

MANAGEMENT OF FUNDS

The Superintendent and the Chief Financial Officer of the school system shall ensure that a high level of fiscal responsibility and controls are maintained for funds entrusted to the Loudoun County Public Schools.

A. The Superintendent and the Chief Financial Officer of Loudoun County Public Schools is responsible for administering the division budget in accordance with Board policies and applicable state and federal regulations and laws. The Superintendent and the Chief Financial Officer uses appropriate fiscal planning and management methods, modeled after the best accepted business practices and directed toward the educational goals of the division. The Superintendent shall designate account managers with budget accountability through the designated reporting relationships to Cabinet Members.

B. Funds are currently appropriated to the School Board by total expenditures. The Superintendent and the Chief Financial Officer may be authorized by the School Board to transfer funds from one category to another provided the funds are appropriated by total expenditures. The fiscal controls developed by the Superintendent and the Chief Financial Officer shall ensure that the School Board will not expend or contract to expend, in any fiscal year, any sum of money in excess of the funds appropriated for school purposes for that fiscal year without the consent of the governing body (Board of Supervisors) appropriating funds to the School Board.

C. The School Board manages and controls the funds made available to it for the Loudoun County Public School Division and incurs costs and expenses.

D. Financial controls and fiscal reporting shall conform to the laws of the Commonwealth of Virginia Generally Accepted Accounting Principles (GAAP) as promulgated by the Government Accounting Standards Board (GASB), the Auditor of Public Accounts of the Commonwealth of Virginia (APA) and local policy.

E. Operating Budget Transfers

1. Operating budget transfers between departments in excess of \$100,000 that deviate from the purpose designated by the School Board in the appropriated Operating Budget shall be submitted for consideration to the Finance & Operations Committee and for final approval by the School Board.

2. Operating budget transfers within a department in excess of \$250,000 that deviate from the purpose designated by the School Board in the appropriated Operating

MANAGEMENT OF FUNDS

Budget shall be submitted for consideration to the Finance & Operations Committee and for final approval by the School Board.

3. If a budget transfer is related to a time-sensitive purchase, the action may be taken directly to the School Board for approval with advance notification to the Chair of the Finance & Operations Committee.

F. All full-time personnel and associated staff positions must be afforded within the budget and approved by the School Board.

G. The Chief Financial Officer shall ensure that a position control system is maintained and that a budgeted position exists for all newly hired full time personnel.

H. The Superintendent shall be authorized to employ new personnel between School Board meetings, subject to School Board approval.

I. The Superintendent shall be authorized to modify existing positions provided that any modification can be afforded within the budget, the net number of positions is not increased, and the School Board is provided reasonable opportunity to provide feedback on those personnel actions in advance of them taking effect.

J. The Superintendent shall be authorized to create additional positions not within the adopted budget provided that they can be afforded within the budget and are approved by the School Board in advance.
