

COMPENSATION

School Board members shall receive compensation from the School Division.

A. Annual Salary. Each School Board member shall receive an annual salary authorized by State law, and specified in the approved annual budget. The current School Board Member salary is authorized at the amount included in the annually adopted budget to be paid on a calendar year basis.

B. Chair. The Chair shall receive an additional salary authorized at the amount included in the annually adopted budget to be paid on a calendar year basis. For every year in which at least 40% of the School Board members are to be elected or appointed, the Superintendent shall include in the Superintendent's Estimate of Needs a cost-of-living increase of 2% per year since the last adjustment to School Board salaries, if equal or higher salary increases have been adopted for LCPS employees over the same period. If approved by the School Board in the School Board Adopted Budget, the increase will become effective on January 1st of the following year.

C. Reimbursement. The School Board shall reimburse each School Board member and School Board member elect's mileage for use of a private vehicle in attending meetings of the School Board and in conducting other official business of the School Board, when requested.

D. Benefits. School Board members are eligible to participate in the School Division's health insurance plans and other voluntary benefit programs if permitted by the specific program.
