

DISABILITY INSURANCE

The Loudoun County School Board will provide a short-term disability insurance plan for all Virginia Retirement System (VRS) Plan 1 and Plan 2 benefit-eligible employees. This benefit will provide income in the event of an employee's non-work related injury or illness. The School Board's contribution is contingent upon the availability of appropriated funding from the Board of Supervisors. Long-term disability insurance will be available to all VRS Plan 1 and Plan 2 benefit-eligible employees as a voluntary benefit.

Benefit-eligible employees hired under the VRS Hybrid Retirement Plan receive both short-term and long-term disability insurance as a component of the VRS Hybrid Plan.
