

## HEALTH INSURANCE

The School Board will provide health insurance coverage to full time employees (as defined by Policy 7022) and their eligible dependents as a fringe benefit for those who elect to participate. In accordance with the Code of Virginia Title § 22.1-85, School Board members may participate in health insurance plans. The School Board's contribution is contingent upon the availability of appropriated funding from the Board of Supervisors.

The provisions of the health insurance plans are set forth in a written Summary Plan Document containing all the material terms and conditions for eligibility, coverage, plan design and specific exclusions. To reference the Summary Plan Document visit [www.lcps.org](http://www.lcps.org), or contact the Business & Financial Services Department.
