

PARENTAL NOTIFICATION CONCERNING SEX OFFENDER
AND CRIMES AGAINST MINORS REGISTRY

Each school in the Division registers with the Department of State Police to receive electronic notice of the registration, re-registration, or verification of registration information on any person required to register with the Sex Offender and Crimes Against Minors Registry (the Registry) within the Division.

The Superintendent establishes procedures regarding the use and distribution of information received from the Registry, for reasons to include, but not limited to, avoiding information from the Registry being used to intimidate or harass.

The Superintendent annually notifies the parent of each student enrolled in the School Division of the availability of information in the Registry and the location of the website.
