

DISTRIBUTION OF INFORMATION/MATERIALS AND POSTING WITHIN SCHOOLS, ON SCHOOL GROUNDS, OR DURING SCHOOL-SPONSORED EVENTS

The Loudoun County School Board seeks to minimize intrusions on school operations with respect to the distribution of information and materials, as well as posting within schools, on school grounds, or during school-sponsored events by individuals that are not LCPS students or employees. Accordingly, this policy establishes applicable parameters for that purpose. This policy shall not be construed to prohibit the discussion or use of political or issue-oriented materials as part of classroom discussions, projects, or school recognized clubs, as governed by Policy 5420, Controversial and Sensitive Curriculum Standards, or otherwise affect the rights of students or employees as set forth respectively in Policy 8273, Student Speech and Expression, and Policy 7524, Staff Participation in Political Activities.

3. Requests that are received from governmental organizations will be granted only for materials regarding activities related to the educational mission of LCPS.
