

RELIGIOUS ACCOMMODATION

LCPS respects the sincerely held religious beliefs, practices, and observances of all employees and will make, on written request, an accommodation for such practices and observances when a reasonable accommodation is available that does not cause the school division an undue hardship.

An employee whose sincerely held personal religious beliefs require the absence from work for certain times of the workday or workweek must submit a written request for accommodation to the Human Resources and Talent Development (HRTD) Leave & Disability Programs office, utilizing the "Request for Religious Accommodation" form available on the LCPS website. An employee may use up to five (5) days of accumulated paid personal or annual leave or leave without pay. Such leave will be deducted from the employee's accumulated leave or documented as leave without pay. Requests shall be submitted in at least fourteen (14) days in advance of the need for such leave with sufficient notice to obtain a substitute or other back-up coverage, as appropriate or required.

Request for consideration of other accommodations under this policy shall be reviewed and approved or denied by HRTD Leave & Disability Programs team. The employee's immediate supervisor may be consulted to review and discuss the request in order to make a determination.

If the request is denied, the employee may appeal to the HRTD Leave & Disability Programs team in writing and submitted to Leave and Disability Programs. Employees may be requested to provide documentation in support of their request for leave.

Requests for Religious Accommodation must be updated fourteen (14) days of the requested start date if a request is being modified. If an employee transfers to a new position or location different from when the accommodation was approved, they must notify Leave & Disability Programs by submitting a new request fourteen (14) days prior to the start date of their new position or location.
