

STUDENT LACTATION SUPPORT

Loudoun County Public Schools principals or their designee shall designate a non-restroom location in each school as an area in which any mother who is enrolled as a student in the division may take breaks of reasonable length during the school day to express milk to feed her child. The area must be shielded from public view, be safe, clean, free of toxic and hazardous materials, and have access to electricity. The area must also be ADA (The Americans with Disabilities Act) accessible to the community. Students who exercise such breaks shall not be penalized for doing so.
