

COMMITTEES OF THE SCHOOL BOARD

The Loudoun County School Board maintains committees in order to facilitate its supervision of the school division. School Board committees may either be Standing Committees, Select Committees, or Advisory Committees.

A. Definitions.

1. Standing Committee. A permanent committee appointed by the School Board to consider and recommend actions and propose policies in the functional areas under their jurisdictions, subject to final approval by the full School Board.

2. Select Committee. An ad hoc committee appointed by the School Board to examine and report on a specific issue.

3. Advisory Committee. A committee appointed by the School Board to increase community input on specific issues (qualifications for appointment to some committees are mandated by the Code of Virginia) to include citizens from magisterial districts and one or more appointed School Board member liaison(s).

B. Standing Committees.

1. Each Standing Committee of the School Board shall have no fewer than three School Board members. Membership and Chairship shall be determined by the Chair of the School Board, unless specified otherwise in policy or by vote of the Board at the time of their creation. Appropriate staffing for Standing Committees will be provided by the Superintendent, in consultation with committee chairs.

2. The meeting schedules for Standing Committees will be set by the respective committee chairs with consideration given to maximizing committee member attendance and the availability of appropriate staff to enhance committee productivity.

3. If a committee meeting quorum cannot be achieved due to committee members being unable to attend a scheduled meeting in person, the committee chair should be notified and may request for the meeting to be rescheduled. If rescheduling the meeting is not viable due to attendance concerns, then the School Board Chair may appoint other School Board members to serve on the Standing Committee on a temporary basis. If it is the chair of the Standing Committee who is unable to attend the scheduled meeting in person, then the School Board Chair shall appoint a full-time appointed member of the Standing Committee who is able to attend in person as the committee chair for that specific meeting.

COMMITTEES OF THE SCHOOL BOARD

4. Unless specified otherwise by vote of the Standing Committee or under direction by the School Board, committee agendas will be established by committee chairs with input provided by committee members, staff, and the Chair of the School Board.

5. A quorum for each meeting of any Standing Committee shall be a majority of the committee School Board members.

6. Committee chairs of Standing Committees shall report their respective committees' activities to the full School Board, typically during a regular meeting of the School Board and on a monthly basis. Committee minutes and associated documentation will be made readily accessible electronically to the public. Minutes shall be posted within seven (7) working days of approval.

7. The following committees shall serve as Standing Committees of the Board with responsibilities as described below:

- a. Specialized Programs and Centers Committee ("SP&C"). SP&C is responsible for representing the Board in its ongoing relationship with approved charter schools, resolving issues that may arise in the effective delivery of charter school services within the school division, and recommending modifications to any contracts or agreements with charter schools that are deemed to be needed. SP&C will also serve as the Committee charged with executing duties outlined in Policy and Regulation 5410 related to applications for new charter schools. SP&C will also address other matters related to instructional programs such as Gifted Education, special programs, academies, centers and alternative school programming.
- b. Curriculum & Instruction Committee ("C&I"). C&I provides oversight, policy and programming recommendations in curriculum and instruction-related matters, including initiating, evaluating, and supporting instructional programs, the integration of instructional technology, assessing student achievement, recommending revisions to instructional goals and objectives, and facilitating discussion and assessment of instruction, curriculum trends and other related needs within LCPS.
- c. Student Behavior and Accountability Committee ("SBAC"). The SBAC develops recommendations for policy relating to

student disciplinary issues. SBAC also reviews decisions by the Superintendent or designee to long-term suspend, reassign, exclude, or recommend expulsion of a student, as provided for by Policy 8230 in the following manner. The SBAC Chair will serve as the Chair for all student discipline hearings. If the SBAC Chair is unable to participate in a particular hearing, the School Board Chair shall appoint an Acting Chair for the discipline hearing, preferably from among the standing members of the SBAC.

- d. Finance & Operations Committee ("F&O"). F&O provides oversight, policy and operational recommendations in the areas of finance, infrastructure and facilities within LCPS, including the review and approval of construction, supply and service contracts in excess of \$250,000 prior to being proposed to the School Board for appropriate action. F&O also provides oversight and policy recommendations for child nutrition, technology, transportation, safety & security, and reviews of LCPS walk zones in accordance with Policy 6210.
- e. Joint Committee with the Loudoun County Board of Supervisors ("Joint Committee"). The Joint Committee represents and communicates the views and policies of the School Board to the Board of Supervisors on matters of mutual interest and importance. The Joint Committee is co-chaired by the Chair of the Loudoun County School Board and a member of the Board of Supervisors. Any formal actions taken by the Joint Committee must be first recommended to and approved by both the School Board and Board of Supervisors. The Joint Committee is structured and guided by the Board of Supervisors' Rules of Order which is reviewed annually by the Board of Supervisors and the School Board. The purpose of the Joint Committee is to foster communication between the Board of Supervisors and the School Board for the betterment of Loudoun County as a whole through informative and cooperative joint meetings.
- f. Legislative and Policy Committee ("L&P"). L&P initiates, recommends modifications to, and monitors the School Board's legislative program. The committee facilitates communication between the School Board and elected officials and the Virginia School Board Association to advance the Loudoun County School Board legislative agenda. As determined by the Chair of the School Board, L&P is also responsible for developing and reviewing

recommendations for Board policy related to all legislative and policy matters not within the primary jurisdiction of any other committee.

- g. Student Services Committee (“SSC”). SSC provides oversight and policy recommendations in the areas of special education, diagnostic and prevention services, procedural support, student services, such as school counseling, student health, student assistance, mental health and social work services, in addition to student assignment (Policy 8155).
- h. Performance Monitoring Committee (“PMC”). PMC analyzes and monitors division-wide performance data, such as Strategic Plan metrics and achievement results, to help identify trends and areas for improvement to enhance student achievement and division progress. The committee develops policies to support diverse student needs in an endeavor to enhance overall and targeted resources for students, staff, schools, and programs. Through this work, the PMC contemplates programs, curricula, and initiatives that foster student success and ensures transparency through regular reporting to the Board and the community.
- i. Audit Committee (“AC”). The AC oversees the LCPS Office of the Auditor General (“OAG”), consistent with Policy 3410. The AC approves, recommends modifications to, and monitors the audit plan through the division’s OAG. The AC shall not engage in the direct management of the school division and shall not directly participate in the OAG audit process. The AC shall review the audit plan, scope, findings, reports, and recommendations of all internal OAG audit processes, as well as all external audit processes coordinated by the division’s OAG. In accordance with Policy 3410, the AC, through the division’s OAG, is authorized access to LCPS records, physical properties and personnel pertinent to carrying out its responsibilities. The AC shall meet upon a schedule determined by the Committee Chair in consultation with the division’s OAG, but may also meet in closed session, where appropriate and as permitted by law. With Board approval, the AC, in coordination with the division’s OAG, may retain external auditors or other external experts when specialized knowledge is required.

COMMITTEES OF THE SCHOOL BOARD

The AC shall monitor the division's responses to audit findings and recommendations. The AC may review and make relevant policy recommendations to the full School Board and shall, as permitted by law, regularly report to the full School Board and community regarding its activities, findings, and recommendations.

C. Select Committees.

1. Select Committees may be appointed by the School Board Chair or created by School Board action. Select Committees shall be appointed or formed for a specific purpose and include membership from within the School Board, LCPS employees, and/or members of the public. Chairship and membership of Select Committees shall be determined by the Chair of the School Board, unless specified otherwise in policy or by vote of the Board at the time of their creation. Board Members may express interest in, and/or may propose other individuals to the Chair of the School Board for consideration of appointment to such Select Committee. The Board Chair has sole and final discretion over such appointments but shall take into consideration such suggestions and expressions, along with all other relevant circumstances. Appropriate staffing for Select Committees will be provided by the Superintendent, in consultation with Select Committee Chairs.

2. The Select Committees shall be discharged when that purpose is fulfilled, unless School Board action authorizes the earlier discontinuance or the temporary continuance of Select Committees.

3. A quorum for each meeting of Select Committees shall be a majority of the School Board members assigned to the committee.

4. Committee chairs of Select Committees shall report on activities to the full School Board as appropriate. Select Committee minutes and associated documentation will be made readily accessible electronically to the public. Minutes shall be posted within seven (7) working days of approval.

D. Advisory Committees.

1. The School Board may appoint Advisory Committees for consultation with reference to specific matters pertaining to LCPS schools. Members of Advisory Committees are approved by the School Board. Advisory chairships will be determined in accordance with the bylaws of that advisory committee, unless otherwise specified in policy or by vote of the Board at the time of the creation (where an advisory committee is not otherwise required by law). All members of Advisory Committees must be parents/guardians of LCPS Students, Loudoun County residents, including students, or LCPS employees. The School Board, at their discretion, may approve membership of a specific subject-matter

expert to an Advisory Committee, outside of the membership requirements. Any currently serving member of an Advisory Committee that does not satisfy the requirements of this section on the date it was adopted may complete the remainder of their term on the Advisory Committee unless they satisfy the eligibility requirements of this section at the time of their subsequent appointment.

2. In addition, pursuant to Virginia Board of Education regulations, the School Board establishes Advisory Committees for the following programs: special education, gifted education, and career and technical education. Pursuant to Virginia Code, the School Board establishes an Advisory Committee for school health programs. While not required by legal authority, the School Board also establishes other Advisory Committees.

3. These Advisory Committees serve without compensation for one-year terms, and they are governed by respective bylaws and charters each Advisory Committee passes.

5. A quorum for each meeting of Advisory Committees shall be a majority of the membership, unless otherwise specified in the Advisory Committee bylaws, in no case shall quorum for Advisory Committees be less than twenty-five (25%) of the membership.

6. The School Board Chair will appoint a School Board member as a liaison to Advisory Committees to the School Board. The Advisory Committee's School Board member liaison shall report on activities to the full School Board as appropriate. Advisory committees shall keep the minutes for all meetings of the committee in accordance with the generally applicable provisions of School Board Policy 2450.

7. The following committees shall serve as Advisory Committees to the School Board:

- a. Special Education Advisory Council ("SEAC"). SEAC works with the School Board, administrators, parents and teachers who are responsible for students receiving special education services. SEAC advises the School Board on the needs of special education students and examines issues of relevance to the special education.
- b. Gifted Education Advisory Committee ("GEAC"). GEAC serves as a support group to review and make suggestions about gifted programs and promote community awareness of gifted education.
- c. Minority Student Achievement Advisory Committee.

COMMITTEES OF THE SCHOOL BOARD

(“MSAAC”). MSAAC is dedicated to partnering with LCPS, parents, and the community to acknowledge and promote the needs of minority students. MSAAC is also dedicated to building a school system that is culturally and socially competent and positioned to provide fair and equitable learning experiences for all students.

- d. Loudoun Education Alliance of Families (“LEAF”). LEAF is an advisory group voice for parents to elevate educational concerns and provide feedback to the board on current or proposed policies or issues facing the School Board, in its operation of LCPS.
- e. Career and Technical Education Advisory Committee. (“CTEAC”). CTEAC provides recommendations to the School Board on current job needs and the relevancy of career and technical education programs offered and to assist in the development, implementation, and evaluation of the local plan and application.
- f. School Health Advisory Board (“SHAB”). SHAB assists with the development of LCPS health policy and the evaluation of the status of school health, health education, the school environment, and health services.

E. Creation, Amendment and Dissolution of Committees. The School Board may create, dissolve or amend the scope of any School Board committee, not otherwise required by law, by a School Board vote.
