

SCHOOL DAY

The purpose of this policy is to define the standard length of school days in Loudoun County Public Schools.

- A. School Day. The standard school day for grades K-8 in LCPS is six hours and 45 minutes, including lunch and transition times. The standard school day for grades 9 - 12 in LCPS is six hours and 48 minutes, including lunch and transition times.
- B. Certification. The Superintendent and School Board Chair certify the total number of teaching days and teaching hours each year as part of the annual report to the Virginia Board of Education.
