

PROFESSIONAL LEARNING

The Division Superintendent or their designee is directed to provide high-quality professional learning for all instructional staff in accordance with § [22.1-253.13:5](#) of the Code of Virginia. As an integral component of the comprehensive plans required by § 22.1-253.13:6, LCPS shall include high-quality professional learning and development programs that support the recruitment, employment, professional growth, and retention of qualified teachers and principals. All instructional personnel shall participate in professional learning each year. The School Board shall annually review its professional learning program for quality, effectiveness, participation by instructional personnel, and relevancy to the instructional needs of teachers and the academic achievement needs of LCPS students.
