The Loudoun County School Board (School Board) will approve all categories of athletic coaching, other extracurricular activity sponsorships, and other positions for which supplementary pay will be provided. The Board will also establish the amount of compensation for employees who coach, supervise, or participate in such activities as defined in Policy 8350, Student Activities. Each year, the positions will be published in the Loudoun County Public Schools' Buddy Packet with the title and corresponding pay rate.

A. Contract. A contract separate and apart from a contract for teaching, which is written on the form permitted by the Board of Education, shall be executed by the School Board with an employee who receives supplementary pay for any athletic coaching assignment or extracurricular activity sponsorship assignment.

1. For purposes of this policy, "extracurricular activity sponsorship" means an assignment for which a monetary supplement is received, requiring responsibility for any student organizations, clubs, or groups, such as service clubs, academic clubs, and teams, cheerleading squads, student publication and literary groups, and visual and performing arts organizations except those activities that are conducted in conjunction with regular classroom, curriculum, or instructional programs.

2. All such contracts shall require a party intending to terminate the contract to give reasonable notice to the other party before termination thereof will become effective.

B. Athletic Coaches. High Schools in Loudoun County Public Schools are members of the Virginia High School League ("VHSL" or "League") and abide by the League's rules and regulations that govern interscholastic competition.

1. Pursuant to the VHSL "Coaches Rule," all coaches and sponsors of League activities, both athletic and nonathletic, shall be certified teachers regularly employed by the School Board and responsible to the school principal. They shall have not less than three regular periods of classes or study hall per day.

2. Exceptions to the "Coaches Rule", stated above, are:

a. Students in training at institutions of higher learning.

In certifying persons under this section, the division superintendent shall ensure that all persons applying for a particular coaching position have been considered.
