

BUILDINGS AND GROUNDS MANAGEMENT AND MAINTENANCE

The School Board has the general responsibility for the care, custody, and safekeeping of all school property. The Superintendent or designee shall provide for the systematic maintenance of major and critical building infrastructure components of all school property, primarily identified by the School Board in the Capital Improvement Program (CIP) and Capital Asset Preservation Program (CAPP). The Superintendent or designee shall develop maintenance procedures governing the routine maintenance of school physical facilities, grounds, and equipment to ensure their continued useful service and compliance with the Americans with Disabilities Act of 1990 (ADA), as amended, in an accompanying regulation.
