[00:26:06] Richmond, Virginia. Chamber. This is the Senate of Virginia, Richmond, Virginia. Chamber. The

[00:31:05] Senate will come to order. The senators will please take their seats. Those persons not entitled to the privileges of the floor will retire to the gallery. The senators and all in attendance will please stand if you are able. We will be led in prayer today by the Reverend Zachary D. Obey from Love Outreach Tabernacle in Petersburg and following the prayer everyone will please remain standing and be led in the Pledge of Allegiance to the flag of the United

[00:31:35] States of America by Senate Page Lauren Phillips of Roanoke. Let us pray. Heavenly Father, we pause in this chamber today to acknowledge you as a source of our strength, wisdom, justice, and truth.

[00:31:53] You have entrusted these leaders with influence, responsibility, and the sacred duty of serving the people of this commonwealth. I pray that you grant them clarity where there is complexity, courage where there's pressure, and unity where there are differences.

[00:32:13] Let wisdom govern every decision. Let integrity guide every decision. Let compassion shape every policy. Remind us that leadership is not about power, but about service. Not about position, but about purpose.

[00:32:30] Not about the party, but about the people. Give these senators steady minds and a discerning heart. Help them to listen well, to speak thoughtfully, and to act justly. Where there are competing interests, grant balance.

[00:32:47] Where there are urgent needs, grant strategy. Where there are unseen consequences, grant foresight. Protect their families, strengthen their health, guard their character. May this chamber be marked by respect.

[00:33:03] May debate be firm, yet honorable. May decisions reflect conviction. We ask that you bless the Commonwealth of Virginia with peace, economic strength, educational opportunity, and safe communities. Raise up leaders who will walk humbly, love mercy, and pursue justice.

[00:33:23] Today, let wisdom prevail. Let unity rise above division. Let service rise above self. And may everything be done here to bring the people of Virginia what we need in your name, amen.

[00:33:43] I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

[00:34:00] Clerk will call the roll. All those present, please vote aye. The clerk will close the roll.

[00:34:42] You have a quorum, Madam President. Senate Journal for Wednesday, February 11, 2026. The senator from Chesapeake moves that the reading of the journal be waived. All in favor of waiving the reading of the journal will record their vote aye, those opposed no.

[00:35:02] Are the senators ready to vote? Have all the senators voted? Do any senators desire to change their vote? The clerk will close the roll. Ayes 31, noes 6.

[00:35:19] Ayes 31, noes 6, the reading of the journal is waived. The clerk will report any communications from the House of Delegates. The chair recognizes the senator from Eastern Fairfax. Good afternoon, Madam President.

[00:35:34] Good afternoon. Madam President, I move to waive the reading of the communication from the House of Delegates. The question is, shall the reading of the communication be waived? All in favor of waiving the reading of the communication from the House of Delegates will record their votes. Aye. Those opposed, no.

[00:35:49] Are the senators ready to vote? Have all the senators voted? Do any senators desire to change their vote? The clerk will close the roll. Ayes 28, no 7.

[00:36:06] The motion to waive the reading of the communication has failed.

[00:36:23] Madam President. Senator from Eastern Fairfax. I'm sorry, I gotta get somebody else to do it, I'll be right back. Senator from Hanover.

[00:37:00] Madam President, I reluctantly move that we reconsider the last vote. The question is, shall the vote by which the motion to waive the reading of the communication from the House of Delegates failed be reconsidered? All in favor of that motion will record their votes, aye. Those opposed, no. Are the senators ready to vote? Have all the senators voted? Do any senators desire to change their vote? The clerk will close the roll.

[00:37:33] I was 36 nose 3 ice 36 nose 3 the reading the motion to reconsider the reading of the the waving of the reading of the communication is passed senator from Eastern Fairfax Amanda president I once again move to wave the reading and the communication from house of delegates and would really encourage everybody to vote for it this time so we can save all these people in the gallery some time of not having to listen to that thank you senator the

[00:38:10] question is shall the reading of the communication be waived all in favor of waiving the reading of the communication from the house of delegates will record their votes aye those opposed no are the senators ready to vote have all the senators voted do any senators desire to change their vote the clerk will close the roll. Ayes 33, noes 6. Ayes 33, noes 6. The reading of the communication is waived. The clerk will report any communications from the governor. We do

[00:38:46] not have any Madam President. We've now arrived in the morning hour when we have the honor of welcoming our distinguished guests who are joining us today in the gallery and I give my daily reminder about our procedure. A senator will rise and will introduce their visitors I will then offer the welcome of the Senate and I ask that we all hold our applause until I've had the opportunity to provide the Senate's welcome the chair recognizes the senator from Eastern Henrico thank you madam president I rise for two introductions the senator has

[00:39:26] the floor thank you madam president today in the gallery we are honored to recognize once again pastor obeyed and asked that he please stand madam President, Pastor Obey is the founder and senior pastor of Love Outreach Tabernacle located in Petersburg, Virginia. Love Outreach Tabernacle is a spirit-filled, Christ-centered church guided by the mission Reaching the Lost with Love, reflecting Pastor Obey's deep commitment to faith, service, and community outreach across cultural and denominational lines. Licensed in the Church of God of Christ in 1999, Pastor Obey has faithfully served in numerous leadership roles

[00:40:03] and continues to uplift individuals and families throughout Petersburg and beyond. Madam President, I found his prayer today to be especially timely, and I am so grateful every time he makes the time to bless us with those words. And so I'd ask that we give him the warm welcome of the Senate. Thank you, Senator, for that introduction.

[00:40:20] And the words were very timely indeed. Thank you for sharing your prayers and your blessings upon this chamber. We are delighted that you honored us with your presence this morning. Thank you for being here. Senators I ask that we give the warm welcome of the Senate to the Reverend Zachary D. Obey from Petersburg. Senator from Eastern Henrique. Thank you so much so much Madam President. At this time I'd like to also introduce the 10th grade students from the Center for Environmental Studies and

[00:40:57] Sustainability at Verona High School and I'd ask that they please stand. Madam President after spending the morning advocating for clean water and healthy a healthy James River these students join us not only as learners but as informed young advocates who understand how public policy shapes the well-being of their communities and madam president I've had an opportunity to visit with them back on their grounds at the high school to actually observe their recommendations for us and how they would like to see their ideas become a reality and so I'd like to also consider them to be young experts that we should

[00:41:33] depend on as well for ideas heading into the next session so madam president if you would please so give them the warm welcome of the Virginia Senate thank you senator for that introduction and welcome to the students representing Varina High School thank you for your leadership as the senator said you are our experts because you are doing the research you are doing field research and understanding the impacts that we see on our environment whether it's the quality of air, water, or soil. Thank you for the leadership that you are already demonstrating and sharing your expertise with our legislators as you visit them

[00:42:12] in our offices today. Senators, I ask that we give the warm welcome of the Senate to the representatives and the students from Verina High School. The chair recognizes the senator from Portsmouth. Thank you, Madam President.

[00:42:33] Madam President, I rise for the purpose of an introduction. The senator has the floor. Seated in the gallery today is a group from Excel Center. So please welcome Kelly Vims, Senior Director of Community Impact at Goodwill Industries of the Valley in Roanoke. This is where the first adult high school known as Excel Center was created by the General Assembly in 2023 and funded by the Commonwealth in 2025. With Kelly are two of the 60 students. Duelers are lifetime changes, hope bringers, and sacred witnesses to the miracles of new life, they are the steady

[00:43:11] hand that guides the gentle voice that reassures, the fierce advocate who ensures every birthing person is heard, honored, and respected. In hospital rooms across Virginia, doulas stand as

cultural bridges, emotional anchors, and trusted companions during one of life's most vulnerable moments.

[00:43:30] Studies demonstrate significant reductions in cesarean birth, decreased request for pain medication, meaningful improvement in maternal mortality disparities, enhanced breath feeding outcomes, and reduced postpartum depression. In Virginia, where black women face maternal death rates two to three times higher than white women, doulas are not a luxury.

[00:43:52] They are a life-saving necessity. Please welcome the Doula Association of Virginia, those from Excel Center. Thank you Senator for that introduction and welcome to the Doula Association of Virginia and members of the Excel Center. Thank you for all that you are doing especially in the many ways highlighted by the senator in her introduction. Your role is so critical for so many communities throughout Virginia. We thank you for being here today and for sharing the work that you are doing. Senators I ask that we give the warm welcome of the Senate to the representatives of the

[00:44:28] Excel Center. The chair recognizes the senator from Chesapeake. Thank you, Madam President. Madam President, I rise to ask for a request for absence for my seat mate, the senator from Stafford who's away on pressing personal business. The journal will so reflect. Thank you, Senator. The chair recognizes the senator from Eastern Fairfax. Thank you, Madam President. I rise for an introduction. Senator has the floor. Thank you, Madam President. Ladies and gentlemen, the

[00:45:05] Senate, joining us in the gallery today is the Virginia Association of Museums. who um reached out to me to introduce them today they um they uh virginia association museums represents a whole series of museums across the state who doesn't like a good museum right go on their website and check them out um in my district they uh one of their members is the lorton workhouse arts center which has a great craft brewery called bunny man i would encourage everybody to go to um several here in richmond such as the holocaust museum um several uh they're in driving distance here like in hanover i think i saw a tavern there but they represent

[00:45:42] museum professionals all across the state helping them do professional development marketing and they're a vital important part of our tourism economy and i would hope we give them the warm welcome of the senate thank you senator for that introduction and welcome to the many representatives that are part of the virginia association of museums we all know how very critical your work is in preserving and sharing the history the culture the stories of virginia throughout our commonwealth we thank you for your dedication and your service to all of our

[00:46:16] communities and our many localities senators i ask that we give the warm welcome of the senate to the representatives of the virginia association of museums the chair recognizes the senator from shenandoah thank you madam president i'm mad president i rise for the purpose of an introduction the senator has the floor madam president today in the gallery we have a couple special guests from lake frederick join us in the gallery uh today are heidi linsky and karen gross

[00:46:56] heidi is very involved with the blue ridge wildlife center whose mission is to protect and conserve native wildlife by integrating veterinary medicine rehabilitation public education professional training and research and karen is passionate advocate for our education in our commonwealth working hard to enhance education systems in the way that lifts the commonwealth and supports virginia's students as they grow into leaders that will guide us into the future and just a little side note they got a nice restaurant in their community regions 117 so it's not very

[00:47:36] far for a lot of our my co-representatives and also with them today we have a special guest as miss julia marsden julia's wife for senator marsden and uh he has been a great mentor of me and on the ag committee and i've really enjoyed the time and conversations that we spent together and i too would like to thank her for sharing his time with us so madam president would you join me in giving them the warm welcome of the senate thank you senator for that introduction and welcome

[00:48:13] Welcome to all of our distinguished guests, Heidi and Karen, thank you for joining us and thank you for the work that you are doing in your communities and of course a warm welcome to Mrs. Julia Marsden, thank you for joining us again today and being such a critical part of so many different organizations.

[00:48:34] Thank you for the work that you do throughout Virginia. Senators, I ask that we give the warm welcome of the Senate to our distinguished guests in the gallery today the chair recognizes the senior senator from henrico thank you madam president my president i rise for an introduction the senator has the floor thank you madam president madam president members of the senate joining us today uh in the gallery are civic students from

[00:49:11] st michael's episcopal school they were staying uh st michael's episcopal school is here in the city of richmond they're here to meet with representatives and to see their government in action. St. Michael creates a learning environment that support close relationships, thoughtful teaching, and meaningful connections. Their mission is to foster educational excellence and instill students with values necessary to be successful. Madam President, I

[00:49:45] want to go back to a piece in this that says close relationships. They are here not just to see us but to see one of their classmates who classmates who is my page uh they know him as win am i correct they all call him win i think we call him edwin uh but it was oh there he is uh they had an opportunity to spend some time with their classmate and i got a bit jealous um when we spent time with

[00:50:20] them this morning i had them ask uh win questions about some of the things that they had been studying in class because he wanted to convince them that he had been doing the same work that they had been doing but he had been completing those assignments solo and I think he did a fine job of talking about the books that they have been reading and answering their questions related to the math studies and I was just thrilled by the way that they were so proud of him and I that's when I got jealous because I can't think of a group of people that would go

[00:50:59] somewhere and be proud of me like if I were to take these 39 40 individuals somewhere I don't know if they would be like smiling and so happy to see me as these students were for when and so I know I'm not supposed to make this about me but they showed me that relationships matter that friendship is essential to

[00:51:35] the soul and that we are blessed to have such awesome young people serving us as pages day in and day out and we don't realize they what we do realize sometimes we forget that they are away from beautiful friends teachers and families for such a long period of time and so madam president I hope that she will give lead us in a warm welcome for Edwin and the students from st. Michael I thank the senator for that very generous and quite loving introduction

[00:52:12] thank you for the words that you have shared and we welcome the students from st. Michael's Episcopal School and according to what the senator has shared. Your support and friendship for Senate

page Wynn is truly admirable. We are of course so delighted to have our Senate pages with us every day and our House pages in the other chamber and we're so delighted that they have the support of family and friends at home and I know Wynn has quite a bit to share

[00:52:46] when he comes back into your classes and and senators I would just encourage that we show some love and affection for our senior senator from Henrico it seems that he needs a little bit a little bit of support senators I ask that we give the very warm welcome of the Senate to the students to the

[00:53:12] wonderful students from st. Michael's Episcopal School the chair recognizes is the Senator from King George.

[00:53:36] - Thank you, Madam President Rice, for an introduction. - The Senator has the floor. - Thank you, Madam President. That's a tough act to follow, Madam President. I have to say. Anyway, Madam President, we have the honor of having the folks from the Virginia Horse Council in the gallery up there somewhere today.

[00:53:56] And I need not remind you all, because so many of you all have participated in the legislative trail ride and learned so much about the equine industry in Virginia. But for 50 years, they've been advocating on behalf of the horse industry in Virginia.

[00:54:11] And they are a fierce force in our agricultural industry. And I just thank them for their advocacy and for them appearing today. And I'd ask that we give them the warm welcome of the Senate.

[00:54:26] Thank you, Senator, for that introduction. welcome to the representatives from the Virginia Horse Council. As the senator highlighted, the equine industry in Virginia is such a critical part of not just our economic development opportunities, but so much a part of Virginia's culture and history. So thank you for all that you do to represent all of our communities in which the equine industry is such a critical component.

[00:54:55] Senators, I ask that we give the very warm welcome of the Senate to the representatives of the Virginia Horse Council. Is there any other business for the morning hour? Senator from Norfolk. Madam President, I rise for an introduction in their absence. Senator has the floor. Thank you, Madam President.

[00:55:30] The Virginia beef and cattle dairy industries are featured today as proud sponsors of lunch for the members of the Virginia General Assembly. As two of the largest sectors of Virginia agriculture. Virginia's Cattlemen's Association and the Virginia State Dairymen's Association collectively represent industries employing more than 50,000 people. These roles range from those working on farms, home to some 1.3 million cattle, to the numerous value-added businesses for beef

[00:56:05] and dairy products. Today's lunch features products produced on Virginia farms and processed by Virginia businesses including steaks sourced from Virginia verified beef producers and processed in the Shenandoah Valley, milk supplied by Mayola local dairies, a farmer owned cooperative headquartered in Herndon with processing facilities in Newport News and Straitsburg. Notably, the milk Mayola provides

[00:56:39] is produced by dairy farmers across the Commonwealth, including on the family farm of one of our own colleagues, the senator from Shenandoah. Potato chips, potato chips from Route 11 in Mount Jackson and a past AFID grant recipient are also included. These chips are made from potatoes grown on Virginia's eastern shore and distributed through Valley Pike Market in Weyer's Cave. Today, the Virginia beef and dairy industries contribute more than $14 billion

[00:57:19] dollars to the commonwealth's economy through job creation support of local businesses exports and productive land use our producers are vital contributors contributors to a strong economy food security and a healthy environment while some may be vegan some may be vegetarian I stick with eat more beef.

[00:57:45] Madam President, please join me in giving a warm Senate welcome to the Virginia Cattlemen's Association and the Virginia State Dairymen's Association in their absence as we eat more beef.

[00:58:01] Thank you, Senator, for that introduction. And I know while they are not able to join us in the gallery, we certainly acknowledge and appreciate so much of what our beef and cattle and dairy farmers contribute to Virginia in so many ways.

[00:58:18] Thank you for the comprehensive introduction that you provided, and thank you to them for sharing the food that so many are enjoying today. Senators, I ask that we give the warm welcome in their absence to the representatives of the beef, cattle, and dairy industries.

[00:58:43] Is there any other business for the morning hour? The clerk will call the calendar. Senate calendar for Thursday, February 12, 2026. Regular calendar. Senate bills on third reading.

[00:59:02] Senate bill 305, a bill relating to kinship foster care barrier crime waiver. There is a floor amendment. Senator from Western Fairfax. Madam President, I ask this bill to go by for the day, please.

[00:59:19] Without objection, Senate Bill 305 will go by for the day. Senate Bill 643, a bill relating to firearm purchase requirements penalties.

[00:59:37] Senator from Eastern Fairfax. Madam President, I'd ask that bill go by for the day. Without objection, Senate Bill 643 goes by for the day. Senate Bill 94, a bill relating to siting of data centers, property, and property zone for industrial use.

[00:59:58] from Western, Prince William. Thank you, Madam President. Madam President, I move passage this bill and speaking to the motion. The Senator has the floor. All right, Madam President, yesterday we adopted the floor amendment for this part, so the two things it does. Number one, the same bill that passed out of this chamber by a two-to-one margin last year from Senator Eben, that bill is still intact in its entirety, word-for-word. What we have added to that is making sure that data centers that are located beginning, or they're basically have their site plans proved beginning January 1st of next year, have to go into industrially zoned areas.

[01:00:33] With that, Madam President, I have a new passage of the vote. The question is, shall Senate Bill 94 pass? All in favor of that motion, will record their votes aye, those opposed no. Are the senators ready to vote?

[01:00:50] Have all the senators voted? Do any senators desire to change their vote? The clerk will close the roll. Ayes 21, noes 18.

[01:01:06] And rule 36-1. Ayes 21, Nose 18, Rule 36-1. Senate Bill 94 passes. Senate Bill 670, a bill relating to automated driving systems.

[01:01:23] Senator from Central Fairfax. Thank you, Madam President. Madam President, I move that the bill pass in speaking to that motion. The Senator has the floor. Thank you, Madam President. Madam President, Senate Bill 670 is related to autonomous driving systems, specifically autonomous vehicle.

[01:01:41] Uh, this vehicle would set the framework for our commercial side, uh, so that we can, uh, lead the way of licensing and eventually operating those vehicles on Virginia roads. Uh, and this bill really sets that framework, uh, when we talk about the licensing process and how the DMV, uh, will be in charge of that, including the safety components along with, uh, what will happen, uh, if there's a crash or any of these vehicles are involved, including the the ways that we're protecting Virginians when these vehicles are on the road and this is something that I have worked with many

[01:02:17] folks the last couple weeks in order to get this through so I hope with that we can pass this bill the question is shall Senate bill 670 pass all in favor of that motion will record their votes aye those opposed no are the senators ready to vote. Have all the senators voted? Do any senators desire to change their vote?

[01:02:41] The clerk will close the roll. Ayes 35, noes 4. Ayes 35, noes 4. Senate bill 670 passes. Senate bill 23 relating to plea agreements and court orders prohibited provisions. Senator from Central Fairfax. Thank you Madam President. I move that the bill pass and speaking to that motion. Senator has the floor. Madam President, Senate Bill 23 is related to prohibiting Fourth Amendment waiver in all future plea agreements.

[01:03:16] It is simply to ensure that we, when somebody's agreeing to a Fourth Amendment waiver, that there are provisions that they agree to, those are not there for a lifetime where law enforcement or anyone could actually use that against you in the future, and that is what the bill those and I hope we can pass that. The question is, shall Senate Bill 23 pass?

[01:03:44] All in favor of that motion will record their votes aye. Those opposed no. Are the senators ready to vote? Have all the senators voted? Do any senators desire to change their vote? The clerk will close the roll. Ayes 21, noes 19. Ayes 21, noes 19. Senate Bill 23 passes. Senate Bill 26, a bill relating to land development solar canopies in surface parking areas. Senator from Eastern Prince William. Thank you Madam President. Madam President I move the bill pass and speaking to the bill. Senator has the floor. Thank you Madam President. This

[01:04:23] bill aims to expand distributed solar generation, reduce heat island effects, and modernize land use standards by enabling localities to acquire solar canopies over large non-residential parking lots. This bill only applies to to new or expanded parking areas with a hundred plus spaces and allows flexibility for stormwater tree canopies restrictive zoning and efficiency thresholds I move the bill pass the question is shall Senate bill 26 pass all in favor of that motion will record their votes aye those opposed no are the

[01:04:59] senators ready to vote have all the senators voted do any senators desire to change their vote. The clerk will close the roll. Ayes 21, noes 19. Ayes 21, noes 19. Senate Bill 26 passes. Senate Bill 87, a bill relating to local government sporting events and sporting facilities, automated external defibrillators. Senator from Franklin County. Thank you, Madam President. I now move that Senate Bill 87 pass and speaking to that. The senator has the floor. Madam President, members of the body, this this bill is actually

[01:05:38] probably a little overdue and this bill when we pass it hopefully it's passed by the other body is going to save lives you may notice we have of course many of our ball fields that are run by our localities have a lot of tournaments a lot of softball games some older people younger people always playing on the field and occasionally there is that moment as it was for one of my constituents when her husband

collapsed having a heart attack during a softball game she brought this bill to me because it was so important it wasn't that there was a defibrillator there because of the local government. But rather, there was a fireman there who had one in his car and he was able to save her husband's life. And when we talked it over, we thought it was probably necessary at

[01:06:16] this time. Since we see these defibrillators here in our office buildings and the buildings that we walk through every day, that we need them where they're probably needed most, which is on a football field or a baseball field or a softball field. For every minute without defibrillation when someone has a heart attack. Survival rates drop 7 to 10 percent. EMS response time is usually 7 to 10 minutes. The difference in that time can be life or death. So what we try to do here is we require the next two and a half years for our localities to develop plans and secure defibrillators. And the number of defibrillators that they need are based on the size of the ball fields and the

[01:06:55] capacity of the people that play there. So it will cost our localities about a thousand to two thousand dollars each most localities to make sure that every ball field in the Commonwealth of Virginia is equipped with a defibrillator that will save someone's lives and for those reasons madam president and I think this bill will save lives I renew my motion that Senate bill 87 pass thank you the question is shall Senate bill 87 pass all in favor of that motion will record their votes aye those opposed no are the senators ready to vote have all the senators voted. Do any senators desire to change their vote? The clerk will close

[01:07:32] the roll. Ayes 40, noes 0. Ayes 40, noes 0. Senate bill 87 passes. Senate bill 123, a bill relating which provided a charter for the city of Pocosin relating to schools. The senator from York. Thank you madam president. I move that the bill passes speaking to the bill. The senator has the floor. Thank you. This is a city charter change as it pertains to appointed school boards in the city

[01:08:09] there's a couple minor wordsmithing but the real meat of this is that it changes the term of these appointed school board members from three years to two years additionally Pocosin is divided into three districts and the school board is two from each district and one at large they have had problems in the last few years finding people in each district who are willing to serve so it's their request that all of the appointments be made at large let me make it clear that

[01:08:45] this is not a an attempt to disenfranchise or change the balance of power or anything because it is a small community of 15 square miles with a population of about 12,500 and the goal of this is just so that they can efficiently and effectively make sure that the school board is properly properly manned so I would ask that the body pass the bill the question is shall Senate bill 123 pass all in favor of that motion will record their votes aye

[01:09:19] those opposed no are the senators ready to vote have all the senators voted do any senators desire to change their vote the clerk will close the role is 40 no ayes 40, noes 0. Senate bill 123 passes. Senate bill 189, a bill relating to Virginia Consumer Protection Act, consumer notification, and consumer debt collection proceedings. Senator from Norfolk. Madam President, can that bill go by temporarily?

[01:09:50] Without objection, Senate bill 189 goes by temporarily. Senate bill 296, a bill relating to county manager plan of government affordable dwelling unit ordinance. Senator from Arlington. Thank you, Madam President. Madam President, I move that the bill pass and speaking to the motion, the Senator has the floor. Thank you, Madam President. What this bill does is under the County Manager Plan of Government, it removes the schedule for affordable

[01:10:25] housing contributions from statute and allows the County Manager Plan of government to establish a workgroup 50% from sort of the development in real estate community and 50% maybe from the Housing Commission and other advocates. So this Commission will advise the county on an appropriate affordable housing schedule and the county could then publish it in a zoning or in an ordinance form. There is a reenactment clause so the county cannot go forward

[01:11:00] with their ordinance until the General Assembly reenacts this bill in 2027 I do hope it's the will of the body to pass this bill thank you the question is shall Senate bill 296 pass all in favor of that motion will record their votes aye those opposed no are the senators ready to vote have all the senators voted do any senators desire to change their vote the clerk will close the

[01:11:30] roll. Ayes 22, noes 18. Ayes 22, noes 18. Senate bill 296 passes. Senate bill 301, a bill to amend a bill relating to exemptions from garnishment, minimum protected, account balance, certain benefit payments, procedure for financial institutions. Senator from Western Henrico. Thank you, Madam President. Madam President, I move the bill pass and speaking to that motion. The senator has the floor. Thank you, Madam President. Madam President, members of the body, this bill does two things. First, it automatically protects up to a thousand dollars in a person's bank account

[01:12:10] from garnishment. And secondly, it automatically protects four kinds of deposits that are already protected, but right now people have to go through the court system for. And so I move passage of this bill. The question is, shall Senate Bill 301 pass? All in favor of that motion will record their votes. Aye. Those opposed, no. Are the senators ready to vote? Have all the senators voted?

[01:12:36] Do any senators desire to change their vote? The clerk will close the roll. Ayes 21, noes 19. Ayes 21, noes 19. Senate Bill 301 passes. Senate Bill 335, a bill relating to affirmative defense or related penalty for mental illness, neurocognitive disorder, or intellectual or developmental disability.

[01:13:07] Senator from Northern Fairfax. Thank you, Madam President. I move the bill pass. I'm speaking to the bill. The senator has the floor. Thank you, Madam President. Everyone in this chamber has voted on this bill at least two times, if not more. This is a bill that addresses our developmental disabilities, neurocognitive disorders, serious mental illnesses, and it assures that they are not seriously punished when they've encountered with a law enforcement and have taken an action that they couldn't control.

[01:13:40] So this gives them the ability to apply for an affirmative defense. This is an important bill to the disabilities community and I move the bill pass. The question is, shall Senate Bill 335 pass?

[01:13:57] All in favor of that motion will record their votes aye, those opposed no, are the senators ready to vote? Have all the senators voted? Do any senators desire to change their vote? The clerk will close the roll. Ayes 26, noes 14.

[01:14:15] Ayes 26, noes 14, Senate Bill 335 passes. Senate Bill 416, a bill relating to deferred disposition in a criminal case, persons with autism, intellectual disabilities or developmental disabilities expungement.

[01:14:34] Senator from Northern Fairfax. Madam President, I move the bill pass and speaking to the bill. Senator has the floor. Thank you, Madam President. This is a bipartisan effort. I worked with the senator from King George County on this. It strengthens some protections for our people who live with disabilities, early identification, early intervention, and better outcomes for these vulnerable community members.

[01:15:02] It allows a flexible, judge-driven diversion program process that can be used at any stage of a person who is encountering our courts. and I ask the body to vote for the bill. -The chair recognizes the senator from King George.

[01:15:20] -Thank you, Madam President. Speaking to the bill. -Senator has the floor. -Madam President, I'd like to thank the senator for allowing me to work with her on this, and just there were some questions about this earlier. This just builds upon earlier law that was passed several years ago, and it allows a person that is on the spectrum make a motion to the court to see if they would be an appropriate candidate for that particular particular deferment instead of having to wait until trial day so I think it's a very good bill and will be helpful to those folks that find

[01:15:56] themselves in that situation and ask that everybody support it the question is shall Senate bill 416 pass all in favor of the motion will record their votes aye those opposed no are the senators ready to vote have all the senators voted. Do any senators desire to change their vote? The clerk will close the roll. Ayes 36, noes 4. Ayes 36, noes 4. Senate bill 416 passes. Senate bill 531, a

[01:16:33] bill relating to zoning development and use of necessary dwelling units. Senator from, junior senator from Loudoun. Thank you madam president. I move the bill pass and speaking to that motion. Senator has the floor. Thank you madam President, Senate Bill 531 simply establishes a statewide framework for accessory dwelling units, or ADUs, in single-family residential zoning, where locality chooses to all of them. This bill sets clear rules for permits, fees, setbacks, parking, and proximity to the primary dwelling unit, while preserving

[01:17:10] the local authority for building codes and safety. It takes effect July 1, 2027, and exempts existing permits and pre-existing ADU ordinances. This permissive approach gives localities flexibility while supporting aging in place, workforce housing, and neighborhood stability.

[01:17:31] I hope it's the will of the body to adopt this bill. Thank you, Madam President. The Chair recognizes the Senator from King George. Thank you, Madam President. Would the Senator yield for a question? Will the Senator yield? President, yes, I yield.

[01:17:48] Senator from King George. Madam President, I just want to clarify one thing. There was some confusion earlier. But is this a mandate on local governments to adopt this zoning ordinance?

[01:18:03] Junior, Senator from Loudoun. Madam President and the Senator from King George, I would say that this is permissive. We worked hard, Senator, and we made sure that this is permissive on the counties.

[01:18:20] if they have that's why senator i said it exempts existing permits and pre-existing adu ordinances i thank the senator thank you man the question is shall senate bill 531 pass all in favor of that motion will record their votes aye those opposed no are the senators ready to vote have all the senators voted do any senators desire to change their vote the clerk

[01:18:55] will close the roll. Ayes 21, noes 19. Ayes 21, noes 19. Senate Bill 531 passes. Uncontested calendar. Senate bills on second reading. The chair recognizes the senator from Eastern Fairfax.

[01:44:41] really quick. Number one is it clarifies that if a tenant plugs one of these things in a rental unit and it like blows up the electrical system that the tenant can't then sue for not having electricity. That's one thing. Secondly, it makes clear that the devices cannot backfeed electricity when there's a storm and the power goes out in rental units. Third, it makes clear that there are strong safety standards on the devices requiring NEC standards and UL or equivalent certification for consumers buying these devices it also makes clear that cooperatives are able to install disconnect switches that's something the realtors also requested and finally it includes

[01:45:21] a standard notification form at the state corporation commission so that when a tenant installs one of these things they have to notify their landlord that they're using it those are the only policy changes from what the commerce and labor committee approved i thought it'd be more prudent try and get that stuff knocked out here rather than do it on the house side but it doesn't change otherwise materially the bill I'd hope we could adopt this floor substitute so eventually our Virginians can have the freedom to generate power in their own house without jumping through a bunch of government hoops the question is shall the floor substitute be agreed to

[01:45:57] all in favor of that motion will say aye any opposed no the ayes have it the floor substitute is agreed to senator from Fairfax move the bill to be engrossed in advance to his third reading the question is shall senate bill 250 now be engrossed and advanced to his third reading all in favor of that motion will say aye any opposed no the eyes have it the bill is engrossed and advanced senate bill 251 a bill to require the state corporation commission to convene a work

[01:55:07] The ayes have it. The reading is waived. Senator from Fairfax. I move the floor sub and speak of that motion. Senator has the floor. Thank you, Madam President. Ladies and gentlemen, Senator, this bill has to do with allowing a utility customer construct their own substation in an electrical cooperative. The floor sub in front of you represents a piece in the valley between the cooperatives and their customers.

[01:55:34] I mistakenly moved the wrong sub in the committee. But this is everybody's clear. What this one does to make it clear is it requires the design and components of the substations to meet standards to maintain grid reliability. The application of a large load customer is responsible not only for construction costs but also for ongoing maintenance over the life of the project.

[01:55:56] No cost shifted to other customers. The SCC has to get noticed when these agreements are executed in the form for resolving any disputes and is the form for resolving disputes. The customer is responsible for reimbursing the SCC for costs associated with enforcing the bill. And it clarifies terms about transfer the substation once construction is complete.

[01:56:14] And again, it's completely agreed to by stakeholders. I'm not aware of any opposition to the bill. That's what the floor sub does and what it should have done in committee. The question is, shall the floor substitute now be agreed to? All in favor of that motion will say aye.

[01:56:30] Any opposed, no. The ayes have it. The floor substitute is agreed to. Senator from Fairfax. I move the bill to be engrossed and advanced to its third reading. The question is, shall Senate Bill 377 now be engrossed and advanced to its third reading?

[02:12:05] Yeah, floor amendment, yeah. The question is, shall the reading of the floor amendment now be waived all in favor of that motion will say aye those opposed no the ayes have it the reading is waived senator from fairfax um thank you madam president i move the floor substitute and speak to that motion the senator has the floor to speak to the floor amendment for amendment sorry uh ladies in the senate the the substitute that came out of senate finance and appropriation struck all um of the sort of uh finer location restrictions in the bill so that as it came out of senate finance and appropriations the bill said that it could be located anywhere

[02:12:45] within fairfax county um however there was one that one change that was made which um it's my understanding was unintentional which was that it also was part of striking that paragraph struck that the project had to be part of a coordinated mixed-use development consisting of no less than 1.5 million square feet and so the floor amendment before you uh basically restores that language so So now, subsection E of the bill would read, "The eligible host locality described in subsection A6 should be limited to a proposed site for casino gaming establishment that is part of a coordinated mixed-use development consisting of less than 1.5 million square feet."

[02:13:21] So that's basically what the bill does. It leaves the intent of the Senate Finance Committee intact, but says that if this is built, it has to be part of a convention center, basically. That's what the floor amendment does. The Chair recognizes the Senator from Northern Fairfax. Thank you, Madam Chair. Question for the patron?

[02:13:37] will the senator yield for a question oh you thank you i just wanted to under senator has the floor thank you madam chair i just wanted to understand um is this specifically for fairfax county still or does it uh eliminate that completely senator from eastern fairfax um manager or madam president what i

would say to the senator is that if you look on lines 254 to 257 the only locality that is added is a county of at least 1.15 million people that has adopted the urban county form of executive form of government which is the only one eligible right now would be fairfax county

[02:24:29] Senator from Charlottesville. Madam President, I rise to speak to the resolution. The Senator has the floor. You know, it's difficult to believe. I've been in this side of the Capitol or the other side for more than half my life now.

[02:24:45] And I've known lots of people. Ford Quillen was a unique personality and unique in his qualifications as a legislator. He was the son of Southwest Virginia, and he left this place the way you want to on his own terms.

[02:25:04] He was elected in 1969. He decided not to run for re-election in 1993. He became a circuit court judge the next year, and that's how he finished out his career. Fort Quillen was probably the first son of Scott County to get a Division I athletic scholarship.

[02:25:21] He played football at the University of Tennessee and he was a father of daughters and a veteran of the United States Army. He's got a grandson that's played in the NBA, a very active family. But there are a couple of things in particular I think about when I think of Ford.

[02:25:39] One, I think of this book I read when I was a kid, Mother Night, a Kurt Vonnegut Jr. book. In the preface of the book, it says the moral of the story is be careful about what you pretend to be because that's what you become good lesson for all of us right well Fort Quillan never pretended to be anything he was what he was he was a progressive legislator he represented he was from Scott County represented Lee and Scott I think part of wise but he was pro-choice he was absolutely for his time he was a progressive legislator he believed in economic development he was

[02:26:18] a champion for Southwest Virginia he was most interested to integrate in the economy and figuring out ways to diversify the economy there, invested in education, invested in transportation, he was he was a fireball, a dynamo for that for that region. But the second and the second thing that I think about when I think about Ford is that he was tenacious. You know I remember you know being a young legislator I was sitting around looking fingering through the budget in 1992 and I found calls in there that directed money to be used to forgive student loans for medical students who went to medical school in

[02:26:56] Tennessee who returned to Southwest Virginia to medically underserved areas. And I wondered why in the world are we spending money on kids to get their education in Tennessee? But it was

Ford Quillen's handiwork because he was trying to improve the quality of life for the people for the district he represented. You know the last time I saw him and that's been probably 20 years ago when I stopped in Gate City to have lunch with him, he was still just churn in a minute a mile a minute with ideas about ways to improve life for people in southwest Virginia. He was a model for of a legislator and somebody

[02:27:32] that I'm sorry I'm really sorry that more people and nobody really knows who he is anymore around this place but I'm glad that I had people like that to learn from. Fort Quillen was it was a great legislator and a great man he was as I said a father of daughters a progressive a person who was ahead of his time in many respects, and who got things done. You leave this place one of three ways. You die, and I've known plenty of people that have left this place that way. You're defeated, and I've known people that have left this place that way too. Or you leave on your own terms. Ford left on his own

[02:28:10] terms. He's a great man. I move the resolution. HJR 109 and SR 46 will be agreed to in the usual manner. All those in favor of agreeing to the memorial resolutions please rise. The resolutions are agreed to. Commending resolutions. Senator

[02:28:50] from Eastern Fairfax. Thank you, Madam President. I move the commending resolutions on pages 70 through 72, HJR 11 through SR 48, be considered a block by voice vote, waiving the reading of the resolutions. With the understanding that Senator desiring to move a resolution from the block, shall do so after the clerk has read the number of the resolution. The question is, shall the Commending resolutions on pages 70 through 72, H.J.R. 11 through S.R. 48 be considered in the block by voice vote, waiving the reading of the resolutions with the understanding that any senator desiring to remove a resolution from the block

[02:29:29] will do so after the clerk has read the number of the resolution. All in favor of that motion will say aye. Those opposed, no. The ayes have it. The motion is agreed to. The resolutions are now before us in the block. The clerk will read the numbers of the resolutions.

[02:29:46] House Joint Resolutions 11, 13, 81, 102, 103, 104, 107, 113. Senate Joint Resolution 83, 84, 85, 90, 91, 92, 93, 97, 99, 100.

[02:30:36] Without objection, House Joint Resolution 81 is out of the block and by for the week. The question is, shall the resolutions be agreed to?

[02:30:54] That is, all except for House Joint Resolution 81 on page 70. All in favor of agreeing to the resolutions will say aye. Those opposed, no. The ayes have it. The resolutions are agreed to.

[02:31:10] Returning to page 4, Senate Bill 23. senator from norfolk thank you madam president i move the bill pass and speaking to the bill okay that is the wrong one i called the wrong one i'm sorry senate bill 189 on page six senator from norfolk thank you madam president um senate bill 189 is a narrow technical but important consumer protection bill that strengthens accountability and transparency

[02:31:50] in consumer debt collection cases under current law under current law 8.01-271.1 it requires attorneys to sign pleadings but in practice consumers are often served with filings that do not clearly identify or provide direct contact information for the attorneys responsible for the case. SB 189 addresses

this gap by requiring that any civil action to collect or enforce a consumer debt, the attorney of record must include their name, business address, and direct

[02:32:26] business phone number on the initial pleading and all subsequent filings. This ensures that both the court and the consumer can directly reach the responsible attorney to make payment arrangements, pay in full, or get more information about the case. The bill establishes clear consequences for non-compliance. A filing that does not meet these requirements is considered defective and voidable. However, the bill also provides fairness by allowing attorneys 21 days to cure the defect once notified. If cured in a timely manner, the filing relates back to its

[02:33:03] original date if not cured the filing is invalid and must be stricken most importantly sb 189 does not create a new cause of action or impose any penalties or alter any substantive debt law i move the bill pass the question is shall senate bill 189 pass all in favor of that motion will record their votes aye those opposed no are the senators ready to vote Have all the senators voted?

[02:33:39] Do any senators desire to change their vote? The clerk will close the roll. Ayes 36, no's 4. Ayes 36, no's 4. Senate Bill 189 passes. The chair recognizes the senator from Eastern Fairfax.

[02:34:03] Inquiry to the clerk. Does that complete today's calendar? Yes, sir. Is there any other business to come before the Senate? The senator from Alexandria. Thank you, Madam President.

[02:34:19] I rise for an announcement. The senator has the floor. I have a commending resolution we just passed. I was hoping to get it to be a bipartisan resolution with 40 names on it. It commends the first female veteran to serve as governor of any state, a Virginia native Mickey Sherrill, who is now the governor of New Jersey.

[02:34:39] It talks about her military career and her legal career and congressional career. It's not a partisan resolution, but if anyone would like to sign it, please come see me afterwards. Thank you Senator. The Clerk will report any announcements on the desk.
