

## STUDENT FEES AND CHARGES

This Regulation is being provided as the schedule of fees for the consistent charging of student fees throughout the school division. No fees or charges may be assessed or collected that either have not been approved by the School Board or listed in the Policy and this Regulation.

A. Reduction or Waiver of Fees. Fees and charges will be reduced or waived for economically disadvantaged students and students whose families are undergoing economic hardships and are unable to pay.

B. Notice. Each time a fee is charged, a notice that a fee reduction or waiver may be requested along with instructions for applying shall be provided to the guardian.

C. Definitions.

1. Curricular. A student's course of study.

2. Co-curricular. These activities are optional and are an extension of the regular educational offerings as listed in the district program of studies. Examples of co-curricular activities include academic honor societies, advisory, student leadership organizations, school counseling student groups, course-related academic clubs and competitions, and fine arts-related performance groups.

3. Extra-curricular. These activities are special interest groups organized by students and overseen by school staff offered to students outside of the regular instructional school day. Examples of extra-curricular activities include political, religious, community service, or recreational activities. Student participation is voluntary and is neither encouraged nor discouraged by the school.

4. Interscholastic Activities. These activities are athletic or academic in nature and involve students competing with students from other schools. Interscholastic activities are offered by LCPS to students outside of the regular instructional school day. Examples of interscholastic activities include those sponsored by the Virginia High School League, including sports teams, publications/multimedia, creative writing, esports, theatre, debate, forensics, and yearbook.
