position - A position that is assigned to a school and reports directly to a school.

School Facing Position - A position that is assigned to a department rather than a school location but routinely works in a school, is an itinerant position, or is a floating position.

Self-Insurance - A term often used to describe the retention by an entity of a risk of loss arising out of the ownership of property or from some other cause, instead of transferring that risk to an independent third party through the purchase of an insurance policy. It is sometimes accompanied by the setting aside of assets to fund any related losses. Because no insurance is involved, the term self-insurance is a misnomer.

Standards of Learning (SOL) - Objectives that are designated by the Virginia Board of Education as the student outcomes that are to result from the programs in the school. These standards are designated for elementary, middle, and secondary school students.

Standards of Quality (SOQ) - The General Assembly and the Board of Education determine the SOQ for public schools in Virginia, as prescribed by the Code of Virginia. These standards are periodically revised and specify that each school division shall maintain schools that meet those requirements for accreditation prescribed by the Board of Education.

State Category - The broad expenditure categories for school divisions determined by the State Board of Education. Current state categories are as follows:

Instruction	Pupil Transportation	Contingency Reserve
Administration	Operation and Maintenance	Instructional Program
Attendance and Health	Food Services and Other Non-Facilities	Debt Services

Subscription-Based Information Technology Arrangements (SBITA) - is defined by GASB as a contract that conveys control of the right to use another party's (a SBITA vendor's) information technology (IT) software, alone or in combination with tangible capital assets (the underlying IT assets), as specified in the contract for a period of time in an exchange or exchange-like transaction.

Subsidiary Ledger - A group of subsidiary accounts, the sum of the balances of which should equal the balance of the related control account.

Taxes - Compulsory charges levied by a government to finance services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits, such as special assessments. Neither does the term include charges for services rendered only to those paying such charges (e.g., sewer service charges).

Training and Continuing Education - All expenditures for payments made directly to employees, board members, and volunteers as a reimbursement for expenses incurred in conjunction with travel related to training and education sessions, conferences, and conventions.

Trial Balance - A list of the balances of the accounts in a ledger kept by double entry, with the debit and credit balances shown in separate columns. If the totals of the debit and credit columns are equal, or if their net balances agree with a control account, the ledger from which the figures are taken is said to be in balance.

APPENDIX

Utilities - All expenditures for electrical, heating, water, and sewage services provided to school system owned and operated buildings, and facilities, regardless of whether the service is provided by a private enterprise, authority, or an enterprise fund operated by the school system.

Virginia High School League (VHSL) - A non-profit organization composed of the public high schools in the Commonwealth of Virginia. The league is a service organization whose purpose is to build better citizens through interscholastic activities such as athletics, drama, debate, forensics, and publications for students throughout Virginia.

Virginia Public School Authority (VPSA) - The purpose of the Virginia Public School Authority (the “Authority” or the “VPSA”) is to purchase local school bonds with any available funds including bonds issued by the Authority for such purpose. The bonds may be sold at public or private sale, and for such price and on such terms as the Authority shall determine.

Washington Area Boards of Education (WABE) Guide - A statistical report comparing area school districts’ salaries, budget, cost per pupil, and class sizes.
